1 - INTRODUCTION BY THE CHAIR

Welcome to The Football Association Handbook, the essential guide to the rules and regulations of football.

The FA has the privilege and the responsibility of overseeing football in England as a whole. We do so in an effective partnership with stakeholders from across all levels of the game. Football has rules to protect those who take part in it, and we approach it with one set of values, which allows the game to be successfully and effectively played in facilities all over the country.

The Handbook has been published every year since 1895, excluding the war years, and should prove again this year to be an invaluable companion to people involved in football at all levels.

We hope that every recipient of the 2026-2027 Handbook, whatever your involvement in the game, will find it a helpful reference book during what we hope will be another exciting season.

**DEBBIE HEWITT MBE, CHAIR
THE FOOTBALL ASSOCIATION**

The FA Handbook may be subject to change throughout the playing season. For the most up-to-date version, please visit [The FA's website](#).

4 - STANDING ORDERS / POWERS AND DUTIES

STANDING ORDERS FOR THE CONDUCT OF BUSINESS AT MEETINGS OF COUNCIL OF THE FOOTBALL ASSOCIATION LIMITED (THE "COUNCIL") AND COMMITTEES OF COUNCIL EFFECTIVE FROM 23 JULY 2026 ("THE STANDING ORDERS")

GENERAL

1. The powers and duties of Council shall be as stated in the Articles of Association ("the Articles") of The Football Association Limited ("The Association" or "the Company"), the Rules of The Association and these Standing Orders.

MEETINGS OF COUNCIL

2. Save where expressly stated to the contrary or following a written decision of Council in accordance with Standing Order 24, Council may exercise any power or carry out any duty only at a meeting of Council.
3. There shall generally be not more than 4 meetings of Council in any period from 1 August – 31 July in any given year (the "Council Year").
4. Council shall determine the dates for meetings of Council at the first meeting in any Council Year, provided that:
 - a. At least one meeting takes place in June or July (and such meeting is designated by Council as the "Summer Meeting"); and
 - b. To the extent that an annual general meeting of The Association takes place in a Council Year, a meeting takes place on the date of such an annual general meeting.
5. Meetings of Council may be hosted at a physical location(s), on an electronic platform(s) or through a combination of physical locations(s) and electronic platform(s).
6. Subject to Standing Order 7, the time, date, place and/or electronic platform(s) of each meeting of Council shall be fixed by Council.
7. At any time the Board may (and on the request of 5 or more Members of Council shall) call an extraordinary meeting of Council over and above those referred to in Standing Orders 3 and 4 by giving no less than 14 days' notice (or where the Board considers the matter(s) for consideration to be of an emergency nature, no less than 7 days' notice) to each Member of Council. The time, date, place and/or electronic platform(s) of each extraordinary meeting of Council shall be fixed by the Board.
8. The Board may at any time postpone or cancel a meeting of Council and give no less than 4 days' notice to each Member of Council of such postponement or cancellation.

NOTICE AND BUSINESS OF MEETINGS

9. No less than 7 days (or, where the Board considers the matter(s) for consideration to be of an emergency nature, no less than 3 days) before a meeting of Council, each Member of Council shall receive an agenda of the business to be conducted. A matter which is not on the agenda shall not be considered at a meeting of Council unless accepted as an extraordinary item by more than 50% of the Members of Council present and entitled to vote at the meeting.
10. A Member of Council may propose that a matter be an item on the agenda of a meeting of Council by giving no less than 14 days' written notice before the proposed date of the meeting. A matter which is proposed in compliance with this Standing Order shall be an agenda item, save that a proposal to put forward a no confidence vote in the Chair to Council must be proposed by at least five Members of Council in compliance with this Standing Order in order for it to be an agenda item.

4 - STANDING ORDERS / POWERS AND DUTIES

11. The accidental omission to give notice of a Council meeting (or any committee meeting) to, or the non-receipt of notice of a meeting by, any Member of Council shall not invalidate any resolution passed or the proceedings at such meetings.

QUORUM

12. The quorum of a meeting of Council shall be 50% or more of the Members of Council entitled to attend and vote.

CONDUCT OF MEETINGS OF COUNCIL

13. The Chair shall preside as chair at a meeting of Council.
14. If the Chair is not present at a meeting, the People and Culture committee shall choose a person to be chair of the meeting. If it is expected that the Chair will not be present for more than one meeting, the Board, on the recommendation of the People and Culture Committee, shall appoint an interim chair of meetings of Council.
15. The chair of the meeting may with the consent of the meeting (and shall if so directed by the meeting) adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting, other than the business which might properly have been transacted at the meeting had the adjournment not taken place.
16. The chair of the meeting may at any time without the consent of the meeting adjourn any meeting (whether or not it has commenced or a quorum is present) either without setting a time or to another time or place where it appears to the chair that:
 - a. the conduct of persons present prevents or is likely to prevent the orderly continuation of business; or
 - b. an adjournment is otherwise necessary so that the business of the meeting may be properly conducted.
17. The conduct of a meeting of Council and the order of proceedings shall be at the discretion of the chair of the meeting.

VOTING

18. All questions at a meeting of Council which is held wholly or partly on an electronic platform(s) shall be determined by an electronic ballot conducted by way of email notification to the Secretary or through such other voting system as the Secretary may determine (including as to the applicable time periods for voting), unless the recording of votes is requested, supported and determined in the same manner as required at a physical meeting of Council as set out below. All questions at a meeting of Council which is not held wholly or partly on an electronic platform(s) shall be determined by a show of hands, unless either: (a) a ballot; or (b) the recording of votes, is requested by any Member of Council, supported by at least 2 others. In the event of votes being recorded under (b), the names for, and against, shall be registered and entered in the minutes. In the event of there being validly supported requests for both procedures (a) and (b), the procedure to be applied shall first be determined by a ballot.
19. Save where provided specifically to the contrary: (i) a matter shall be passed if supported by more than 50% of those Members of Council present and voting; and (ii) a Member of Council may vote only if they are present at a meeting of Council.
20. A declaration by the chair of the meeting that a resolution has been carried or carried unanimously, or by any particular majority, or lost, or not carried by a particular majority, and an entry to that effect made in the minutes of the proceedings of the meeting, shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
21. In the case of an equality of votes, whether on a show of hands or on a poll, the chair of the meeting shall be entitled to a casting vote.

4 - STANDING ORDERS / POWERS AND DUTIES

WHO MAY TAKE UP BUSINESS UNDER NOTICE

22. Except by the consent of Council, business under any notice upon the agenda shall not be proceeded with in the absence of the Member of Council in whose name it stands, unless the member has given written authority for it to be taken up by another member.

OBJECTIONABLE BUSINESS

23. If the chair of the meeting determines that any matter raised or motion moved to be made is of an objectionable character, the chair of the meeting shall have the power either before or after the same is brought forward, to put it to the vote (on which no discussion shall be allowed) as to whether the same shall be brought forward or not. If 75% or more of the members present and voting decide not to allow such motion to be brought forward, then it shall be considered as disposed of for that day.

WRITTEN DECISIONS OF COUNCIL

24. The Chair may ask Council to make a decision in writing on a specific matter. Save where a decision on a certain matter specifically provides to the contrary, a decision approved by more than 50% of the Members of Council entitled to vote at a meeting of Council shall be valid and effectual as if it had been passed at a meeting of Council provided that such will be effective only if it can be demonstrated that every member of Council entitled to attend a meeting of Council received notice of the proposed matter. Approval may be given by signature, in writing or any other means of recorded approval (including voting software) as determined by the Chair. Any such decision shall be recorded as a written decision of Council.

RECONSIDERING A DECISION

25. A decision of Council made at a meeting of Council may be reconsidered at the meeting of Council at which it has been made if any motion to reconsider is supported by more than 50% of the members present and voting.
26. No decision made at a meeting of Council or as a written decision may be considered within a period of 12 months from the date on which it was decided unless more than 50% of Members of Council present and entitled to vote at a subsequent meeting vote in favour of a motion to allow reconsideration.

PRESIDENT, VICE-PRESIDENTS AND LIFE VICE-PRESIDENTS

27. There may be a President who may be appointed annually by Council at the Summer Meeting and whose position shall be honorary. If so appointed, the President shall neither be entitled to notice of nor to attend at nor to vote at meetings of Council.
28. There shall be not more than six Members of Council to serve as Vice-Presidents, who shall be elected annually by Council at the Summer Meeting or at such other time as a vacancy arises. Subject to Standing Order 31, a Vice-President appointed prior to the effective date of these Standing Orders may continue to serve as Vice-President if so elected in accordance with this Standing Order 28 notwithstanding that they may have vacated office as a Member of Council, but in such circumstances such Vice-President shall not be entitled to vote at meetings of Council. A Vice-President appointed after the effective date of these Standing Orders may only continue to serve as Vice-President for so long as they are a Member of Council pursuant to the Articles.
29. Pursuant to the Articles, Life Vice-Presidents shall continue to be Members of Council with the rights set out in Standing Order 30. No further Life Vice-Presidents shall be created or appointed.

4 - STANDING ORDERS / POWERS AND DUTIES

30. Life Vice-Presidents shall be entitled to receive notice of and attend meetings of Council but not vote at such meetings.
31. The position of Vice-President shall cease to exist from midnight on the day before the Summer Meeting in 2027, with all incumbent Vice-Presidents retiring and not being eligible for reappointment or replacement.

HONORARY MEMBERS

32. Council shall have the power to appoint Honorary Members. Council shall have the power to remove any Honorary Member. The Board shall be entitled to propose such business to a general meeting as it considers appropriate, including any amendment to these Articles and/or to the Rules (PROVIDED THAT, and subject always to the provisions of the 2006 Act, any proposal to amend the Articles has the approval of Council as set out in Article 88.1).

28 Notice of General Meetings

A general meeting shall be called by at least fourteen clear days' notice but a general meeting may be called by shorter notice if it is so agreed by a majority in number of Shareholders having a right to attend and vote, being a majority together not holding less than 90% of the total voting rights at a general meeting.

29 Contents of Notice of General Meetings

- 29.1 The notice shall specify whether the meeting will be held (wholly or partly) at a physical place or by means of an electronic platform(s). The notice shall also state the time, date and place and/or electronic platform(s) of the meeting and shall, in the case of an annual general meeting, specify the meeting as such, and, in the case of a meeting to pass a special resolution, specify the intention to propose the resolution as a special resolution, as the case may be.
- 29.2 If the meeting is to be held (wholly or partly) by means of an electronic platform(s), the notice shall specify any access, identification and security arrangements determined in accordance with Article 31.3.
- 29.3 The notice shall state with reasonable prominence that a Shareholder entitled to attend and vote at the meeting being called is entitled to appoint a proxy to attend and vote instead of such Shareholder, and that a proxy need not also be a Shareholder.

30 Omission to give Notice and Non-receipt of Notice

The accidental omission to give notice of a meeting to any person entitled to receive the same, or the non-receipt of a notice of meeting by any such person, shall not invalidate the proceedings at that meeting. Notice of a general meeting shall be deemed to have been given to any Nominee if sent to a business address of the body set out under Article 8.1 entitled to the share and on whose behalf the Nominee has been appointed as Nominee under Article 9.

31 Electronic Meetings

31.1 The Board may decide to enable persons entitled to attend and participate in a general meeting to do so by simultaneous attendance and participation by means of an electronic platform(s). Shareholders or their proxies present shall be counted in the quorum for, and entitled to vote at, the general meeting in question, and that meeting shall be duly constituted and its proceedings valid if the chair of the meeting is satisfied that adequate facilities are available throughout the meeting to ensure that Shareholders or their proxies attending the meeting who are not present together at the same place may:

31.1.1 participate in the business for which the meeting has been convened;

31.1.2 hear all persons who speak at the meeting; and

31.1.3 be heard by all other persons present at the meeting.

31.2 If it appears to the chair of the meeting that the electronic platform(s) has become inadequate for the purposes referred to in Article 31.1, then the chair may, without the consent of the meeting, interrupt or adjourn the meeting. All business conducted at that meeting up to the time of that adjournment shall be valid and the provisions of Article 35 shall apply to that adjournment.

31.3 If a general meeting is held by means of an electronic platform(s), the Board may make any arrangement and impose any requirement or restriction as is:

31.3.1 necessary to ensure the identification of those taking part and the security of any electronic communication; and

31.3.2 proportionate to those objectives.

In this respect, the Board may authorise any voting application, system or facility as they see fit.

PART 4: PROCEEDINGS AT GENERAL MEETINGS

32 Quorum at General Meetings

No business shall be transacted at any general meeting unless a quorum is present, but the absence of a quorum shall not preclude the choice or appointment of a chair of the meeting, which shall not be treated as part of the business of the meeting. Ten or more Shareholders entitled to vote upon the business to be transacted, each being a Shareholder or a proxy for a Shareholder or a duly authorised representative of a corporation shall be a quorum.

33 Procedure if Quorum Not Present

33.1 If such a quorum is not present within thirty minutes from the time appointed for the meeting, or if during a meeting such a quorum ceases to be present, the meeting, if convened on the requisition of Shareholders, shall be dissolved, and in any other case shall stand adjourned to such time and place as the chair of the meeting may determine.

33.2 If at the adjourned meeting there are less than ten Shareholders present, they shall have power to decide on all matters which might have been disposed of at the meeting from which the adjournment took place if a quorum had been present thereat PROVIDED THAT at least three days' notice has been given to the Shareholders of such adjournment in order to enable special business to be transacted thereat by less than a quorum.

7 - ARTICLES OF ASSOCIATION

34 Chair of General Meeting

- 34.1 The Chair or in absence of such person, an Independent Non-Executive Director (or in the absence of an Independent Non-executive Director any other Director) nominated by the Board shall preside as chair at a general meeting.
- 34.2 If at any meeting neither the Chair nor an Independent Non-Executive Director nor such other nominated Director (if any) is present within fifteen minutes after the time appointed for holding the meeting, the Shareholders present and entitled to vote shall choose one of their number to be chair of the meeting.

35 Adjournments

- 35.1 The chair of the meeting may with the consent of the meeting (and shall if so directed by the meeting) adjourn any meeting and specify the time, date, place and/or electronic platform(s) to which it is adjourned, but no business shall be transacted at any adjourned meeting, other than the business which might properly have been transacted at the meeting had the adjournment not taken place.
- 35.2 The chair of the meeting may at any time without the consent of the meeting adjourn any meeting (whether or not it has commenced or a quorum is present) either without specifying a time, date, place and/or electronic platform(s) or to another time, date, place and/or electronic platform(s) where it is apparent that:
- 35.2.1 the Shareholders wishing to attend cannot be conveniently accommodated in the place and/or electronic platform(s) appointed for the meeting;
- 35.2.2 the conduct of persons present prevents or is likely to prevent the orderly continuation of business; or
- 35.2.3 an adjournment is otherwise necessary so that the business of the meeting may be properly conducted.

36 Amendment to Resolutions

If an amendment shall be proposed to any resolution under consideration but shall in good faith be ruled out of order by the chair of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. With the consent of the chair of the meeting, an amendment may be withdrawn by its proposer before it is voted upon. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than an amendment to correct a patent error) may in any event be considered or voted upon.

37 Method of Voting

- 37.1 Subject to any rights or restrictions attached to any shares, on a show of hands each Shareholder who is present in person or by proxy shall have one vote and on a poll each Shareholder present in person or by proxy shall have one vote for every share of which they are the holder. Subject to any rights or restrictions attached to any shares, on a written resolution each Shareholder shall have one vote for every share of which they are the holder.
- 37.2 If any votes are given or counted at a general meeting which shall afterwards be discovered to be improperly given or counted, the same shall not affect the validity of any resolution or thing passed or done at the said meeting, unless the objection to such votes be taken at the same meeting, and not in that case, unless the chair of the meeting shall then and there decide that the error is of sufficient magnitude to affect such resolution or thing passed or done.
- 37.3 In the case of an equality of votes, whether on a show of hands or on a poll, the chair of the meeting shall be entitled to a casting vote in addition to any other vote the chair may have.

7 - ARTICLES OF ASSOCIATION

- 37.4 Upon any resolution to be considered at a general meeting to amend any of the Articles listed in Articles 22.1 and/or 23.1 of these Articles or for the removal of, or waiver or ratification of any breach of, any of those Articles:
- 37.4.1 whether on a show of hands or on a poll, when the votes cast on that resolution have been counted, the chair of the meeting, before any declaration of the result of that vote, shall immediately inform the Professional Game Special Shareholder and the National Game Special Shareholder (if present at the meeting):
- (a) of the number of abstentions on, and of the number of votes cast in favour of, and of those cast against, the resolution; and
 - (b) in respect of the Articles listed in Article 23.1, of the number of votes cast in favour by the National Game Shareholders whether in person or by proxy;
- 37.4.2 the chair of the meeting shall then invite the Professional Game Special Shareholder and the National Game Special Shareholder to cast the votes attached to their respective shares on that resolution, whereupon the Professional Game Special Shareholder and the National Game Special Shareholder may cast the votes attached to their respective shares on that resolution; and
- 37.4.3 the votes, if any, cast by the Professional Game Special Shareholder and/or the National Game Special Shareholder shall be counted and taken into account by the chair of the meeting in deciding whether the resolution has been passed.

38 Types of Resolution

Where for any purpose an ordinary resolution of the Company is required, a special resolution shall also be effective.

39 Poll Voting

- 39.1 A resolution put to the vote at a meeting held wholly or partly by means of an electronic platform(s) shall be decided on a poll.
- 39.2 Subject to Article 39.1, a resolution put to the vote of a meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands, a poll is duly demanded. Subject to the provisions of the 2006 Act, a poll may be demanded by:
- 39.2.1 the chair of the meeting;
 - 39.2.2 not less than five Shareholders present personally or by proxy having the right to vote at the meeting; or
 - 39.2.3 by Shareholders, present personally or by proxy, representing not less than one tenth of the total voting rights of all the Shareholders entitled to vote at the meeting.
- 39.3 Unless a poll is duly demanded (i) a declaration by the chair of the meeting of the result of a vote; and (ii) an entry to that effect made in the minutes of the proceedings of the meeting, shall be conclusive evidence of the result of such vote in absence of proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 39.4 Before the relevant poll is taken, the demand for a poll may be withdrawn with the consent of the chair of the meeting at the meeting or prior to the taking of the poll. A withdrawn demand shall not invalidate the result of any show of hands declared before any demand was made.
- 39.5 A poll demanded on the election of a chair of the meeting or on a question of adjournment shall be taken immediately on demand for such poll. A poll demanded on any other matter shall be taken in a manner determined by the chair of the meeting either immediately or at such time after the date of the meeting as may be determined by the chair of the meeting, and the result of such poll shall be deemed to be the resolution of the Company in general meeting.

7 - ARTICLES OF ASSOCIATION

- 39.6 A demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded.
- 39.7 No notice need be given of a poll not taken forthwith if the time, date, place and/or electronic platform(s) at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven clear days' notice shall be given specifying the time, date, place and/or electronic platform(s) at which the poll is to be taken.
- 39.8 On a poll, votes may be given in person or by proxy. Shareholders entitled to more than one vote need not, if voting, use all their votes or cast all the votes used in the same way.

40 Objections or Errors in Voting

- 40.1 If:
- 40.1.1 any objection is made to the right of any person to vote is made;
 - 40.1.2 any votes have been counted which ought not to have been counted or which might have been rejected; or
 - 40.1.3 any votes are not counted which ought to have been counted,
- the objection or error must be raised or pointed out at the meeting (or the adjourned meeting) or the poll at which the vote objected to is cast or at which the error occurs. Any objection or error must be raised with or pointed out to the chair of the meeting. The chair's decision is final. If a vote is allowed at a meeting or poll, it is valid for all purposes and if a vote is not counted at a meeting or poll, this will not affect the decision of the meeting or poll.
- 40.2 The Company will not be obliged to check whether a proxy or corporate representative has voted in accordance with a Shareholder's instructions and if a proxy or corporate representative fails to do so, this will not affect the decision of the meeting (or adjourned meeting) or poll.

41 Appointment of Proxies

- 41.1 A Shareholder may appoint another person as proxy to exercise all or any of their rights to attend and to speak and to vote (both on a show of hands and on a poll) on a resolution or amendment of a resolution, or on other business arising, at a meeting or meetings of the Company. Unless the contrary is stated in it, the appointment of a proxy shall be deemed to confer authority to exercise all such rights as the proxy thinks fit, including voting on a resolution whether or not notice of such resolution was given in the notice of meeting. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates. The instrument appointing a proxy shall be deemed to confer authority to demand or join in demanding a poll.
- 41.2 The instrument appointing a proxy shall be executed by or on behalf of the appointer and shall be in writing in any usual form (or in another form approved by the Board) executed under the hand of the appointor or a duly constituted attorney or, if the appointor is a corporation, under its seal or executed by a duly authorised officer or attorney or other person authorised to execute.
- 41.3 Subject to the 2006 Act, the appointment of a proxy may be accepted by the Board if received by electronic means on such terms and subject to such conditions as the Board considers fit. The appointment of a proxy received by electronic means shall not be subject to the requirements of Article 41.2.
- 41.4 For the purposes of Articles 41.2 and 41.3, the Board may require such reasonable evidence it considers necessary to determine:
- 41.4.1 the identity of the member and the proxy; and
 - 41.4.2 where the proxy is appointed by a person acting on behalf of the Shareholder, the authority of that person to make the appointment.
- 41.5 A proxy need not be a Shareholder.

42 Receipt of Proxies

- 42.1 An instrument appointing a proxy and any reasonable evidence required by the Board in accordance with Article 41.4 shall:
- 42.1.1 subject to Articles 42.1.3 and 42.1.4, in the case of an instrument of proxy in hard copy form, delivered to the registered office, or another place in the United Kingdom specified in the notice convening the meeting or in the form of appointment of proxy or other accompanying document sent by the Company in relation to the meeting (a **"proxy notification address"**) not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the form of appointment of proxy proposes to vote;
 - 42.1.2 subject to Articles 42.1.3 and 42.1.4, in the case of an appointment of a proxy sent by electronic means, where the Company has given an electronic address (a **"proxy notification electronic address"**):
 - (a) in the notice calling the meeting;
 - (b) in an instrument of proxy sent out by the Company in relation to the meeting;
 - (c) in an invitation to appoint a proxy issued by the Company in relation to the meeting; or
 - (d) on a website maintained by or on behalf of the Company on which any information relating to the meeting is required by the 2006 Act to be kept,

it shall be received at such proxy notification electronic address not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the form of appointment of proxy proposes to vote;
 - 42.1.3 in the case of a poll taken more than 48 hours after it is demanded, delivered or received at a proxy notification address or a proxy notification electronic address and not less than 24 hours before the time appointed for the holding of the adjourned meeting or the taking of the poll; or
 - 42.1.4 in the case of a poll which is not taken at the meeting at which it is demanded but is taken 48 hours or less after it is demanded, or in the case of an adjourned meeting to be held 48 hours or less after the time fixed for holding the original meeting, received:
 - (a) at a proxy notification address or a proxy notification electronic address in accordance with Articles 42.1.1 or 42.1.2;
 - (b) by the chair of the meeting or the secretary or any director at the meeting at which the poll is demanded or, as the case may be, at the original meeting; or
 - (c) at a proxy notification address or a proxy notification electronic address by such time as the chair of the meeting may direct at the meeting at which the poll is demanded.

In calculating the periods in this Article, no account shall be taken of any part of a day that is not a working day.
- 42.2 The Board may decide, either generally or in any particular case, to treat a proxy appointment as valid notwithstanding that the appointment or any of the information required under Article 41.4 has not been received in accordance with the requirements of this Article.
- 42.3 Subject to Article 42.2, if the proxy appointment and any of the information required under Article 41.4 is not received in the manner set out in Article 42.1, the appointee shall not be entitled to vote in respect of the shares in question.

43 Maximum Validity of Proxy

- 43.1 No instrument of proxy shall be valid after the expiration of two months from the date stated in it as the date of its execution.

7 - ARTICLES OF ASSOCIATION

- 43.2 Delivery of an instrument appointing a proxy shall not preclude a Shareholder from attending and voting in person at the meeting or poll concerned, in which case any proxy shall be invalid.

44 Nominee Proxies

- 44.1 In addition to the other rights to appoint a proxy, any Nominee that is not a corporation or corporation sole shall, if one of the following persons attends any meeting (or adjournment of any meeting), be deemed to have appointed such person as a proxy for that meeting and executed and delivered an instrument in a form approved by the Board appointing such person in accordance with Article 42:

44.1.1 in respect of Nominees appointed by a Member Club, the Divisional Representative of the Division into which it is grouped; and

44.1.2 in respect of Nominees appointed by a County Association, the representative of that County Association appointed pursuant to Article 77.6 (if any).

- 44.2 If another instrument of proxy is delivered in respect of the same share(s), any deemed appointment of a proxy by a Nominee under Article 44.1 shall be treated as having been delivered on the date that the relevant notice of meeting is deemed to have been received under these Articles for the purposes of determining which instrument was delivered last.

45 Corporate Representatives

- 45.1 Any corporation or corporation sole which is a Shareholder of the Company may authorise such person as it thinks fit to act as its representative at any meeting of the Company or at any separate meeting of the holders of any class of shares. A person so authorised shall be entitled to exercise the same power on behalf of the grantor of the authority as the grantor could exercise if it were an individual Shareholder of the Company and the grantor shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present at it. The following persons shall, so long as the relevant Shareholder is a corporation or corporation sole, be deemed to have been so authorised by that Shareholder for any meeting (or adjournment of any meeting) that they attend unless such Shareholder authorises another person as a representative in their place for any such meeting and the replacement representative provides such evidence of the appointment as the Board may request:

45.1.1 in respect of each Member Club, or any Nominee appointed to hold shares on its behalf, the Divisional Representative of the Division into which it is grouped; and

45.1.2 in respect of each County Association, or any Nominee appointed to hold shares on its behalf, the representative of that County Association appointed pursuant to Article 77.6 (if any).

46 Revocation of Proxy or Authority as Corporate Representative

- 46.1 A vote given or poll demanded by a proxy or a corporate representative of a Shareholder shall be valid in the event of the death or mental disorder of the principal or the revocation of the instrument of proxy or corporate representative authority, or of the authority under which the instrument of proxy or corporate representative authority was executed, or the transfer of the share for which the instrument of proxy or corporate representative authority is given, unless notice in writing of such death, mental disorder, revocation or transfer shall have been received by the Company at the registered office, or at such other place as has been appointed for the deposit of instruments of proxy, no later than the last time at which an appointment of a proxy should have been received in order for it to be valid for use at the meeting or on the holding of the poll at which the vote was given or the poll taken.

- 46.2 A Shareholder may appoint more than one proxy in relation to a meeting, provided that each proxy is appointed to exercise the rights attached to different shares held by the member. When two or more valid but differing instruments of proxy are delivered in respect of the same share for use at the same meeting, the one which was delivered last (regardless of its date or of the date of its execution) shall be treated as replacing and revoking the others as regards that share; if the Company is unable to determine which was delivered last, none of them shall be treated as valid in respect of that share.

47 Written Resolutions

- 47.1 A written resolution of the Company passed in accordance with these Articles and the 2006 Act shall have effect as if passed by the Company in a general meeting.
- 47.2 Any resolution proposed as a written resolution shall be proposed in a form that provides Shareholders with the ability to cast their votes against as well as in favour of such resolution.
- 47.3 Upon any proposed written resolution to amend all or any of the Articles listed in Articles 22.1 or 23.1 of these Articles or for the removal of, or waiver or ratification of any breach of, any of those Articles:
- 47.3.1 on the date which is the earlier of:
- (a) twenty days after the circulation date of the written resolution; and
 - (b) the date when the required majority of Shareholders, assuming for these purposes only that the Professional Game Special Shareholder and National Game Special Shareholder are not entitled to vote, have voted in favour of the resolution, such date being the **"Notification Date"**,
the Secretary, before any declaration of the result of that vote, shall inform the Professional Game Special Shareholder or the National Game Special Shareholder, as applicable:
- (c) of the number of abstentions on, and of the number of votes cast in favour of, and of those cast against, the resolution; and
- (d) in respect of an article listed in Article 23.1, of the number of votes cast in favour by the National Game Shareholders;
- 47.3.2 the Secretary shall simultaneously notify the Professional Game Special Shareholder and the National Game Special Shareholder to cast the votes attached to their respective shares on that resolution by the date which is five days after the Notification Date, whereupon the Professional Game Special Shareholder and the National Game Special Shareholder may cast the votes attached to their respective shares on that resolution; and
- 47.3.3 any votes cast by the Professional Game Special Shareholder and/or the National Game Special Shareholder shall be counted and taken into account in deciding whether the written resolution has been passed or has been lost.

Insurance cover will usually be considered appropriate if it is substantially similar in both scope and quantum of cover to the insurance cover in place for similar Competitions or Matches (as applicable).

- B12** The Association (or the Affiliated Association, where applicable) will consider the application in an objective and non-discriminatory manner. It may request such further information about the application as it deems necessary and may also consult as appropriate with other relevant stakeholders.
- B13** Where The Association (or the Affiliated Association, where applicable) approves the application, such approval is subject to and conditional upon (i) continuing compliance with all of the requirements of this Rule B; and (ii) satisfaction of such additional objective and non-discriminatory conditions as The Association (or the Affiliated Association, where applicable) considers necessary, in the circumstances of the particular case, to achieve the objectives of this Rule B.

Guidance

'Non-discriminatory' in this context means that the organisation and marketing of third party competitions and the participation of clubs and players therein must not be subject to requirements that are either different from those applicable to competitions organised and marketed by The Association or (though identical or similar to them) are impossible or excessively difficult to fulfil in practice for an undertaking that does not have the same status as The Association or does not have the same powers at its disposal as The Association.

- B14** The Association will confirm upon request whether or not a particular competition or match has been authorised in accordance with this Rule B.

Authorised Competitions and Matches

- B15** Unless otherwise specified, any authorisation granted will be valid for one season only, and new authorisation will be required for participation in further editions of the Competition or Match in subsequent seasons. Where previous editions of the same competition or match were authorised by The Association, the application must highlight any differences between (a) the rules and regulations for the upcoming edition of that competition or match and (b) the rules and regulations that applied to the last edition.
- B16** The organiser of authorised Competitions and Matches must continue to comply with the requirements of Rule B, including any continuing conditions imposed further to Rule B13. The Association (or the Affiliated Association, where applicable) reserves the right to refuse/withdraw authorisation of the Competition or Match where it ceases to comply with the requirements of Rule B.
- B17** Where a Competition or Match has previously been authorised by The Association (or an Affiliated Association, where applicable), The Association (or the Affiliated Association, where applicable) will not refuse authorisation for a further edition of that Competition or Match unless The Association (or the Affiliated Association, where applicable) considers that there has been a material change in circumstances that warrants such refusal.
- B18** Once The Association (or an Affiliated Association, where applicable) has authorised a Competition or Match based on a specified set of applicable rules and regulations, any amendments made to those rules and regulations that come into effect prior to the conclusion of that Competition or Match must be submitted to The Association (or an Affiliated Association, where applicable) for review, and must be revoked without delay if The Association (or an Affiliated Association, where applicable) decides they do not comply with the requirements of this Rule B.

8 - RULES OF THE ASSOCIATION

EFFECT OF AUTHORISATION

- B19** Any grant by The Association (or an Affiliated Association, where applicable) of an application by a competition or match organiser for authorisation pursuant to Rule B means that The Association (or Affiliated Association) is satisfied, based on the information provided, that (i) the staging of the Competition or Match in question is consistent with the objects of The Association, and (ii) the organisational and regulatory arrangements proposed should ensure the proper organisation and conduct of such Competition or Match in a manner that protects their safety, regularity, and integrity. It does not amount to any kind of representation or warranty by The Association (or the Affiliated Association, where applicable) in respect of the Competition or Match in question, or in respect of the rules and regulations applicable to that Competition or Match (including in particular in respect of the lawfulness of such rules and regulations), and The Association (or the Affiliated Association, as applicable) accepts no liability in that respect. Instead, the applicant shall bear the burden and risk of defending any claim of any kind made by anyone in respect of the Competition or Match, including (without limitation) any claim that the rules and regulations applicable to that Competition or Match are unlawful or otherwise unenforceable, and shall be solely responsible for any liability arising in respect of such claim.

COMPLIANCE

- B20** A breach by a Club, Club Official, Match Official, Player, or other Participant of any provision of this Rule B constitutes Misconduct.
- B21** Liability for breach of Rule B6, Rule B7 and Rule B8 is strict, i.e., no proof of intent, recklessness, or any other fault is required. In particular (but without limitation), it is the responsibility of each Club, Club Official, Match Official, Player, and other Participant to establish that a particular competition or match is authorised as required under this Rule B before participating in it or supporting it; and ignorance of its unauthorised status will not be a defence to a charge of Misconduct based on such participation or support. However, further to Rule B25, the degree of fault of the non-compliant Club, Club Official, Match Official, Player, or other Participant will be reflected in the sanctions imposed for such breach.
- B22** The Association (or an Affiliated Association, where applicable) will investigate apparent breaches of this Rule B and take disciplinary action as necessary against any Club, Club Official, Match Official, Player, or other Participant that is involved in or liable for such breach. Any disciplinary action taken by UEFA and/or FIFA or by a competition organiser under their respective rules against a Club, Club Official, Match Official, Player, or other Participant based on acts or omissions that also amount to a breach of this Rule B will not preclude The Association (or an Affiliated Association, where applicable) from taking disciplinary action against the same Club or Participant(s) under this Rule B based on those acts or omissions. In accordance with Rule G, The Association (or the Affiliated Association, where applicable) may stay its own investigation pending the outcome of the other disciplinary action, or conduct a joint investigation on agreed terms with the body taking the other action, or carry out its own investigation and action independently of that other body.
- B23** The Regulatory Commission may impose any one or more of the following sanctions on a Club that the Regulatory Commission finds to be in breach of this Rule B:
- B23.1** a reprimand and/or a warning as to future conduct;
 - B23.2** a fine;
 - B23.3** a transfer embargo;
 - B23.4** a deduction of points for the current (or just completed) season and/or for one or more future seasons;
 - B23.5** a period of ineligibility to participate in specified competitions and matches (or for so long as the Club continues to breach this Rule B, if longer); and/or
 - B23.6** any other sanction(s) that the Regulatory Commission deems to be appropriate and proportionate in all the circumstances of the case, taking into account the matters set out in Rule B25.

8 - RULES OF THE ASSOCIATION

B24 The Regulatory Commission may impose any one or more of the following sanctions on a Club Official, Match Official, Player or other individual Participant that the Regulatory Commission finds to be in breach of this Rule B:

B24.1 a reprimand and/or a warning as to future conduct;

B24.2 a fine;

B24.3 a period of ineligibility to participate in specified competitions and matches (or for so long as the individual continues to breach Rule B, if longer); and/or

B24.4 any other sanction(s) that the Regulatory Commission deems to be appropriate and proportionate in all the circumstances of the case, taking into account the matters set out in Rule B25.

B25 The sanction(s) to be imposed in a particular case shall be non-discriminatory and proportionate to the nature, duration and seriousness of the breach (both in terms of the degree of fault of the non-compliant Club or other Participant and in terms of the harm caused by the breach), taking into account the need to protect the image and/or integrity of the game, the need to deter repetition of the wrongful conduct (by the Club or other Participant in question and by others), and any mitigating or aggravating factors that may be present (including the prior record of the Club or other Participant, and their degree of cooperation with the investigation and disciplinary process). Where more than one breach has been committed, the sanctions imposed shall be based on the most serious breach, but increased as appropriate to reflect the other breach(es).

Guidance

The sanction to be imposed in such cases will depend upon the facts and circumstances of each particular case, including the degree of fault of the person involved, as well as the harm that participation in unauthorised competitions or matches does to the game generally, and the consequent need to deter further non-compliance.

B26 Where the Regulatory Commission deems appropriate, (1) it may suspend the implementation of all or part of any sanctions imposed for so long as the Club and/or other Participant in question satisfies conditions specified by the Regulatory Commission; and (2) it may waive implementation of all or that part of those sanctions entirely if the Club and/or other Participant continues to satisfy those conditions for a period specified by the Regulatory Commission.

B27 A Club or other Participant that is sanctioned by a Regulatory Commission pursuant to this Rule B may appeal that decision to an Appeal Board convened in accordance with Article 8 of The Association's Articles of Association and acting pursuant to and in accordance with Rule H.

CHALLENGE AND INDEPENDENT REVIEW

B28 Any dispute relating to this Rule B, including as to the lawfulness/validity of any part of this Rule B and/or of any decision made by The Association, an Affiliated Association, a Regulatory Commission or an Appeal Board pursuant to this Rule B, shall be resolved by arbitration in accordance with Rule K.

B29 By applying to The Association (or an Affiliated Association, where applicable) for approval of a competition or match further to Rule B, an applicant that is not otherwise subject to The Association's rules and regulations shall be deemed to have agreed to the submission to arbitration set out in Rule B28.

MATTERS NOT OTHERWISE PROVIDED FOR

B30 If a matter or issue arises that implicates the imperatives set out in Rule B1 but is not provided for in this Rule B, The Association shall deal with the matter or issue in an objective, non- discriminatory and proportionate manner that is consistent with the objectives of this Rule B.

THE PLAYING SEASON AND THE CLOSE SEASON

B31.4 *Matches that may be played prior to the commencement of the Season*

Following conclusion of the Close Season, and prior to the commencement of the playing season, Matches may be played between teams of the same Club or between teams of different Clubs.

B31.5 An appropriation will be made annually from the amount payable to the competing Clubs, The Association, and the "Cup Pool" from "The FA Challenge Cup Semi-Finals and Final" of 5.5% and 2.5% from the net receipts of "The FA Community Shield" to which the EFL will contribute 6.3% of the net gate from its "League Cup Semi- Finals and Final". 8 - RULES OF THE ASSOCIATION

FOOTBALL AND RELIGIOUS OBSERVANCE

- B37.1** has consented to do so on such occasions; or
 - B37.2** is registered as a Player under written contract, which shall be taken as consent to play on such occasions unless otherwise provided for in the contract.
 - B37.3** Annually, when planning programmes, Competitions shall define and notify agreed dates of such occasions.

SCRATCH TEAMS

- B38** Except with the written consent of The Association, or of the Parent Association, no match at which gate money is taken shall be played if either of the competing teams is a scratch team. Where consent is given for such a match the provisions of Rules B39 and B40 shall apply.

PROCEEDS OF COMPETITIONS OR MATCHES

- B39** Clubs and Players shall not compete in any Match or Competition (including small-sided Matches or Competitions) the proceeds of which are not devoted to a Club or association or some other object approved by The Association or by an Affiliated Association.

SMALL-SIDED MATCHES

- B40** Small-sided Matches and Competitions (not more than seven-a-side) may be arranged provided that:
- B40.1** the Competition has been sanctioned by The Association or the relevant Affiliated Association in accordance with the agreed procedures laid down from time to time by The Association;
 - B40.2** in the case of single matches, charity Competitions and Competitions played over a short period of days, they must be sanctioned by The Association or the Affiliated Association concerned in accordance with agreed procedures laid down from time to time by The Association;
 - B40.3** the sanctioning of such a match or Competition in this case shall automatically accord to the team and/or Competition the status of an affiliated body and to the Players participating in the match or Competition the status of affiliated Players for the team for which they play in the match or Competition. A list of the competing teams must be submitted to the sanctioning association;
 - B40.4** the rules governing the eligibility and conduct of the Players shall be under the control of the management committee of the Competition subject always to the overriding authority of The Association or the Affiliated Association concerned and shall in so far as practicable be in conformity with the Rules. C. PLAYER STATUS RULES

SECTION I: OVERARCHING PRINCIPLES

- C1** Failure to comply with a provision of these Player Status Rules may constitute Misconduct.
- C2** Unless otherwise specified by The Association, all documents to be submitted to The Association shall be submitted in electronic copy only by email or in such other form or manner as may be specified by The Association from time to time.

Guidance

Where a document requires a signature, The Association will accept an electronic signature on a document provided that the signatory intends to authenticate the document, the signature is generated in software designed for that purpose and that any relevant formalities are satisfied. Any misrepresentation as to the validity of an electronic signature may constitute Misconduct. Secure e-signature technology shall be used wherever possible.

Where references are made throughout these Player Status Rules to offers or confirmations being given "in writing" it is sufficient for this to be done by email, provided the other requirements of the relevant Rule have been met.

- C3** Where documents submitted to The Association do not comply with The Association's Rules or regulations, The Association reserves the right to:
- C3.1** require amendments or clarifications to those documents;
 - C3.2** require additional information or documentation; and/or
 - C3.3** reject any document and to refuse to take any steps in relation to them.
- C4** Any steps taken by The Association in relation to documents submitted to it shall not constitute its acceptance as to their compliance with The Association's Rules or regulations, nor any indication as to their legality or otherwise.
- C5** Clubs and Players must ensure that Players are registered with The Association in order to play in a Match.
- C6** Players may only be registered with a Club for the purposes of playing Matches. As an exception, a Player may be registered with a Club for technical reasons in order to ensure transparency in respect of a Player's registration record, to include in circumstances where a Player is subject to consecutive individual transactions.

Guidance

There is only one exception to the fundamental principle that a Player may only be registered with a Club for the purposes of playing Matches. This exception is when a player needs to be registered with a club purely for technical reasons related to the use of the domestic registration database and/or FIFA TMS. Such a 'technical registration' – where there is no (immediate) prospect that the player will play football for the registering club – might arise if, for example, a player returns to their parent club following a loan and is immediately loaned out again, or permanently transferred, to a third club.

To provide transparency and ensure that the transfer is accurately reflected domestically and/or on FIFA TMS, the player's registration must revert to their parent club before it is transferred to the club to which they are being loaned or permanently transferred. Therefore, it is necessary to register the player with their parent club, even if there is no prospect of the player playing for their parent club and even if the registration period of the parent club's member association is closed. In order for a transfer to occur after the 'technical registration', the registration period of the club to which the player is being loaned or permanently transferred must be open.

For the avoidance of doubt, this exception does not apply in respect of Bridge Transfers.

8 - RULES OF THE ASSOCIATION

- C7** No Club or Player may enter into an agreement with a party (to include an agreement entered into between a Club and a Player) which contravenes The Association's Rules and regulations, to include the Third Party Interest in Players Regulations and the Working with Intermediaries Regulations or Football Agent Regulations (as applicable).
- C8** Where a Contract Player ends their career upon expiry of their Playing Contract or a Non-Contract Player terminates their football activity, the Player will remain registered with The Association for a period of 30 months (such period commencing on the day the Player makes his last appearance in a Match).
- C9** In the event of any conflict between the Rules and the rules of any Competition and/or the terms of any Playing Contract, the Rules shall apply.

Guidance

For the purposes of playing football in England, registration with The Association constitutes a Player's primary registration. However, Competitions may, under their rules, impose additional requirements on Participants in respect of registering Players to participate in their Competition and contractual matters (and may impose sanctions in respect of non-compliance with any such requirements). Registration of a Player with The Association does not therefore constitute registration with each Competition in which that Player's Club participates.

- C10** For the purposes of futsal, these Player Status Rules shall apply save where there is any provision to the contrary in the Futsal Regulations.

SECTION II: CONTRACTS

Unless otherwise stated, the provisions of Section II only apply to Participants in the Premier League, EFL, National League System and Tiers 1 to 4 of the Women's Football Pyramid.

Unless expressly stated, this section does not apply to Scholars, PGA Contract Players, Academy Players and PGA Players. Provisions for such Players are set out in Section VIII of these Player Status Rules.

General requirements

- C11** Players must be aged 18 or over in order to enter into a Playing Contract, save that a Player aged 17 may enter into a Playing Contract where they are not in Full-time Education.
- C12** Players under the age of 17 may: (a) enter into a Scholarship Agreement in accordance with Section VIII of these Player Status Rules and the provisions of the Professional Game Youth Development Rules, or (b) enter into a PGA Contract in accordance with Section VIII of these Player Status Rules.
- C13** Players under the age of 18 may not sign a Playing Contract for a term longer than three years.
- C14** The following Clubs are not permitted to enter into Playing Contracts with players:
- C14.1** Clubs below Step 6 of the National League System; and
- C14.2** Clubs below Tier 4 of the Women's Football Pyramid.
- C15** Copies of all Playing Contracts and all written agreements entered into between a Club and Contract Player, must be provided to: (i) The Association within five days of signature; and (ii) the Contract Player at the time of signature.

Guidance

Playing Contracts should be provided to Contract Players by email and in hard copy wherever possible.

- C16** The validity of a Playing Contract cannot be made conditional upon the completion of a successful medical examination or the grant of any right to work authorisation.

8 - RULES OF THE ASSOCIATION

- C17** Where a female Player is temporarily replaced by another Player in accordance with Rule C35.4, the period of the replacement Player's Playing Contract shall, unless otherwise mutually agreed, be from the date of registration until the day prior to the start of the first registration period after the return of the Player who has taken maternity leave.

Payments

- C18** Each Club must ensure that Playing Contracts it enters into provide that all payments (save for those in relation to Image Rights and those made to Intermediaries or FA Registered Football Agents (as applicable) on the Contract Player's behalf) are paid to the Contract Player, and not to any company, entity or individual acting on behalf of that Contract Player.
- C19** Any payments or benefits whatsoever that are made by a Club to, or otherwise made in relation to, a Contract Player must be referenced in and incorporated as terms of the Playing Contract (to include, but not limited to, those relating to Image Rights and those made to Intermediaries or FA Registered Football Agents (as applicable) on the Contract Player's behalf).

Guidance

The Playing Contract must set out the relevant payments (for example as relate to Image Rights and those made to Intermediaries or FA Registered Football Agents (as applicable) on the Contract Player's behalf) but need not, for example, set out the full payment schedule. In such circumstances, the payment schedule must be set out in a written agreement (to which the Club is a contracting party) and must be provided both to the Player and The Association.

- C20** All payments made to Contract Players, whether under a Playing Contract or otherwise, must:
- C20.1** only be made by the Club and be fully recorded in the Club's accounting records; and
 - C20.2** comply with any relevant tax legislation.

Form and Content

- C21** Clubs may only enter into Playing Contracts that are in such standard form as The Association and/or Competition may prescribe from time to time.
- C22** The Association may refuse to register a Playing Contract which is not in the relevant prescribed form, or which contains any clause which conflicts with any mandatory provisions in the relevant prescribed form Playing Contract or The Association's Rules or regulations.
- C23** All parties to a Playing Contract must ensure that the Playing Contract:
- C23.1** states the full name of the Club's corporate entity, including the relevant company registration number (where applicable);
 - C23.2** clearly sets out all terms and conditions of employment;
 - C23.3** sets out all payments and/or benefits whatsoever due and/or made to a Contract Player before deductions for all applicable taxes;
 - C23.4** is of stated duration, subject to any relevant limits specified by The Association and/or the relevant league;
 - C23.5** is signed by both the Contract Player and an authorised signatory of the Club. Playing Contracts signed by Players who are under the age of 18 at the time of signing shall also be signed by that Player's parent or legal guardian; and
 - C23.6** lists as applicable all Intermediaries performing Intermediary Activity (as defined in The Association's Working with Intermediaries Regulations) or (ii) FA Registered Football Agents performing Football Agent Services (as defined in The Association's Football Agent Regulations), in respect of the Playing Contract.

8 - RULES OF THE ASSOCIATION

- C24** Where any other agreement is entered into between a Contract Player (or the Player's Image Rights company) and a Club (including during the term of a Playing Contract), the parties must notify The Association of the agreement within five days of its execution and provide a short description of the nature of the agreement. The FA reserves the right to request a copy of any such agreement.

Guidance

Any other agreements entered into between the Contract Player and the Club include all agreements entered into either directly or indirectly, written or otherwise between the Contract Player and the Club.

- C25** Playing Contracts must contain a clause detailing the process for dealing with disputes regarding the unilateral termination of the Playing Contract.

Contract renewals

- C26** A Contract Player may enter into a new or amended Playing Contract with their Club at any time during the term of the Playing Contract. Where they do so, the Club must ensure that the Playing Contract, the Intermediaries Form / Agents Form (as applicable) and/or such other documentation as The Association may require from time to time, is lodged with The Association within five days of signature by the Contract Player.

Options

- C27** The full terms of any Option must be set out in the Playing Contract.
- C28** As a result of the exercise of an Option, the terms of the Playing Contract (to include any guaranteed payments) must be the same or no less favourable overall than the terms of the Player's existing Playing Contract (excluding any signing-on fees).
- C29** Subject to Rule C30, a Playing Contract cannot include an Option which, if exercised, would result in either:
- C29.1** the Playing Contract being extended for a period which is longer than the initial term of the Playing Contract; or
 - C29.2** the Player and the Club entering into a new Playing Contract whereby the period between the expiry of the initial term of the Playing Contract and the expiry of the new Playing Contract is longer than the initial term of the Playing Contract.
- C30** An Option may (a) extend a Playing Contract for a longer duration than the initial term of the Playing Contract, or (b) create an obligation for the parties to enter into a new Playing Contract that is longer in duration than the initial term of the Playing Contract, where:
- C30.1** the relevant Playing Contract is entered into after the commencement of the season but by no later than the first Monday in February (or, if later, the final day of the second professional game Registration Period of the season); and
 - C30.2** the Option provides for the Playing Contract to be extended (or for the parties to enter into a new Playing Contract) for a period which is the same duration as the initial term of the Playing Contract plus any further period that is required to ensure that the Playing Contract expires at the end of the season.
- C31** A Playing Contract can contain multiple alternative Options, but only one Option may be exercised.
- C32** An Option cannot contain a further Option.
- C33** Where an Option is exercised, the Club must notify The Association within five days or by 1 June, whichever is sooner.

Guidance

The Association reserves the right to determine that an Option does not comply with the Rules at the time the relevant Playing Contract is lodged.

When considering whether an Option is on the same or not less favourable terms, The Association will require that the annual value of the financial terms offered are at least equivalent to the most favourable terms to which the Player was entitled in any year of their current contract. Further, The Association will primarily consider (and give greater weight to) guaranteed payments under the contract and in the option clause. However, The Association may also take into account any reasonably achievable contingent payments in appropriate circumstances.

An Option will be considered to be on the same or not less favourable terms where it provides for payment commencing from a different specified date as that under the current contract, provided that the effect of the Option/Re-engagement Offer is for the player to be paid for an equivalent period. This is to allow for the fact that the season start dates may differ slightly year on year.

If an Option provides for payment to be reduced or suspended (for any reason) during the season, this will not be considered to be on the same or not less favourable terms where the current contract did not contain an equivalent provision.

An Option can be for a shorter period than the term of the Playing Contract.

SECTION III: REGISTRATION

General

- C34** Subject to Rules C35 and C50, Players may only be registered during a Registration Period and upon receipt by The Association of a valid application for registration from a Club.

 - C35.7** Other players whose contract with a club has expired or terminated by mutual consent prior to the end of a Registration Period;
 - C35.8** Other players who are entitled to be registered outside of a Registration Period in accordance with RSTP Article 6; and

8 - RULES OF THE ASSOCIATION

C35.9 Other players where, in The Association's sole discretion, exceptional circumstances apply.

Guidance

Rule C35.9 is not intended to provide Clubs with the opportunity to register new players on a permanent basis outside of a Registration Period, rather such a step will only be permitted in exceptional circumstances. Examples of exceptional circumstances include where the integrity of a Competition is affected (such that the registration of a goalkeeper may be permitted on loan where the loanee club does not have a player in that position) and where the wider interests of the game and Participants are best served through application of that discretion.

C36 The Association reserves the right to refuse the registration of a Player, to include where the Player and/or relevant Club fails to supply such information or documentation as The Association may require pursuant to The Association's Rules or regulations.

C37 A Player is ineligible to play for a Club until such time as the Club receives written confirmation from The Association of registration with that Club. Where a Player plays in contravention of this requirement, The Association may impose sanctions on the Player and/or the relevant Club.

Guidance

Notwithstanding confirmation of registration with The Association, a Player's eligibility to play for a Club remains subject to any disciplinary suspension and the fulfilment of any applicable eligibility requirements provided for in the rules of the relevant Competition.

C38 The Association may, in exceptional circumstances and upon application by a Player or the Player's Club, cancel the registration of a Player.

Guidance

The Association's exercise of this power in relation to Contract Players would ordinarily be subject to the outcome of any dispute between a Contract Player and a Club in relation to the termination of the Playing Contract.

C39 Where a Club ceases to be a member of a league within the National League System or Tiers 1 to 4 of the Women's Football Pyramid other than by reason of promotion, relegation or expulsion, all Contract Players of the Club may (from the date the Club ceases to be a member of the relevant league) cancel their registration with that Club by notifying the Club and The Association in writing of their intention. The Association will provide to such Contract Players written confirmation that their registration has been cancelled and the date on which such cancellation takes effect. From that date, such Contract Players may register for another Club without a transfer fee being payable to their former Club (subject to The Association confirming that this is permissible in accordance with FIFA regulations).

International Clearance

C40 Any player aged 10 or above who was last registered with a club affiliated with another national association may only be registered with a Club once an ITC has been issued by the former association and The Association has confirmed receipt of the ITC.

C41 The transferee Club must enter such details and provide such documents as are required by FIFA TMS.

C42 Where the ITC is issued (once the former association has completed the relevant information), The Association will complete the relevant player registration information in FIFA TMS. In that regard:

C42.1 if the request is rejected, the Player will not be permitted to register for the transferee Club;

C42.2 if the request is accepted, The Association will confirm this to the transferee Club in writing.

C43 The ITC procedure must be conducted exclusively through FIFA TMS.

C44 Any form of ITC other than the one created by FIFA TMS shall not be recognised.

8 - RULES OF THE ASSOCIATION

Contract Players

C45 All Contract Players must be registered with The Association.

C46 In order to register a Contract Player, a Club must submit the following to The Association:

C46.1 a copy of the Playing Contract, and any other contract entered into between the Contract Player and the Club;

C46.2 a copy of the Intermediaries Form / Agents Form (as applicable) and, where applicable, the Representation Contract; and

C46.3 any other information, forms or documents as required by The Association from time to time.

C47 A Club must submit the Playing Contract and any Intermediaries Form / Agents Form (as applicable) to The Association within five days of signature by the Contract Player.

Guidance

To provide clarity on the requirements of The FA's registration process.

Contracts should be lodged with The FA as soon as possible after signing to ensure that the player's registration status and player passport is as accurate as possible (as until the Playing Contract is registered with The FA, the player is not a registered player and cannot play for the club). As electronic signatures and submissions are now permitted, The FA expects the majority of contracts to be submitted before the fifth day after signature. However, The FA acknowledges that there may be a short delay for all documents to be completed (particularly if there has been a transfer with an international element). This is also consistent with the requirement in the Standardised Rules and the EFL Regulations.

C48 A Contract Player must not:

C48.1 register with more than one Club at a time; or

C48.2 enter into a Playing Contract with more than one Club at a time.

Guidance

If a Playing Contract has been submitted to The Association in respect of a Contract Player, the same Contract Player cannot enter into a Playing Contract with any other Club unless and until The Association has rejected or cancelled the Contract Player's registration.

C49 A Contract Player may only play for the Club holding their registration, unless otherwise permitted by these Player Status Rules or where:

C49.1 the prior written permission has been obtained from The Association and the Club holding the Contract Player's registration for the Contract Player to participate in a benefit, testimonial or charity match; or

C49.2 a Contract Player who is registered to a Club in Tiers 1 to 4 of the Women's Football Pyramid is enrolled in higher education, in which case the Contract Player may also play for the higher education establishment provided the Contract Player's Club has provided prior written consent.

Non-Contract Players

C50 Clubs must ensure that all Non-Contract Players are registered with the relevant league and/or Affiliated Association (as prescribed by, and in accordance with, the rules of the relevant league and The Association's Rules and regulations).

8 - RULES OF THE ASSOCIATION

- C51** All payments made to Non-Contract Players, must:

The Club receiving the information shall not disclose or divulge it directly or indirectly to any third party without the prior written consent of the transferor Club, save to statutory and regulatory authorities or as may be required by law or to its auditors.
- C55** Any transfer fee and/or contingent fees paid in relation to the transfer of a Player must only be paid between the transferor club and transferee club, or otherwise in accordance with The Association's Rules and regulations.

SECTION VI: CONTRACTUAL STABILITY

Re-engagement

Unless otherwise stated, Rules C69 to C73 apply to Participants in the National League System and Tiers 1 to 4 of the Women's Football Pyramid.

Retaining right to compensation

General principles

- C69** A Club that makes a Re-engagement Offer to a Contract Player is entitled to receive a Compensation Fee from a Club to which that Player is subsequently registered (as a Contract Player or a Non-Contract Player), provided that:
- C69.1** the Player is under the age of 24 years as at 30 June in the year that the Player's Playing Contract expires;
 - C69.2** the Re-engagement Offer is made in accordance with Rule C71; and
 - C69.3** the Player has rejected or failed to respond to the Re-engagement Offer.
- C70** Where a Compensation Fee is payable by a Club, The Association will not register the Player until that Club has confirmed to The Association in writing that it will:
- C70.1** negotiate a Compensation Fee with the Player's former Club; and
 - C70.2** in the event that a Compensation Fee cannot be agreed between the Clubs, be bound by a decision of the Compensation Fee Tribunal in respect of the compensation payable.

- C72** In the event of a dispute concerning the validity of a Re-engagement Offer and/or a Contract Player's acceptance or rejection of it, the burden shall be on the sender of the notice to establish that it was received by the other party within the applicable time period set out in these Player Status Rules.

8 - RULES OF THE ASSOCIATION

Events following a Re-engagement Offer

- C73** Upon receipt of a Re-engagement Offer, a Contract Player must accept or reject it by notifying the Club in writing within 28 days. A Contract Player who rejects a Re-engagement Offer, or fails to respond to a Re-engagement Offer within 28 days of receipt, is immediately free to enter into contract negotiations with another Club.

Guidance

For the avoidance of doubt, where a Player enters into contract negotiations with another Club, the right of the Club that made a Re-engagement Offer to receive a Compensation Fee is unaffected.

No Re-engagement Offer

- C74** If no Re-engagement Offer is received by the Contract Player during the Re-engagement Period (and no Option is exercised by the Club), that Player may following the end of the Re-Engagement Period make enquiries or enter into contract negotiations with other clubs.

Where two Clubs cannot agree the Compensation Fee

- C77** The Compensation Fee Tribunal shall be convened to determine the Compensation Fee payable upon the application of either Club.

- C78** A Compensation Fee Tribunal shall be comprised of one nominated representative from each of the following:

C78.1 Council (to act as the independent chairperson);

C78.4 the Professional Footballers' Association (or an alternative, independent and appropriately experienced person as nominated by The Association at its absolute discretion); and

C78.5 The Football Association of Wales (if one or both Clubs are members of The Football Association of Wales).

8 - RULES OF THE ASSOCIATION

- C79** Before the date of a hearing before any Compensation Fee Tribunal, both Clubs must pay to The Association a non-refundable administration fee of £300 (without which, the Compensation Fee Tribunal shall not proceed to hear the dispute).

- C80.2** The Club seeking the Player's registration must submit the relevant Compensation Fee Tribunal form, details of the Player's proposed registration, and any other documents requested in accordance with the directions of the Compensation Fee Tribunal.
- C81** In determining the value of the Compensation Fee, the Compensation Fee Tribunal may take into account some or all of the following criteria:
- C81.1** the status of each Club;
- C81.2** the age of the Player;
- C81.3** the amount of any transfer fee paid by the former Club on acquisition of the Player and the length of time the former Club has held the Player's registration;
- C81.4** the terms of the new contracts offered to the Player by each Club;
- C81.5** the training and development of the Player at the former club, including for example the provision of any specialist coaching, education or welfare;
- C81.6** the Player's playing record and achievements;
- C81.7** substantiated interest shown in the Player by other Clubs;

- C82** The Compensation Fee Tribunal will determine whether a dispute can be determined on the basis of written submissions alone or if an oral hearing is necessary.
- C83** The Compensation Fee Tribunal may, in its absolute discretion, order either Club to pay all or part of the costs of the proceedings.
- Guidance**
- By way of example, the Compensation Fee Tribunal may order one Club to pay the costs of the tribunal proceedings if it has failed to negotiate with the other Club or if it has made a spurious claim.*
- C84** The decision of the Compensation Fee Tribunal shall be determined by majority. Each member of the Compensation Fee Tribunal shall have one vote and the chairperson shall have a casting vote.
- C85** The decision of the Compensation Fee Tribunal is final and binding and there shall be no right of appeal.

8 - RULES OF THE ASSOCIATION

Avoidance and evasion of transfer fees and/or compensation fees

- C86** If in the opinion of The Association an agreement has been entered into by a Participant with the purpose and/or effect of avoiding or evading the payment of compensation relating to a Player which would otherwise be due to a Club in accordance with the Rules and/or the rules and regulations of a Competition, The Association shall be entitled to issue a charge for Misconduct.

Guidance

Competitions may, under their rules, impose additional Competition-specific restrictions in respect of the re-registration of a Player to participate in their Competition. For example, the Premier League and the EFL in their respective rules preclude re-registration in these circumstances for a period of twelve months from the date of cancellation of the registration without their prior consent.

8 - RULES OF THE ASSOCIATION

C112 Clubs in the National League System and Tiers 1 to 4 of the Women's Football Pyramid may not offer Scholarship Agreements or register Scholars.

Guidance

Clubs in the National League System recently relegated from the EFL may - during the run-off period for an Academy in these circumstances (as set out in the Professional Game Youth Development Rules) - continue to register Scholars that were registered at the time of relegation in order that they may complete their Scholarships with the Club.

C113 In order to register a Scholar, a Club must submit the following to The Association:

C114 The Scholarship Agreement and Scholarship Form must be provided to the Scholar and submitted to The Association within five days of being signed by all parties.

C115 A Scholar is ineligible to play for a Club until such time as the Club receives written confirmation from The Association of registration with that Club. Where a Scholar plays in contravention of this requirement, The Association may impose sanctions on the Scholar and/or the relevant Club.

C116 A Scholar may only be registered with one Club at a time.

C117 The validity of a Scholarship Agreement cannot be made conditional upon the completion of a successful medical examination or the grant of any right to work authorisation.

C118 On or after a Scholar's seventeenth birthday, the Scholar may enter into a Playing Contract (subject to the rules of the relevant league and Section III of these Player Status Rules).

8 - RULES OF THE ASSOCIATION

- C119** Players under the age of 18 may not sign a Scholarship Agreement for a term longer than three years.
- C120** The Association reserves the right to refuse the registration of a Scholar, to include where the Player and/or relevant Club fails to supply such information or documentation as The Association may require pursuant to The Association's Rules or regulations.

- K11.5** In such cases, The Association shall provide the summary to the chairman of the Tribunal, or Interim Tribunal, or single arbitrator (as applicable) and shall provide them with a reasonable opportunity to provide comment prior to publication. GOVERNING LAW AND SEAT OF THE ARBITRATION

- K14 K14.1** These Rules and any arbitration pursuant to them shall be governed by English law.
- The Tribunal shall apply English law (both procedural and substantive) in determining any dispute referred to arbitration under the Rules.
- K14.2** The seat of any arbitration under this Rule K shall be England and Wales and, unless otherwise agreed between the parties and The Association, the arbitration shall be conducted in the English language.

L. FAIR PLAY IN FOOTBALL

- L1** Fair play in football means that EVERYONE connected with football:
- L1.1** shows understanding of and respect for the Laws of the Game;
 - L1.2** supports the belief that the game should be played in an entertaining and positive way; and
 - L1.3** behaves on and off the field in a sporting manner towards all others involved, be they players, officials or spectators, irrespective of results.

M. HERITAGE ASSETS

For the purposes of the first registration of a Club Crest and Home Shirt Colours (see Rule M4 and Rule M12 respectively), Clubs which have been newly promoted to Step 1 of the NLS, or to the WSL2 shall have until 1 October 2026 to comply with these obligations. If a Club has previously registered a Club Crest or Home Shirt Colours with The Association, then it does not need to re-register these details each season unless there has been a change as set out under this Rule (see Rule M10 and Rule M15 respectively). For clarity, this is not an annual obligation to register details.

SCOPE AND AUTHORITY

- M1** This Rule M applies to Clubs participating in the Premier League, EFL, Step 1 of the National League System, the WSL and the WSL2.
- M2** The powers of The Association set out under this Rule M shall be exercised by the Board.
- M3** A decision of the Board made pursuant to this Rule M shall be final and binding, subject only to arbitration in accordance with Rule K.

REGISTRATION AND CHANGE OF CLUB CREST

- M4** Each Club shall register its Club Crest with The Association in the form prescribed by The Association.

Guidance

This will ensure The Association can maintain an accurate record of Club Crests as a reference point to operate these Rules. Clubs should register any new Club Crest (including where there are minor changes which do not engage these Rules) to ensure The Association has an accurate record at all times.

- M5** A Club Crest shall not be distasteful, threatening, abusive, indecent, insulting, discriminatory, ethically or morally offensive, or include any political or religious message, or include any form of advertising.
- M6** A Club seeking to change its Club Crest shall not choose a design which would cause confusion with the existing Club Crest of another Club.
- M7** The Club Crest shall comply with the Kit and Advertising Regulations.
- M8** No Club shall make any material changes to its Club Crest without first undertaking a thorough and extensive consultation with its supporters.

Guidance

Clubs seeking to ensure they have undertaken a thorough and extensive consultation with supporters should undertake an independently run supporter poll to give weight to its proposal. The nature of such a poll will depend upon the circumstances of the Club in question but should include taking a poll of (where applicable); members of any Community Benefit Society formed for the benefit of the club's supporters and registered with the FCA (in many cases, a group of club supporters more commonly referred to as a supporters' trust will be registered as a Community Benefit Society), season ticket holders, and any supporters who have attended a specific number of home matches in the previous season.

Club Crests form an important part of the identity of a Club and changes can be an emotive issue for some supporters and lead to legitimate concerns being raised.

These Rules apply to any material changes to any aspect of a Club Crest (e.g. changing a colour from blue to red, adding or deleting text, or adding new design features and/or deleting established design features). These Rules are not intended to apply to the types of small changes to a Club Crest which occur more regularly, such as making a colour slightly lighter or darker, or slightly increasing or decreasing the size of a font.

8 - RULES OF THE ASSOCIATION

Whilst there may often be a strong case for the modernisation of a Club Crest, given the prominence of a Club's Crest on kits, promotional material, broadcast and other visual media, it is of vital importance that the views of supporters are given significant weight when deciding to make material changes.

It is noted that some Clubs mark anniversaries by introducing a club crest which draws on previous heritage but differs from that in current use by the Club. Whilst these Rules will still apply in such circumstances, Clubs will be given a greater margin of discretion with regard to a temporary change to a club crest of this nature provided that the change is for a maximum of one playing season.

- M9** A Club must be in a position to evidence that the majority of its supporters are in favour of a material change to its Club Crest prior to making any such change.

Guidance

In assessing whether or not the majority of a Club's supporters are in favour of a material change to its Club Crest, The Association will give significant weight to the views of members of any Community Benefit Society formed for the benefit of the club's supporters and registered with the FCA, season ticket holders, and any supporters who have attended a specific number of home matches in the previous season. For the avoidance of doubt, the views of a Club's wider supporter base and/or membership shall not be disregarded for the purposes of any assessment by The Association.

- M10** If a Club makes any material changes to its Club Crest then it shall register the new Club Crest with The Association in the form prescribed by The Association.
- M11** The Association shall have the power to instruct a Club to use a previous version of the Club Crest where in the reasonable opinion of The Association a Club has breached any of Rules M4 to M10.

REGISTRATION AND CHANGE OF HOME SHIRT COLOURS

- M12** Each Club shall register details of their Home Shirt Colours with The Association in the form prescribed by The Association. Where The Association considers, in its reasonable opinion, that the details registered by the Club do not accurately reflect the Club's Home Shirt Colours, The Association shall:

M12.1 reject the details submitted;

M12.2 identify to the Club those details which The Association considers to be inaccurate; and

M12.3 require that the Club resubmit the details, with the inaccuracies rectified.

Guidance

This is to provide a clear record of the recognised predominant colours of a Club's Home Shirt Colours and can be used as a reference point at a later date where a Club is seeking to make a particular change. The Association would expect Clubs to ensure the Home Shirt Colours which it submits for registration genuinely reflect what its supporters would view the Home Shirt Colours to be.

- M13** No Club shall change its Home Shirt Colours without first undertaking a thorough and extensive consultation with its supporters.

8 - RULES OF THE ASSOCIATION

Guidance

Clubs seeking to ensure they have undertaken a thorough and extensive consultation with supporters should undertake an independently run supporter poll to give weight to its proposal. The nature of such a poll will depend upon the circumstances of the Club in question but should include taking a poll of (where applicable); members of any Community Benefit Society formed for the benefit of the club's supporters and registered with the FCA (in many cases, a group of club supporters more commonly referred to as a supporters' trust will be registered as a Community Benefit Society), season ticket holders, and any supporters who have attended a specific number of home matches in the previous season.

These Rules are in place principally to prevent a Club from materially altering the recognised, predominant colours associated with the Club's home shirt, without first undertaking a thorough and extensive consultation with supporters.

Examples where thorough and extensive supporter consultation would be required include, changing a predominant colour from blue to red, or adding a significant amount of new colour to an established colour combination (e.g. changing a black and white shirt to black, white and red).

These Rules do not seek to limit the ability of Clubs to experiment with different designs and it is noted that some kit designs inevitably divide opinion amongst supporters. Provided Clubs stay within the parameters of the Home Shirt Colours registered with The Association, they will be given a wide margin of discretion to utilise different home shirt designs without there being a formal requirement for a thorough and extensive consultation with its supporters.

It is noted that some Clubs mark anniversaries by introducing a kit which draws on previous heritage but may not entirely reflect the Home Shirt Colours commonly associated with the Club in modern times. Whilst these Rules will still apply in such circumstances, Clubs will be given a greater margin of discretion with regard to a temporary change to a home shirt of this nature provided that the change is for a maximum of one playing season.

Notwithstanding that these Rules only apply to changing the recognised, predominant colours of a Club's home shirt, The Association would remind Clubs that the features of a home shirt are also a significant part of the identity of a Club. The Association would therefore strongly encourage Clubs to undertake a thorough and extensive consultation with supporters where it wishes to materially change common-recurring design features of a home shirt but which do not affect its colour (e.g. changing horizontal stripes to vertical stripes).

- M14** A Club must be in a position to evidence that the majority of its supporters are in favour of a material change to its Home Shirt Colours prior to making any such change.

Guidance

In assessing whether or not the majority of a Club's supporters are in favour of a material change to a Club's Home Shirt Colours, The Association will give significant weight to the views of members of any Community Benefit Society formed for the benefit of the club's supporters and registered with the FCA, season ticket holders, and any supporters who have attended a specific number of home matches in the previous season. For the avoidance of doubt, the views of a Club's wider supporter base and/or membership shall not be disregarded for the purposes of any assessment by The Association.

- M15** Where a Club changes its Home Shirt Colours in accordance with these Rules, that Club shall register details of its new Home Shirt Colours with The Association in such form as is prescribed by The Association.
- M16** Where in the reasonable opinion of The Association a Club is deemed to have breached Rules M12 to M15, The Association shall have the power to instruct that Club to rectify the breach at The Association's sole discretion.

8 - RULES OF THE ASSOCIATION

SCOPE

- N2** This Rule N applies to Clubs participating in the Premier League, EFL, WSL and WSL2.

REQUIREMENT TO COLLECT DIVERSITY DATA

- N3** Clubs are required to use their best endeavours to collect Diversity Data during the Collection Period.

Guidance

It is acknowledged that individuals are free to choose whether or not to provide their personal information. However, Clubs should ensure that the Club Workforce are provided with a reasonable opportunity to respond to a request for information in order to comply with their obligations under this Rule.

REQUIREMENT TO PUBLISH DIVERSITY DATA REPORT

- N4** Clubs will be required to publish a Diversity Data Report and the relevant Collection Rate on the Club's official website at any time during the relevant Publication Window and in any event no later than the relevant Publication Deadline.

Guidance

In addition to the prescribed minimum set of data collected, Clubs are encouraged to report on workforce diversity data aligned to their EDI Action Plan targets.

- N5** Clubs must ensure that each Diversity Data Report is available on their website for at least five years from the relevant Publication Deadline.

Guidance

The rationale for this is to ensure it is possible to track progress in relation to Diversity Data.

- N6** Clubs must provide The Association with evidence of publication of the Diversity Data Report as soon as practicable after publication and no later than the relevant Publication Deadline.

- N7** Any Club that fails to comply with Rule N shall be issued with a warning and a request to comply within five business days. In the event the breach is not rectified by the Club within this timescale the Club shall be liable for a fine as per the sanction guidelines issued by The Association from time to time.

- N8** The Association reserves the right to issue a charge for Misconduct where a Club is in breach of Rule N depending on the circumstances and in the event of repeated non-compliance.

Guidance

The sanction guidelines will stipulate a fine, the amount of which will be dependent on the Competition in which the Club was participating at the time the offence was committed.

O. DELIBERATE HEADING

Since 2022 the International Football Association Board (IFAB) has permitted national associations to undertake a trial in Under 12 age groups and below whereby the deliberate heading of the ball constitutes an offence punishable by an indirect freekick (the "Heading Trial" as defined below).

Rule O sets out requirements for the Heading Trial to be implemented in Under 7, Under 8, Under 9, Under 10 and Under 11 age groups at the grassroots level of the game (the "Relevant Age Groups" as defined below).

Rule O shall not apply to Competitions or Matches involving the Relevant Age Groups of Clubs participating in the Premier League, EFL, WSL or WSL2 (unless otherwise agreed between relevant Participants). Nothing in Rule O shall prevent such Competitions voluntarily participating in the Heading Trial.

Nothing in Rule O shall prevent Affiliated Associations, Competitions, or Clubs voluntarily participating in the Heading Trial outside of the Relevant Age Groups.

DEFINITIONS

DEFINITION	INTERPRETATION
Heading Trial	means the trial whereby the International Football Association Board permits member associations of FIFA to make the deliberate heading of the ball an offence in Under 12 age groups.

9 - DISCIPLINARY REGULATIONS

A - GENERAL PROVISIONS

- 1 These General Provisions are split into two parts:
 - 1.1 The provisions in Section One shall apply to Inquiries, Commissions of Inquiry, Regulatory Commissions, Disciplinary Commissions, Appeal Boards and Safeguarding Review Panels.
 - 1.2 The provisions in Section Two shall apply to Regulatory Commissions and, where stated in paragraph 27, Disciplinary Commissions.

SECTION ONE: ALL PANELS

SCOPE

- 2 This Section One shall apply to Inquiries, Commissions of Inquiry, Regulatory Commissions, Disciplinary Commissions, Appeal Boards and Safeguarding Review Panels.
- 3 In relation to proceedings before a Disciplinary Commission, references in this Section One to The Association shall be taken to mean the relevant Affiliated Association.

GENERAL

- 4 The bodies subject to these General Provisions are not courts of law and are disciplinary, rather than arbitral, bodies. In the interests of achieving a just and fair result, procedural and technical considerations must take second place to the paramount object of being just and fair to all parties.
- 5 All parties involved in proceedings subject to these General Provisions shall act in a spirit of co-operation to ensure such proceedings are conducted expeditiously, fairly and appropriately, having regard to their sporting context.
- 6 The bodies subject to these General Provisions shall have the power to regulate their own procedure.
- 7 Without limitation to paragraph 6 above, any breach of procedure by The Association, or a failure by The Association to follow any direction given (including any time limit), shall not invalidate the proceedings or its outcome unless the breach is such as to seriously and irredeemably prejudice the position of the Participant Charged.
- 8 Save where otherwise stated, the applicable standard of proof shall be the civil standard of the balance of probabilities.

EVIDENCE

- 9 A panel to which these General Provisions apply:
 - 9.1 shall not be obliged to follow the strict rules of evidence;
 - 9.2 shall not be bound by any enactment or rule of law relating to the admissibility of evidence in proceedings before a court of law;
 - 9.3 may admit such evidence as it thinks fit and accord such evidence such weight as it thinks appropriate in all the circumstances; and
 - 9.4 may draw such inference from the failure of a witness (including the Participant Charged) to give evidence or answer a question as it considers appropriate.

9 - DISCIPLINARY REGULATIONS

REPRESENTATION

- 10 A Participant Charged attending a personal hearing, or an individual attending a Safeguarding Review Panel, may be represented by an or individuals (including a legal representative), provided that they notify The Association both of the fact that they are to be represented and of the identity of the representatives by the date on which the Reply is served. The representatives may speak on behalf of the Participant Charged / the individual.
- 11 An individual acting as a representative for a Participant Charged shall not be allowed to give evidence.
- 12 The Association may nominate an individual or individuals to represent it at a personal hearing.

CONSOLIDATION OF PROCEEDINGS

- 13 Where the subject matter of or facts relating to a Charge or Charges against one or more Participant(s) is sufficiently linked (including, but not limited to, where offences are alleged to have been committed in the same Match or where there is common evidence of The Association or the defence) and where appropriate for the timely and efficient disposal of the proceedings, The Association and/or the relevant panel shall have the power to consolidate proceedings so that they are conducted together and the Charges may be determined at a joint hearing. In respect of such matters:
 - 13.1 evidence adduced by or on behalf of a Participant shall be capable of constituting evidence against another Participant (the relevant panel shall give appropriate weight to such evidence);
 - 13.2 Participants or their representatives shall be entitled to cross-examine other Participants and their witnesses; and
 - 13.3 the relevant panel may hear evidence in any order and shall have complete discretion to take matters out of order for the timely, efficient and appropriate disposal of the proceedings.

CONFIDENTIALITY / PUBLICATION

- 14 The proceedings of a Commission of Inquiry, a Regulatory Commission, a Disciplinary Commission, Appeal Board and Safeguarding Review Panel shall take place in private.
- 15 All oral or written representations, submissions, evidence and documents created in the course of any proceedings shall be subject to qualified privilege.
- 16 Subject to paragraphs 17 to 19 below:
 - 16.1 all oral or written representations, submissions, evidence and documents created in the course of any proceedings are confidential between The Association and the individual or body concerned; and
 - 16.2 the parties must keep confidential (and must ensure their representatives keep confidential) any representations, submissions, evidence, information or documentation related to the proceedings.
- 17 The Association shall have the power to publish in the public press, on a web site or in any other manner considered appropriate:
 - 17.1 the outcome of any proceedings or inquiry (irrespective of whether a Charge is issued in respect of that inquiry);
 - 17.2 reports of any hearing, order, requirement, instruction, decision, proceedings, acts, resolution, finding and penalty; or
 - 17.3 any representations, submissions, evidence and documents created in the course of any proceedings or inquiry (including but not limited to the written reasons of a Regulatory Commission and Appeal Board) whether or not this reflects on the character or conduct of a Participant.

9 - DISCIPLINARY REGULATIONS

- 18 Each Participant will take part in any Commission of Inquiry, Regulatory Commission, Disciplinary Commission, Appeal Board, or Safeguarding Review Panel as required to ensure the appropriate discharge of these Regulations, and acknowledges that reports of decisions will be published.
- 19 The Association shall have the right to use and rely upon any representations, submissions, evidence and documents that are provided to it during the course of any inquiry pursuant to Rule F (or otherwise) and/or are created or otherwise generated during the proceedings of a panel to which these General Provisions apply for the purpose of carrying out its regulatory functions and monitoring and implementing compliance with its Rules and Regulations (including, but not limited to, taking action against any Participant under Rule E).

SERVICE OF DOCUMENTS

- 20 A document may be served by:
- 20.1 giving it to the person to whom it is addressed;
 - 20.2 leaving it at, or sending it by first class post to, the last known address of the addressee or, in the case of an individual, the Club with which they are associated; or
 - 20.3 sending it by e-mail or by fax to the last known email address or fax number of the addressee or, in the case of an individual, the Club with which they are associated.

FEES

- 21 Where a Participant lodges a Notice of Appeal in respect of:
- 21.1 a decision of a Regulatory Commission, they must pay an appeal fee of £100;
 - 21.2 a decision of an Affiliated Association, they must pay an appeal fee of £50;
 - 21.3 any other decisions of The Association subject to appeal, or a decision of Competition, they must pay an appeal fee as follows:

RELEVANT COMPETITION	FEE
Premier League, EFL Championship, EFL League One, EFL League Two, National League and WSL	£500
Steps 2 to 4 of the National League System and WSL2	£250
Steps 5 to 6 of the National League System	£100
Any other Competition (including those outside the National League System)	£50

- 22 In respect of other matters where fees are payable, the relevant fees shall be as prescribed in the relevant regulations.

OTHER PROCEEDINGS

- 23 The fact that a Participant is liable to face or has pending any other criminal, civil, disciplinary or regulatory proceedings (whether public or private in nature) in relation to the same matter shall not prevent or fetter The Association commencing, conducting and/or concluding proceedings under the Rules.
- 24 The result of any proceedings referred to in paragraph 23 (save for an acquittal) and findings upon which such result is based shall be presumed to be correct and true unless it is shown, by clear and convincing evidence, that this is not the case. An acquittal or equivalent result in civil, disciplinary or regulatory proceedings (and any finding upon which such result is based) shall only be presumed to be correct if the applicable standard of proof in those proceedings was the same or lower than the applicable standard of proof in the proceedings brought under the Rules.

9 - DISCIPLINARY REGULATIONS

EXCLUSION OF LIABILITY

- 25 Panel members to which these General Provisions apply and any executive staff member of The Association involved in any proceedings subject to these General Provisions, shall not be held liable for any acts or omissions in relation to any such proceedings.

SECTION TWO: REGULATORY COMMISSIONS

SCOPE

- 26 This Section Two sets out provisions applicable to matters of Misconduct proceeding before Regulatory Commissions. Further detail, to include the timetable to be followed in respect of such matters, is found in:
- 26.1 Part B: Non-Fast Track Regulations (where the matter proceeds according to the ordinary timetable);
- 26.2 Part E: Fast Track Regulations (where the matter proceeds according to an expedited timetable).
- As such, the procedures set out at Part B: Non-Fast Track Regulations and Part E: Fast Track Regulations should be read in conjunction with these provisions.
- 27 In addition, the following paragraphs of this Section Two shall apply to matters of Misconduct proceeding before Disciplinary Commissions: paragraphs 28, 31, 39 to 43, 47 and 48 and 50 to 52.1 and Appendix 1 to Part A: Section One: General Provisions. The content of those paragraphs shall be construed accordingly (e.g. references to The Association shall be taken to mean the relevant Affiliated Association).

THE COLLECTION OF EVIDENCE

- 28 In accordance with Rule F, all Participants must take all reasonable measures to assist The Association in the collection of evidence. Where The Association requests the production of evidence from any Participant, that Participant shall (subject to considerations of legal professional privilege) be under an obligation to provide it.
- 29 Where on-field offences are concerned, The Association may request that a Club provides or procures the delivery of video evidence to assist it in investigating possible Misconduct. Clubs must provide such video evidence to The Association as soon as reasonably practicable and in any event no later than 12 noon on the next Business Day following The Association's request (or a later date if stipulated by The Association). Failure to provide such evidence within this deadline may result in The Association issuing a Charge against the Club.

CHARGE

- 30 The decision that facts or matters may give rise to Misconduct and that a Charge be brought will be made by the Chief Regulatory Officer (or their nominee) on behalf of The Association.
- 31 The Chief Regulatory Officer (or their nominee) may issue a written warning to a Participant where there are facts or matters which may give rise to Misconduct but where the Chief Regulatory Officer (or their nominee) determines in their sole discretion not to bring a Charge.
- 32 Where any facts or matters give rise to alleged Misconduct by a Participant, The Association will serve on the Participant a Charge which shall:
- 32.1 state briefly the nature of the alleged Misconduct;
- 32.2 identify the provision(s) alleged to have been breached; and
- 32.3 enclose copies of documents or other material referred to in the Charge.

9 - DISCIPLINARY REGULATIONS

- 33 The Charge may include a request for the provision of a summary of the current terms and conditions of employment of a Participant.
- 34 A copy of the Charge shall be forwarded to the Judicial Panel Chairman who shall appoint a Regulatory Commission in accordance with, and subject to, the Terms of Reference for the Composition and Operation of the Judicial Panel.

TIME LIMITS AND DIRECTIONS

General

- 35 The standard directions for a Regulatory Commission processing a matter under these Regulations shall be as set out in Part B: Non-Fast Track Regulations and Part E: Fast Track Regulations.
- 36 In complex cases the standard directions may, at the discretion of the Regulatory Commission, be the subject of a directions hearing which may be conducted in accordance with paragraph 26 of Part B: Non-Fast Track Regulations.
- 37 **Timings and Directions**
- 37.1 Upon an application by The Association or a Participant, the Judicial Panel Chairman (or their nominee) may amend, suspend, reduce or dispense with the relevant time limits set out in Part B: Non-Fast Track Regulations and Part E: Fast Track Regulations provided that the Judicial Panel Chairman (or their nominee) is satisfied that it would be impractical or unfair not to do so.
- 37.2 Where a Regulatory Commission has not yet been convened, the Judicial Panel Chairman (or their nominee) may make an order in respect of (i) time limits, (ii) hearing dates or (iii) the timetable in respect of disclosure.
- 38 Examples of circumstances in which the processing of a Charge would be impractical or unfair within the time limits set out in Part B: Non-Fast Track Regulations and Part E: Fast Track Regulations are where:
- 38.1 there is a pending police investigation; or
- 38.2 the seriousness or complexity of the matter necessitates a longer period of investigation; or
- 38.3 substantial evidence needs to be obtained from non-Participants.

REGULATORY COMMISSION DELIBERATIONS

- 39 Deliberations of a Regulatory Commission shall take place in private.
- 40 The decision of the Regulatory Commission shall be determined by majority. Each member of the Regulatory Commission shall have one vote, save that the Chairman of the Regulatory Commission shall have a second and casting vote in the event of a deadlock.

PENALTIES AND ORDERS

General

- 41 Save where expressly stated otherwise, a Regulatory Commission shall have the power to impose any one or more of the following penalties or orders on the Participant Charged:
- 41.1 a reprimand and/or warning as to future conduct;
- 41.2 a fine;
- 41.3 suspension from all or any specified football activity from a date that the Regulatory Commission shall order, permanently or for a stated period or number of Matches;

9 - DISCIPLINARY REGULATIONS

- 41.4 the closure of a ground permanently or for a stated period;
 - 41.5 the playing of a Match or Matches without spectators being present, and/or at a specific ground;
 - 41.6 any order which may be made under the rules and regulations of a Competition in which the Participant Charged participates or is associated, which shall be deemed to include the deduction of points and removal from a Competition at any stage of any playing season;
 - 41.7 expulsion from a Competition;
 - 41.8 expulsion from membership of The Association or an Affiliated Association;
 - 41.9 such further or other penalty or order as it considers appropriate.
- 42 In imposing penalties, a Regulatory Commission must apply any:
- 42.1 applicable standard sanctions or sanction guidelines as may be communicated by The Association from time to time. A Regulatory Commission may only depart from such standard sanctions or sanction guidelines where it deems it appropriate having regard to the facts of an individual case (for example, where a particular act of Misconduct is sufficiently serious that the standard or guideline sanction would not constitute a sufficient penalty for the Misconduct that has taken place);
 - 42.2 mitigating and/or aggravating factors, to include but not limited to the disciplinary record of the Participant and other factors that may be communicated by The Association from time to time.

Suspended Penalty

- 43 Save where any Rule or regulation expressly requires an immediate penalty to be imposed, and subject to paragraphs 44-46 below, the Regulatory Commission may order that a penalty imposed is suspended for a specified period or until a specified event and on such terms and conditions as it considers appropriate.
- 44 When considering imposing a suspended penalty, a Regulatory Commission must:
- a) Determine the appropriate penalty for the breach, irrespective of any consideration of it being suspended; and
 - b) Consider whether there is a clear and compelling reason(s) for suspending that penalty; if so
 - i. Set out what the clear and compelling reason(s) are; and
 - ii. Decide the period of the suspension, or event, until which the penalty will be suspended; and
 - iii. Upon what other terms or conditions, if any, the penalty will be suspended.
- 45 Where a Participant has committed a breach of Rules E5, E8 or E14, the Regulatory Commission must consider suspending a portion of the penalty imposed if:
- 45.1 that Participant has provided assistance and/or information to any Competition, The Association, UEFA, FIFA, other national football association, a law enforcement agency or professional disciplinary body; and
 - 45.2 the assistance and/or information provided results in the discovery or establishment of any criminal offence or the breach of disciplinary rules by another person relating to betting or integrity (not including anti-doping, in respect of which the Anti-Doping Regulations shall apply) in football or sport generally.
- 46 Where the Regulatory Commission, in exercising its discretion under paragraph 45, considers it to be appropriate to suspend a portion of the penalty, the extent to which the penalty may be suspended will be based on the significance of the assistance provided by the Participant to the effort to eliminate corruption from sport.

Aggravated Breaches (Rule E3.2)

- 47 Where an Aggravated Breach is found proven, a Regulatory Commission shall apply The Association's sanction guidelines for Aggravated Breaches set out at Appendix 1 to Part A: Section One: General Provisions.

9 - DISCIPLINARY REGULATIONS

- 48 Where a Regulatory Commission sanctions a Club in accordance with Rule E3.4, it may impose any sanction it considers appropriate, taking into account any aggravating or mitigating factors present.

Drug Rehabilitation and Counselling

- 49 Where a Participant has breached the provisions of the Anti-Doping Regulations or the Social Drugs Regulations, a Regulatory Commission may order a compulsory period of target testing, rehabilitation and counselling, and attach such conditions as it considers appropriate.

Compensation Orders

- 50 The Regulatory Commission may, where it considers it appropriate, order the Participant Charged to pay compensation to another Participant (the “**Compensation Claimant**”), instead of or in addition to any penalty or other order. Such an order may be for such amount as the Regulatory Commission considers appropriate.
- 51 The Regulatory Commission may order compensation only where:
- 51.1 it receives, in advance of its determination as to whether a Charge has been proven, a written claim by or on behalf of the Compensation Claimant which sets out the amount claimed and detailed reasons for the claim;
 - 51.2 it is satisfied that the Compensation Claimant has suffered loss as a consequence of the Misconduct of the Participant Charged; and
 - 51.3 the Participant Charged has had an opportunity both of seeing the claim in advance of an order being made and of making submissions to the Regulatory Commission in relation to it.

COSTS ORDERS

- 52 Save where otherwise provided, any costs incurred:
- 52.1 in bringing or defending a Charge will be borne by the party incurring the costs; and
 - 52.2 by a Regulatory Commission, which are considered by the Chairman of the Regulatory Commission to be appropriate, may be ordered to be paid in full or in part by either party (such costs may include, but are not limited to, the costs of the Regulatory Commission and related expenses).
- 53 The applicable deadlines for any appeal against only the quantum of costs shall be those set out in paragraph 5 of Part C: Appeals – Non-Fast Track. Any such appeal shall be heard and determined by a single person appointed by Sport Resolutions (UK) (or similar independent body as determined by The Association from time to time). That person shall decide all matters of procedure for how such an appeal will be conducted.
- 54 A Notice of Appeal against a decision of a Regulatory Commission shall be deemed not to have been lodged unless either:
- 54.1 all financial orders, including costs orders, relating to the Participant in question have been paid in full; or
 - 54.2 the Chairman of the Regulatory Commission has made an order to set aside the relevant financial orders pending the outcome of the Appeal.
- 55 In the event of an appeal being lodged, where applicable payments of costs made will be held in escrow by The Association.

COMPLIANCE WITH PENALTIES AND ORDERS

- 56 Unless the Regulatory Commission determines otherwise, a penalty or order shall come into effect immediately at the date of the notification of the decision.

9 - DISCIPLINARY REGULATIONS

- 57 A Regulatory Commission may issue such further order, requirement or instruction as it considers appropriate for the purpose of giving effect to its decision.
- 58 Where a Regulatory Commission is satisfied that a Participant Charged has failed to observe or comply with a penalty or order imposed by the Regulatory Commission, it shall have the power to order that the Participant Charged be suspended immediately from all or any football activity for such period and on such conditions as it considers appropriate.
- 59 In respect of any appeal made by a Participant Charged against a decision of a Regulatory Commission, the Regulatory Commission shall have the power, upon application and its absolute discretion, to stay the effect of, or compliance by the Participant Charged with, a penalty or order of a Regulatory Commission.

PAYMENT OF FEES, FINES AND COMPENSATION ORDERS

- 60 Payment of any administration fee, fine or compensation shall be made to The Association by such deadline and under such terms as ordered by The Association at the time of the written notification or decision.
- 61 The failure to make payment within the deadline ordered may result in an automatic increase of 25% of the amount due. Failure to pay within a further 35 days from the deadline ordered may result in the automatic suspension of the Participant until such time as payment has been received. Where the Participant is a person, such suspension will be from all football and football activity. Where the Participant is a Club, such suspension will be from playing in any Match or Competition.

WRITTEN DECISION

- 62 The Regulatory Commission shall as soon as practicable send to the Participant Charged and the Chief Regulatory Officer (or their nominee) a written statement of its decision, which shall state:
- 62.1 the Charge(s) considered and whether admitted or denied;
 - 62.2 the decision as to whether Misconduct has been proven or not; and
 - 62.3 any penalty or other order imposed.
- 63 The final, dated, written decision of the Regulatory Commission shall be the conclusive record of the Regulatory Commission's decision. A copy of the written decision shall be forwarded to The Association.

WRITTEN REASONS

- 64 Where the relevant parts of Part B: Non-Fast Track Regulations and Part E: Fast Track Regulations so provide, written reasons may be requested and provided.
- 65 Where written reasons are provided they shall state in writing:
- 65.1 the findings of fact made by the Regulatory Commission;
 - 65.2 the reasons for the Regulatory Commission's decision finding the Charge(s) proven; and
 - 65.3 the reasons for any penalty or order.

APPEALS

- 66 The rights of appeal shall be as set out in Part B: Non-Fast Track Regulations or Part E: Fast Track Regulations.

9 - DISCIPLINARY REGULATIONS

APPENDIX 1 - STANDARD SANCTIONS AND GUIDELINES FOR AGGRAVATED BREACHES

PLAYERS, MANAGERS AND TECHNICAL AREA OCCUPANTS

Standard Sanction

A finding of an Aggravated Breach against a Player, Manager or Technical Area Occupant will attract an immediate suspension of no less than 10 Matches ("**Standard Sanction**") subject to the circumstances outlined below.

A Regulatory Commission shall take all aggravating and mitigating factors into account, including but not limited to those listed in these guidelines when determining the level of sanction.

A Regulatory Commission may impose a sanction lower than the Standard Sanction if it is satisfied that a mitigating factor or mitigating factors of significant number or weight is/are present and provided that an immediate suspension of no less than 6 Matches is imposed. This discretion will only be exercised in circumstances where an Aggravated Breach has been admitted at the earliest reasonable available opportunity, unless, notwithstanding the absence of an admission, the specific circumstances of the case are exceptional so that a sanction lower than the Standard Sanction is justified. For the avoidance of doubt, in all cases, any such departure from the Standard Sanction must not result in a sanction lower than an immediate 6-match suspension.

Where a Player is aged 12-15 (inclusive) a Regulatory Commission may suspend any number of Matches on terms and for such period as it considers appropriate provided that a suspension of no less than one Match is served.

A Regulatory Commission may impose an immediate suspension in excess of 12 Matches in circumstances where aggravating factors of significant number or weight are present.

Exceptions

A Regulatory Commission may only consider imposing a suspension below 6 Matches where the following specific (and exhaustive) circumstances arise such that the Regulatory Commission determines that a suspension of 6 Matches would be excessive:

Where the offence was committed in writing only or via the use of any communication device and:

- Where the Regulatory Commission is satisfied that there was no genuine intent on the part of the Participant Charged to be discriminatory or offensive in any way and could not reasonably have known that any such offence would be caused; or
- The age of the Participant at time of the offence (e.g. where the Participant was a minor at the time the offence was committed); or
- The age of the offence (e.g. a social media post made a considerable time ago).

For the avoidance of doubt, the existence of the circumstances above will not necessarily result in a suspension of less than 6 Matches. A Regulatory Commission must be satisfied that the unique circumstances and facts of a particular case are of such significance that a suspension of less than 6 Matches is justified to avoid an unjust outcome for the Participant Charged. In reaching a decision, the Regulatory Commission must also consider whether or not it is in the best interests of the game in tackling all forms of discrimination to impose a sanction of less than 6 Matches. In any event, a Regulatory Commission shall impose a suspension of no less than 3 Matches.

Where a Player is aged 12-15 (inclusive) a Regulatory Commission may suspend any number of Matches on terms and for such period as it considers appropriate provided that a suspension of no less than one Match is served.

9 - DISCIPLINARY REGULATIONS

TIME-BASED SUSPENSIONS

A Regulatory Commission may assess that a Match-based suspension is not appropriate due to the specific circumstances of a case; the nature of the role of a Participant, and/or whether they are currently engaged by a Club. A Regulatory Commission should have regard to the Standard Sanction and the guidelines set out in this Appendix as well as the mitigating and aggravating factors when determining sanction. However, a Regulatory Commission shall be entitled to impose an appropriate, immediate time-based suspension that is commensurate with the breach, having regard to the specific roles and responsibilities of the Participant¹.

EDUCATION

Any Participant who is found to have committed an Aggravated Breach shall be made subject to an education programme, the details of which will be provided to the Participant by The Association.

OTHER PENALTIES

A Regulatory Commission may impose any one or more of the other penalties as provided by paragraph 41 of Part A to the Disciplinary Regulations.

FACTORS TO BE CONSIDERED WHEN DETERMINING SANCTION

A Regulatory Commission will have due regard to the circumstances and seriousness of the incident when determining the appropriate sanction and whether (and to what extent) to depart from the Standard Sanction or when setting an appropriate time-based suspension. For the avoidance of doubt, a suspension of less than 6 Matches may only be considered by a Regulatory Commission where the specific (and exhaustive) circumstances listed above arise.

In so doing, the Regulatory Commission shall give consideration to any aggravating and mitigating factors, to include but not limited to:

Aggravating Factors

- Repeated use of discriminatory language or conduct during commission of the offence or offences.
- Multiple offences over a period of time.
- The public nature of the offence(s) (e.g. the commission of the offence(s) in a public place, via broadcast media or a social media platform (particularly via an account on a social media platform with a high number of followers in relative terms)).
- The profile of the Participant, including where they hold a position of responsibility within their Club or organisation (e.g. Club captain, Manager, Chairman, member of senior management).
- The relative ages of the Participant and the victim(s) at the time of the offence, particularly where the victim was a minor and the Participant was not.
- Failure to co-operate with The Association.
- Previous disciplinary record of the Participant.
- Any attempt to conceal the breach.
- The extent of any premeditation.
- Lack of remorse or insight and/or failure to understand and/or appreciate the severity of the conduct and/or its impact.

¹ Where a sporting sanction would cover all or part of a period in which the Participant's Club/team is not playing competitive matches (e.g. the Close Season/summer months), a Regulatory Commission should account for this when considering the length and/or commencement date of the sporting sanction. The start date and period of any sporting sanction shall be determined so that the sporting sanction is effective.

9 - DISCIPLINARY REGULATIONS

Mitigating Factors

- Admission at the earliest reasonable available opportunity in particular where the factual conduct forming the basis for the charge would be capable of being disputed.
- Demonstration of genuine remorse.
- Co-operation with The Association.
- Where it is accepted that the Participant had a legitimate expectation of privacy.
- Inexperience of the Participant by reference to their age or background at the time of the offence.
- In respect of social media posts, the age of the post and the Participant's age at the time of the post. For example, depending on the other circumstances and characteristics of the offence, it may be considered a mitigating factor where the post was made a considerable time ago and/or where it was made at a time when the Participant was a minor.

SECOND OR FURTHER OFFENCES

Second or further offences will be treated with the utmost seriousness. There will be a presumption that the sanction for a second or further offence will be higher than 12 Matches. In any event, the sanction for a second or further offence must always be greater than for a first offence. Where a Regulatory Commission deems it appropriate to issue a time-based suspension it should consider all relevant factors including but not limited to the number and severity of any previous offences when determining sanction. A Regulatory Commission should have regard to the Standard Sanction and the guidance set out in this Appendix as well as the mitigating and aggravating factors when determining sanction.

Where a Player is aged 12-15 (inclusive) and commits a second or further Aggravated Breach, in determining the suspension to be imposed, a Regulatory Commission shall use as an entry point, an immediate suspension of 11 matches. The Regulatory Commission may depart from the entry point where aggravating or mitigating factors are present but, in any case, must impose an immediate suspension of no fewer than 7 matches.

Regulatory Commissions shall still be entitled to take all aggravating and mitigating factors into account when determining sanction.

MULTIPLE AGGRAVATED BREACHES

Where a Regulatory Commission finds a Participant to have committed two or more Aggravated Breaches on separate occasions which have been considered by a Regulatory Commission during the same proceedings, the Regulatory Commission may impose a Match or time-based suspension depending on what it deems appropriate in the circumstances. A Regulatory Commission should have regard to the Standard Sanction and the guidance set out in this Appendix as well as the mitigating and aggravating factors when determining sanction. However, a Regulatory Commission shall have the power to impose any sanction which is appropriate and proportionate to the nature of the Aggravated Breaches committed. This includes being able to impose a suspension in excess of 12 Matches, particularly in very serious cases to impose a time-based suspension of any duration.

PLAYERS AGED UNDER 12

Where an Aggravated Breach is committed by a Player aged under 12, no disciplinary charge will be brought. In such cases, the Player will be subject to an education programme, the details of which will be provided to the Player by The Association.

Where a Charge is denied, or where it is admitted but there remains a factual dispute between the Participant Charged and The Association, the Regulatory Commission shall consider the witness and other evidence placed before it together with each party's submissions in order to make findings in respect of any factual dispute(s) in order to determine: (i) whether a Charge is proven; (ii) if so proven or admitted, the factual basis on which the Charge is proven.

Notification of the decision on Charge

- 32 The Regulatory Commission shall notify parties of its decision as to whether a Charge is proven. The Regulatory Commission may cite such findings as it considers appropriate to enable the parties to understand its decision. The Regulatory Commission shall notify parties of its decision as soon as reasonably practicable and in such manner as it considers appropriate. Where such decision is reached at a hearing at which the Participant Charged is present it should be notified immediately, save where the Regulatory Commission considers it appropriate to act otherwise.

- 35 Where a Charge is proven following determination on written submissions, the Regulatory Commission shall then consider the disciplinary record of the Participant together with any mitigation, and any other matters it considers relevant in its consideration of penalty.

Notification of decision on penalty

- 36 The Regulatory Commission shall notify parties of its decision as to any penalty or other order to be imposed as soon as is reasonably practicable and in such manner as it deems appropriate.  - 21.5 make such further or other order as it considers appropriate, generally or for the purpose of giving effect to its decision;
 - 21.6 order that any costs, or part thereof, incurred by the Appeal Board be paid by either party or be shared by both parties in a manner determined by the Appeal Board.
- 22 Decisions of the Appeal Board shall be final and binding and there shall be no right of further challenge, except in relation to appeals:
- 22.1 to CAS brought by FIFA or WADA pursuant to the Anti-Doping Regulations; or
 - 22.2 concerning the amount of costs any party is ordered to pay by the Appeal Board (which is considered in paragraph 24 below).

Other Costs

- 23 Any costs incurred in bringing, or responding to, an appeal shall normally be borne by the party incurring the costs. In exceptional circumstances the Appeal Board may order one party to pay some or all of the other party's costs. Such costs will not include any legal costs. Any applications for such costs must be made at the Appeal Board and must include details of the exceptional circumstances.
- 24 An appeal against only the quantum of costs ordered to be paid shall be heard and determined by either:
- 24.1 a single person appointed by Sport Resolutions (UK) (or a similar independent body as determined by The Association from time to time). That person shall decide all matters of procedure for how such an appeal will be conducted; or

- 26 The Appeal Board shall, upon the request of the appellant or the respondent (such request to be received at The Association within three Business Days of the date of the notification of the decision), give written reasons for the decision.

APPEALS FROM DECISIONS OF LEAGUES: BOND APPLICATIONS

- 27 The provisions relating to bond applications at paragraphs 28 to 37 shall only apply where an appellant is appealing a decision of a League (save for decisions of the Premier League or the EFL).
- 28 Within seven days of lodging the Notice of Appeal, the League (as respondent) may make an application for the Appeal Board to require a bond to be lodged by the appellant before the appeal may progress.

- 32 Whether or not the appellant has provided any response to it, the Appeal Board shall consider the bond application as soon as practicable after the seventh day following its submission. The Appeal Board may, in its discretion, consider the bond application on papers alone, or require the parties to attend a personal hearing. Any such personal hearing shall be conducted according to such timings and procedure as the Appeal Board may determine at its discretion.
- 33 The test to be applied by the Appeal Board is whether it is satisfied that there is a real risk that the appellant will not pursue the appeal to a final determination by the Appeal Board. Where it is so satisfied, the Appeal Board may order the appellant to lodge a bond with The Association on such date and in such amount as it considers appropriate. The Appeal Board's decision in this respect shall be final and binding with no further right of appeal. For the avoidance of doubt, consideration of a bond may only be given by an Appeal Board following submission of an application by a respondent in accordance with paragraph 28.
- 34 Where an Appeal Board orders a bond to be lodged with The Association, the Appeal may not proceed until the bond is duly lodged. In any such appeal, notwithstanding the terms of paragraph 8 above, the respondent shall serve its response to the Notice of Appeal within 14 days from the date that the bond is lodged with The Association.
- 35 Where an Appeal Board decides not to order a bond to be lodged with The Association, notwithstanding the terms of paragraph 8 above, the respondent shall serve its response to the Notice of Appeal within 14 days from the date of the Appeal Board's decision.
- 36 Any bond lodged with The Association pursuant to paragraph 33 above will be held by The Association until the final determination of the appeal by an Appeal Board. Following such final determination, the bond shall in all cases be returned to the appellant in full.

9 - DISCIPLINARY REGULATIONS

- 37 Notwithstanding the terms of paragraph 23 above, in any case where a bond has been lodged with The Association, and the appeal is not pursued by the appellant to a final determination by the Appeal Board, the Appeal Board shall have a discretion to order the forfeiture of any part or all of the bond, such amount to be paid in full to the respondent to cover any costs it has so far incurred in responding to the appeal.

 - a) a team competing in all divisions of Leagues at Steps 5 to 6 of the National League System playing Matches in any Competition;
 - b) a team competing outside the National League System playing in Saturday Football, Sunday Football, Midweek Football, Representative Football, Veterans Football, and Education Football (as recognised by The Association from time to time); and
 - c) any affiliated team of a Club to which Categories 1 to 4 above do not apply playing Matches in any Competition.
- 4 Section Four of these On-Field Regulations applies to Technical Area Occupants associated with:
 - 4.1 Clubs in Category 1 playing First Team Competitive Matches; and
 - 4.2 Clubs or teams in Category 3 and Category 5 (as set out above).

SECTION ONE: PROVISIONS APPLICABLE TO CATEGORIES 1, 2 AND 3

CHARGES

- 5 The Association may issue a Charge against a Player in relation to an incident whether or not the same incident has been dealt with by the Referee and/or pursuant to this Section One. In deciding whether or not to issue a Charge, The Association will have particular (but not exclusive) regard to the following:
 - 5.1 any applicable Law(s) of the Game or Rules and Regulations or FIFA instructions and/or guidelines;
 - 5.2 the nature of the incident, and in particular any intent, recklessness, negligence or other state of mind of the Player;
 - 5.3 where applicable, the level of force used;
 - 5.4 any injury to any Participant caused by the incident;
 - 5.5 any other impact on the Match in which the incident occurred;
 - 5.6 the prevalence of the type of incident in question in football generally;
 - 5.7 the wider interests of football in applying consistent sanctions.
- 6 A Regulatory Commission considering a Charge pursuant to paragraph 5 above shall have regard to any standard punishment imposed pursuant to paragraphs 23 to 32 below for the same incident when considering any penalty in accordance with paragraph 41 of Part A: General Provisions Section Two.
- 7 The Association may issue a Charge against a Club at any time during the playing season in relation to cautionable or sending-off offences committed by Players of the Club.

MATCH OFFICIALS' REPORTING OF OFFENCES TO THE ASSOCIATION

- 8 Where a Referee fails to show a Player the appropriate card when communicating a caution or a sending-off, the relevant disciplinary action shall not be invalidated. However, the attention of the Referee should be drawn to the correct procedure.
- 9 Referees must submit a report to The Association following a Match stating the cautionable and/or sending-off offences. In the case of sending-off offences, the Assistant Referees must also submit a report.
- 10 The deadline for the submission of report(s) to The Association under paragraph 9 is:
 - 10.1 for Matches falling within Category 1, 12 noon the day following the Match; or
 - 10.2 for Matches falling within Categories 2 and 3, within two days of the Match (excluding Sundays).

NOTIFICATION OF CAUTIONABLE AND SENDING-OFF OFFENCES

- 11 A Player who has been cautioned or sent off in a Match will be notified by The Association, through their Club, of:
 - 11.1 the cautionable and/or sending-off offence reported by the Referee to The Association;
 - 11.2 in the case of a cautionable offence, the total number of cautions accumulated by the Player under this Section One during the current playing season; and
 - 11.3 any automatic suspension, fine or other consequences resulting from an accumulation of cautions or the sending-off offence pursuant to paragraphs 23 to 32 below. Any automatic suspension will take effect regardless as to whether the notification is received by the Club from The Association before it is due to take effect in accordance with this Section One.

9 - DISCIPLINARY REGULATIONS

- 12 An administration fee of £10.00 will be charged to the Player through their Club for the cost of processing each notification made in accordance with paragraph 11. It is the responsibility of the Club to collect the administration fee from the Player and forward it to The Association upon request.

MISTAKEN IDENTITY (CAUTIONABLE AND SENDING-OFF OFFENCES)

- 13 Where a Player has been cautioned or sent off in a Match but claims they have been the victim of mistaken identity, that Player or their Club may make a claim of mistaken identity in relation to that cautionable or sending-off offence in accordance with the procedure set out in Fast Track 3 of the Fast Track Regulations.
- 14 Where, despite there being clear evidence that there is a case of mistaken identity, a Player or their Club does not submit a claim within the specified time limits, The Association may within seven days of the incident request a Regulatory Commission to review the matter. A Club failing to submit a claim for mistaken identity may be charged with Misconduct by The Association if there is reason to believe that the Club sought to gain an advantage by remaining silent on the matter.

WRONGFUL DISMISSAL (SENDING-OFF OFFENCES)

- 15 Where a Player has been sent off in a Match but claims that the dismissal was wrongful, that Player and their Club may seek to limit the disciplinary consequences of that dismissal by making a claim of wrongful dismissal in accordance with the procedure set out in Fast Track 4 of the Fast Track Regulations. In order to demonstrate that the decision was wrongful, the Player / their Club must establish that the Referee made an obvious error in sending off the Player.
- 16 A Player and their Club may make a claim of wrongful dismissal for any sending-off offence under the provisions of Law 12 of the Laws of the Game, save for where the Player is sent off for a receiving a second caution in the same Match.
- 17 Notwithstanding the outcome of the claim of wrongful dismissal, the relevant sending-off offence will remain on the record of the Club and the Player.
- 18 Where a Player or their Club:
- 18.1 submits a notification of their intention to claim wrongful dismissal in accordance with the provisions of Fast Track 4 of the Fast Track Regulations but fails to complete the claim; or
 - 18.2 withdraws a complete claim prior to it being considered by a Regulatory Commission,
- and, in either case, The Association believes that the notification or claim of wrongful dismissal had no prospect of success or amounted to an abuse of process, the Participant may be charged with Misconduct by The Association.
- 19 A Player or Club may be charged with Misconduct by The Association if there is evidence that video footage showing the incident from all available angles was in their possession but was not submitted to The Association when a claim of wrongful dismissal was made.

CLEARLY EXCESSIVE OR CLEARLY INSUFFICIENT CLAIMS (SENDING-OFF OFFENCES)

- 20** **20.1** A Player and their Club may seek to limit the disciplinary consequences of a sending-off offence by making a claim that the standard punishment would be clearly excessive in accordance with the procedure set out in Fast Track 5 of the Fast Track Regulations. In bringing such a claim, the Player / their Club must establish that it is clear and obvious that the standard punishment otherwise applicable to that sending-off offence would be clearly excessive. Such claims may only be made by a Player and their Club for the following sending-off offences: (a) using offensive, insulting or abusive language and/or gestures; (b) serious foul play; (c) violent conduct; or (d) spitting at an opponent or any other person.
- 20.2** The Association may seek to increase the disciplinary consequences of a sending-off offence by making a claim that the standard punishment is clearly insufficient in accordance with the procedure set out in Fast Track 6 of the Fast Track Regulations. The Association may bring such a claim where it is satisfied that the standard punishment otherwise applicable to that sending-off offence would be clearly insufficient. Such claims may only be made by The Association for the following sending-off offences: (a) serious foul play; (b) violent conduct; or (c) spitting at an opponent or any other person.
- 21** The ability to claim under paragraphs 20.1 and 20.2 above is provided only so exceptional cases may be rectified. It is not intended to lead to the systematic, regular review of standard punishments. Regulatory Commissions will be instructed to approach such cases with these principles in mind and it is envisaged that, for the vast majority of sending-off offences, the standard punishments applicable pursuant to paragraph 27 below will be appropriate and will be applied.
- 22** Notwithstanding the outcome of a claim made pursuant to paragraph 20.1 or paragraph 20.2 above:
- 22.1** the Player will be suspended for at least one Match, save where a successful claim for wrongful dismissal is made pursuant to paragraph 15 above; and
- 22.2** the sending-off offence:
- 22.2.1** will remain on the record of the Club and the Player;
- 22.2.2** will remain the subject of the administration fee set out in paragraph 12 above; and
- 22.2.3** will still accrue the applicable number of penalty points as set out in paragraph 62 below.
- 23** Where a Participant:
- 23.1** submits a notification of their intention to make a claim that the standard punishment is clearly excessive in accordance with the provisions of Fast Track 5 of the Fast Track Regulations but fails to complete the claim; or
- 23.2** withdraws a complete claim prior to it being considered by a Regulatory Commission,
- and, in either case, The Association believes that the notification or claim had no prospect of success or amounted to an abuse of process, the Participant may be charged with Misconduct by The Association.

9 - DISCIPLINARY REGULATIONS

STANDARD PUNISHMENTS

Accumulation of Cautions

- 24 The accumulation of a set number of cautions by a Player in certain Competitions during a playing season will, subject to any applicable cut-off points, result in that Player receiving an automatic suspension and/or fine.
- 25 The relevant number of cautions, automatic suspensions and/or fines, the applicable cut-off points and the Competition(s) in which the automatic suspensions are to be served are as set out in:
- 25.1 **Category 1:** Table 1;
- 25.2 **Category 2:** Table 3; and
- 25.3 **Category 3:** Table 5.
- 26 Unless otherwise stated, such automatic suspensions shall only be served in the Competition in which the cautions were accumulated.
- 27 Where a Player accumulates 20 cautions in certain Competitions (as set out in Tables 1, 3 and 5) during a playing season, that Player shall be required to attend a Regulatory Commission within seven days of the date of the last caution. The Regulatory Commission shall have the power to deal with the Player in such manner as it deems fit. The same procedure will apply for every further five cautions received by that Player.
- 28 Subject to paragraph 26 above, where a Player accumulates any cautions after the final applicable cut-off point in a particular Competition during a playing season (as set out in Tables 1, 3 and 5), the accumulation of those cautions shall not count towards or result in that Player receiving an automatic suspension and/or fine.
- 29 Where a Player moves between Clubs participating in different Leagues falling within Category 1 (as set out in Table 1) during a playing season, any cautions accumulated by the Player in the League in which their former Club participates shall be deemed as cautions accumulated by the Player in the League in which their new Club participates for the purposes of paragraphs 24 to 28 above.

Sending-Off Offences

- 30 The commission of a sending-off offence by a Player will result in that Player receiving an automatic suspension and/or fine.
- 31 The relevant automatic suspensions and/or fines arising from a sending-off offence by a Player and the Competition(s) in which the automatic suspensions are to be served are as set out in:
- 31.1 **Category 1:** Table 2;
- 31.2 **Category 2:** Table 4; and
- 31.3 **Category 3:** Table 6.

Additional Sending-Off Offences

- 32 **Category 1:** subject to paragraph 34 below, a Player who, in the same playing season, has previously been sent off in a Match falling within Category 1 (or suspended by a Regulatory Commission under Fast Track 1 of the Fast Track Regulations in relation to a Match falling within Category 1) will be automatically suspended for one extra Match for each such previous sending-off offence or suspension, in addition to the automatic suspension applicable to the latest sending-off offence.

For the purposes of this paragraph 32, a sending-off offence committed by a Player in a Match falling within Category 2 will only be taken into account where it was for a) violent conduct, b) serious foul play or c) spitting at any opponent or any other person.

9 - DISCIPLINARY REGULATIONS

- 33 Category 2:** subject to paragraph 34 below, a Player who, in the same playing season, has previously been sent off in a Match falling within Categories 1 or 2 will be automatically suspended for one extra Match falling within Category 2 for each such previous sending-off offence, in addition to the automatic suspension applicable to the latest sending-off offence.

For the purposes of this paragraph 33, a sending-off offence committed by a Player in a Match falling within Category 1 (or a suspension under Fast Track 1 of the Fast Track Regulations) will only be taken into account where it was for a) violent conduct, b) serious foul play or c) spitting at any opponent or any other person.

- 34 EFL Trophy only:** a Player who, in the same playing season, has previously been sent off in an EFL Trophy Match (or suspended by a Regulatory Commission under Fast Track 1 of the Fast Track Regulations in relation to an EFL Trophy Match) will be automatically suspended for one extra EFL Trophy Match for each such previous sending-off offence or suspension, in addition to the automatic suspension applicable to the latest sending-off offence.

National League Cup only: a Player who, in the same playing season, has previously been sent off in a National League Cup Match (or suspended by a Regulatory Commission under Fast Track 1 of the Fast Track Regulations in relation to a National League Cup Match) will be automatically suspended for one extra National League Cup Match for each such previous sending-off offence or suspension, in addition to the automatic suspension applicable to the latest sending-off offence.

- 35 Category 3:** a Player who, in the same playing season, has previously been sent off in a Match falling within Category 3 will be automatically suspended for one extra Match falling within Category 3 for each such previous sending-off offence, in addition to the automatic suspension applicable to the latest sending-off offence.

Commencement of Suspension

- 36 Categories 1 and 2:** subject to paragraph 38 below, a period of suspension arising from an accumulation of cautions or a sending-off offence by a Player associated with a Club in Categories 1 and 2 will commence immediately, save for where a Player / their Club have brought a claim under paragraph 13 in relation to Mistaken Identity or paragraph 15 in relation to Wrongful Dismissal and that claim has not been determined by a Regulatory Commission before the next applicable fixture.
- 37 Category 3:** subject to paragraph 38 below, a period of suspension arising from an accumulation of cautions or a sending-off offence by a Player of a team in Category 3 will commence either: (a) on the seventh day following either the date of the last offence (in relation to an accumulation of cautions) or the date of the relevant offence (in relation to sending-off offences), immediately before the play-off matches where the date of the last offence (in relation to an accumulation of cautions) or the date of the relevant offence (in relation to sending-off offences) is less than seven days prior to the first play-off match or (c) immediately following the date of the relevant offence (in relation to sending-off offences) where it is committed in a play-off match save for where a Player / their Club have brought a claim under paragraph 13 in relation to a cautionable or sending-off offence or paragraph 15 in relation to a sending-off offence.

Multiple Suspensions arising from a single Match

- 38 Categories 1, 2 and 3:** where multiple periods of suspension arise from a single Match, those periods of suspension will be served in the following order of precedence: (a) any period of suspension arising from a sending-off offence followed by (b) any period of suspension arising from an accumulation of cautions.

Scope of Suspension

- 39 Category 1:** a period of suspension applicable to a Player associated with a Club in Category 1 will, where the period of suspension arises from either an accumulation of cautions or a sending-off offence apply only to the relevant number and type of First Team Competitive Matches as set out in Tables 1 or 2.

9 - DISCIPLINARY REGULATIONS

- 40 Category 2:** a period of suspension applicable to a Player associated with a Club in Category 2 will, where the period of suspension arises from either an accumulation of cautions or a sending-off offence, apply to the relevant number of Non-First Team Competitive Matches (as set out in Tables 3 and 4) played during the period between the opening date in the League in which their Club's first team participates to the final Match of any Competition in which their Club is participating during that playing season. Only Non-First Team Competitive Matches in Competitions at the age group level in which the Player has previously participated during that playing season can be used to serve a suspension.

Guidance:

For example, a Player that has only participated in Non-First Team Competitive Matches in Under 18 age group level Competitions during the playing season may not use Non-First Team Competitive Matches in Under 21 age group level Competitions to serve a suspension. For the purposes of this paragraph 40, being named in the matchday squad shall be deemed as 'participation'.

During this period, only one Non-First Team Competitive Match per day for which the Player is eligible shall count towards the service of that period of suspension.

Any dispute in relation to this paragraph 40 above shall only be dealt with by a Regulatory Commission on written submissions. Such written submissions must be received by The Association within three days of the suspension notice being received by the Player's Club.

- 41 Category 3:** a period of suspension applicable to a Player associated with a team in Category 3 will:
- 41.1** only constitute a suspension from playing Saturday Football for teams competing at Steps 2-4 of the National League System or Tiers 3-4 of the Women's Football Pyramid, save for a period of suspension arising from a Charge issued pursuant to paragraph 5 above.
 - 41.2** where the period of suspension arises from a sending-off offence, encompass a suspension from Friendly Matches during the relevant period (Friendly Matches will not however count towards the service of such a suspension); and
 - 41.3** where a suspension is as a result of a Charge, also constitute a suspension from playing any Match falling within Category 5.
- 42** In exceptional cases, a Player may make a claim to The Association that a suspension is disproportionately harsh, due to the period of time required to serve the suspension. In such circumstances, The Association may at its absolute discretion amend the suspension to a Football Category-specific suspension.

Multiple Automatic Suspensions

- 43** Subject to paragraph 38 above, a Player shall serve automatic suspensions arising from this Section One in a chronological order of precedence.

Example:

Player A receives (a) an automatic suspension of 3 Matches for accumulating 15 cautions in Premier League Matches prior to the applicable cut-off point (which only applies to the Club's next 3 Matches in the Premier League) and arising from his Club's next FTCM (a Match in the FA Challenge Cup), Player A receives (b) an automatic suspension of 3 Matches arising from a sending-off for violent conduct (which applies to the Club's next 3 FTCM - save for any Match in the EFL Trophy).

Player A's Club's next 6 FTCM are as follows: (i) Premier League, (ii) FA Challenge Cup, (iii) Premier League, (iv) FA Challenge Cup (v) EFL Cup and (vi) Premier League.

Player A's automatic suspension for accumulating 15 cautions in Premier League Matches was received first and would therefore apply to the 3 Premier League Matches listed above. Player A's automatic suspension for the sending-off offence would apply to the 2 FA Challenge Cup Matches and the EFL Cup Match (as Player A is already suspended from Premier League Matches as a consequence of the first automatic suspension).

9 - DISCIPLINARY REGULATIONS

Re-arranged Matches

- 44 A Regulatory Commission may determine that a Match shall not count towards the service of a suspension if it is satisfied that the Match has been arranged by the Club with a view to enabling a Player to complete their suspension so that the Player may be eligible to play in a particular Match.

Collection of Fines

- 45 The Player's Club is responsible for collecting from the Player any fine payable pursuant to paragraph 24 and/or 30 above and forwarding the amount to The Association upon request.

Imposition of Fines by a Club under a Player's Employment Contract

- 46 Clubs may impose a fine on Players for cautionable and sending-off offences under their employment contract (where applicable). If a Club chooses to impose such a fine it must, without delay, notify The Association of the details of the fine.
- 47 Clubs in Categories 1 and 2 are required to submit a nil return for any offence under the guidelines on Club discipline issued from time to time by the Professional Football Negotiating Consultative Committee for which a Player was not fined.

Outstanding Suspensions

- 48 Subject to paragraph 49 below, any period of suspension or part thereof arising from this Section One or as a result of a Charge which remains outstanding at the end of the playing season:
- 48.1 Categories 1 and 3: must be served at the commencement of the following playing season; and
- 48.2 Category 2: must be served at the commencement of the relevant period outlined in paragraph 36 above in the following playing season.
- 49 Any period of suspension or part thereof arising from an accumulation of cautions in relation to the FA Challenge Cup, EFL Cup, EFL Trophy, FA Trophy, National League Cup, Women's FA Challenge Cup or FA Women's League Cup which remains outstanding at the end of the playing season will be repealed and need not be served at the commencement of the following playing season.

Transfer of Outstanding Suspensions

- 50 Where a Player, who is subject to an outstanding suspension arising from a sending-off offence in: (a) an EFL Trophy Match or (b) a National League Cup Match either:
- 50.1 remains registered to the same Club, but that Club becomes ineligible for or does not enter the EFL Trophy or National League Cup (as applicable); or
- 50.2 moves to a different Club that is ineligible for or does not enter the EFL Trophy or National League Cup (as applicable);
- that period of suspension shall be transferred so that it may be served with reference to Matches other than those in the EFL Trophy or National League Cup (to which the suspension originally applied).

Players Moving Between Clubs

- 51 Where a Player moves between Clubs at a time when that Player is subject to a suspension, the following shall apply:
- 51.1 until the Player moves, the suspension shall be served by reference to Matches completed by the Club from which that Player moves (for which the Player is eligible to play);
- 51.2 where the Club that the Player moves to competes at the same level as the Club that the Player moves from, any remaining period of suspension at the time that the Player moves shall be served by reference to Matches completed by the Club to which that the Player moves (for which the Player is eligible to play);

9 - DISCIPLINARY REGULATIONS

- 51.3 where the Club that the Player moves to competes at a different level as the Club that the Player moves from, any remaining period of suspension at the time that the Player moves shall continue to be served by reference to Matches completed by the Club that the Player moves from unless dispensation has been granted in writing by The Association for the suspension to be served with reference to Matches completed by the Club to which that Player moves.
- 52 For the purposes of paragraph 51, Clubs compete at three different levels. Each level is comprised as follows:
- 52.1 Level 1: Premier League, EFL Leagues, the National League, WSL and WSL2;
- 52.2 Level 2: the National League (North and South Divisions), the Isthmian League, the Northern Premier League, the Southern League and the FA Women's National League;
- 52.3 Level 3: Steps 5 to 6 of the National League System, Tiers 5 to 7 of the Women's Football Pyramid or any other League outside the National League System or Women's Football Pyramid which operates a match-based disciplinary system.
- 53 Paragraph 51 applies to all moves by Players between Clubs which are completed and evidenced to the satisfaction of The Association, however they occur. This includes, but is not limited to, all transfers, loans and the expiration of loans, and Players whose registration is cancelled by the Club that the Player moves from, where that Player is subsequently registered by the Club to which that Player moves.

Suspensions Notified on an International Transfer Certificate

- 54 Where The Association is notified of a relevant outstanding suspension on a Player's International Transfer Certificate:
- 54.1 subject to paragraph 54.2, that suspension shall be applied to the Player with reference to the applicable number of First Team Competitive Matches, Non-First Team Competitive Matches, or other Matches; and
- 54.2 where that suspension would have only applied to a cup competition in which the Player's former club participates, the suspension shall be applied to the Player with reference to the applicable number of First Team Competitive Matches in cup competitions only.

9 - DISCIPLINARY REGULATIONS

DISCIPLINARY ACTION AGAINST CLUBS – MULTIPLE OFFENCES IN A SINGLE MATCH

- 55 The Association will take disciplinary action against a Club if six or more of the Club's Players or Technical Area Occupants are either cautioned or sent off in a Match falling within Category 1 or Category 3.
- 56 On the first occasion that this happens in a playing season, The Association may offer the Club a standard punishment as set out in the following table:

LEAGUE	FINE
Premier League	£25,000
EFL Championship	£5,000
EFL League One	£2,500
EFL League Two	£1,000
National League	£750
National League (North and South)	£500
Northern Premier League, Southern League, Isthmian League and the FA Women's National League	£250
WSL	£750
WSL2	£500

- 57 For each successive occasion that this happens in the same playing season, the standard punishment offered will be a fine that is double and then treble (and so on) the amount set out in the table at paragraph 56 above.
- 58 A Club may either; a) accept The Association's offer of a standard punishment or; b) make written representations in mitigation before a Regulatory Commission no later than 28 days following the date of the offence. In the event the written representations in mitigation are rejected, the Regulatory Commission may consider whether or not the standard punishment should be increased.

DISCIPLINARY ACTION AGAINST CLUBS – ACCUMULATION OF PENALTY POINTS BY A CLUB'S PLAYERS

General

- 59 For the purposes of paragraphs 60 to 76 below, in relation to Category 3, references to a Club's Players shall mean a reference to Players of a Club's team competing in Matches falling with Category 3.
- 60 The purpose of the penalty points system is to assess the disciplinary record of a Club's Players across two periods during a playing season:
- 60.1 penalty points period 1: the beginning of a playing season to 31 December (inclusive); and
- 60.2 penalty points period 2: the beginning of a playing season to the end of a playing season (inclusive).
- 61 The number of penalty points accumulated by a Club is calculated in accordance with paragraphs 63 to 67 below.

9 - DISCIPLINARY REGULATIONS

- 62** In determining whether to issue a Charge against a Club, The Association will (in accordance with paragraphs 70 and 72 below) compare the number of penalty points accumulated by a Club during each penalty point period against the number of penalty points accumulated by other Clubs competing in the same League during the same penalty points period.
- 63** A Club required to appear before a Regulatory Commission for matters related to an accumulation of penalty points must be represented by at least one of its Directors and its Manager.
- 64** A Club's disciplinary record will be subject to interim review as at 31 December annually. Any such record may be requested from the Club by The Association pursuant to Rule F2. Clubs may be ordered to attend a Regulatory Commission to discuss a disciplinary record that is deemed to be poor at that stage of the playing season.

Calculating Penalty Points Totals

- 65** Each cautionable or sending-off offence committed by a Club's Players in each Match falling within Category 1 or Category 3 during a playing season will incur that Club a set number of penalty points in accordance with the table at paragraph 67 below.
- 66** Cautionable or sending-off offences committed by a Club's Players in Matches falling within Category 2 will not incur that Club any penalty points.
- 67** The number of penalty points incurred for a cautionable offence and each sending-off offence is as follows:

OFFENCE	PENALTY POINTS INCURRED
Any cautionable offence	4 penalty points
Denying the opposing team a goal or an obvious goal-scoring opportunity by a handball offence	10 penalty points
Denying a goal or an obvious goal-scoring opportunity to an opponent whose overall movement is towards the offender's goal by an offence punishable by a free kick	10 penalty points
Serious foul play	12 penalty points
Spitting at an opponent or any other person	12 penalty points
Violent conduct	12 penalty points
Using offensive, insulting or abusive language and/or gestures	12 penalty points
Receiving a second caution in the same Match	10 penalty points

- 68** In relation to teams in Category 3 only, Players of those teams charged with Misconduct for a breach of Rule E3 which is subsequently found proven will incur 12 penalty points.
- 69** Where any sending-off offence is subject to a successful claim for wrongful dismissal under paragraph 15 above, any penalty points that the sending-off offence would otherwise have incurred shall be disregarded for the purposes of calculating a Club's cumulative total of Penalty Points in accordance with paragraphs 64 and 67 above.

Accumulation of Penalty Points and Sanctions

Penalty Points Period 1

- 70** A Club whose Players accumulate a total number of penalty points (as calculated in accordance with paragraphs 64 to 69 above) in Matches between the start of the playing season and 31 December (including any Match played on that day) which is 40% or more above the median number of penalty points per Match average in the same League, will be required to appear before a Regulatory Commission to explain the conduct of its Players.

9 - DISCIPLINARY REGULATIONS

- 71 The Regulatory Commission may order that a visit be made to the Club by representatives of The Association and/or PGMOL or other appropriate body, in order to discuss and/or offer advice on the Club's disciplinary record.

Penalty Points Period 2

- 72 A Club whose Players accumulate a total number of penalty points (as calculated in accordance with paragraphs 64 to 69 above) in Matches during the whole playing season which is 40% or more above the median number of penalty points per Match average in the same League, will be required to appear before a Regulatory Commission to explain the conduct of its Players.
- 73 If the Regulatory Commission considers that the Club is not able to provide a reasonable explanation for such occurrence, the Club may be warned and/or ordered to pay a fine up to the relevant amount set out in the following table:

LEAGUE	FINE (MAXIMUM)
Premier League	£100,000
EFL Championship	£50,000
EFL League One	£25,000
EFL League Two	£12,500
National League	£6,000
National League (North and South)	£1,000
Northern Premier League, Southern League, Isthmian League and the FA Women's National League	£500
WSL	£6,000
WSL2	£1,000

- 74 Where any Club's Players accumulate a total number of penalty points which is between 40% and 50% (inclusive) above the median number of penalty points per Match average in the same League, any fine will normally be suspended in whole or in part for a period of one playing season, unless the Regulatory Commission determines that this is not appropriate, in which case it will be imposed immediately.
- 75 Where any Club's Players accumulate a total number of penalty points which is more than 50% above the median number of penalty points per Match average in the same League, any fine will normally be imposed immediately, unless the Regulatory Commission determines that this is not appropriate, in which case it will be suspended in whole or in part for a period of one playing season.
- 76 In addition, the Regulatory Commission may order the Club to pay the cost of the hearing to The Association. Any action taken by the Club to discipline its Players under paragraph 46 above may be taken into consideration by the Regulatory Commission.

SECTION TWO: PROVISIONS APPLICABLE TO CATEGORY 4

CHARGES

- 1 The Association may issue a Charge against a Player in relation to an incident whether or not the same incident has been dealt with by the Referee and/or pursuant to this Section Two.
- 2 A Regulatory Commission considering a Charge pursuant to paragraph 1 above shall have regard to any standard punishment imposed pursuant to paragraphs 6 to 9 below for the same incident when considering any penalty in accordance with paragraph 41 of Part A: General Provisions Section Two.

MATCH OFFICIALS' REPORTING OF OFFENCES TO THE ASSOCIATION

- 3 Where a Referee fails to show a Player the appropriate card when communicating a caution or a sending-off, the relevant disciplinary action shall not be invalidated. However, the attention of the Referee should be drawn to the correct procedure.
- 4 Referees must submit a report to The Association following a Match stating the cautionable and/or sending-off offences. In the case of sending-off offences, the Assistant Referees must also submit a report to The Association.
- 5 The deadline for the submission of report(s) to The Association under paragraph 4 above is within two days of the Match (excluding Sundays).

STANDARD PUNISHMENTS

Cautionable Offences

- 6 The Association shall not impose any standard punishments in respect of cautionable offences.
- 7 Where standard punishments are imposed on Players in respect of cautionable offences with their agreement (for example, as part of tournament rules), any such standard punishment can only apply to Matches played by Clubs falling within Category 4, as determined by The Association.

Sending-Off Offences

- 8 The commission of a sending-off offence by a Player will result in that Player receiving an automatic suspension of one Match.
- 9 Such automatic suspension can only apply to Matches played by Clubs falling within Category 4, as determined by The Association.

SECTION THREE: PROVISIONS APPLICABLE TO CATEGORY 5

GENERAL

- 1 Each Affiliated Association must set out in its rules or regulations a copy of this Section Three, which is to be followed where a Participant of a Club in Category 5 commits an alleged act of Misconduct and where a Player commits a cautionable or sending-off offence in a Match.
- 2 Nothing in this Section Three shall preclude:
 - 2.1 an Affiliated Association delegating to The Association or to another Affiliated Association its powers and duties to investigate and/or adjudicate in cases where it may be advantageous so to do; or
 - 2.2 the exercise by The Association of its powers pursuant to Rule G1.
- 3 All written communications from a Player to the Affiliated Association Secretary must be sent by the secretary of the Player's Club unless the Player is no longer registered with that Club (in which case written communications must be sent by the Player or the secretary of the Club to which that Player has moved).
- 4 Where a Club receives a notification pursuant to this Section Three, it is the duty of the Club Secretary and the Participant, by the deadline stated on any notification, to ensure that a response has been provided via the electronic system operated by The Association from time to time with such information that includes:
 - 4.1 the full name and email address of the Participant; and
 - 4.2 the Participant's date of birth (and other personal identification data requested).

Where the Participant is not available to assist with the provision of a response, the Club should nevertheless provide the response indicating the reason why the Participant was not available to assist together with the administration fee and confirmation as to whether or not the Participant has been made aware of the contents. Where the Club provides a response via the electronic system operated by The Association from time to time, in doing so the Club Secretary acknowledges that the Participant has been made aware of the contents. Any suspension order resulting from failure to comply with this paragraph 4 shall be imposed upon the Club and the individual Participant, subject to paragraph 109 below.

- 5 Clubs may participate in a pilot programme as set out by the Board and will be required to abide by the regulations and terms of that programme.
- 6 Payment of any fine or costs in respect of disciplinary matters must be paid within 14 days of the invoice date. Failure to pay within this timeframe will result in an additional late-payment fee of £10, to be paid within 7 days. Failure to pay both the invoice and the late-payment fee within that 7-day period will result in the Participant and the team associated with the outstanding payment being suspended until payment is made in full. Where a fine is imposed upon a Player who is under the age of 18 and participating in Youth Football for either (a) a cautionable offence or a sending-off offence committed or (b) as a result of a Charge, the relevant Club at the time the offence or act of Misconduct was committed must pay the fine.
- 7 Unless approval has been granted by The Association for such suspensions to be extended across all levels of football, any period of suspension under this Section Three shall apply only to football at Step 5 and below of the National League System. For example, a Player serving a period of suspension arising from this Section Three would not be precluded from participating in a Match in the FA Challenge Cup for a Club or team participating in any League above Step 5 of the National League System.

9 - DISCIPLINARY REGULATIONS

GRASSROOTS FAST TRACK CASES AND SANCTION OFFERS

- 8 An Affiliated Association may in its absolute discretion designate a case as a Grassroots Fast Track Case.
- 9 In exercising that discretion, an Affiliated Association shall not designate any case as a Grassroots Fast Track Case:
- 9.1 where the particular facts of the alleged Misconduct are of a serious and/or unusual nature, as determined by the Affiliated Association (including allegations of threats, physical contact or assaults against Match Officials, allegations of assault by Participants or any alleged Aggravated Breach);
 - 9.2 where the allegation of Misconduct is made against a Participant who cannot be the subject of a Grassroots Fast Track Case owing to their poor previous disciplinary record, as determined by the Affiliated Association in accordance with guidance issued by The Association from time to time; and/or
 - 9.3 unless a report is received from a Match Official (whether appointed or a Club volunteer) in respect of the alleged Misconduct.
- 10 In respect of all Grassroots Fast Track Cases:
- 10.1 Before a Charge is issued an Affiliated Association shall issue a Grassroots Fast Track Sanction Offer (“**FT Sanction Offer 1**”). FT Sanction Offer 1 shall be issued by no later than 6pm on the second Business Day after the relevant incident is reported to the Affiliated Association by the Match Official.
 - 10.2 The Participant shall accept or decline FT Sanction Offer 1 by 6pm on the fifth Business Day after it is issued.
 - 10.3 Where FT Sanction Offer 1 is accepted by the Participant, the sanction shall thereafter come into effect on the sixth Business Day after it is issued.
 - 10.4 Where FT Sanction Offer 1 is declined or no response is received by the Affiliated Association and the Participant is later issued a Charge, a second Grassroots Fast Track Sanction Offer shall be made with the Charge (“**FT Sanction Offer 2**”). Where the Charge is admitted and FT Sanction Offer 2 is accepted, the sanction shall thereafter come into effect on the first day after the deadline set by the Affiliated Association for the Participant to respond to the Charge.
- Guidance:**
- FT Sanction Offer 1 will ordinarily be lower than FT Sanction Offer 2. However, there may be cases where new information comes to light during the course of an investigation which necessitates an adjustment being made for the purposes of FT Sanction Offer 2. In all cases, FT Sanction Offer 2 shall be aligned with the Charge with which it is issued.*
- 10.5 All Grassroots Fast Track Sanction Offers shall take account of the previous disciplinary record of the Participant.
 - 10.6 Where the Charge is denied and is subsequently found proven by a Disciplinary Commission, a sanction shall be imposed in accordance with sanctioning guidelines issued by The Association from time to time.
- Guidance:**
- FT Sanction Offer 2 will ordinarily be lower than any sanction imposed by a Disciplinary Commission pursuant to paragraph 10.6.*
- 11 Where a case is not designated as a Grassroots Fast Track Case, no Grassroots Fast Track Sanction Offers shall be made.

9 - DISCIPLINARY REGULATIONS

CHARGES

- 12 An administration fee of £15.00 will be charged to the Participant through their Club for the cost of processing a Charge (or Charges, where more than one is issued to a Participant in relation to the same incident or connected incidents).
- 13 References to cautionable offences in this Section Three shall include those punished by a temporary dismissal.
- 14 An Affiliated Association may issue a Charge against a Participant in relation to an incident whether or not the same incident has been dealt with by the Referee and/or pursuant to this Section Three. In deciding whether or not to issue a Charge, an Affiliated Association will have particular (but not exclusive) regard to the following:
- 14.1 any applicable Law(s) of the Game or rules and regulations or FIFA instructions and/or guidelines;
 - 14.2 the nature of the incident, and in particular any intent, recklessness, negligence or other state of mind of the Participant;
 - 14.3 where applicable, the level of force used;
 - 14.4 any injury to any Participant caused by the incident;
 - 14.5 any other impact on the Match in which the incident occurred;
 - 14.6 the prevalence of the type of incident in question in football generally;
 - 14.7 the wider interests of football in applying consistent sanctions.
- 15 A Disciplinary Commission considering a Charge pursuant to paragraph 14 above shall have regard to any automatic suspension or sanction imposed pursuant to paragraphs 56 and 61 for the same incident when considering any sanction.

MATCH OFFICIALS' REPORTING OF OFFENCES TO AFFILIATED ASSOCIATIONS

- 16 Where a Referee fails to show a Player the appropriate card when communicating a caution or a sending-off, the relevant disciplinary action shall not be invalidated. However, the attention of the Referee should be drawn to the correct procedure.
- 17 Referees must submit a report to the relevant Affiliated Association within two days of the Match (excluding Sundays) stating the cautionable, sending-off offences and/or extraordinary incidents. In the case of sending-off offences and extraordinary incidents, the Assistant Referees may also submit a report.
- 18 Reports related to Players participating in Matches in County Representative and FA County Youth Cup football must be sent to the Affiliated Association of the Club of the offending Player. A copy of each such report must also be provided to The Association.
- 19 An Affiliated Association may reserve the right not to process a caution if the report is deemed to be invalid for any reason.

NOTIFICATION OF CAUTIONABLE AND SENDING-OFF OFFENCES

- 20 A Player who has been cautioned or sent off in a Match will be notified by the relevant Affiliated Association, through their Club, of:
- 20.1 the cautionable and/or sending-off offence reported by the Referee to the Affiliated Association;
 - 20.2 in the case of a cautionable offence, the total number of cautions accumulated by the Player under this Section Three during the current playing season; and

9 - DISCIPLINARY REGULATIONS

- 20.3 any automatic suspension, fine or other consequences resulting from an accumulation of cautions, sending-off offence and/or multiple temporary dismissals pursuant to paragraphs 56 and 61 below. Any automatic suspension will take effect regardless as to whether the notification is received by the Club from The Association before it is due to take effect in accordance with this Section Three.
- 21 A fee will be charged to the Player through their Club for the cost of processing each notification made in accordance with paragraph 20 above. The applicable fee is £12.00 for each notification of a cautionable offence and £15.00 for each notification of a sending-off offence. It is the responsibility of the Club to collect the fee from the Player and forward it to the Affiliated Association upon request.

MISTAKEN IDENTITY (CAUTIONABLE OR SENDING-OFF OFFENCES)

- 22 Where a Player has been cautioned or sent off in a Match but claims they have been the victim of mistaken identity, that Player or their Club may make a claim of mistaken identity in relation to that cautionable or sending-off offence in accordance with the procedure set out at paragraphs 23 to 24 below.

Making a Claim of Mistaken Identity

- 23 To make a claim of mistaken identity, the Players concerned and their Club must submit to the Affiliated Association:
- 23.1 written particulars upon which the claim is founded (which must include identifying specifically the name of the Player responsible for the relevant offence);
- 23.2 any evidence in support of the claim; and
- 23.3 the relevant fee as set out in paragraph 42.
- 24 The relevant timings for a Player or their Club to make a claim of mistaken identity are as follows:

	TIMINGS	GENERAL GUIDE*
Claim / Evidence	5pm on the third Business Day following the incident	Wednesday
Disciplinary Commission	To be determined prior to the suspension being served.	Friday

*based on a Match taking place on Saturday or Sunday

Disciplinary Commission Procedure

- 25 If the Affiliated Association is satisfied that the claim of mistaken identity warrants further investigation, a Disciplinary Commission shall be convened and will meet before any automatic suspension is due to take effect.
- 26 The Disciplinary Commission shall determine the matter on video and/or written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Disciplinary Commission established for such purpose.
- 27 If the appointed Disciplinary Commission is satisfied that the claim of mistaken identity has been proven, the record of the offence will be transferred to the appropriate offender, who will be subject to any applicable disciplinary consequences in accordance with this Section Three.
- 28 The decision of the Disciplinary Commission is final and binding and there shall be no right of appeal from decisions made by Disciplinary Commissions in respect of claims of mistaken identity made pursuant to paragraph 22 above.

9 - DISCIPLINARY REGULATIONS

WRONGFUL DISMISSAL (SENDING-OFF OFFENCES)

General

- 29 Where a Player has been sent off in a Match but claims that the dismissal was wrongful, that Player and their Club may seek to limit the disciplinary consequences of that dismissal by making a claim of wrongful dismissal in accordance with the procedure set out in paragraphs 31 to 33 below. In order to demonstrate that the decision was wrongful, the Player and/or their Club must establish that the Referee made an obvious error in dismissing the Player.
- 30 A Player and their Club may make a claim of wrongful dismissal for any sending-off offence under the provisions of Law 12 of the Laws of the Game, save for where the Player is sent off for a) receiving a second caution in the same Match or b) using offensive, insulting or abusive language and/or gestures.

Making a Claim of Wrongful Dismissal

- 31 Where a Player and their Club intend to make a claim of wrongful dismissal, they must notify the Affiliated Association that they intend to make such a claim. Notification can be provided to the Affiliated Association by email or via the electronic system operated by The Association from time to time. If confirmation is provided via email it should be sent to discipline@[insert name of county]fa.com – for example discipline@kentfa.com.
- 32 To make a claim of wrongful dismissal, the Player and their Club must submit to the Affiliated Association:
 - 32.1 written particulars upon which the claim is founded;
 - 32.2 any evidence in support of the claim (this must include video footage showing the incident if available); and
 - 32.3 the relevant fee as set out in paragraph 42.
- 33 The relevant timings for a Player and their Club to make a claim of wrongful dismissal are as follows:

	TIMINGS	GENERAL GUIDE*
Notification of Intention to Submit a Claim	5pm on the second Business Day following the incident	Tuesday
Claim / Evidence	5pm on the fourth Business Day following the incident	Thursday
Disciplinary Commission	To be determined prior to the suspension being served.	Friday

*based on a Match taking place on Saturday or Sunday

- 34 Upon receipt of a claim of wrongful dismissal by the Affiliated Association, it will determine whether the claim is capable of acceptance by determining whether the claim complies with the requirements set out at paragraph 32 above and the timings set out at paragraph 33 above.
- 35 Claims of wrongful dismissal accepted by the Affiliated Association will be placed before a Disciplinary Commission for consideration as soon as possible but no later than the date upon which an automatic suspension is due to take effect.

Disciplinary Commission Procedure

- 36 The Disciplinary Commission shall determine the matter on video and/or written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Disciplinary Commission established for such purpose.

9 - DISCIPLINARY REGULATIONS

- 37 After considering the evidence, the Disciplinary Commission will decide whether the claim of wrongful dismissal is rejected or is successful. A claim will only be successful where the Disciplinary Commission is satisfied that the Referee made an obvious error in dismissing the Player.
- 38 If the claim of wrongful dismissal is successful, the automatic suspension will be withdrawn the fee is returned to the Player and their Club. If the claim is unsuccessful, the fee is not returned to the Player and their Club.
- 39 Where the standard punishment is withdrawn, the sending-off offence shall not be counted for the purposes of paragraph 63 below.
- 40 Notwithstanding the outcome of a claim of wrongful dismissal, the relevant sending-off offence will remain on the record of the Club and the Player.
- 41 The decision of the Disciplinary Commission is final and binding and there shall be no right of appeal from decisions made by Disciplinary Commissions in respect of claims of wrongful dismissal made pursuant to paragraph 29 above.

FEE FOR CLAIMS OF MISTAKEN IDENTITY OR WRONGFUL DISMISSAL

- 42 The following fees apply in respect of claims of mistaken identity or wrongful dismissal proceeding under this Section Three:

LEVEL OF CLUB	FEE
Steps 5-6 of the National League System	£50
Outside of the National League System	£30

CLEARLY INSUFFICIENT CLAIMS (SENDING-OFF OFFENCES)

General

- 43 In truly exceptional circumstances, an Affiliated Association may seek to increase the disciplinary consequences of a sending-off offence by making a claim that the standard punishment is clearly insufficient. An Affiliated Association may bring such a claim where it is satisfied that the standard punishment otherwise applicable to the sending-off offence would be clearly insufficient. Such claims may only be made by an Affiliated Association for the following sending-off offences: (a) serious foul play; (b) violent conduct; or (c) spitting at an opponent or any other person.
- 44 The ability for an Affiliated Association to bring a claim under paragraph 43 above is provided only so exceptional cases may be rectified. It is not intended to lead to the systematic, regular review of standard punishments. Disciplinary Commissions will be instructed to approach such cases with these principles in mind and it is envisaged that, for the vast majority of sending-off offences, the standard punishments applicable pursuant to paragraph 62 below will be appropriate and will be applied.
- 45 Where an Affiliated Association brings such a claim:
- 45.1 a Referee's report showing that a Player was sent off for a) serious foul play; (b) violent conduct; or (c) spitting at an opponent or any other person shall be conclusive evidence that the Player committed the relevant sending-off offence under Law 12 of the Laws of the Game and shall not be subject to challenge, save for where a sending-off is subject to a claim for wrongful dismissal pursuant to paragraph 29 above; and
- 45.2 the Player will be provided notice of the claim together with any evidence in support of the claim and will be invited to submit a written reply to the claim together with any evidence and submissions in support of that reply.

9 - DISCIPLINARY REGULATIONS

- 46** A Disciplinary Commission that considers a claim of wrongful dismissal is concerned with only the question of whether any sanction of a suspension from play is one which should be imposed in view of the facts of the case. This role is not to usurp the role of the Referee.
- 47** Notwithstanding the outcome of a claim made by an Affiliated Association pursuant to paragraph 43 above:
- 47.1** the Player will be suspended for at least one Match, save where a successful claim for wrongful dismissal is made pursuant to paragraph 29 above; and
- 47.2** the sending-off offence:
- 47.2.1** will remain on the record of the Club and the Player;
- 47.2.2** will remain the subject of the administration fee set out in paragraph 21 above; and
- 47.2.3** will still accrue the applicable number of penalty points as set out in paragraph 89 below.

Disciplinary Commission

- 48** A claim made by an Affiliated Association pursuant to paragraph 43 above will be determined by a Disciplinary Commission on the basis of video and/or written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Disciplinary Commission established for such purpose.
- 49** Claims pursuant to paragraph 43 above will be placed before a Disciplinary Commission for consideration prior to the commencement of the automatic suspension (if possible) but in any event no later than the date upon which an automatic suspension is completed.
- 50** A Disciplinary Commission will be convened to decide the matter on any relevant video and written evidence submitted.
- 51** The following procedures will be used at a Disciplinary Commission unless the Disciplinary Commission thinks it appropriate to amend them:
- 51.1** the Disciplinary Commission Secretary will produce:
- 51.1.1** the Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action;
- 51.1.2** any video and written evidence provided in support of the claim.
- 51.1.3** the written reply and all evidence and submissions provided by the Player in response to the claim.
- 51.2** after considering the evidence, the Disciplinary Commission will decide whether the claim should be successful or rejected.
- 51.3** The claim will only be successful where the Affiliated Association satisfies the Disciplinary Commission so that it is sure that:
- 51.3.1** the circumstances of the sending-off offence under review are truly exceptional, such that the standard punishment should not be applied; and
- 51.3.2** the standard punishment would be clearly insufficient.
- 51.4** in considering the matters at paragraph 51.3, the Disciplinary Commission shall have regard to those factors set out at paragraphs 14.1 to 14.7 above.

9 - DISCIPLINARY REGULATIONS

- 51.5 in the event the claim is rejected, the Player shall serve the standard punishment.
- 51.6 in the event the claim is successful, the Disciplinary Commission will then decide on the additional punishment to be applied to the Player in respect of the sending-off offence. In deciding on such punishment, the Disciplinary Commission shall have regard to the matters at paragraphs 14.1 to 14.7 above.
- 52 The decision will be subject to appeal only:
- 52.1 in the event that the additional suspension imposed (over and above the automatic suspension) is in excess of three Matches; and
- 52.2 on the single ground that the additional suspension is excessive; and
- 52.3 in respect of that part of the additional suspension in excess of the additional three Matches, not accounting for any additional Matches included in the penalty as a result of a Player having served a suspension earlier in the same playing season.
- For example, where a Player is suspended for 8 Matches following a sending-off for violent conduct, they may appeal only in respect of the two Matches in excess of the three automatic and three additional Match suspension.
- 53 Appeals shall proceed in accordance with Part C: Appeals - Non-Fast Track.

STANDARD PUNISHMENTS

Friendly Matches

Cautionable Offences

- 54 An Affiliated Association shall only impose standard punishments in respect of cautionable offences committed by Players during Friendly Matches where Participants have agreed, for example as part of tournament rules, that such punishments apply. Any such punishment may only apply to Friendly Matches.

Sending-Off Offences

- 55 The commission of a sending-off offence by a Participant in a Friendly Match will result in that Participant receiving an automatic suspension from Friendly Matches until such time as their Club has completed its next Friendly Match, as decided by the relevant Affiliated Association.

Competitive Matches

Accumulation of Cautions

- 56 The accumulation of a set number of cautions by a Player in the same Football Category or Competition during a playing season will, subject to any applicable cut-off points, result in that Player receiving an automatic suspension and/or fine.
- 57 The relevant automatic suspensions and/or fines, the applicable cut-off points and the Football Categories or Competition in which the automatic suspensions are to be served are as set out in Table 7. Unless otherwise stated, such automatic suspensions shall only be served in the Football Category or Competition in which the cautions were accumulated.
- 58 Where a Player accumulates 20 cautions in the same Football Category (as set out in Table 7) during a playing season, that Player shall be required to attend a Disciplinary Commission within seven days of the date of the last caution. The Disciplinary Commission shall have the power to deal with the Player in such manner as it deems fit. The same procedure will apply for every further five cautions received by that Player during the same playing season.

9 - DISCIPLINARY REGULATIONS

- 59** For the avoidance of doubt, the accumulation of cautions by a Player in relation to Matches in the same Football Category shall include those that are punished by a temporary dismissal.

Sending-Off Offences

- 60** The commission of a sending-off offence by a Player will result in that Player receiving an automatic suspension and/or fine.
- 61** The relevant automatic suspensions and/or fines arising from a sending-off offence by a Player and the Football Category and Competition(s) in which the automatic suspensions are to be served are as set out in Table 8.

Additional Sending-Off Offences

- 62** A Player who, in the same playing season, has previously been sent off in a Match, will be automatically suspended for one extra Match for each such previous sending-off offence in addition to the automatic suspension applicable to the latest sending-off offence as set out in Table 8.

Commencement of Suspension

- 63** Any period of suspension arising from an accumulation of cautions or a sending-off offence will commence on the seventh day following either the date of the last offence (in relation to an accumulation of cautions) or the date of the relevant offence(s) (in relation to sending-off offences), irrespective of whether paperwork has been received from the relevant Affiliated Association.

Period of Suspension

- 64** During a period of suspension, a Participant will
- 64.1** be suspended only from playing in any Matches in the Football Category (or Competition) to which the suspension applies; and
 - 64.2** be suspended from acting as a Match Official.
- 65** If the suspension is as a result of a Charge, during the whole period of suspension the Participant is suspended from all football and football related activity (unless determined otherwise by a Disciplinary Commission). The Football Categories affected by this paragraph are Saturday, Sunday, Midweek, Veterans, Education and Representative Football.
- 66** A period of suspension will be complete once: (a) the Participant's team has completed the appropriate number of Matches in the Football Category or Competition in which the suspension must be served as set out in Tables 7 and 8, or (b) where a time-based suspension is imposed, the stipulated time period has expired. In respect of suspensions arising from County Association and League Representative Football, any such suspension will be from Representative Football only and not any other Football Category unless a Disciplinary Commission has specified that the suspension is to be from all football.
- 67** In exceptional cases, the Participant may make a claim to the Affiliated Association that:
- 67.1** a suspension from all football is disproportionately harsh due to the period taken to serve the suspension. In such circumstances, The Association may at its absolute discretion amend the suspension so that it applies only to a single Football Category.
 - 67.2** a match-based suspension from a particular Football Category is disproportionately harsh due to the period taken to serve the suspension. In such circumstances, The Association may at its absolute discretion amend the suspension so that it applies and may be served in relation to one or more additional Football Categories.

9 - DISCIPLINARY REGULATIONS

- 68** Where a Player has to serve more than one suspension at the same time the following criteria will apply:
- 68.1** any suspensions arising from this Section Three and due to commence on the same date will result in the total number of Matches involved running consecutively.
 - 68.2** any suspensions that overlap (i.e. where a suspension starts before the previous suspension ends) will also run consecutively.
 - 68.3** Matches cannot be used more than once to cover two or more suspensions.

Payment to Players Under Suspension

- 69** During a Player's applicable period of suspension, Clubs must not pay a Player more than the basic wage payable under the Player's contract (where applicable).

Outstanding Suspensions

- 70** Subject to paragraph 71 below, any period of suspension or part thereof arising from this Section Three or as a result of a Charge which remains outstanding at the end of playing season must be served at the commencement of the following playing season.
- 71** Any period of suspension or part thereof arising from an accumulation of cautions in relation to the FA Cup or FA Vase which remains outstanding at the end of the playing season will be repealed and need not be served at the commencement of the following playing season.
- 72** Affiliated Associations will impose split suspension periods where suspensions have to be carried over to the following playing season. The last day of the first suspension period shall be the Participant's team's last competitive Match of the playing season. The suspension will recommence upon that team's start of the following playing season.

Players Moving Between Clubs

- 73** Where a Player moves between Clubs at a time when that Player is subject to a suspension, the following shall apply:
- 73.1** until the Player moves, the suspension shall be served by reference to Matches completed by the Club from which the Player moves;
 - 73.2** where the Club that the Player moves to is within the same level as the Club that the Player moves from, any remaining period of suspension at the time that the Player moves shall be served by reference to Matches completed by the Club to which the Player moves;
 - 73.3** where the Club that the Player moves to is within a different level as the Club that the Player moves from, any remaining period of suspension at the time that the Player moves shall continue to be served by reference to Matches completed by the Club that the Player moves from unless dispensation has been granted in writing by The Association for the suspension to be served with reference to Matches completed by the Club to which the Player moves.
- 74** For the purposes of paragraph 73, Clubs compete at three different levels. Each level is comprised as follows:
- 74.1** Premier League, EFL Leagues and the National League;
 - 74.2** The National League (North and South Divisions), the Isthmian League, the Northern Premier League and the Southern League;
 - 74.3** Steps 5 to 7 of the National League System, or any other League outside the National League System which operates a match-based disciplinary system.
- 75** Paragraph 73 applies to all moves by Players between Clubs which are completed and evidenced to the satisfaction of The Association, however they occur. This includes, but is not limited to, all transfers, loans and the expiration of loans, and Players whose registration is cancelled by the Club that the Player moves from, where that Player is subsequently registered by the Club that the Player moves to.

9 - DISCIPLINARY REGULATIONS

- 76** Players who are otherwise eligible (i.e. but for any suspension) to play for two or more Clubs competing at the level referred to at paragraph 74.3 above will not be taken to have moved between those Clubs for the purposes of this paragraph by virtue only of the fact that they are so eligible to play for them.

Re-arranged Matches

- 77** A Disciplinary Commission may determine that a Match shall not count towards the completion of a suspension if it is satisfied that the Match has been arranged by the Club with a view to enabling a Player to complete their suspension and thus enable the Player to play in a specific Match.

DISCIPLINARY ACTION AGAINST CLUBS – MULTIPLE OFFENCES IN A SINGLE MATCH

- 78** An Affiliated Association will take disciplinary action against a Club if six or more Players in one of a Club's teams are either cautioned or sent off in a single Match.

Clubs at Steps 5 to 6 of the National League System

- 79** On the first occasion that this happens in a playing season, the Affiliated Association will impose an automatic fine on the Club in accordance with the following table:

STEP OF THE NATIONAL LEAGUE SYSTEM	FINE
Step 5	£150
Step 6	£150

- 80** For each successive occasion that this happens in the same playing season, the automatic fine imposed by the Affiliated Association will be a fine that is double and then treble (and so on) the amount set out in the table at paragraph 79 above.

Clubs Outside the National League System

- 81** On the first occasion that this happens in a playing season, the Affiliated Association will issue a Charge against the Club and warn the Club as to the future conduct.
- 82** On the second occasion that this happens in the same playing season, the Affiliated Association will impose an automatic fine on the Club of £25. For each successive occasion that this happens in the same playing season, the automatic fine imposed by the Affiliated Association will increase by £25.

Plea in Mitigation

- 83** In truly exceptional circumstances, a Club may submit a written plea in mitigation against the imposition of a fine under paragraphs 79, 80 or 82 above.

DISCIPLINARY ACTION AGAINST CLUBS – ACCUMULATION OF PENALTY POINTS

General

- 84** The purpose of the penalty points system is to assess the disciplinary record of each of a Club's teams across a playing season.
- 85** The number of penalty points accumulated by one of a Club's teams is calculated in accordance with paragraphs 86 to 88 below.
- 86** References to a Charge in paragraph 88 below include a Charge issued to:

9 - DISCIPLINARY REGULATIONS

- 86.1** a Player or Technical Area Occupant associated with the relevant team at the date of the alleged Misconduct; and
- 86.2** a Club in respect of the conduct of the relevant team's Participants and/or supporters pursuant to FA Rules E20 or E21.
- 87** References to a Charge in paragraph 88 below exclude any Charge issued against a Club in respect of these paragraphs 85 to 91.

Calculating Penalty Points Totals

- 88** The number of penalty points incurred for each cautionable offence, each sending-off offence and each proven Charge during a playing season are as follows:

TYPE OF OFFENCE/PROVEN CHARGE	PENALTY POINTS INCURRED
Cautionable Offences	
Dissent	4 penalty points
Sending-Off Offences	
Spitting at an opponent or any other person (other than a Match Official)	10 penalty points
Violent conduct	7 penalty points
Using offensive, insulting, or abusive language and/or gestures	7 penalty points
Receiving a second caution in the same Match (but only where both cautions are for dissent)	6 penalty points (to be incurred in addition to the penalty points incurred in respect of the first caution for dissent)
Charges	
Proven Charge	5-10 penalty points (at the discretion of the Disciplinary Commission) 7-10 penalty points (at the discretion of the Disciplinary Commission where the Charge is determined by The FA's National Serious Case Panel)

Accumulation of Penalty Points

- 89** Where a team accumulates 25 penalty points during a playing season, that team's Club shall be issued with a warning which may (amongst other things) include details as to how the Club may seek assistance from its Affiliated Association to improve its disciplinary record.
- 90** Where a team accumulates 50 penalty points during a playing season, a fine of £75 shall be imposed on that team's Club.

9 - DISCIPLINARY REGULATIONS

- 91 Where a team accumulates 100 penalty points during a playing season, a Charge shall be issued against that team's Club and, where proven, the following sanctions may be imposed:
- 91.1 a fine;
 - 91.2 the imposition of an action plan;
 - 91.3 the suspension or cancellation of that Club's affiliation and/or England Football accreditation status; and/or
 - 91.4 an order that a subsequent Charge may be brought against the Club in the event that the same team accumulates a specified number of additional penalty points.

DISCIPLINARY ACTION AGAINST CLUBS - CUMULATIVE OFFENCES

- 92 A Club may be liable for a Charge of Misconduct where:
- 92.1 There have been four occasions during a 12 month period where one or more Participants from the Club have committed a proven offence of violent conduct. A Club may also be Charged on the fifth and every subsequent occasion such a proven offence is committed by one or more of its Participants during a 12 month period.
 - 92.2 There have been two occasions during a 12 month period where one or more Participants from a Club commits Misconduct for an offence against a Match Official of the sort described at paragraphs 96.2 and 96.3 below. A Club may also be Charged on the third and every subsequent occasion such a proven offence is committed by one or more of its Participants during a 12 month period.

Guidance:

Paragraph 92 is only intended to capture behaviour by a specific team within a Club, it is not an accumulation of offences across all teams within a Club. For youth teams, the intention is to track the same team as it passes through the age groups, so for the purposes of determining liability, the 12 month look back period will include any time spent in a lower age bracket.

ABANDONED MATCHES

- 93 If a Referee's report indicates that a Match has been abandoned due to alleged acts of Misconduct of either team, the Affiliated Association shall without delay conduct an investigation in to the matter.
- 94 Following the investigation, if an Affiliated Association decides to issue a Charge against the Club or the relevant Participants it must do so within 28 days of the abandoned Match unless prior dispensation has been granted by The Association to extend the applicable time limits
- 95 A Charge against a Club and/or Participant for Misconduct relating to an abandoned Match must be heard by a Disciplinary Commission within 42 days of the Affiliated Association being first notified of the Misconduct which led to the abandoned Match taking place. Where an extension of time to issue a Charge has been provided under paragraph 94, the 42-day time limit under this paragraph shall be extended by an equivalent amount of time.

OFFENCES AGAINST MATCH OFFICIALS

Categories of Offence

96 The three categories of offence against Match Officials are as follows:

- 96.1** Threatening behaviour: threatening a Match Official (whether through words or actions and regardless of whether the Match Official believes that they have been threatened). Examples include but are not limited to: the use of words that imply (directly or indirectly) that the Match Official may be subjected to any form of physical abuse either immediately or later, whether realistic or not; the raising of hands to intimidate the Match Official; pretending to throw or kick an object at the Match Official.
- 96.2** Physical contact or attempted physical contact: physical actions (or attempted actions) that are unlikely to cause injury to the Match Official but are nevertheless confrontational, examples include but are not limited to: pushing the Match Official or pulling the Match Official (or their clothing or equipment).
- 96.3** Assault or attempted assault: acting in a manner which causes or attempts to cause injury to the Match Official (whether or not it does in fact cause injury), examples include, but are not limited to, spitting (whether it connects or not), causing and/or attempting to cause injury by striking, or attempting to strike, kicking or attempting to kick, butting or attempting to butt, barging or attempting to barge, kicking or throwing any item directly at the Match Official.

Investigation and Process

- 97** If a Match Official's report indicates that an offence has been committed against a Match Official (as categorised in paragraph 96 above), the Affiliated Association will without delay investigate the Match Official's report.
- 98** Following the investigation, the Affiliated Association, if it is satisfied that a prima facie case can be made out against the alleged offender, may:
 - 98.1** issue a Charge against the Participant; and
 - 98.2** may issue an Interim Suspension Order in accordance with paragraph 113 below which shall only be lifted in accordance with paragraph 115 below.
- 99** The Affiliated Association will take all reasonable steps to notify the Participant (and their Club, where applicable) of the Interim Suspension Order issued in accordance with paragraph 98.2 above.
- 100** The Charge must be adjudicated by a Disciplinary Commission within 28 days of the Interim Suspension Order being issued unless the period is extended by the Association providing written dispensation prior to the expiry of 28 days.
- 101** Where a Charge issued in accordance with paragraph 98.1 above has been found proven against the Participant, a Disciplinary Commission shall impose sanctions in accordance with this paragraph 101:

Sanction range (Suspension)

A Disciplinary Commission shall impose an immediate suspension within a range based on the category of offence committed (as set out below). A Disciplinary Commission shall take all aggravating and mitigating factors into account, including, but not limited to, those listed in paragraph 102, when determining the level of sanction within the range.

9 - DISCIPLINARY REGULATIONS

Unless otherwise stated, the lowest end of the applicable range shall operate as a standard minimum suspension. A Disciplinary Commission may impose an immediate suspension in excess of the upper limit in circumstances where aggravating factors of significant number or weight are present.

Guidance:

Where any part of a suspension period under this Paragraph is due to fall during the Close Season, the Disciplinary Commission or Appeal Board should add an additional day to the suspension period to account for each day of the Close Season the suspension period falls under (up to a maximum of 30 days). This is to take into account the fact that Matches rarely take place during the Close Season. By way of an example, if a suspension period of 90 days was due to commence on 1 June, a Disciplinary Commission or Appeal Board would be expected to issue a 120 day suspension and note in its decision that an additional 30 days was added to take into account the Close Season. A Disciplinary Commission may also add such further period as it determines appropriate to take into account a period of time, in addition to the Close Season, where the Participant Charged is unlikely to take part in any fixtures, subject to imposing a maximum additional period of 60 days.

Threatening behaviour:

- 101.1** suspension from all football activity for a period determined in accordance with the table at paragraph 101.11 below.
- 101.2** a fine of up to £200, with a mandatory minimum fine of £100.
- 101.3** an order that the Participant completes an education programme before the time-based suspension is served.

Physical contact or attempted physical contact:

- 101.4** suspension from all football activity for a period determined in accordance with the table at paragraph 101.11 below.
- 101.5** a fine of up to £250, with a mandatory minimum fine of £150.
- 101.6** an order that the Participant completes an education programme before the time-based suspension is served or within 28 days of the Disciplinary Commission's decision, whichever is the later.

Assault or attempted assault (other than spitting):

- 101.7** suspension from all football activity for a period determined in accordance with the table at paragraph 101.11 below.
- 101.8** an order that the Participant completes an education programme before the time-based suspension is served.

Assault or attempted assault: spitting:

- 101.9** suspension from all football activity for a period determined in accordance with the table at paragraph 101.11 below.
- 101.10** an order that the Participant completes an education programme before the time-based suspension is served or within 28 days of the Disciplinary Commission's decision, whichever is the later.

9 - DISCIPLINARY REGULATIONS

Suspension Period

101.11 A Disciplinary Commission shall determine the applicable period of suspension in accordance with the following table:

CATEGORY OF OFFENCE	SANCTION RANGE	RECOMMENDED ENTRY POINT	ADDITIONAL CONSIDERATIONS
Threatening behaviour	112 – 182 days	147 days	The recommended entry point is prior to consideration of any aggravating or mitigating factors pursuant to paragraph 102. For the offence of assault (other than spitting), the standard minimum suspension shall be 10 years where the assault causes serious injury to the Match Official. Where the subject of the Charge is a Participant aged between 12 and 15 years old (inclusive) at the time of the alleged offence, the applicable sanction range, recommended entry point and standard minimum suspension shall be reduced by 50% (rounded to the nearest whole number of days). For example, the applicable sanction range and recommended entry point for a 15 year old issued with a Charge for threatening behaviour against a Match Official would be 56 – 91 days with an entry point of 74 days (rounded up from 73.5 days).
Attempted Physical Contact	112 days – 1 year	238 days	
Physical contact	182 days – 2 years	1 year	
Attempted assault (other than spitting)	3 – 5 years	4 years	
Assault (other than spitting)	5 – 10 years	7 years	
Assault and attempted assault (spitting)	2 – 8 years	4 years	

102 Factors to be considered when determining sanction

A Disciplinary Commission will have due regard to the circumstances and seriousness of the incident when determining the appropriate sanction and whether (and to what extent) to depart from any sanction range applicable to the offence (subject to any applicable standard minimum suspensions).

The Disciplinary Commission shall consider any aggravating and mitigating factors, to include, but not limited to:

Aggravating factors

- The degree of force or threatening behaviour used.
- The profile of the Participant, including where they hold a position of responsibility within their Club or organisation (e.g. Club captain, Club chair, a member of the Club's senior management).
- The relative ages of the Participant and the Match Official at the time of the offence, particularly where the Match Official was a minor and the Participant was not.
- Failure to co-operate with the Affiliated Association.
- Previous disciplinary record of the Participant.
- Any attempt to conceal the breach.

9 - DISCIPLINARY REGULATIONS

- The extent of any premeditation.
- The overall impact on the reputation and integrity of the game

Mitigating factors

- Admission at the earliest opportunity.
- Demonstration of genuine remorse.
- Co-operation with the Affiliated Association.
- Age of the Participant.
- Previous disciplinary record of the Participant.

- 103** A Match Official who has reported a Participant for an offence against them may make a written request for notification of the decision and any sanctions imposed, which must be made available to the Match Official at the earliest opportunity.

ASSAULTS BY PARTICIPANTS

- 104** If a Match Official's report indicates that a Participant has perpetrated an assault on another Participant or any other person causing serious injury before, during or after a Match, the Affiliated Association shall without delay investigate the Match Official's report.

Guidance:

Use of the term "serious injury" in this paragraph and those that follow is not intended to import any specific definition or standard (e.g. from criminal law), and it should instead be given its plain meaning.

- 105** Following the investigation, the Affiliated Association, if it is satisfied that a prima facie case can be made out against the alleged offender, may:

105.1 issue a Charge; and

105.2 may issue an Interim Suspension Order in accordance with paragraph 114 below against the alleged offender from all football activity until a Disciplinary Commission has adjudicated on the matter.

- 106** A Disciplinary Commission shall meet to consider the Charge within 28 days of (the date of) the Charge letter.

- 107** The recommended (or mandatory, where stated) sanctions where a Charge issued in accordance with paragraph 105.1 above has been found proven against the Participant are as follows:

PARTICIPANT CHARGED	RECOMMENDED / MANDATORY MINIMUM SANCTIONS
Player	1. Mandatory minimum: suspension for all football activity for 140 days
Club Official	2. £150 fine
Match Official	1. Mandatory suspension from all football and football activity for 5 years from the date of suspension. Where the assault causes serious injury the suspension period should be extended to 10 years. 2. A recommendation to the relevant Referees' Committee that the Match Official's registration is removed and no request for reinstatement is to be allowed until the suspension has been completed or removed.

9 - DISCIPLINARY REGULATIONS

FAILURE TO COMPLY

- 108** Where a Participant fails to comply with any applicable deadlines or other procedural requirements set out in this Section Three, the Participant's right to a personal hearing or right to make a plea in mitigation is forfeited and the Disciplinary Commission may deal with the reported Misconduct on such evidence as is available.
- 109** Where a Participant or their Club (where applicable) fails to respond to a request for information (to include, but not limited to, a request pursuant to paragraph 4 above):
- 109.1** a warning will be imposed and a further seven days given to respond;
 - 109.2** failure to respond within the further seven days will result in the Participant and the Participant's team (where applicable) being suspended from all football activities from the following Monday; and
 - 109.3** may result in a Charge against the Participant, their Club (where applicable) (or both).
- 110** The Club Secretary must make Participants aware of the applicable punishment where an automatic suspension and/or sanction applies. In any event, by making payment via the electronic system operated by The Association from time to time, the Club Secretary is confirming that they have made the Participant aware of the applicable punishment.
- 111** Where a Participant has been issued with a Charge the Participant and/or the Club Secretary (if applicable) will be required to reply via the electronic system operated by The Association from time to time.
- 112** When dealing with compliance issues the Affiliated Association must consider the following:
- 112.1** whether the Participant has responded to their Club;
 - 112.2** whether the Club has failed to pass on the Participant's reply;
 - 112.3** whether the Club has informed the Affiliated Association that the Participant has failed to respond; and
 - 112.4** whether the Participant has left the Club.

SUSPENSION PENDING MISCONDUCT HEARING

- 113** An Affiliated Association shall have the power, in consultation with and upon the agreement of The Association, to issue an Interim Suspension Order in relation to a Participant affiliated to, or registered with, that Affiliated Association where the Participant has been:
- 113.1** issued with a Charge by the Affiliated Association in relation to an alleged act of serious Misconduct;
 - 113.2** charged with a criminal offence; or
 - 113.3** charged by a League in connection with disciplinary action pursuant to the relevant regulations of the League.
- 114** As soon as reasonably practicable, notification of an Interim Suspension Order shall be communicated to the Participant and/or their Club.
- 115** The Interim Suspension will be lifted when either the Charge is dealt with by a Disciplinary Commission, the criminal charges are withdrawn or found not to have been proven or the charge has been dealt with by the League.

DISCIPLINARY PROCEEDINGS BEFORE DISCIPLINARY COMMISSIONS

General

- 116 These provisions should be read in conjunction with:
- 116.1 Part A: General Provisions;
 - 116.2 Part G: Appendix II: Affiliated Associations – Hearings before Disciplinary Commissions.
- 117 Subject to paragraph 119, the Charge must be heard by a Disciplinary Commission no later than 90 days from receipt by the Affiliated Association of the first report of the alleged Misconduct. In the event of non-compliance with these time limits, the disciplinary proceedings shall be void, unless written dispensation is requested from The Association prior to expiry of the time limits to extend or dispense with either or both of these time limits. If deemed reasonable, any period of delay requested or caused by the Participant shall not count towards these time limits.
- 118 Where an Interim Suspension Order has been imposed or where the Misconduct relates to playing whilst suspended, the Affiliated Association must aim to conclude disciplinary proceedings within 28 days.
- 119 A Disciplinary Commission shall comprise of a single Chair or three members.

Guidance:

The default position is that Disciplinary Commissions shall comprise a single Chair, and The Association shall issue separate guidance on which cases may be suitable for determination by a Disciplinary Commission comprising three members. This position shall operate as pilot for Season 2025/26 and shall be reviewed at the end of that season.

- 120 The Disciplinary Commission shall have no previous personal knowledge of the events or any involvement with any of the Participants concerned.

Personal Hearings

Right to Request a Personal Hearing

- 121 A Participant issued with a Charge has the right to a personal hearing on request.
- 122 A Disciplinary Commission may, whether on the application of one of the parties or otherwise, require a Participant (whether before or during a hearing) to attend before it to provide information, in which case questions may be put to them by the Disciplinary Commission.
- 123 Where the Participant accepts the Charge, the relevant Match Official(s) and other Participants will not be required to attend a Disciplinary Commission. If the Participant denies the Charge, the relevant Match Official(s) and other Participants may be required to attend the Disciplinary Commission.
- 124 The Participant, through their Club Secretary (were applicable), shall be notified of:
- 124.1 the date, time and venue fixed for the hearing; and
 - 124.2 the attendance of any witnesses in support of the Charge, in particular the Match Official(s) on whose report the Charge has been issued.
- 125 Both the Participant issued with the Charge and any witness, including the Match Official(s) concerned, should be given a minimum 14 days' notice of details of the personal hearing unless; an interim suspension order is in place following the Charge; the case arises out of an abandoned game; or where a charge has been brought for a breach of FA Rule E10 and/or E12, in which case a minimum of 7 days' notice shall be provided. Any written request to the Disciplinary Commission for a postponement of the personal hearing should be given consideration. If the reason submitted is considered valid, then a postponement should be granted, and in such circumstances costs may be charged. A request for a second postponement by the same party should not ordinarily be granted.

9 - DISCIPLINARY REGULATIONS

Personal Hearing Procedures

- 126 In the case of a Participant under 18 years of age on the date fixed for the hearing, the hearing shall take place either in the presence of a parent or guardian of the Participant or another appropriate adult.
- 127 At a personal hearing a Disciplinary Commission may adopt such procedures as it considers appropriate and expedient for the just determination of the Charge.
- 128 Subject to paragraph 127 above, a Disciplinary Commission shall follow the procedure set out in "County and Other Affiliated Associations – Hearings before Disciplinary Commissions" (at Part G: Appendix II).

Disciplinary Commission Decisions and Costs

- 129 Save where otherwise provided, a Disciplinary Commission may impose such penalties as provided for in paragraph 41 of Part A: General Provisions Section Two.
- 130 Where the Charge is found not proven, any record of it will be expunged from the Participant's record.
- 131 Where the Charge is found proven the Disciplinary Commission will decide what punishment, if any, is to be imposed. In so doing, the Disciplinary Commission must consider the overall nature and effect of the offence(s) and the Participant's disciplinary record during the current playing season and the previous five playing seasons and any plea in mitigation. In cases where the Disciplinary Commission can order costs in accordance with paragraph 132 below, it shall take into account any deposit lodged by the Participant.
- 132 Where a personal hearing is requested in accordance with paragraph 121, and the Charge is subsequently found proven at that hearing, the Disciplinary Commission may, in addition to any other penalty, order:
 - 132.1 the Participant to pay all or part of the costs of the personal hearing. Such costs may include some or all of the costs incurred in relation to the holding of the Disciplinary Commission.
 - 132.2 any deposit lodged by the Participant be forfeited.
- 133 Where:
 - 133.1 a personal hearing is requested in accordance with paragraph 121, and the Charge is subsequently not found proven at that hearing;
 - 133.2 a Participant is instructed to attend a personal hearing by the Affiliated Association or the relevant Disciplinary Commission; or
 - 133.3 a case is considered on written submissions only, there shall be no costs order made against the Participant. In such cases, any deposit lodged by the Participant shall be returned.
- 134 Save where an appeal has been submitted in accordance with paragraph 139 below, any fines or costs that are ordered by a Disciplinary Commission must be paid within 14 days of the invoice date. Failure to pay within this timeframe will result in an additional late-payment fee of £10, to be paid within 7 days. Failure to pay both the invoice and the late-payment fee within that 7-day period will result in the Participant and the team associated with the outstanding payment being suspended until payment is made in full.
- 135 The Participant and their Club are jointly and severally responsible for payment of any fine and costs. The Club shall take such action as may be necessary to recover any sum paid on the Participant's behalf.

Notification of Disciplinary Commission Decisions

- 136 Decisions of Disciplinary Commissions will be provided to the Participant or (in the cases of multiple Participants) Club Secretaries of all Clubs for whom the Participant is known to be currently registered or associated with and to the Participant's email address if known. Each of these Club Secretaries is responsible for informing the Participant of the decision.

9 - DISCIPLINARY REGULATIONS

- 137** The commencement date of any suspension imposed on a Participant is at the discretion of the Disciplinary Commission, subject to:
- 137.1** the suspension starting on a Monday; and
 - 137.2** such date allowing for the time permitted for notification of an intention to appeal, save where it is expressly provided in these regulations that the Disciplinary Commission may impose an immediate suspension.
- 138** A Disciplinary Commission decision may be notified to the relevant Match Officials, subject to (a) the Participant being aware of the decision, and (b) the Match Officials having requested to be so notified.

- 139** Participants shall have the right to appeal decisions of a Disciplinary Commission to an Appeal Board in accordance with Part C: Appeals – Non-Fast Track. A Participant wishing to appeal must:
- 139.1** lodge notification of an intention to appeal within seven days of notification of the decision being appeal against;
 - 139.2** submit their appeal within 14 days of notification of the decision being appeal against.
- 140** The Association shall also have the right to appeal decisions of a Disciplinary Commission to an Appeal Board. Where The Association wishes to appeal it must submit its appeal within 28 days following the receipt of the reasons of the Disciplinary Commission.
- 141** In respect of any appeal made by a Participant against a decision of a Disciplinary Commission, upon application and its absolute discretion, the Judicial Panel Chairman may stay the effect of, or compliance by the Participant Charged with, a penalty or order of a Disciplinary Commission.

FURTHER DISCIPLINARY ACTION

- 142** The rules or regulations of an Affiliated Association must provide for disciplinary action to be taken against a Participant who fails to reimburse their Club where the Club has had a claim upheld in accordance with the Football Debt Recovery Regulations.
- 143** An Affiliated Association in formulating its rules and regulations for Misconduct may adopt and include the power to make an order that a Club whose Players are persistently the subject of proven Charges:
- 143.1** is censured and/or fined in accordance with the penalty point system in accordance with paragraphs 84 to 91 above;
 - 143.2** may have its affiliation suspended or cancelled;
 - 143.3** is subject to any other power approved in writing by The Association.
- 144** A power approved by The Association pursuant to paragraph 143.3 shall continue from year to year until such time as the approval is withdrawn. Such approval may be withdrawn by The Association giving notice in writing before 30 April in any year.

SECTION FOUR: PROVISIONS APPLICABLE TO TECHNICAL AREA OCCUPANTS

CHARGES

- 1 The Association may issue a Charge against a Technical Area Occupant in relation to an incident whether or not the same incident has been dealt with by the Referee and/or pursuant to this Section Four.
- 2 A Regulatory Commission considering a Charge pursuant to paragraph 1 above shall have regard to any automatic suspension or sanction imposed pursuant to paragraphs 9 to 13 below for the same incident when considering any penalty in accordance with paragraph 41 of Part A: General Provisions Section Two.

MATCH OFFICIALS' REPORTING OF CAUTIONS TO THE ASSOCIATION

- 3 Referees must submit a report to The Association following a Match stating the cautions and providing a description of the incident(s).
- 4 The deadline for the submission of a report to The Association under paragraph 3 above is:
 - 4.1 for Matches involving Clubs in Category 1 playing in First Team Competitive Matches, 12 noon on the day following the Match; and
 - 4.2 for Matches involving Clubs or teams in Category 3 and Category 5, within two days of the Match (excluding Sundays).

NOTIFICATION OF CAUTIONS

- 5 A Technical Area Occupant who has received a caution in a Match will be notified by The Association, through their Club, of:
 - 5.1 the caution reported by the Referee to The Association;
 - 5.2 the total number of cautions accumulated by the Technical Area Occupant under this Section Four during the current playing season; and
 - 5.3 any automatic touchline suspension or other consequences resulting from an accumulation of cautions pursuant to paragraph 9 below. 9 - DISCIPLINARY REGULATIONS

MISTAKEN IDENTITY (CATEGORY 1 AND 3 ONLY)

- 6 Where a Technical Area Occupant affiliated to a Club in Category 1 or Category 3 has been cautioned in a Match but claims they have been the victim of mistaken identity, that Technical Area Occupant or their Club may make a claim of mistaken identity in relation to that cautionable offence in accordance with the procedure set out in Fast Track 3 of the Fast Track Regulations.
- 7 Where, despite there being clear evidence that there is a case of mistaken identity, a Technical Area Occupant or their Club does not submit a claim within the specified time limits, The Association may within seven days of the incident request a Regulatory Commission to review the matter. A Club failing to submit a claim for mistaken identity may be charged with misconduct by The Association if there is reason to believe that the Club sought to gain an advantage by remaining silent on the matter.
- 8 Where, under the provisions of Law 12 of the Laws of the Game, a Technical Area Occupant (which in this instance will be the senior team coach present) has been cautioned because the individual who has committed the offence cannot be identified at the time the caution is issued, that Technical Area Occupant or their Club may not make any claim of mistaken identity.

STANDARD PUNISHMENTS

Accumulation of cautions

- 9 The accumulation of a set number of cautions by a Technical Area Occupant during a playing season will, subject to any applicable cut-off points and paragraph 15 below, result in that Technical Area Occupant receiving an automatic touchline suspension.
- 10 The relevant number of cautions, automatic touchline suspensions, the applicable cut-off points and the Competitions in which the automatic touchline suspensions are to be served are set out in Table 9.
- 11 Notwithstanding the automatic touchline suspensions that may be imposed for the accumulation of cautions as set out in Table 9, where a Technical Area Occupant accumulates three cautions after any applicable cut-off point during the playing season, the Technical Area Occupant shall be sanctioned with a suspended one-match touchline ban which will be automatically activated if that Technical Area Occupant receives a fourth caution before the end of the playing season.
- 12 Where an automatic touchline suspension is imposed on a Technical Area Occupant associated with a team in Category 5 in accordance with paragraphs 9 and 10 above, that individual shall be banned from entering the ground at which the relevant Match is to be played.
- 13 Where a Technical Area Occupant accumulates the highest number of relevant cautions set out in Table 9 during a playing season, that Technical Area Occupant shall be required to attend a Regulatory Commission within seven days of the date of the last caution. The Regulatory Commission shall have the power to deal with the Technical Area Occupant in such manner as it deems fit. The same procedure will apply for every further three cautions received by that Technical Area Occupant in the Competitions listed in Table 9.

9 - DISCIPLINARY REGULATIONS

- 14** Subject to paragraph 15 below, any period of suspension arising from an accumulation of cautions by Technical Area Occupants under this Section Four will:
- 14.1** for Matches involving Clubs in Category 1 playing First Team Competitive Matches commence forthwith, save for where a Technical Area Occupant / their Club have brought a claim under paragraph 6 in relation to Mistaken Identity and that claim has not been determined by a Regulatory Commission before the next applicable fixture; and
 - 14.2** for Matches involving Clubs or teams in Category 3 and Category 5, commence on the seventh day following the date of the last offence.

Matches Exempt from an Automatic Period of Suspension arising from an Accumulation of cautions

9 - DISCIPLINARY REGULATIONS

FAST TRACK 1: NOT SEEN INCIDENTS AND SUCCESSFUL DECEPTION

GENERAL PRINCIPLES

General

- 1
- This Fast Track 1 sets out the standard directions for charges relating to Not Seen Incidents and Successful Deception matters proceeding before Regulatory Commissions. It shall apply to Players of Clubs in Category 1 only.
- 2
- Matters falling within this Fast Track 1 shall ordinarily proceed in accordance with timetable set out herein. The timetable seeks to give effect to the principle that it is in the interest of the parties and of sporting integrity that, wherever possible, matters falling within the scope of this Fast Track 1 are concluded ahead of the Player’s next fixture. As a general guide, the following schedule will ordinarily apply:

GENERAL GUIDE (WHERE THE INCIDENT TAKES PLACE ON FRI/SAT/SUN)		
CHARGE	REPLY / SUBMISSIONS	REGULATORY COMMISSION
Tuesday	Wednesday	Thursday

- 3
- Where a Player charged has been suspended due to a dismissal or has otherwise been suspended in accordance with this Fast Track 1 in the same playing season prior to the issue of the charge, the penalty offered shall be increased to include, in addition to the applicable standard punishment, one game for each occasion that the Player has been so suspended. For these purposes a dismissal in, or suspension arising from, Non-First Team Competitive Matches prior to issue of the charge will only be considered where it is for violent conduct, serious foul play or spitting.

9 - DISCIPLINARY REGULATIONS

- 4 Matters falling within this Fast Track 1 will be determined on video and written evidence only, and parties shall not be present or represented in person.

Not Seen Incidents

- 5 In relation to Not Seen Incidents only:
- 5.1 A written statement by Match Officials that they did not witness a particular incident shall be conclusive evidence of that fact.
 - 5.2 Where one or more of the Match Officials sees only part of an incident, an act of Misconduct that occurs during or immediately after that incident may be regarded as not seen by the Match Officials where, without limitation:
 - 5.2.1 an act of violent conduct occurs secondarily to a challenge for the ball, and so is not seen as the Match Officials are concentrating on the challenge for the ball; or
 - 5.2.2 the Match Officials' view of the incident was such that none of them had an opportunity to make a decision on any act of Misconduct that took place within it.

CHARGE

- 6 A Charge shall ordinarily be issued by 6pm on the second Business Day following the incident which shall be accompanied by all evidence, documents and written submissions upon which The Association intends to rely.
- 7 In respect of Successful Deception matters, the Charge shall also set out the applicable standard punishment.
- 8 In respect of Not Seen Incidents only:
- 8.1 the Charge will ordinarily offer the standard punishment that would have applied to the offence had it been seen and reported by the Match Official(s) during the Match.
 - 8.2 in exceptional circumstances, the Charge may not be accompanied by an offer of the standard punishment. In such circumstances, the Charge will state that The Association claims that the standard punishment would be clearly insufficient and will set out the basis for that claim.

REPLY

- 9 The Player must serve on The Association a Reply by 6pm on the first Business Day following receipt of the Charge, by e-mail (as directed by The Association), in which they:
- 9.1 admit the Charge and, where applicable, the standard punishment;
 - 9.2 deny the Charge; or
 - 9.3 in respect of Not Seen Incidents only:
 - 9.3.1 admit the Charge but claim that the standard punishment would be clearly excessive (having regard to the factors set out at paragraphs 22.1 to 22.7 below);
 - 9.3.2 deny the Charge and claim that the standard punishment would be clearly excessive (having regard to the factors set out at paragraphs 22.1 to 22.7 below); or
 - 9.3.3 where no offer of the standard punishment is made in the Charge, admit or deny the Charge, and in either case may contest any claim by The Association that the standard punishment would be clearly insufficient.

9 - DISCIPLINARY REGULATIONS

- 10 The Reply shall be accompanied by copies of all evidence, documents and written submissions upon which the Player intends to rely.
- 11 In the absence of a Reply, the matter will be dealt with directly at the next available Regulatory Commission, and written submissions from the Player may not be considered by the Regulatory Commission.
- 12 In the event that the offered punishment is accepted in accordance with paragraph 9.1, the suspension will commence forthwith upon receipt by The Association of the consent of the Judicial Panel Chairman and the matter shall not proceed to a Regulatory Commission.

REGULATORY COMMISSION PROCEDURES

- 13 Save in the circumstances set out in paragraph 12 above, a Regulatory Commission will be convened to consider the matter. Where practicable, it shall be convened on the first Business Day following receipt of the Reply.
- 14 The Secretary of the Regulatory Commission shall put before the Regulatory Commission:
 - 14.1 reports along with any other evidence, including video evidence, in support of the Charge;
 - 14.2 all statements and video or other evidence in defence of the Charge.
- 15 In respect of Successful Deception matters only, where subject matter of or facts pertaining to a Charge brought against a Player is linked to a claim of wrongful dismissal pursued by a Player and their Club under paragraphs 15 to 18 of Section One of Part D: On-Field Regulations, and where the Regulatory Commission believes it appropriate for the timely and efficient disposal of the proceedings, the relevant Regulatory Commission shall have the power to consolidate proceedings so they are conducted together and both the charge and the claim of wrongful dismissal may be determined at the same hearing.

DECISIONS

General

- 16 Where a Charge is denied, the Regulatory Commission will decide whether the Charge is proven or not proven.
- 17 Where a Charge is not proven, the Charge will be dismissed.
- 18 Where a Charge is proven, or admitted in accordance with paragraph 9.3.1:
 - 18.1 in respect of Not Seen Incidents only, the Regulatory Commission will decide on the penalty to be served by the Player. The standard punishment may be decreased or increased by the Regulatory Commission only in the exceptional circumstances set out at paragraphs 21 to 25 below. In all other cases, the penalty shall be the standard punishment.
 - 18.2 in respect of Successful Deception incidents, the standard punishment will commence forthwith.
- 19 The decision of the Regulatory Commission will be communicated verbally to the Player on the same day as the decision is reached, and in writing by the end of the following Business Day.

Not Seen Incidents: Increasing and decreasing the standard punishment

- 20 The provisions relating to increasing or decreasing the standard punishment at paragraphs 21 to 25 below shall apply only in respect of Not Seen Incidents.

Decreasing the standard punishment

- 21 Where the offer of the standard punishment is made in the Charge, the Regulatory Commission may only decrease that standard punishment where the Player has claimed in their Reply that the standard punishment would be clearly excessive.

9 - DISCIPLINARY REGULATIONS

- 22 In such cases the Regulatory Commission shall decrease the standard punishment only where it is satisfied so that it is sure that the circumstances of the incident under review are truly exceptional, such that the standard punishment should not be applied, and the standard punishment would be clearly excessive, having regard to the following:
- 22.1 the applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
 - 22.2 the nature of the incident including the Player's state of mind, in particular any intent, recklessness or negligence;
 - 22.3 where applicable, the level of force used;
 - 22.4 any injury to an opponent caused by the incident;
 - 22.5 any other impact on the game in which the incident occurred;
 - 22.6 the prevalence of the type of incident in question in football generally;
 - 22.7 the wider interests of football in applying consistent punishments for dismissal offences.

Increasing the standard punishment

- 23 Subject to paragraph 25 below, where no offer of the standard punishment is made in the Charge, the Regulatory Commission may only increase the standard punishment where The Association has claimed in the Charge that the standard punishment would be clearly insufficient.
- 24 In such cases, the Regulatory Commission shall increase the standard punishment only where it is satisfied so that it is sure that the circumstances of the incident under review are truly exceptional, such that the standard punishment should not be applied, and the standard punishment would be clearly insufficient, having regard to the those factors listed at paragraphs 22.1 to 22.7 above.
- 25 In all cases, the Regulatory Commission may increase any punishment if it believes a denial of the Charge, or any claim by the Player that the standard punishment would be clearly excessive in their case, to have been an abuse of process or without any significant foundation.

Successful Deception: Withdrawal of Associated Caution or Dismissal

- 26 The provisions relating to the withdrawal of an associated caution or dismissal at paragraphs 27 to 29 shall apply only in respect of Successful Deception matters which relate to an act of simulation.
- 27 In the event that a Charge relating to Successful Deception is proven or admitted, the Regulatory Commission shall, in its absolute discretion, consider whether or not to withdraw any associated caution or dismissal received by an opposing Player as a result of the act of simulation.
- 28 Where the Regulatory Commission determines that an associated caution or dismissal should be withdrawn, the standard punishment set out in paragraphs 24 to 32 of Section One of Part D: On-Field Regulations applicable to the relevant opponent Player shall not apply and any applicable fee returned. In these circumstances, any dismissal shall not be counted for the purposes of paragraphs 30 to 32 of Section One of Part D: On-Field Regulations.
- 29 If the effect of the decision of the Regulatory Commission is that one of two cautions received by the opponent Player during the relevant Match is withdrawn, that Player's punishment shall be reduced from that of a dismissal to a caution and the provisions of paragraph 24, rather than paragraph 30 of Section One of Part D: On-Field Regulations shall apply.

9 - DISCIPLINARY REGULATIONS

APPEALS

- 30 Subject to paragraph 31 below, there shall be no right of appeal from decisions made by Regulatory Commissions under this Fast Track 1.
- 31 In respect of Not Seen Incidents, the Player will have a right of appeal only:
- 31.1 in the event that the penalty imposed (over and above the automatic suspension) is in excess of three Matches; and
 - 31.2 on the single ground that the additional suspension is excessive; and
 - 31.3 in respect of that part of the additional suspension in excess of the additional three Matches, not accounting for any additional Matches included in the penalty as a result of a Player having served a suspension earlier in the same playing season.
- For example, where a Player is suspended for eight Matches following a dismissal for violent conduct, they may appeal only in respect of the two Matches in excess of the three standard and three additional Match suspension).
- 32 Where permitted in accordance with the appeal provisions above, appeals shall proceed in accordance with Part E: Fast Track 7: Appeals - Fast Track.

WRITTEN REASONS

- 33 A request for written reasons in respect of the decision of the Regulatory Commission may be made to the Regulatory Commission, in which case the request must be made on the day the parties were notified of the decision. If requested, written reasons will be provided by 6pm on the first Business Day following the decision of the Regulatory Commission.

FAST TRACK 2: INCIDENTS ON OR AROUND THE FIELD OF PLAY, INCIDENTS OUTSIDE THE JURISDICTION OF MATCH OFFICIALS, SURROUNDING A MATCH OFFICIAL, MASS CONFRONTATIONS AND MEDIA COMMENTS

GENERAL PRINCIPLES

- 1 This Fast Track 2 sets out the standard directions for:
- 1.1 charges relating to incidents on or around the field of play, incidents outside the jurisdiction of Match Officials, surrounding a Match Official, mass confrontations and media comments proceeding before Regulatory Commissions (as set out in Table 10); and
 - 1.2 any other Charge brought in respect of any incident of alleged Misconduct which the Judicial Panel Chairman, of their own volition or following the application of any party, orders to proceed under this Fast Track 2. Such an order may be made, but is not limited to, cases where the incident concerned arises from the same facts as, or is otherwise sufficiently linked to, an incident which is otherwise to proceed under this Fast Track 2.
- 2 This Fast Track 2 shall apply to Participants in Categories 1, 2 and 3, save that any time limits set out herein (other than the time limits stated in paragraphs 7 to 9 below) shall not apply to Participants within Category 2 and Category 3. Subject to the foregoing, the time limits applicable to Participants within Category 2 and Category 3 shall be those set out in Part B: Non-Fast Track Regulations.

The date of any personal hearing that takes place pursuant to this Fast Track 2 shall be in accordance with the timings set out herein, regardless of the availability or otherwise of the Participant's chosen representative.

OBSERVATIONS

- 5 In certain cases, particularly those concerning media comments, as a preliminary step a Participant may be required by The Association to provide their observations.

STANDARD SANCTION OFFER (CATEGORY 3 ONLY)

- 6 In respect of Participants affiliated to Clubs in Category 3 only, before a Charge is issued The Association may in its absolute discretion issue a Standard Sanction Offer. In exercising that discretion, The Association shall issue a Standard Sanction Offer only in circumstances where it considers that it would designate the case as a "Standard Case" in accordance with paragraph 14.
- 7 The Association shall issue any Standard Sanction Offer to the Participant by no later than 6pm on the third Business Day after the relevant incident is reported to it.
- 8 The Participant shall accept or decline the Standard Sanction Offer by 6pm on the second Business Day after it is issued.
- 9 Where the Standard Sanction Offer is accepted by the Participant, the sanction shall thereafter come into immediate effect. For the avoidance of doubt, the prior ratification of the Judicial Panel Chair is not required.
- 10 Where the Standard Sanction Offer is declined or no response is received by The Association and the Participant is later issued a Charge, the applicable Standard Penalties shall apply (where The Association designates the case as a Standard Case).
- 11 In all cases the Standard Sanction Offer shall be lower than the Standard Penalties.

CHARGE

- 12 A Charge shall be issued which shall be accompanied by all evidence, documents and written submissions upon which The Association intends to rely.
- 13 A Charge shall ordinarily be issued by 5pm on the third Business Day following:
 - 13.1 the incident; or

9 - DISCIPLINARY REGULATIONS

STANDARD PENALTIES

- 14 The Association may in its absolute discretion designate a case as a “Standard Case”.
- 15 In exercising that discretion, The Association shall not designate any case as a “Standard Case” where any one or more of the following exceptional circumstances applies:
- 15.1 where the particular facts of the alleged Misconduct are of a serious and/or unusual nature, as determined by The Association;
 - 15.2 in respect of Participants in Category 1, where the Participant Charged has been issued a Charge for a similar matter, as determined by The Association, which took place in the preceding 12 months, and that Charge was found proven;
 - 15.3 in respect of Participants in Category 3, where two or more Charges and/or Standard Sanction Offers for similar matters have been found proven against / accepted by the Participant Charged in the preceding 12 months (where similar matters are determined by The Association); and/or
 - 15.4 where the Charge is issued in relation to media comments made by the Participant.
- 16 Where a case is designated as a Standard Case:
- 16.1 Standard Penalty 1 shall be offered in the Charge and will come into effect where such a Charge is admitted and the Standard Penalty is accepted;
 - 16.2 Standard Penalty 2 shall come into effect when the Charge is denied and is subsequently found proven by a Regulatory Commission.

Guidance

In respect of Participants affiliated to Clubs in Category 3, Standard Penalty 1 and Standard Penalty 2 will vary depending on whether or not a Charge for a similar matter has been found proven in respect of the Participant Charged in the preceding 12 months.

- 17 In all cases Standard Penalty 1 shall be lower than Standard Penalty 2.
- 18 Where a case is not designated as a Standard Case (a “non-Standard Case”), a Standard Penalty will not be offered and, where such a Charge is admitted or found proven, the Regulatory Commission shall have a discretion to impose any such penalty as it considers appropriate.

REPLY

- 19 The Participant Charged must serve on The Association a Reply by 6pm on the third Business Day after the Charge, by e-mail (as directed by The Association), in which they admit or deny the Charge in accordance with the provisions below relating to Standard Cases and non-Standard Cases (as applicable).
- 20 The Reply must include a clear explanation of the nature and extent of the Participant’s admission or denial of the Charge(s) or any part of a Charge and shall be accompanied by copies of all evidence, documents and written submissions upon which the Participant Charged intends to rely. Any evidence, documents and written submissions not provided within the time limits set out in paragraph 19 above may not be considered by the Regulatory Commission.
- 21 In the absence of a Reply, the matter will be dealt with directly at the next available Regulatory Commission, and evidence, documents and written submissions from the Participant Charged may not be considered by the Regulatory Commission.

9 - DISCIPLINARY REGULATIONS

Standard Cases

- 22** In a Standard Case, by way of Reply the Participant Charged may:

 - 22.4** deny the Charge and submit written material for a Regulatory Commission to consider on written submissions (such material to include, where relevant, an application for Standard Penalty 2 to be reassessed on the basis of the income of the Participant Charged).
- 23** Where a Charge is denied and subsequently found proven by a Regulatory Commission, before making a determination on penalty the Regulatory Commission may consider any general written mitigation and/or an application for Standard Penalty 2 to be reassessed on the basis of the income of the Participant Charged, as submitted by the Participant with the Reply to the Charge.

Non-Standard Cases

- 24** In a non-Standard Case, by way of Reply to the Charge the Participant Charged may:

 - 24.2** admit the Charge but request a personal hearing before a Regulatory Commission in order to present mitigation;
 - 24.3** deny the Charge and request to contest it at a personal hearing before a Regulatory Commission; or
 - 24.4** deny the Charge and submit written material for a Regulatory Commission to consider on written submissions.

RESPONSE TO REPLY

- 25** Where a Participant Charged:
- 25.1** denies a Charge; or
 - 25.2** admits a Charge but submits mitigation or other material for consideration by the Regulatory Commission,
- The Association may provide a response to the Reply, evidence, documents and written submissions provided by the Participant Charged.
- 26** Any such response to the Reply:
- 26.1** must be provided to the Participant Charged and the Regulatory Commission within three Business Days of receipt of the Reply; or

- 27** Written submissions, evidence and any other relevant material not submitted the relevant time limit in paragraph 26 above may not be considered by the Regulatory Commission.

9 - DISCIPLINARY REGULATIONS

TIMING OF HEARING

- 28 Where the circumstances of paragraphs 22.2, 24.1 or 24.2 apply, the hearing will take place within three Business Days (i) of confirmation by The Association that it does not intend to provide a response to the Reply in accordance with paragraph 25, or (ii) where a response to the Reply is to be provided, of receipt of that response to the Reply by the Participant Charged.
- 29 Where the circumstances of paragraphs 22.3 or 24.3 apply, the hearing will take place within ten Business Days (i) of confirmation by The Association that it does not intend to provide a response to the Reply in accordance with paragraph 25, or (ii) where a response to the Reply is to be provided, of receipt of that response to the Reply by the Participant Charged.
- 30 Where the circumstances of paragraph 22.4 or 24.4 apply, the hearing will take place within three Business Days (i) of confirmation by The Association that it does not intend to provide a response to the Reply in accordance with paragraph 25, or (ii) where a response to the Reply is to be provided, of receipt of that response to the Reply by the Participant Charged.
- 31 Where Charges have been consolidated in accordance with paragraph 13 of Part A: General Provisions, the timelines in paragraphs 28 to 30 above shall run from: (a) the date at which the last relevant Reply is received from a Participant Charged in accordance with paragraph 19, or (b) the date at which the response to the Reply is received by the Participants Charged in accordance with paragraph 26 (where applicable).
- 32 In the instance of a case concerning Incidents Outside the Jurisdiction of Match Officials, wherever possible the hearing will take place prior to the next Match in which the Player would be eligible to play.

PROCEDURES

- 33 The following procedures shall be followed at a personal hearing before a Regulatory Commission, unless the Regulatory Commission considers it appropriate to amend them:
- 33.1 The Association may address the Regulatory Commission, summarise the case against the Participant Charged, and then adduce its evidence.
- 33.2 The Participant Charged may then summarise its case and adduce evidence of any matter of which notice has been given in the Reply.
- 33.3 Each party in turn may question witnesses as they give evidence and the Regulatory Commission may question parties and witnesses at any time.
- 33.4 After the conclusion of the evidence of the Participant Charged, The Association and the Participant Charged in turn may make closing submissions.
- 33.5 Where the Participant Charged admits the Charge(s), the Regulatory Commission may dispense with hearing the evidence and consider submissions from The Association and the Participant Charged in turn. Where the Participant Charged denies a Charge or part thereof, or where it is admitted but there remains a factual dispute between the Participant Charged and The Association, the Regulatory Commission shall consider the witness and other evidence placed before it together with each party's submissions in order to make findings in respect of any factual dispute(s) in order to determine: (i) whether a Charge is proven; (ii) if so proven or admitted, the factual basis on which the Charge is proven.

DECISIONS AND PENALTY

- 34 The Regulatory Commission will decide whether each denied Charge is proven or not proven.
- 35 Where a Charge is not proven, the Charge will be dismissed.

9 - DISCIPLINARY REGULATIONS

- 36** Where a Charge is proven or admitted, subject to the application of any Standard Penalty, the Regulatory Commission may impose any penalty that it considers to be appropriate in accordance with its general powers set out in paragraphs 41 to 44 and 52 of Part A: General Provisions.
- 37** The decision of the Regulatory Commission will be communicated verbally to the Participant Charged on the same day as the decision is reached, and in writing by the end of the following Business Day.

Standard Cases only

- 38** This provision gives effect to the principal that, in a Standard Case, either Standard Penalty 1 or Standard Penalty 2 shall not be reduced unless truly exceptional mitigation exists, or a Participant Charged can demonstrate that the Standard Penalty would be disproportionately harsh due to their level of income.
- 39** In a Standard Case where the Participant Charged:
- 39.1** admits the Charge, but submits general written mitigation and/or an application for Standard Penalty 1 to be reassessed in accordance with paragraph 22.2;
- 39.2** denies the Charge, by submits general written mitigation and/or an application for Standard Penalty 2 to be reassessed in accordance with paragraph 23, the Regulatory Commission shall proceed in accordance with paragraphs 40 to 42 below.

Where the Participant Charged submits general mitigation

- 40** Having considered the general mitigation, the Regulatory Commission will have a discretion to impose any penalty that it considers appropriate, including increasing the penalty above the applicable Standard Penalty. A Regulatory Commission may decrease the Standard Penalty only where it is satisfied that any mitigation put forward is truly exceptional and so merits a reduction. Where it is so satisfied, it may impose any penalty that it considers to be appropriate in accordance with its general powers.

Where the Participant Charged submits an application for reassessment of the Standard Penalty

- 41** Where a Participant Charged can demonstrate that any financial element of a Standard Penalty would be disproportionately harsh due to the level of their income, they may make an application to have the financial element of the penalty reassessed by reference to that income.
- 42** Where such an application is made, and the Regulatory Commission does accept that the Standard Penalty would be disproportionately harsh, the Standard Penalty will not apply and the Regulatory Commission may impose any penalty that it considers to be appropriate in accordance with its general powers.

APPEALS

- 43** Participants and The Association shall have the right to appeal against the decision of, or penalty imposed by, a Regulatory Commission to an Appeal Board. Appeals shall proceed in accordance with Part E: Fast Track 7: Appeals - Fast Track.

WRITTEN REASONS

- 44** A request for written reasons in respect of the decision of the Regulatory Commission may be lodged with the Regulatory Commission, in which case the request must be made at the time of verbal notification of the decision (i.e. on the same day as the Regulatory Commission). If requested, written reasons will be supplied to parties by 6pm on the third Business Day following the hearing.

COSTS

- 45** Costs shall fall to be determined in accordance with paragraph 54 of Part A: General Provisions.

FAST TRACK 3: MISTAKEN IDENTITY

GENERAL PRINCIPLES

- 1 This Fast Track 3 sets out the process in respect of Players and Technical Area Occupants who have been cautioned or Players who have been dismissed from the field of play but claim that they were the victim of mistaken identity in relation to the imposition of such sanction.
- 2 This Fast Track 3 shall apply to:
 - 2.1 Players of Clubs in Categories 1, 2 and 3; and
 - 2.2 Technical Area Occupants of Clubs in Categories 1 and 3.
- 3 The procedures set out in this Fast Track 3 shall proceed in accordance with the applicable timetable set out at Table 11 below. The time limits and other requirements are to be strictly applied, and only complete claims submitted before the relevant deadline will be considered. The timetable seeks to give effect to the principle that it is in the interest of the parties and of sporting integrity that matters falling within the scope of this Fast Track 3 are concluded ahead of the suspension being served.
- 4 Where claims are submitted for both mistaken identity in accordance with this Fast Track 3 and wrongful dismissal in accordance with Fast Track 4 for the same incident, the matter of mistaken identity will be considered first.
- 5 Matters falling within this Fast Track 3 will be determined on video and written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club, Player or Technical Area Occupant are entitled to be present or represented in person at the Regulatory Commission established for such purpose.

- 9 The Association will convene a Regulatory Commission to examine the claim, which shall consider the matter prior to any suspension being served.
- 10 The following procedures shall be followed before a Regulatory Commission, unless the Regulatory Commission considers it appropriate to amend them:
- 10.1 the Secretary to the Regulatory Commission will produce:
 - 10.1.1 the Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action; and
 - 10.1.2 all statements, video footage and other evidence provided in support of the claim.
 - 10.2 After considering the evidence, the Regulatory Commission will decide whether the claim is rejected or is successful.
 - 10.3 In the event the claim is rejected, the Regulatory Commission will in every case go on to consider whether or not the Player's or Technical Area Occupant's punishment should be increased. Where the Regulatory Commission considers that the claim had no prospect of success and/or amounts to an abuse of process, it shall have the discretion to increase the penalty up to twice the standard punishment. In all other cases, the penalty shall be the standard punishment.
 - 10.4 In the event the claim is successful, the standard punishment shall be transferred from the record of the Player or Technical Area Occupant reported by the Referee to the identified offender.
 - 10.5 A record of the decision will be provided to the relevant Player's or Technical Area Occupant's Club on the same day the decision is made.

9 - DISCIPLINARY REGULATIONS

EXCEPTIONAL CIRCUMSTANCES: NO OR INSUFFICIENT BUSINESS DAYS

- 11** Where, due to there being no or insufficient Business Days between two Matches in the relevant Competition(s), it would not be possible for a claim to be determined before the suspension is to be served the following will apply:
- 11.1** Where there are no Business Days between two Matches in the relevant Competition(s), the Club shall notify The Association by email (JudicialServices@TheFA.com) by 1pm the day following the incident. If this notification is properly submitted, the Player will be eligible to play / the Technical Area Occupant will be eligible to occupy the Technical Area in the second Match. Submission of the claim will still be required as set out in Table 11.
- 11.2** Where there are insufficient Business Days between two Matches in the relevant Competition, the timetable as set out in Table 11 will still apply. However, the Player will be eligible to play / the Technical Area Occupant will be eligible to occupy the Technical Area in Matches prior to the claim being determined by a Regulatory Commission (provided that The Association has been notified in accordance with paragraph 7 above).

APPEALS

- 12** The decision of the Regulatory Commission is final and binding, and there shall be no right of appeal from decisions made by Regulatory Commissions under this Fast Track 3.

FAST TRACK 4: WRONGFUL DISMISSAL

GENERAL PRINCIPLES

- 1** This Fast Track 4 sets out the process in respect of Players who have been dismissed from the field of play (except as a result of two cautions leading to a dismissal), but claim that the Referee made an obvious error in dismissing the Player.
- 2** This Fast Track 4 shall apply to Players of Clubs in Categories 1, 2 and 3.
- 3** A Regulatory Commission that considers a claim of wrongful dismissal is concerned with only the question of whether any sanction of a suspension from play is one which should be imposed in view of the facts of the case. This role is not to usurp the role of the Referee and the dismissal from the field of play will remain on the record of the Club and the Player.
- 4** The procedures set out in this Fast Track 4 shall proceed in accordance with the applicable timetable set out at Table 12. The time limits and other requirements are to be strictly applied, and only complete claims which adhere to the relevant deadlines will be considered. The timetable seeks to give effect to the principle that it is in the interest of the parties and of sporting integrity that matters falling within the scope of this Fast Track 4 are concluded ahead of the suspension being served.
- 5** Matters falling within this Fast Track 4 will be determined on video and written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Regulatory Commission established for such purpose.

9 - DISCIPLINARY REGULATIONS

Regulatory Commission

- 11 The Association will convene a Regulatory Commission to examine the claim, which shall consider the matter prior to any suspension being served.
- 12 The following procedures shall be followed before a Regulatory Commission, unless the Regulatory Commission considers it appropriate to amend them:
 - 12.1 The Secretary to the Regulatory Commission will produce:
 - 12.1.1 the Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action; and
 - 12.1.2 all statements, video footage and other evidence provided in support of the claim, including details of the Player.
 - 12.2 After considering the evidence, the Regulatory Commission will decide whether the claim is rejected or is successful. A claim will only be successful where the Regulatory Commission is satisfied that the Referee made an obvious error in dismissing the Player.
 - 12.3 In the event the claim is rejected, the Regulatory Commission will in every case go on to consider whether or not the Player's punishment should be increased. Where the Regulatory Commission considers that the claim had no prospect of success and/or amounts to an abuse of process, it shall have the discretion to increase the penalty up to twice the standard punishment. In all other cases, the penalty shall be the standard punishment.
 - 12.4 In the event the claim is successful, the standard punishment shall be withdrawn. The dismissal shall not be counted for the purposes of paragraphs 30 to 32 of Section One of Part D: On-Field Regulations.
 - 12.5 A record of the decision will be prepared and provided to the Club of the relevant Player on the same day the decision is made.

EXCEPTIONAL CIRCUMSTANCES: NO OR INSUFFICIENT BUSINESS DAYS

- 13 Where, due to there being no or insufficient Business Days between two Matches in the relevant Competition(s), it would not be possible for a claim to be determined before the suspension is to be served the following will apply:
 - 13.1 The Club shall notify The Association by email (JudicialServices@TheFA.com) by 1pm the day following the dismissal and shall lodge their claim, along with the evidence upon which their claim is founded, by 5pm that same day;
 - 13.2 In such cases the Regulatory Commission will consider the claim no later than 6pm on the day before the next fixture.
- 14 Should a Player play in a Match without having given the appropriate notification as set out in paragraph 13.1 above, this shall constitute Misconduct.

APPEALS

- 15 The decision of the Regulatory Commission is final and binding, and there shall be no right of appeal from decisions made by Regulatory Commissions under this Fast Track 4.

FAST TRACK 5: CLEARLY EXCESSIVE

GENERAL PRINCIPLES

- 1 This Fast Track 5 sets out the process where a Player or their Club seeks to limit the disciplinary consequences of the dismissal of the Player from the field of play by demonstrating that the circumstances of the dismissal were truly exceptional such that the standard punishment, set out in Part D: On-Field Regulations, would be clearly excessive. It shall apply to Players of Clubs in Categories 1, 2 and 3.
- 2 The ability to claim under this Fast Track 5 is provided only so exceptional cases may be rectified. It is not intended to lead to the systematic, regular review of standard punishments. Regulatory Commissions should approach such cases with these principles in mind and it is envisaged that, in the vast majority of dismissals, the standard punishments will be appropriate and will be applied.
- 3 The Regulatory Commission that considers a claim of this type is concerned with only the question of whether the standard punishment should not be imposed in view of the truly exceptional facts of the case. This role is not to usurp the role of the Referee nor to scrutinise the correctness of the dismissal from the field of play, which shall remain on the record of the Club and the Player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for a first team sending-off.
- 4 Claims under this Fast Track 5 may only be lodged in relation on-field offences which result in a dismissal for offensive or insulting or abusive language / gestures, serious foul play, violent conduct, or spitting.
- 5 The procedures set out in this Fast Track 5 shall proceed in accordance with the applicable timetable set out at Table 13. The time limits and other requirements are to be strictly applied, and only complete claims which adhere to the relevant deadlines will be considered. The timetable seeks to give effect to the principle that it is in the interest of the parties and of sporting integrity that matters falling within the scope of this Fast Track 5 are concluded, where possible, ahead of the suspension being served.
- 6 Matters falling within this Fast Track 5 will be determined on video and written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Regulatory Commission established for such purpose.

- 11 Once the claim has been lodged with The Association, The Association will confirm that the claim has been made in accordance with the time limits and other requirements of this Fast Track 5 (to include, but not limited to, submitting video footage of the incident).

Regulatory Commission

- 12 The Association will convene a Regulatory Commission to examine the claim which shall, where practicable, consider the matter prior to any suspension being served but shall in all cases consider the matter before the second Match that the Player would miss were the standard punishment to apply.

9 - DISCIPLINARY REGULATIONS

- 13** The following procedures shall be followed before a Regulatory Commission, unless the Regulatory Commission considers it appropriate to amend them:
- 13.1** The Secretary to the Regulatory Commission will produce:
- 13.1.1** the Referee's report, reports from any other Match Official and any other evidence supporting the Referee's action; and
 - 13.1.2** all statements, video footage and other evidence provided in support of the claim, including details of the Player.
- 13.2** After considering the evidence, the Regulatory Commission will decide whether the claim is rejected or is successful. A claim will only be successful where the Regulatory Commission is satisfied so that it is sure that:
- 13.2.1** the circumstances of the dismissal under review are truly exceptional, such that the standard punishment should not be applied; and
 - 13.2.2** as a result of the truly exceptional circumstances the standard punishment would be clearly excessive.
- 13.3** In considering the matters at paragraph 13.2 above, the Regulatory Commission shall have regard to:
- 13.3.1** the applicable Law(s) of the Game and any relevant FIFA instructions and/or guidelines;
 - 13.3.2** the nature of the dismissal offence including the Player's state of mind, in particular any intent, recklessness or negligence;
 - 13.3.3** where applicable, the level of force used;
 - 13.3.4** any injury to an opponent caused by the dismissal offence;
 - 13.3.5** any other impact on the game in which the incident occurred;
 - 13.3.6** the prevalence of the type of incident in question in football generally;
 - 13.3.7** the wider interests of football in applying consistent punishments for dismissal offences.
- 13.4** In the event the claim is rejected, the Regulatory Commission will in every case go on to consider whether or not the Player's punishment should be increased. Where the Regulatory Commission considers that the claim had no prospect of success and/or amounts to an abuse of process, it shall have the discretion to increase the penalty up to twice the standard punishment.
- 13.5** In the event the claim is successful, the standard punishment shall be withdrawn. The Regulatory Commission will go on to decide the punishment to be applied to the Player in respect of the dismissal. In all cases, this shall be a suspension of at least one Match. In deciding on the appropriate punishment, the Regulatory Commission shall have regard to those factors listed at paragraphs 13.3.1 to 13.3.7 above.
- 13.6** A record of the decision will be prepared and provided to the Club of the relevant Player on the same day the decision is made.

APPEALS

- 14** The decision of the Regulatory Commission is final and binding, and there shall be no right of appeal from decisions made by Regulatory Commissions under this Fast Track 5.

FAST TRACK 6: CLEARLY INSUFFICIENT

GENERAL PRINCIPLES

- 1 This Fast Track 6 sets out the process where The Association seeks to increase the disciplinary consequences of the dismissal of the Player from the field of play by demonstrating that the circumstances of the dismissal were truly exceptional such that the standard punishment, set out in Part D: On-Field Regulations, would be clearly insufficient. It applies to Players of Clubs in Categories 1, 2 and 3.
- 2 The ability to claim under this Fast Track 6 is provided only so exceptional cases may be rectified. It is not intended to lead to the systematic, regular review of standard punishments. Regulatory Commissions should approach such cases with these principles in mind and it is envisaged that, in the vast majority of dismissals, the standard punishments will be appropriate and will be applied.
- 3 The Regulatory Commission that considers a claim of this type is concerned with only the question of whether the standard punishment should not be imposed in view of the truly exceptional facts of the case. This role is not to usurp the role of the Referee nor to scrutinise the correctness of the dismissal from the field of play, which shall remain on the record of the Club and the Player, will remain the subject of the administration fee and will accrue the appropriate number of penalty points for a sending-off.
- 4 Claims under this Fast Track 6 may only be lodged in relation on-field offences which result in a dismissal for serious foul play, violent conduct, or spitting.
- 5 The procedures set out in this Fast Track 6 shall proceed in accordance with the applicable timetable set out at Table 14. The timetable seeks to give effect to the principle that it is in the interest of the parties and of sporting integrity that matters falling within the scope of this Fast Track 6 are concluded, where possible, ahead of the suspension being served.
- 6 A Referee's report showing that a Player was dismissed for serious foul play, violent conduct, or spitting shall be conclusive evidence that the Player has breached the relevant Law of the Game and shall not be subject to challenge, save for where any such dismissal is subject to a claim for wrongful dismissal.
- 7 Matters falling within this Fast Track 6 will be determined on video and written evidence only, and parties shall not be present or represented in person. For the avoidance of doubt, none of the Match Officials nor the Club or Player are entitled to be present or represented in person at the Regulatory Commission established for such purpose.

Any punishment imposed by the Regulatory Commission shall be limited to a suspension from playing a specified number of Matches in addition to the standard penalty.
- 11.6 A record of the decision will be prepared and provided to the Club of the relevant Player on the same day as the decision is made.

 - 12.3 in respect of that part of the additional suspension in excess of the additional three Matches, not accounting for any additional Matches included in the penalty as a result of a Player having served a suspension earlier in the same playing season.

For example, where a Player is suspended for eight Matches following a dismissal for violent conduct, they may appeal only in respect of the two Matches in excess of the three standard and three additional Match suspension).

The Participant Charged may then give evidence on their own behalf and in such event they may have questions asked of them by the Disciplinary Commission. The Participant Charged or their representative may then submit evidence and call witnesses.

After reaching its decision, the Disciplinary Commission shall recall the Participant Charged and their representative. The Disciplinary Commission Secretary shall announce whether the Charge has been found proven or not proven.
- 27 If the Charge is found not proven the hearing will be declared closed.
- 28 If the Charge is found proven details of the record of Misconduct of the Participant Charged shall be received by the Disciplinary Commission. The Participant Charged, or their representative, may then make a plea in mitigation.
- 29 At the conclusion of the plea in mitigation, the Participant Charged and their representative shall again withdraw from the Disciplinary Commission room and the Disciplinary Commission shall determine what order or orders, if any, shall be made under paragraph 41 of Part A: General Provisions Section Two.

APPENDIX IV: SMALL-SIDED FOOTBALL – DISCIPLINE PROCESS

THE FOOTBALL ASSOCIATION DISCIPLINE PROCESS FOR SMALL-SIDED FOOTBALL

Introduction

Implementing an effective disciplinary process is an important factor for all formats of football, helping to establish a quality, organised, safe and enjoyable football experience for all players and officials. The issue of discipline is of equal importance in Small-Sided Football as it is in the 11v11 football, and subsequently should be shown proper attention and regard by Small-Sided Football providers when organising their competitions; particularly if the competitions wish to be appropriately sanctioned and affiliated to The Association.

The Association has developed this disciplinary process to accommodate the varied and different needs of Small-Sided Football. The Association recognises that applying the same disciplinary processes to Small-Sided Football as it does in 11v11 football does not satisfactorily meet the differing demands of this version of the game. However, this does not mean that The Association takes ill-discipline in Small-Sided Football any less seriously.

It is important to note for all Small-Sided Football providers, that failure or disregard in establishing and effectively implementing these disciplinary processes can and will lead to The Association removing affiliation and classifying providers competitions as being unsanctioned by The Association.

For all Small-Sided Football providers that affiliate to The Association nationally it is a condition of affiliation to agree to abide by the 'Heads of Agreement' that clearly state that the provider will manage disciplinary issues in accordance with this disciplinary process.

It is recommended that County FAs that affiliate local Small-Sided Football providers establish similar agreements.

The implementation of this disciplinary process will help create a safer and more enjoyable football environment for Small-Sided Football players and officials, but also importantly for the providers it can assist in retaining Participants playing in their competitions.

1 Discipline Ownership & Control

All issues of discipline that occur at a Small-Sided Football provider affiliated to The Association fall under the jurisdiction of the local County FA.

The ability for Small-Sided Football providers to manage discipline in their competitions for incidents outlined in Table 1 below have been delegated to the provider by the local County FA.

It is at the discretion of The Association to remove this delegated responsibility from a Small-Sided Football provider if the provider is unable to demonstrate competence in handling and managing disciplinary issues. In such cases the responsibility for all discipline in that competition will be returned to the local County FA.

2 Affiliation & Provision of Team Information

When affiliating competitions and slots to The Association or County FAs, all Small-Sided Football providers must provide the following information for all teams playing in their competitions to ensure that disciplinary cases can be managed appropriately:

- Team Name
- Team Captain/Manager contact details (name, address, email or telephone number)

The Small-Sided Football provider must also ensure that The Association or County FA is updated with accurate team information throughout the course of the affiliation period. Small-Sided Football providers will not be affiliated unless this team information is provided accurately.

9 - DISCIPLINARY REGULATIONS

The only exceptions to this rule are outlined below:

2.1 Disciplinary Agreement:

On affiliation to The Association or County FA the Small-Sided Football Provider signs the Disciplinary Agreement in Appendix B where the provider agrees to operate a comprehensive system of recording and maintaining accurate team and player details. This agreement also requires the Small-Sided Football Provider to provide The Association/ County FA with team information (team name and team captain contact details) within 48 hours of receiving a request for this information. It also accepts that from time-to-time The Association or County FA may request to undertake a random spot-check of a Small-Sided Football providers competition to ensure that the provider has accurate team information for all teams in that competition.

As well as signing this Disciplinary Agreement, at the point of affiliation the Small-Sided Football provider must also provide written evidence to The Association or County FA to demonstrate the current systems that they operate and maintain to record accurate team information.

If the Small-Sided Football provider is able to comply with these points, the organisation will not be required to provide all team information to The Association / County FAs upon affiliation. If however, the Small-Sided Football provider consistently fails to provide accurate team information when requested this privilege can be revoked by The Association.

2.2 FA Small-Sided Football Accreditation

Small-Sided Football providers that have attained The FA Small-Sided Football Accreditation have demonstrated through the accreditation process that they have sufficient systems in place for recording and managing team information, and that as part of the accreditation they will provide The Association/County FAs with team details within 48 hours when requested in order for disciplinary cases to be managed. As a consequence, accredited Small-Sided Football providers will not be required to provide team information upon affiliation.

3 Issuing of Cautions and 'Timed Suspensions'

In Small-Sided Football yellow cards and associated cautions are not employed.

Referees should instead issue a blue card for a cautionable offence. The issuing of a blue card indicates that the recipient will serve an immediate 'timed suspension' ('sin bin').

The options for disciplining offenders are therefore as follows:

- Player shown a blue card and temporarily suspended from play
- Player issued with a discretionary second blue card and temporarily excluded from play
- Player issued with a red card and permanently excluded from play

A blue card offence should always be accompanied by a temporary suspension from play.

The period of timed suspension in Small-Sided Football shall be two minutes. The release of Players from a temporary suspension should be at the direction of the Referee.

3.1 Recording of Blue Cards

In Small-Sided Football cautionable offences that result in a blue card and a timed suspension from the match shall not be recorded and reported by the match official or Small-Sided Football provider.

Blue card offences should not be reported back to the County FA, and no disciplinary fine shall be incurred by the player.

9 - DISCIPLINARY REGULATIONS

4 Disciplinary Procedures for Red Card Offences

4.1 'Serious' Red Card Offences

Offences not classified in Table 1 below will be the responsibility of the local County FA. Once the County FA has reviewed the case the Small-Sided Football provider along with the player will be informed of the outcome and any disciplinary action.

For these offences match official are required to complete the Disciplinary Report in Appendix A and submit a copy to the Small-Sided Football provider and the relevant County FA.

4.2 'Less Serious' Red Card Offences (as outlined in Table 1)

Offences classified within Table 1 should be dealt with by the Small-Sided Football provider under the delegated-authority of the County FA covered in paragraph 1 above.

The match official should complete a 'Disciplinary Report' (Appendix A) and ensure that it is sent to the Small-Sided Football provider.

The Small-Sided Football provider should employ the following disciplinary tariff of suspensions in such cases as outlined in Table 1. The provider shall not fine the player.

Match Suspension Tariff:

Table 1

OFFENCE	PENALTY (TO BE ADMINISTERED BY SMALL SIDED)
Receiving a second 'blue card' in the same match	1 Match suspension
Denying a goal or an obvious goal scoring	1 Match suspension
Use of offensive, insulting or abusive gestures	2 Match suspension
Attempting to kick or strike another player Violent conduct Serious foul play	3 Match suspension

5 Remit of Disciplinary Action

Any suspensions for offences dealt with by the County FA that are not covered in Table 1 apply to all levels of football (i.e. 11 a side and Small-Sided Football).

Red cards administered in Small-Sided Football for offences within Table 1 are the responsibility of the organiser to deal with according to The Association's recommended tariff of suspensions and are from Small-Sided Football only.

6 Personal Liability for 'Serious' Disciplinary Offences

Initial responsibility for a disciplinary issue will be with the individual that committed the offence. If this individual leaves the team but can be accurately identified, this individual shall retain responsibility for the payment of a fine and should be suspended from all forms of football until the fine is paid in accordance with the Football Debt Recovery Regulations.

If the individual responsible for the offence cannot be accurately identified, the responsibility for the payment of this fine will be with (in order of responsibility):

1. The small-sided team that the individual played for when committing the offence.
2. The team captain of the team that the individual played for.

9 - DISCIPLINARY REGULATIONS

7 Implementation of Disciplinary Procedures

A robust disciplinary process can only operate if a record is kept of the identity of participating teams and Players.

All Small-Sided Football providers should maintain details of participating teams and team contacts prior to the beginning of a competition. Providers should ensure that these details remain updated.

In addition Small-Sided Football providers should identify a system whereby the identity of participating Players is recorded prior to a game commencing. These records should be retained by the Organisers and referred to in the event of a serious incident or on suspicion that a Player is playing whilst under suspension.

The existence of these systems (in line with paragraph 2 above) shall be a requirement before The Association or County FA will provide sanction to a competition taking place.

In order for an effective discipline, affiliation and Referees appointment procedure to exist a good working relationship should exist between the Small-Sided Football provider and the County FA. County FA's and Small-Sided Football providers should establish a 'Heads of Agreement' document which identifies the responsibilities of each party in relation to maintenance of discipline and affiliation processes.

10 - KIT AND ADVERTISING REGULATIONS

A. GENERAL

1. Advertising on Clothing and Football Boots is only permitted during the period of a Match in accordance with these Regulations and the Laws of the Game. This applies to Players, including substitutes, any others in the Technical Area, including Club Officials and to Match Officials. The rules of an Affiliated Association or Competition may provide that for matches under their jurisdiction a Club is obliged to obtain permission for any of the Advertising listed in Section C below, subject always to these Regulations. Clubs must seek the permission of the Competition organiser in order to wear any items of Clothing during any pre-match warm-up, ceremony or player line up that bear any slogan or message not otherwise covered by these Regulations (for example but not limited to a message of support regarding an ill team-mate).
2. Where the rules of an Affiliated Association or Competition require a Club to obtain permission under A(1), a new application for permission must be made to the appropriate body each time it is proposed to amend the Advertising. Subject to the provisions of Section B2 and Section C(5) below, or any relevant provisions of the appropriate Competition, there is no restriction on the number of such applications that may be made during the course of each season.
3. Disciplinary action in accordance with the Rules may be taken against a Club, Player, Club Official or Match Official for any breach of these Regulations.

8. Without limiting the effect of the above, in the case of Match Officials under the age of 18 years, or a team comprising players all under the age of 18 years on 31 August in the current season, the appearance on or incorporation in any item of Clothing, Football Boots or Other Equipment of any reference whatsoever to a product, service or other activity which is considered by The Association as detrimental to the welfare, health or general interest of young persons, or is otherwise considered inappropriate, having regard to the age of the players or Match Officials, is prohibited.

It is the view of The Association that examples of such products, services or related activities would include, but are not limited to, age-restricted products, services and related activities such as alcohol and gambling. Generally, reference to a public house or restaurant may be permissible, unless the establishment primarily or exclusively exists for the supply and consumption of alcohol (which is likely to be reflected in its alcohol licensing conditions). Alcoholic drinks, breweries and products, services or activities related to gambling are unlikely to be permissible under any circumstances.

Prior to entering into any contractual agreement with a product, activity or service that may be considered to be detrimental or inappropriate to young persons, Clubs and Competitions should contact The Association or Affiliated Association from which it seeks sanction to seek approval.

MEASUREMENT PROCEDURES

In order to help clubs maximise the space for their sponsors within the regulations, we have provided some practical examples of how The FA would measure sponsor advertising on football club shirts.

If you would like assistance or require clarification of measurement and sizing relevant to your club sponsor, please email sanctioning@TheFA.com

(A multiplied by B less C + D)

Items on kit will be measured according to their smallest geometric form (square, rectangle, triangle, circle etc), and the dimensions calculated using the usual mathematical formula.

To calculate the surface area, the widest part of the items will be measured from edge to edge. Exceptionally, items may be divided into several individual geometric forms for the purpose of calculating the surface area.

MAXIMUM 250cm²

(A multiplied by B less C + D + E)

10 - KIT AND ADVERTISING REGULATIONS

MEASUREMENT PROCEDURES OF NEUTRAL COLOURED PATCHES/SHIRT COLOURS

- A. **Sponsor advertising on a neutral coloured patch** – i.e. white sponsor logo on a black patch on a predominantly white/green shirt.

In this scenario the area measured would be the total area covered by the black patch on which the logo sits.

- B. **Sponsor advertising on a patch which is based on one of the main colours of the shirt** – i.e. white sponsor logo on a red and white striped shirt.

In this scenario the area measured would only be that around the sponsor's logo even if this logo may stand out more prominently because of the white stripes in the shirt.

- C. **Measuring of a 'chest ring'** – e.g. the white band around a club's shirt

If a club's traditional shirt contains a chest ring and that is one of the official colours of the playing kit, the area that is measured will only be around the sponsor's logo and not the whole of the chest ring.

Such trim or taping shall be limited to down the outer seam of the shirt (armhole to the bottom of the shirt), or the length of the sleeve (neck to cuff), or across the bottom of each sleeve (cuffs) and to the bottom edge of the shorts or down the outer seam of the shorts and across the top edge of the socks.

Any related advertising shall also be removed from the referee review area (RRA) and / or the video operation room (VOR) during the match.

All charitable or other causes promoted under this provision must be conducted in accordance with Law 4 of the Laws of the Game.

Adverse Analytical Findings and the Use of Prohibited Substances and Prohibited Methods will be dealt with as strict liability violations. This means, for example, that a Player will be guilty of an Anti-Doping Rule Violation if a Prohibited Substance or any of its Metabolites or Markers is present in that Player's body. It is not necessary to demonstrate intent, Fault, negligence or knowing Use on the Player's part to establish an Anti-Doping Rule Violation for such presence, or for Use of a Prohibited Substance or Prohibited Method; and a Player's alleged lack of intent, Fault, negligence or knowledge is not a valid defence to a charge that such an Anti-Doping Rule Violation has been committed.

7. MANDATORY PENALTIES

ANTI-DOPING REGULATIONS

PART ONE – ANTI-DOPING RULE VIOLATIONS

General

1.

- (a) These Anti-Doping Regulations are intended to implement the mandatory provisions of the World Anti-Doping Code (the “Code”) and the International Standards (each as amended from time to time), and shall be interpreted in accordance with that purpose. The comments annotating various Code provisions are incorporated by reference into these Anti-Doping Regulations as if set out in full herein, and shall be used to interpret these Anti-Doping Regulations. In addition, where these Anti-Doping Regulations conflict with the provisions of the FIFA Anti-Doping Regulations in force from time to time, the provisions of the FIFA Anti-Doping Regulations shall prevail. Participants and other Persons shall be bound by these Anti-Doping Regulations and the Results Management authority of The Association, and also the FIFA Anti-Doping Regulations and the Results Management authority of FIFA.
- (b) These Anti-Doping Regulations shall apply to all Players and Player Support Personnel for a minimum of 12 months from the date on which they become a Participant.

Anti-Doping Rule Violations

- 2. Doping is defined as the occurrence of one or more of the anti-doping rule violations set forth in Regulations 3-13 (each, an “Anti-Doping Rule Violation”). The purpose of Regulations 3-13 is to specify the circumstances and conduct that constitute Anti-Doping Rule Violations. Committing an Anti-Doping Rule Violation will be regarded as a breach of the Anti-Doping Regulations, and therefore as a breach of Rule E 25 of the Rules of The Association.
- 3. Presence of a Prohibited Substance or its Metabolites or Markers in a Player's Sample
 - (a) The presence of any Prohibited Substance or any of its Metabolites or Markers in a Player's Sample constitutes an Anti-Doping Rule Violation by that Player under this Regulation 3.
 - (b) It is the Player's personal duty to ensure that no Prohibited Substance enters their body. Players are responsible for any Prohibited Substances or Markers found to be present in their Samples. Accordingly, it is not necessary that intent, Fault, negligence or knowing Use on the Player's part be demonstrated in order to establish an Anti-Doping Rule Violation under Regulation 3.
 - (c) Sufficient proof of an anti-doping rule violation under Regulation 3 is established by any of the following:
 - (i) presence of a Prohibited Substance or its Metabolites or Markers in the Players “A” Sample where the Player waives analysis of the “B” Sample and the “B” Sample is not analysed; or
 - (ii) where the Player's “B” Sample is analysed and the analysis of the Player's “B” Sample confirms the presence of the Prohibited Substance or its Metabolites or Markers found in the Player's “A” Sample; or
 - (iii) where the Player's “A” or “B” Sample is split into two parts and the analysis of the confirmation part of the split Sample confirms the presence of the Prohibited Substance or its Metabolites or Markers found in the first part of the split Sample or the Player waives analysis of the confirmation part of the split Sample.
 - (d) Excepting those substances for which a Decision Limit is specifically identified in the Prohibited List or a Technical Document, the presence of any reported quantity of a Prohibited Substance or its Metabolites or Markers in a Player's Sample shall constitute an Anti-Doping Rule Violation under Regulation 3.
 - (e) As an exception to the general rule of Regulation 3, the Prohibited List, International Standards and/or Technical Documents may establish special criteria for the reporting or the evaluation of certain Prohibited Substances.

11 - ANTI-DOPING REGULATIONS

- (f) The penalties set out in Regulation 77 apply to this violation.
- 4. Use or Attempted Use by a Player of a Prohibited Substance or a Prohibited Method
 - (a) The Use or Attempted Use by a Player of a Prohibited Substance or a Prohibited Method constitutes an Anti-Doping Rule Violation under this Regulation 4.
 - (b) It is the Player's personal duty to ensure that no Prohibited Substance enters their body and that no Prohibited Method is Used. Accordingly, it is not necessary that intent, Fault, negligence or knowing Use on the Player's part be demonstrated in order to establish an Anti-Doping Rule Violation for Use of a Prohibited Substance or a Prohibited Method.
 - (c) The success or failure of the Use or Attempted Use of a Prohibited Substance or Prohibited Method is not material. It is sufficient that the Prohibited Substance or Prohibited Method was Used or Attempted to be Used for an Anti-Doping Rule Violation to be committed.
 - (d) The penalties set out in Regulation 77 apply to this violation.
- 5. A Player evading, refusing or failing to submit to Sample collection

 - (b) Players who are included in a FIFA Pool ("FIFA Pool Players") and/or in The Association's National Registered Testing Pool ("NRTP Players") will be notified in writing by FIFA and/or The Association of that fact. FIFA Pool Players are subject to the applicable requirements of FIFA's Anti-Doping Regulations, which can be found at www.fifa.com. NRTP Players are subject to requirements set out in the International Standard for Testing and Investigations ("ISTI"), which will be notified to them when they are notified that they have been included in the NRTP. For the avoidance of doubt, FIFA Pool Players and NRTP Players also remain subject to all of the requirements of these Anti-Doping Regulations, save for the requirements that Regulation 16 makes applicable to Players who are not in the FIFA Pools or the NRTP.
 - (c) It is the responsibility of all FIFA Pool Players and NRTP Players and their Clubs to ensure that they are aware of the applicable requirements for Players in these Registered Testing Pools, including (i) the requirements to file whereabouts information and to be available for testing at that whereabouts, and (ii) a Player's liability for an Anti-Doping Rule Violation based on three failures in any twelve (12) month period to file the required whereabouts information and/or to be available for testing at the whereabouts specified in such filing.
 - (d) FIFA Pool Players must file the whereabouts information required by FIFA with The Association, in accordance with FIFA's Anti-Doping Regulations, and The Association will submit that information to the FIFA Anti-Doping Unit.
 - (e) The penalties set out in Regulation 81(b) apply to this violation.

11 - ANTI-DOPING REGULATIONS

 - (a) Possession by a Player In-Competition of any Prohibited Substance or any Prohibited Method, or Possession by a Player Out-of-Competition of any Prohibited Substance or any Prohibited Method which is prohibited Out-of-Competition, constitutes an Anti-Doping Rule Violation under this Regulation 8 unless the Player establishes that the Possession is consistent with a Therapeutic Use Exemption ("TUE") granted in accordance with these Regulations or other acceptable justification.
 - (b) Possession by a Player Support Person In-Competition of any Prohibited Substance or any Prohibited Method, or Possession by a Player Support Person Out-of-Competition but in connection with a Player, Match or training of any Prohibited Substance or any Prohibited Method which is prohibited Out-of-Competition, constitutes an Anti-Doping Rule Violation under this Regulation 8, unless the Player Support Person establishes that the Possession is consistent with a TUE granted to a Player in accordance with these Regulations or other acceptable justification.
 - (c) The penalties set out in Regulation 77 apply to this violation.
9. Trafficking or Attempted Trafficking in any Prohibited Substance or Prohibited Method by a Participant or other Person

 - (b) The penalties set out in Regulation 81(d) apply to this violation.

11 - ANTI-DOPING REGULATIONS

12. Prohibited association by a Participant or other Person

- (a) Association by a Participant or other Person subject to the authority of an Anti-Doping Organisation in a professional or sport-related capacity with any Player Support Personnel constitutes an Anti-Doping Rule Violation under this Regulation 12 where that Player Support Person:
 - (i) if subject to the authority of an Anti-Doping Organisation, is serving a period of Ineligibility; or
 - (ii) if not subject to the authority of an Anti-Doping Organisation and where Ineligibility has not been addressed in a Results Management process pursuant to the Code, has been convicted of, or found in a criminal, disciplinary or professional proceeding to have engaged in, conduct which would have constituted a violation of Code-compliant Anti-doping rules if they had been applicable to such Player Support Person. The disqualifying status of such Player Support Person shall be in force for the longer of six years from the criminal, professional or disciplinary decision or the duration of the criminal, disciplinary or professional sanction imposed; or
 - (iii) is serving as a front or intermediary for an individual described in Regulation 12(a)(i) or (a)(ii).
- (b) To establish a violation of Regulation 12, The Association must establish that the Participant or other Person knew of the Player Support Person's disqualifying status.
- (c) The burden shall be on the Participant or other Person to establish that any association with a Player Support Person described in Regulation 12(a) is not in a professional or sport-related capacity and/or that such association could not have been reasonably avoided. If they discharge that burden (in either respect), that shall be a complete defence to the charge that the Participant or other Person has committed an Anti-Doping Rule Violation under this Regulation 12.
- (d) The penalties set out in Regulation 81(e) apply to this violation.

13. Acts by a Participant or other Person to discourage or retaliate against reporting to authorities

11 - ANTI-DOPING REGULATIONS

PART TWO - MISCONDUCT RELATED TO THE ASSOCIATION'S ANTI-DOPING PROGRAMME

Misconduct

14. Breach of any of Regulations 15-18 (inclusive) does not constitute an Anti-Doping Rule Violation but instead shall constitute Misconduct within the meaning of Rule E.1 of the Rules of The Association, for which the Regulatory Commission shall have at its disposal all of the penalties set out in Regulation 41 of the Disciplinary Regulations, save that for a proven breach of Regulation 16 the penalty set out at Regulation 16(f) of these Anti-Doping Regulations shall apply.
15. Club filing failures (Players not in FIFA Pool or the NRTP):
- (a) A Club must provide to The Association upon request any whereabouts information that The Association specifies from time to time in respect of any of that Club's Players who are not FIFA Pool Players or NRTP Players. That information shall include as a minimum:
 - (i) training dates;
 - (ii) start and finish times of training;
 - (iii) the address at which such training will take place; and
 - (iv) the Player's home address and any other address at which the Player regularly resides overnight.
 - (b) The Association (whether through the Anti-Doping Unit or otherwise) may issue directions from time to time about:
 - (i) the type of whereabouts information to be submitted by Clubs; and/or
 - (ii) the manner and time frame in which such whereabouts information must be submitted.
 - (c) It shall be a breach of this Regulation 15 for a Club to do one or more of the following:
 - (i) to fail to provide whereabouts information in the manner directed by The Association; or
 - (ii) to provide whereabouts information that is either initially inaccurate or has not been updated by the Club as necessary to ensure it remains accurate;on three different occasions within any twelve (12) month period.
16. Missed tests (Players not in FIFA Pool or the NRTP):
- (a) A Player who is not a FIFA Pool Player or an NRTP Player shall be deemed to be aware of the whereabouts information provided by their Club to The Association further to Regulation 15, and must be present and available for drug testing in accordance with that whereabouts information. If such Player is not present and available for drug testing in accordance with that whereabouts information on any occasion, then (subject only to Regulations 16(b) and 16(c)) they shall be notified by The Association that they are deemed to have missed a test and may be targeted for testing. It is a breach of this Regulation 16 for a Player who is not a FIFA Pool Player or an NRTP Player to miss three tests within any twelve (12) month period.

11 - ANTI-DOPING REGULATIONS

- (b) Any Player who is eighteen (18) years old on or before 31 August in the relevant season who is not present and available for drug testing at the squad time and location stated in the whereabouts information provided by their Club will be deemed to have missed a test unless they satisfy the following two conditions:
 - (i) In advance of such absence, the Player provides The Association with details of an alternative venue at which they will be present and available for drug testing, which must include a stipulated sixty (60) minute time slot during which such testing may take place. This time slot must be on the same day as the Player's absence, must be between 6am and 11pm, and must not commence for at least two (2) hours from the time that the Player notifies The Association of their absence.
 - (ii) They are present and available for drug testing at that alternative venue for the whole of the sixty (60) minute time slot stipulated by them.
- (c) Any Player who is not eighteen (18) years old on or before 31 August in the relevant season at a Club with an Under 18 squad in Professional Development League 1 (this excludes Professional Development Leagues 2 and 3) who is not present and available for drug testing at the squad time and location provided in the whereabouts information submitted by the Player's Club will be deemed to have missed a test unless they satisfy one of the following two conditions:
 - (i) they notify The Association of their absence in advance of that absence; or
 - (ii) following that absence, they provide The Association with satisfactory independent corroborative evidence of the reason for that absence.
- (d) It is the responsibility of each Player to make themselves familiar with and to comply with any and all requirements of this Regulation that apply to the Player.
- (e) This Regulation does not apply to Players who are included in any FIFA Pool or the NRTP for the period that they are so included.
- (f) For a violation of this Regulation, a suspension of at least one year but of no more than two years must be imposed, with the precise length of the suspension to be fixed based on the Player's degree of Fault.

17. Interference:

- (a) Interference with the conduct of a drug test or any other aspect of the Anti-Doping Programme by a Participant that does not amount to an Anti-Doping Rule Violation under Regulation 5 and/or 7 will be a breach of this Regulation 17. In addition, a Participant is liable for any such interference by a third party of which that Participant has knowledge. The actions set out in Regulations 17(b) - (e) (inclusive) are a non-exhaustive list of examples of conduct that shall be regarded as a breach of this Regulation 17.
- (b) The independent private testing/screening of a Player for a Prohibited Substance for any reason whatsoever.
- (c) Interference in the drug testing process that falls short of the Tampering/ Attempted Tampering violation set out in Regulation 7, including (for example but without limitation) handling Samples when not permitted or authorised to do so by a Competent Official.
- (d) A Club failing to comply with the reasonable instructions of The Association or a Competent Official with regard to the adequacy of the Doping Control Station (which must contain the minimum facilities set out in the Procedural Guidelines).
- (e) Conduct intended to procure that a Player is not presented for drug testing or is delayed from being presented for drug testing. This may include (by way of example and without limitation):
 - (i) a Club either failing to allow a Competent Official access to a Player to notify the Player of a test, or delaying such access;

11 - ANTI-DOPING REGULATIONS

- (ii) a Club intentionally or negligently causing a failure to notify a Player or a delay in notifying a Player that they are required to submit to testing;
 - (iii) a delay in the Player submitting themselves for testing following such notification; and
 - (iv) a Club failing to present a selected Player for testing due to the Player sustaining a serious injury, where the Club fails to provide satisfactory evidence of the Player's admission to hospital and/or attendance at a medical consultation in relation to that injury to The Association within fourteen (14) days of the intended drug test. A serious injury is one which renders a Player incapable of taking a test and/or requires immediate attendance at hospital for medical treatment.
 - (f) For the avoidance of doubt, nothing in this Regulation 17 shall prevent any of the conduct mentioned being pursued as an Anti-Doping Rule Violation under Regulation 5 (Evading, refusing or failing to submit to Sample Collection), Regulation 7 (Tampering or Attempted Tampering with any part of Doping Control by a Participant or other Person), and/or Regulation 11 (Complicity or Attempted Complicity by a Participant or other Person), where appropriate.
- 18. Possession or Use of a Prohibited Substance by a Player Support Person:**
- (a) It is a breach of this Regulation 18 for a Player Support Person to Use any Prohibited Substance or to Possess any Prohibited Substance without valid justification.
 - (b) Possession of a Prohibited Substance that constitutes an Anti-Doping Rule Violation under Regulation 8 (Possession of a Prohibited Substance or a Prohibited Method by a Player or Player Support Person) shall be dealt with as an Anti-Doping Rule Violation pursuant to that Regulation.
 - (c) Possession of a Prohibited Substance by a Player Support Person that does not constitute an Anti-Doping Rule Violation under Regulation 8 shall be dealt with as Misconduct pursuant to this Regulation 18 (or, where appropriate, under The Association's Social Drugs Regulations).
- 19. For the avoidance of doubt, Regulations 15-18 do not restrict The Association's general power to bring proceedings for Misconduct pursuant to Rule E.1 of the Rules of The Association in any circumstances that it deems appropriate, whether related to The Association's Anti-Doping Programme or otherwise. Instead, Regulations 15-18 simply identify specific examples of conduct related to The Association's Anti-Doping Programme that may be treated as Misconduct pursuant to that Rule E.1.**

PART THREE – PROHIBITED SUBSTANCES AND PROHIBITED METHODS IDENTIFIED ON THE PROHIBITED LIST

- 20. The Prohibited List shall identify (a) those substances and methods that are prohibited as doping at all times (both In-Competition and Out-of-Competition) because of their potential to enhance performance in future or their masking potential, and (b) those substances and methods which are prohibited In-Competition only. The version of the Prohibited List current as at the Effective Date appears at Schedule Three.**
- 21. The Prohibited List and its revisions shall come into effect under these Anti-Doping Regulations three (3) months after publication of the Prohibited List by WADA without requiring any further action by The Association. All Participants and other Persons shall be bound by the Prohibited List, and any revisions thereto, from the date they go into effect, without further formality. It is the responsibility of all Participants and other Persons to familiarise themselves with the most up-to-date version of the Prohibited List and revisions thereto.**
- 22. For the purpose of the application of Part Seven (Consequences and other measures in respect of individuals), all Prohibited Substances shall be Specified Substances except as identified in the Prohibited List. No Prohibited Method shall be a Specified Method unless it is specifically identified as a Specified Method in the Prohibited List.**

11 - ANTI-DOPING REGULATIONS

23. For the purpose of the application of Part Seven (Consequences and other measures in respect of individuals), Substances of Abuse shall include those Prohibited Substances which are specifically identified as Substances of Abuse on the Prohibited List because they are frequently abused in society outside of the context of sport.
24. WADA's determination of the Prohibited Substances and Prohibited Methods that will be included on the Prohibited List, the classification of substances into categories on the Prohibited List, the classification of a substance as prohibited at all times or In-Competition only, and the classification of a substance or method as a Specified Substance, Specified Method or Substance of Abuse, is final and may not be challenged by a Participant or other Person, including, but not limited to, based on an argument that the substance or method was not a masking agent or did not have the potential to enhance performance, represent a health risk, or violate the spirit of sport.
25. Changes to the Prohibited List and Technical Documents relating to substances or methods on the Prohibited List shall not, unless they specifically provide otherwise, be applied retroactively. As an exception, however, when a Prohibited Substance or Prohibited Method has been removed from the Prohibited List, a Participant or other Person currently serving a period of Ineligibility on account of the formerly Prohibited Substance or Prohibited Method may apply to The Association to consider a reduction in the period of Ineligibility in light of the removal of the substance or method from the Prohibited List.

PART FOUR – DRUG TESTING AND INVESTIGATIONS PROCEDURES

26. A Player may be subject to In-Competition and Out-of-Competition Testing at any time and place by FIFA, WADA, and/or UKAD. Testing shall include, but shall not be limited to, urine tests, blood tests and/or dried blood spot tests. Save in exceptional and justifiable circumstances, all Testing shall take place without advance notice to the Player in question.
27. Administrative and procedural guidelines for the conduct of drug testing are set out in the Procedural Guidelines (see Schedule One). Procedural guidelines for Sample collection are also set out in the ISTI, a copy of which is available on WADA's website (www.wada-ama.org). In the event of inconsistency between the Procedural Guidelines and the ISTI, the ISTI shall prevail. For the avoidance of doubt, The Association may also exercise its powers of inquiry under the Rules of The Association to investigate possible instances of breach of these Anti-Doping Regulations.

PART FIVE – THERAPEUTIC USE EXEMPTIONS (“TUES”)

28. The presence of a Prohibited Substance or its Metabolites or Markers, and/or the Use or Attempted Use, Possession, or Administration or Attempted Administration of a Prohibited Substance or Prohibited Method, shall not be considered an Anti-Doping Rule Violation if it is consistent with the provisions of a TUE.
29. A Player may request permission to Use, for therapeutic purposes, substances or methods on the Prohibited List where such Use would otherwise be prohibited. The question of whether or not a TUE should be granted shall be determined by UKAD in accordance with the procedure and criteria for the grant of a TUE attached as Schedule Four to these Anti-Doping Regulations.

11 - ANTI-DOPING REGULATIONS

PART SIX – RESULTS MANAGEMENT

30. The Association's Results Management process is set out in this Part Six and in the ISRM. In the event of inconsistency between this Part Six and the ISRM, the ISRM shall prevail.
31. Results Management arising under these Anti-Doping Regulations shall be conducted by The Association and/or UKAD as agreed between them. References to The Association in this Part Six shall accordingly be deemed to encompass reference to UKAD as necessary, and references in the ISRM to the Results Management Authority shall be deemed to be references to either The Association or UKAD as necessary.

Review of Adverse Analytical Findings

32. Upon receipt of an Adverse Analytical Finding in relation to an "A" Sample, The Association (involving Independent Reviewers as it deems appropriate) shall conduct a review of any TUE granted to the Player as well as of the documentation relating to the Sample collection and the "A" Sample analysis, and any other relevant information, to determine:
- (a) whether the presence of the Prohibited Substance or its Metabolites or Markers in the Player's Sample is consistent with a valid and applicable TUE held by the Player (or alternatively whether the Player should be invited to apply for a retroactive TUE); or
 - (b) whether there has been any apparent departure from the ISTI or the International Standard for Laboratories ("ISL") that caused the Adverse Analytical Finding; or
 - (c) whether it is apparent that the Adverse Analytical Finding was caused by an ingestion of the Prohibited Substance by a permitted route.
33. If pursuant to Regulation 32 The Association determines either that the Adverse Analytical Finding is consistent with a valid and applicable TUE held by the Player (including any retroactive TUE), or that there has been an apparent departure from either the ISTI or the ISL that caused the Adverse Analytical Finding, or that it is apparent that the Prohibited Substance was ingested by a permitted route, The Association shall advise the Player, FIFA, WADA, UKAD, and any other relevant NADO of that fact, and no further action shall be taken in relation to such Adverse Analytical Finding.
34. If pursuant to Regulation 32 The Association determines that there is neither a valid and applicable TUE with which the Adverse Analytical Finding is consistent, nor a departure from either the ISTI or the ISL that caused the Adverse Analytical Finding, and nor is it apparent that the Prohibited Substance was ingested by a permitted route, it shall send the Player a Notice in accordance with Regulation 46.

Review of Atypical Findings

35. Where a laboratory reports the presence in a Sample of a Prohibited Substance or its Markers or Metabolites as an Atypical Finding, The Association (using Independent Reviewers as it deems appropriate) will conduct a review to determine:
- (a) whether the presence of the Prohibited Substance or its Marker or Metabolite in the Player's Sample is consistent with a valid and applicable TUE held by the Player (or alternatively whether the Player should be invited to apply for a retroactive TUE, if they have not applied already); or
 - (b) whether there has been any apparent departure from the ISTI or the ISL that caused the Atypical Finding; or
 - (c) whether it is apparent that the Atypical Finding was caused by an ingestion of the Prohibited Substance by a permitted route.

11 - ANTI-DOPING REGULATIONS

36. If it is determined pursuant to Regulation 35 either that the Atypical Finding is consistent with a valid and applicable TUE held by the Player (including any retroactive TUE), or that there has been an apparent departure from either the ISTI or the ISL that caused the Atypical Finding, or that it is apparent that the Prohibited Substance was ingested by a permitted route, The Association shall advise the Player, FIFA, WADA, UKAD, and any other relevant NADO of that fact, and no further action shall be taken in relation to such Atypical Finding.
37. If it is determined pursuant to Regulation 35 that there is neither a valid and applicable TUE with which the Atypical Finding is consistent, nor a departure from either the ISTI or the ISL that caused the Atypical Finding, and it is not apparent that the Prohibited Substance was ingested by a permitted route, The Association will conduct any necessary follow-up investigation, including any further Testing that may be required.
38. Pending the outcome of the investigation, the Atypical Finding will be kept confidential, save that:
- (a) if The Association determines that the “B” Sample should be analysed as part of the investigation, The Association shall notify the Player in accordance with Regulation 45(e), and such notice shall additionally include a description of the Atypical Finding and specify the Player’s right to request copies of the “A” and “B” Sample laboratory documentation packages;
 - (b) if requested by The Association, FIFA, a FIFA Confederation, another member Association of FIFA, or a National Olympic Committee that is about to select Players to participate in an international competition recognised by FIFA, The Association may confirm that the Player has a pending Atypical Finding, after informing the Player; and
 - (c) if the Atypical Finding is, in the opinion of qualified medical or expert personnel, likely to be connected to a serious pathology that requires urgent medical attention, The Association will inform the Player of the Atypical Finding.
39. If The Association decides that the Atypical Finding should not be pursued as a potential Anti-Doping Rule Violation, it shall notify the Player, FIFA, WADA, UKAD, and any other relevant NADO. FIFA and/or WADA and/or UKAD and/or any other relevant NADO may either appeal that decision in accordance with Part Nine (Appeals) or may elect to pursue the Atypical Finding as an Anti-Doping Rule Violation under its own rules.
40. If The Association decides that the Atypical Finding should be pursued as one or more potential Anti-doping Rule Violations, it shall send the Player a Notice in accordance with Regulation 46.

Review of Atypical Passport Findings and Adverse Passport Findings

41. The Association will review Atypical Passport Findings and Adverse Passport Findings in accordance with Annex C to the ISRM. At such time as The Association is satisfied that an Anti-Doping Rule Violation has occurred, it shall send the Player a Notice in accordance with Regulation 45.

Review of Whereabouts Failures

42. The Association will conduct Results Management in relation to potential Whereabouts Failures by Players in a Registered Testing Pool in accordance with ISRM Annex B.3. At such time as The Association is satisfied that an Anti-Doping Rule Violation has occurred, it shall send the Player a Notice in accordance with Regulation 45.

Review of other evidence of a potential Anti-Doping Rule Violation

43. Where there is evidence of a potential Anti-Doping Rule Violation other than an Adverse Analytical Finding, an Atypical Finding, an Adverse Passport Finding, or Whereabouts Failures, The Association will review the file in accordance with ISRM Annex A (where applicable).
44. Where The Association concludes that the Participant or other Person may have committed one or more Anti-Doping Rule Violations, The Association shall send the Participant or other Person a Notice in accordance with Regulation 45.

Notice

45. Where it is determined, pursuant to Regulations 32-44, that a Participant or other Person may have committed one or more Anti-Doping Rule Violations, The Association shall promptly notify the Participant or other Person, their Club (where relevant), UKAD, FIFA, WADA, any other relevant NADO, and (with the consent of a Player) the Professional Football Association ("PFA"), in writing (the "Notice") of:
- (a) the Anti-Doping Rule Violation(s) that The Association says the Participant or other Person may have committed;
 - (b) a summary of the facts and evidence relied upon by The Association in this regard;
 - (c) any Provisional Suspension to be imposed on the Participant or other Person pursuant to Regulation 54, along with an explanation of the Participant's or other Person's Regulation 53(d) rights in relation to such Provisional Suspension;
 - (d) the Consequences applicable under these Anti-Doping Regulations if it is established that the Participant or other Person has committed the specified Anti-Doping Rule Violation(s) (including identifying any discretion that may exist in relation to such Consequences under these Rules);
 - (e) where the specified Anti-Doping Rule Violations are Regulations 3 or 4 Anti-Doping Rule Violations based on an Adverse Analytical Finding:
 - (i) the details of the Adverse Analytical Finding;
 - (ii) the Player's right to a copy of the laboratory documentation package for the Adverse Analytical Finding;
 - (iii) the right of the Player to request the analysis of the "B" Sample, explaining that any request for such analysis must be sent in writing so that it is received by The Association within ten (10) days of the Player's receipt of the Notice, failing which the right to the "B" Sample analysis shall be deemed to be waived; and
 - (iv) if such right is exercised, the right of the Player and/or the Player's representative to attend the opening and analysis of the "B" Sample by the laboratory that analysed the "A" Sample at a date and time to be specified by The Association in accordance with Regulation 48.
 - (f) where the specified Anti-Doping Rule Violation is based on an Adverse Passport Finding, that copies of the Athlete Biological Passport documentation package and the joint expert report are enclosed with the Notice;
 - (g) the right of the Participant or other Person to provide an alternative explanation (by a specified deadline) for the facts based on which The Association says the Participant or other Person may have committed an Anti-Doping Rule Violation (for example, in a case based on an Adverse Passport Finding, an alternative explanation for the data on which the Adverse Passport Finding is based);
 - (h) the right of the Participant or other Person to respond to the Notice (by a specified deadline) in one of the following ways, depending on the explanation (if any) provided:
 - (i) to admit the Anti-Doping Rule Violation(s) asserted, and accede to the Consequences specified in the Notice;
 - (ii) to admit the Anti-Doping Rule Violation(s) asserted, but to dispute and/or seek to mitigate the Consequences specified in the Notice, and to have the Consequences determined at a hearing; or
 - (iii) to deny the Anti-Doping Rule Violation(s) asserted, and (if The Association proceeds to charge in accordance with Regulation 56) to have the assertion and (if necessary) any Consequences determined at a hearing; and

11 - ANTI-DOPING REGULATIONS

- (i) the opportunity for the Participant or other Person:
 - (i) to provide Substantial Assistance as set out in Regulation 85;
 - (ii) to benefit (if they admit the Anti-Doping Rule Violation(s)) from the one (1) year reduction of the otherwise applicable period of Ineligibility pursuant to Regulation 88 (if applicable); and
 - (iii) to seek to agree a case resolution agreement as per Regulation 89.
- 46. Before sending the Notice to the Participant or other Person, The Association will organise a check of ADAMS and check with WADA and other relevant Anti-Doping Organisations as necessary to determine whether the Participant or other Person has committed any prior doping offence(s), and will identify the relevant Consequences for the Anti-Doping Rule Violation asserted in the Notice accordingly.

"B" Sample analysis

- 47. In a case involving an Adverse Analytical Finding, if the Player exercises the right to have their "B" Sample analysed, such analysis shall be conducted by the laboratory that analysed the "A" Sample (unless the ISL provides otherwise) on the date and at the time specified by The Association, and the Player and/or their representative may attend at the laboratory on that date and at that time, at the Player's cost, to witness the opening and analysis of the "B" Sample, as may representatives of The Association, FIFA, and UKAD (each at their own cost).
- 48. If the Player and/or their representative is unable to attend at the date and time specified by The Association for analysis of the "B" Sample, alternative dates and times will be offered in accordance with ISRM Article 5.1.2.4. If the Player and/or their representative are unable to attend on those alternative dates, the laboratory will arrange for an independent witness to attend the "B" Sample analysis on the specified date and time to verify, in accordance with the ISL, that the "B" Sample container shows no signs of Tampering and that the identifying numbers correspond to those on the Sample collection documentation.
- 49. If the Player admits the Anti-Doping Rule Violation(s) asserted in the Notice, and/or does not request analysis of their "B" Sample by the deadline referenced in Regulation 6(e)(iii), they will be deemed to have accepted the accuracy and reliability of the Adverse Analytical Finding based on the "A" Sample analysis alone, and analysis of the "B" Sample shall not be required. The Association may however proceed with such analysis at any time if it sees fit, in which case an independent witness shall attend the analysis for the purpose set out in Regulation 48.
- 50. Where a Player who has requested analysis of their "B" Sample has been Provisionally Suspended in accordance with Regulation 53, they shall remain Provisionally Suspended pending analysis of their "B" Sample. If the analysis of the "B" Sample does not confirm the Adverse Analytical Finding reported in respect of the "A" Sample, then (unless The Association asserts a Regulation 4 Anti-Doping Rule Violation against the Player) the entire test shall be considered negative and the Player, FIFA, UKAD, WADA, and any other relevant NADO will be so informed. In such circumstances, the Notice will be withdrawn, any Provisional Suspension imposed on the Player pursuant to Regulation 54 will be deemed automatically vacated with immediate effect (without the need for any further formality), and no further disciplinary action will be taken against the Player by The Association in relation to the original Adverse Analytical Finding (provided, however, that The Association may investigate why the "B" Sample did not match the "A" Sample). In addition, where the Player or the Player's team has been removed from a Competition as a result of the Adverse Analytical Finding, if it is still possible (without otherwise affecting the Competition) for the Player or team to be reinstated, the Player or team may be reinstated and continue to take part in the Competition.
- 51. If the "B" Sample analysis confirms the Adverse Analytical Finding reported in respect of the "A" Sample, The Association will provide the "B" Sample laboratory documentation package to the Player, and give the Player a short deadline to provide or supplement their explanation for the Adverse Analytical Finding, and/or to admit the Anti-Doping Rule Violation(s) specified in the Notice based on the Adverse Analytical Finding to potentially benefit from a one (1) year reduction in the otherwise applicable period of Ineligibility under Regulation 89 (if applicable) and/or to accept a voluntary Provisional Suspension under Regulation 54 (if applicable). In case of doubt as to whether the "B" Sample analysis confirms the Adverse Analytical Finding in respect of the "A" Sample, The Association may refer the matter for further review by one or more Independent Reviewer(s), as The Association deems appropriate.

11 - ANTI-DOPING REGULATIONS

52. Where Regulation 49 or 50 applies, the Player shall not be responsible for the costs of the “B” Sample analysis. Where Regulation 51 applies, The Association may require the Player to pay the costs of the “B” Sample analysis.

Provisional Suspension

53. The ability of The Association to impose a Provisional Suspension under this Regulation 53 is separate from, and operates independently of, Rule E.16.
- (a) When, in respect of a Player, an Adverse Analytical Finding or Adverse Passport Finding is received for a Prohibited Substance or a Prohibited Method that is not a Specified Substance or Specified Method, The Association shall impose a Provisional Suspension on the Player (“Mandatory Provisional Suspension”). A Mandatory Provisional Suspension will come into effect on the date specified by The Association in the Notice issued to the Player.
 - (b) The Association may provisionally suspend a Participant or other Person in all other Anti-Doping Rule Violation cases (an “Optional Provisional Suspension”). An Optional Provisional Suspension will come into effect on the date specified by The Association in the Notice issued to the Participant or other Person.
 - (c) If a Provisional Suspension is based on an “A” Sample Adverse Analytical Finding, and subsequently analysis of the “B” Sample does not confirm that Adverse Analytical Finding, any Provisional Suspension that was imposed on a Player based on that Adverse Analytical Finding shall be lifted without delay.
 - (d) Where a Provisional Suspension is imposed, the Participant or other Person shall be entitled to either (i) a Provisional Hearing on a timely basis after its imposition; or (ii) an expedited hearing and determination of the charge against them.
 - (e) At a Provisional Hearing, a Provisional Suspension may only be lifted where –
 - (i) in respect of a Mandatory Provisional Suspension only, the Player establishes that (A) the violation is likely to have involved a Contaminated Product, or (B) the violation involves a Substance of Abuse and the Player establishes an entitlement to a reduced period of Ineligibility under Regulation 79(a);
 - (ii) in respect of either a Mandatory Provisional Suspension or Optional Provisional Suspension, (A) the Anti-Doping Rule Violation charged has no realistic prospect of being upheld due to a fundamental flaw in the case; or (B) there is a strong arguable case that in the circumstances of the particular case that no period of Ineligibility is likely to be imposed; or (C) other facts exist that make it clearly unfair, in all the circumstances, for the Participant or other Person to be subject to a Provisional Suspension prior to the final first instance decision on the merits. (Ground (C) is to be construed narrowly, and applied only in truly exceptional circumstances. For example, the fact that the Provisional Suspension would prevent the Participant or other Person Participating in a particular Competition or Match shall not qualify as exceptional circumstances for these purposes).
 - (f) A Regulatory Commission's decision not to lift a Mandatory Provisional Suspension due to a Player's assertion regarding a Contaminated Product shall not be appealable. Other decisions relating to Provisional Suspensions may be appealed in accordance with Regulation 118.
54. Voluntary acceptance of Provisional Suspension:
- (a) Players may, on their own initiative, voluntarily accept a Provisional Suspension prior to the later of: (i) the expiration of ten (10) days from the report of the “B” Sample (or waiver of the “B” Sample) or ten (10) days from the Notice of any other Anti-Doping Rule Violation, or (ii) the date on which the Player first competes after such report or Notice.
 - (b) Other Participants and Persons on their own initiative may voluntarily accept a Provisional Suspension if done so within ten days from the notice of the Anti-Doping Rule Violation.

11 - ANTI-DOPING REGULATIONS

Charge Letter

55. Upon receipt of a response by a Participant or other Person to a Notice, The Association will assess any explanation provided, and may conduct such further investigation as it sees fit. As part of such investigation, The Association may require that the Participant or other Person attends a personal interview. At any such interview, the Participant or other Person is entitled to be accompanied by a legal adviser, one representative from their Club (where applicable) a representative of the PFA (where applicable). Such interview may be recorded and may be used by The Association in any disciplinary proceedings brought against such Participant or other Person, or in any related investigation and/or disciplinary proceedings (whether conducted by The Association or any other party).
56. Where, after receipt of the response of the Participant or other Person to the Notice, or expiry of the deadline to receive such response, and after conducting such further investigation as it sees fit (if any), The Association considers that the Participant or other Person has committed one or more Anti-doping Rule Violations, The Association will promptly charge the Participant or other Person with the relevant Anti-Doping Rule Violation(s).
57. The charge letter sent by The Association to the Participant or other Person (the "Charge Letter") will set out the following:
- (a) the Anti-Doping Rule Violation(s) that The Association asserts the Participant or other Person has committed;
 - (b) a summary of the facts and evidence relied upon by The Association in support of that assertion;
 - (c) the Consequences that The Association will seek under these Anti-Doping Regulations if it is established that the Participant or other Person has committed the Anti-Doping Rule Violation(s) asserted;
 - (d) the right of the Participant or other Person to respond to the Charge Letter (by a specified deadline of not more than twenty (20) days, which may be extended only in exceptional cases) in one of the following ways:
 - (i) to admit the Anti-Doping Rule Violation(s) asserted, and accede to the Consequences specified in the Charge Letter, including (where applicable) the one (1) year reduction pursuant to Regulation 89 of the otherwise applicable period of Ineligibility;
 - (ii) to admit the Anti-Doping Rule Violation(s) asserted, but to dispute and/or seek mitigation of the Consequences specified in the Charge Letter, and to have those Consequences determined at a hearing; or
 - (iii) to deny the Anti-Doping Rule Violation(s) asserted, and to have the assertion and (if necessary) any Consequences determined at a hearing;
 - (e) a warning that if the Participant or other Person does not deny the Anti-Doping Rule Violation(s) asserted or dispute the proposed Consequences or request a hearing by the prescribed deadline, the Participant or other Person will be deemed to have waived their right to a hearing and to have admitted the Anti-Doping Rule Violation(s) asserted and accepted the Consequences proposed in the Charge Letter (although, for the avoidance of doubt, this will not trigger any entitlement to the one (1) year reduction pursuant to Regulation 88);
 - (f) noting the position in relation to any Provisional Suspension in accordance with Regulation 53; and
 - (g) noting the opportunity for the Participant or other Person to provide Substantial Assistance as set out in Regulation 85, and/or to seek to enter into a case resolution agreement as per Regulation 89.
58. The Participant or other Person has the right to respond to the Charge Letter in any one of the following ways:
- (a) admit the Anti-Doping Rule Violation(s) charged, and accede to the Consequences specified in the Charge Letter;
 - (b) admit the Anti-Doping Rule Violation(s) charged, but dispute and/or seek to mitigate the Consequences specified in the Charge Letter, and have the Consequences determined at a hearing; or

11 - ANTI-DOPING REGULATIONS

- (c) deny the Anti-Doping Rule Violation(s) charged, and have the charge and (if necessary) any Consequences determined at a hearing; provided that if no response is received by the deadline specified in the Charge Letter, the Participant or other Person will be deemed to have admitted the Anti-Doping Rule Violation(s) charged, and, unless The Association (at its sole discretion) refers the determination of the applicable Consequences to a hearing, the Participant or other Person will also be deemed to have acceded to the Consequences specified in the Charge Letter.
- 59. The Charge Letter will be sent at the same time to the Participant or other Person charged, UKAD, FIFA, WADA, and any other relevant NADO, and The Association will cause it to be promptly reported into ADAMS. Thereafter, The Association may Publicly Disclose the charge in accordance with Code Article 14.3.1.
- 60. If by the deadline specified in Regulation 57(d) the Participant or other Person disputes the charge(s) and/or the Consequences specified by The Association in the Charge Letter and requests a hearing, the matter shall be referred to a Regulatory Commission.
- 61. For the avoidance of doubt, The Association may decide to withdraw a Charge Letter for good cause. In that event, The Association will promptly issue a reasoned decision confirming the withdrawal of the Charge and will send notice of the decision to the Participant or other Person who was the subject of the Charge Letter, and to each of UKAD, FIFA, WADA, and any other relevant NADO.

Statute of Limitations

- 62. The Association may not charge a Participant or other Person with an alleged Anti-Doping Rule Violation unless the Participant or other Person has been notified of the alleged Anti-Doping Rule Violation, or notification has been reasonably attempted, within ten years of the date on which the Anti-Doping Rule Violation is alleged to have occurred.

Retirement from sport

- 63. If a Participant or other Person retires while a Results Management process is underway, The Association retains jurisdiction to complete its Results Management process.
- 64. If a Participant or other Person retires before any Results Management process has begun, and The Association would have had Results Management authority over the Participant or other Person at the time the Participant or other Person committed an Anti-Doping Rule Violation, The Association has the authority to conduct Results Management in respect of that Anti-Doping Rule Violation.

Disciplinary Proceedings

- 65. Any disciplinary proceedings brought against a Participant or other Person will be conducted in accordance with The Association's Disciplinary Regulations and any other applicable regulations, save to the extent contrary provisions are included in these Anti-Doping Regulations or the ISRM. By way of such contrary provisions, in respect of appeals, (1) an Appeal Board shall be independently administered and members of an Appeal Board may be appointed by an independent party from outside of The Association's Judicial Panel, and (2) in any case where each of The Association, Participant or other Person, WADA, and UKAD consents, proceedings alleging an Anti-Doping Rule Violation may be heard directly at CAS without any other prior hearing.
- 66. In determining whether or not a Participant or other Person has committed an Anti-Doping Rule Violation and any relevant Consequences, Regulatory Commissions and Appeal Boards shall interpret these Anti-Doping Regulations as an independent and autonomous text and not by reference to any existing national laws. These Anti-Doping Regulations are intended to implement the Code in a harmonised manner, and are distinct in nature from criminal and civil laws. They are not intended to be subject to or limited by any national requirements and legal standards applicable to criminal or civil proceedings, although they do respect and reflect, and are intended to be applied in a manner that respects and reflects, human rights and the principle of proportionality.

11 - ANTI-DOPING REGULATIONS

67. When reviewing the facts and the law of a given case, all courts, arbitral tribunals and other adjudicating bodies should be aware of and respect the distinct nature of these Anti-Doping Regulations, and of the fact that the Code that these Anti-Doping Regulations implement represents the views of the global consensus of WADA's stakeholders as to what is necessary to protect and ensure fair sport.

Proof of Doping

68. Notwithstanding that a different burden and/or standard of proof may apply in other disciplinary proceedings brought pursuant to the Rules and Regulations of The Association, in proceedings alleging an Anti-Doping Rule Violation The Association shall bear the burden of proving, to the comfortable satisfaction of any Regulatory Commission or Appeal Board or any other relevant commission or board (as applicable), bearing in mind the seriousness of the allegations that are made, that an Anti-Doping Rule Violation has taken place. This standard of proof is greater than a mere balance of probability but less than proof beyond a reasonable doubt. For the avoidance of doubt, this Regulation 68 does not apply to a charge for Misconduct for a breach of any of Regulations 15-18.
69. Where these Anti-Doping Regulations place the burden of proof on a Participant or other Person to rebut a presumption or establish specific facts or circumstances, the standard of proof shall be on the balance of probabilities, except as provided in Regulations 71 and 72.
70. Facts relating to Anti-Doping Rule Violations may be established by any reliable means, including but not limited to admissions and data collected as part of the Athlete Biological Passport or other profiling data.
71. Analytical methods or Decision Limits approved by WADA after consultation within the relevant scientific community or which have been the subject of peer review shall be presumed to be scientifically valid. Any Participant or other Person seeking to challenge whether the conditions for such presumption have been met or seeking to rebut the presumption shall, as a condition precedent, first notify WADA and explain the basis for their position. A Regulatory Commission or Appeal Board or any other relevant commission or board (as applicable), on its own initiative, may also inform WADA of any such challenge/attempt to rebut the presumption. Within ten (10) days of WADA's receipt of such notice, and the case file related to such challenge, WADA shall also have the right to intervene as a party, appear as an amicus curiae, or otherwise provide evidence in such proceedings. In cases before CAS, at WADA's request, the CAS Panel shall appoint an appropriate scientific expert to assist the panel if it is evaluation of the challenge/attempt to rebut the presumption.
- (a) Compliance with an International Standard (as opposed to another alternative standard, practice or procedure) shall be sufficient to conclude that the procedures addressed by the International Standard were performed properly.
 - (b) WADA-accredited laboratories and other laboratories approved by WADA are presumed to have conducted Sample analysis and custodial procedures in accordance with the ISL. The Participant or other Person asserted to have committed an Anti-Doping Rule Violation may rebut this presumption by establishing that a departure from the ISL occurred that could reasonably have caused the Adverse Analytical Finding (or other factual basis for any other Anti-doping Rule Violation asserted). If the Participant or other Person rebuts the preceding presumption by showing that a departure from the ISL occurred which could reasonably have caused the Adverse Analytical Finding, then The Association shall have the burden to establish that such departure did not cause the Adverse Analytical Finding.
72. Departures from any other International Standard or other anti-doping rule or policy set forth in the Code or in these Anti-Doping Regulations shall not invalidate analytical results or other evidence of an Anti-Doping Rule Violation; provided, however, that if the Participant or other Person establishes that a departure from one of the specific International Standard provisions listed below could reasonably have caused an anti-doping rule violation based on an Adverse Analytical Finding or whereabouts failure:
- (a) a departure from the ISTI related to Sample collection of Sample handling which could reasonably have caused an Anti-Doping Rule Violation based on an Adverse Analytical Finding, in which case The Association shall have the burden to establish that such departure did not cause the Adverse Analytical Finding;

11 - ANTI-DOPING REGULATIONS

- (b) a departure from the ISRM or ISTI provisions relating to an Adverse Passport Finding which could reasonably have caused the Anti-Doping Rule Violation asserted, in which case The Association shall have the burden to establish that such departure did not cause the Anti-Doping Rule Violation;
 - (c) a departure from the ISRM relating to the requirement to provide notice to the Player of the "B" Sample opening which could reasonably have caused the Adverse Analytical Finding based on which the Anti-Doping Rule Violation is asserted, in which case The Association shall have the burden to establish that such departure did not cause the Adverse Analytical Finding; or
 - (d) a departure from the ISRM provisions relating to Player notification which could reasonably have caused a whereabouts failure based on which the Anti-Doping Rule Violation is asserted in which case The Association shall have the burden to establish that such departure did not cause the whereabouts failure.
73. Facts established by a decision of a court or professional disciplinary tribunal that is not the subject of a pending appeal shall be irrebuttable evidence of those facts against the Participant or other Person to whom the decision pertained, unless that Participant or other Person establishes that the decision contravened principles of natural justice. To the extent that this Regulation differs from Regulation 24 of the Disciplinary Regulations, this Regulation shall prevail. This Regulation applies only to Anti-Doping Rule Violation cases.
74. A Regulatory Commission or Appeal Board or any other relevant commission or board (as applicable) hearing an Anti-Doping Rule Violation charge may draw any such adverse inference as it sees fit against a Participant or other Person based on the Participant's or other Person's refusal to appear at the hearing or answer questions relating to the charge, after any request that they do so that is made in reasonable time.

PART SEVEN – CONSEQUENCES AND OTHER MEASURES IN RESPECT OF INDIVIDUALS

Ineligibility for Presence, Use or Attempted Use, or Possession of a Prohibited Substance or Prohibited Method

75. The period of Ineligibility for a violation of Regulation 3 (Presence of a Prohibited Substance or its Metabolites or Markers in a Player's Sample), 4 (Use or Attempted Use by a Player of a Prohibited Substance or a Prohibited Method) or 8 (Possession of a Prohibited Substance or a Prohibited Method by a Player or Player Support Person) shall be as follows, subject to potential elimination, reduction, or suspension pursuant to Regulations 82 (Elimination of the period of Ineligibility where there is No Fault or Negligence), 83-84 (Reduction of the period of Ineligibility based on No Significant Fault or Negligence) or 85 - 87 (Elimination, reduction, or suspension of period of ineligibility or other consequences for reasons other than Fault).
76. Subject to Regulation 79(a), the period of Ineligibility shall be four (4) years where:
- (a) The Anti-Doping Rule Violation does not involve a Specified Substance, unless the Participant or other Person can establish that the Anti-Doping Rule Violation was not intentional.
 - (b) The Anti-Doping Rule Violation involves a Specified Substance and The Association can establish that the Anti-Doping Rule Violation was intentional.
77. If Regulation 76 does not apply, the period of Ineligibility shall be two (2) years, subject to Regulation 80(a).
78. As used in Regulation 76, the term "intentional" is meant to identify those Participants or other Persons who engage in conduct which they knew constituted an Anti-Doping Rule Violation or knew that there was a significant risk that the conduct might constitute or result in an Anti-Doping Rule Violation and manifestly disregarded that risk. An Anti-Doping Rule Violation resulting from an Adverse Analytical Finding for a substance which is only prohibited In-Competition shall be rebuttably presumed to be not intentional if the substance is a Specified Substance and the Player can establish that the Prohibited Substance was Used Out-of-Competition. An Anti-Doping Rule Violation resulting from an Adverse Analytical Finding for a substance which is only prohibited In-Competition shall not be considered "intentional" if the substance is not a Specified Substance and the Player can establish that the Prohibited Substance was Used Out-of-Competition in a context unrelated to sport performance.

11 - ANTI-DOPING REGULATIONS

79. Notwithstanding any other provision in Regulations 75 - 79, where the Anti-Doping Rule Violation involves a Substance of Abuse:
- (a) If the Player can establish that any ingestion or Use occurred Out-of-Competition and was unrelated to sport performance, then the period of Ineligibility shall be three (3) months, which may be reduced to one month if the Participant satisfactorily completes a Substance of Abuse treatment programme approved by The Association. The period of Ineligibility established in this Regulation 79(a) is not subject to any reduction based on any provision in Regulations 83 - 84.
 - (b) If the ingestion, Use, or Possession occurred In-Competition, and the Player can establish that the context of the ingestion, Use or Possession was unrelated to sport performance, the ingestion, Use, or Possession shall not be considered intentional for the purposes of Regulation 76 and shall not provide a basis for a finding of Aggravating Circumstances under Regulation 81.

Ineligibility for other Anti-Doping Rule Violations

80. The period of Ineligibility for Anti-Doping Rule Violations other than presence, Use or Attempted Use, or Possession of a Prohibited Substance or Prohibited Method, shall be as follows, unless Regulations 83 - 84 (Reduction of the period of Ineligibility based on No Significant Fault or Negligence) or Regulations 85 - 87 (Elimination, reduction, or suspension of period of Ineligibility or other consequences for reasons other than Fault) are applicable:
- (a) For violations of Regulation 5 (Evading, refusing or failing to submit to Sample collection) or 7 (Tampering or Attempted Tampering with any part of Doping Control by a Participant or other Person), the period of Ineligibility shall be four years except:
 - (i) in the case of failing to submit to Sample collection, if the Player can establish that the commission of the Anti-Doping Rule Violation was not intentional, the period of Ineligibility shall be two years;
 - (ii) in all other cases, if the Participant or other Person can establish exceptional circumstances that justify a reduction of the period of Ineligibility, the period of Ineligibility shall be in a range from two years to four years, depending on the Participant's or other Person's degree of Fault; or
 - (iii) in a case involving a Protected Person or Recreational Player, the period of Ineligibility shall be in a range between a maximum of two years and, at a minimum, a reprimand and no period of Ineligibility, depending on the Protected Person's or Recreational Player's degree of Fault.
 - (b) For violations of Regulation 6 (Registered Testing Pool Whereabouts Failures), the period of Ineligibility shall be two years, subject to reduction down to a minimum of one year, depending on the Player's degree of Fault, provided that there shall be no reduction where a pattern of last-minute whereabouts changes or other conduct raises a serious suspicion that the Player was trying to avoid being available for Testing.
 - (c) For violations of Regulation 9 (Trafficking or Attempted Trafficking in any Prohibited Substance or Prohibited Method by a Participant or other Person) or 10 (Administration or Attempted Administration by a Participant or other Person to any Player In-Competition of any Prohibited Substance or Prohibited Method, or Administration or Attempted Administration to any Player Out-of-Competition of any Prohibited Substance or any Prohibited Method that is prohibited Out-of-Competition), the period of Ineligibility shall be a minimum of four years up to lifetime Ineligibility, depending on the seriousness of the violation. A Regulation 9 or Regulation 10 violation involving a Protected Person shall be considered a particularly serious violation and, if committed by Player Support Person for violations other than for Specified Substances, shall result in lifetime Ineligibility for Player Support Person. In addition, significant violations of Regulation 9 or Regulation 10 which may also violate non-sporting laws and regulations shall be reported to the competent administrative, professional or judicial authorities.

- (d) For violations of Regulation 11 (Complicity or Attempted Complicity by a Participant or other Person), the period of Ineligibility imposed shall be a minimum of two years, up to lifetime Ineligibility, depending on the seriousness of the violation.
- (e) For violations of Regulation 12 (Prohibited association by a Participant or other Person), the period of Ineligibility shall be two years, subject to reduction down to a minimum of one year, depending on the Participant or other Person's degree of Fault and other circumstances of the case.
- (f) For violations of Regulation 13 (Acts by a Participant or other Person to discourage or retaliate against reporting to authorities), the period of Ineligibility shall be a minimum of two years, up to lifetime Ineligibility, depending on the seriousness of the violation by the Participant or other Person.

Aggravating circumstances which may increase the period of ineligibility

- 81.** If The Association establishes in an individual case involving an Anti-Doping Rule Violation other than violations under Regulation 9 (Trafficking or Attempted Trafficking in any Prohibited Substance or Prohibited Method by a Participant or other Person), Regulation 10 (Administration or Attempted Administration by a Participant or other Person to any Player In-Competition of any Prohibited Substance or Prohibited Method, or Administration or Attempted Administration to any Player Out- of- Competition of any Prohibited Substance or any Prohibited Method that is prohibited Out- of- Competition), Regulation 11 (Complicity or Attempted Complicity by a Participant or other Person), or Regulation 13 (Acts by a Participant or other Person to discourage or retaliate against reporting to authorities), that Aggravating Circumstances are present which justify the imposition of a period of Ineligibility greater than the standard sanction, then the period of Ineligibility otherwise applicable shall be increased by an additional period of Ineligibility of up to two years (with the increase depending on the seriousness of the violation and the nature of the Aggravating Circumstances) unless the Participant or other Person establishes that they did not knowingly commit the Anti-Doping Rule Violation.

Elimination of period of Ineligibility where there is No Fault or Negligence

- 82.** If a Participant or other Person establishes in an individual case that they bear No Fault or Negligence, the otherwise applicable period of Ineligibility shall be eliminated.

Reduction of the period of Ineligibility based on No Significant Fault or Negligence – Reduction of sanctions in particular circumstances for violations of Regulation 3 (Presence of a Prohibited Substance or its Metabolites or Markers in a Player's Sample), Regulation 4 (Use or Attempted Use by a Player of a Prohibited Substance or a Prohibited Method) or Regulation 8 (Possession of a Prohibited Substance or a Prohibited Method by a Player or Player Support Person).

- 83.** All reductions under this Regulation 83 are mutually exclusive and not cumulative.

- (a) Specified Substances or Specified Methods

Where the Anti-Doping Rule Violation involves a Specified Substance (other than a Substance of Abuse) or Specified Method, and the Participant or other Person can establish No Significant Fault or Negligence, the period of Ineligibility shall be, at a minimum, a reprimand and no period of Ineligibility, and at a maximum, two years of Ineligibility, depending on the Participant's or other Person's degree of Fault.

- (b) Contaminated Products

In cases where the Participant or other Person can establish both No Significant Fault or Negligence and that the detected Prohibited Substance (other than a Substance of Abuse) came from a Contaminated Product, the period of Ineligibility shall be, at a minimum, a reprimand and no period of Ineligibility, and at a maximum, two years' Ineligibility, depending on the Participant's or other Person's degree of Fault.

11 - ANTI-DOPING REGULATIONS

(c) Protected Persons or Recreational Players

Where the Anti-Doping Rule Violation not involving a Substance of Abuse is committed by a Protected Person or Recreational Player and the Protected Person or Recreational Player can establish No Significant Fault or Negligence, the period of Ineligibility shall be, at a minimum, a reprimand and no period of ineligibility, and at a maximum, two years' Ineligibility, depending on the Protected Person's or Recreational Player's degree of Fault.

Reduction of the period of Ineligibility based on No Significant Fault or Negligence beyond the application of Regulation 83

84. If a Participant or other Person establishes in an individual case where Regulation 83 is not applicable that they bear No Significant Fault or Negligence, then (subject to further reduction or elimination as provided in Regulations 85- 87) the otherwise applicable period of Ineligibility may be reduced based on the Participant's or other Person's degree of Fault, but the reduced period of Ineligibility may not be less than one-half of the period of Ineligibility otherwise applicable. If the otherwise applicable period of Ineligibility is a lifetime, the reduced period under this Regulation 84 may be no less than eight (8) years.

Elimination, reduction, or suspension of period of Ineligibility or other Consequences for reasons other than Fault

85. Substantial Assistance in discovering or establishing Code violations:

- (a) Prior to an appellate decision or the expiration of the time to appeal, The Association may suspend a part of the Consequences (other than Disqualification and mandatory Public Disclosure) imposed in an individual case where the Participant or other Person has provided Substantial Assistance to an Anti-Doping Organisation, criminal authority or professional disciplinary body:
- (i) which results in the Anti-Doping Organisation discovering or bringing forward an Anti-Doping Rule Violation by another Person; or
 - (ii) which results in a criminal or disciplinary body discovering or bringing forward a criminal offence or a breach of professional rules committed by another Person and the information provided by the Participant or other Person providing Substantial Assistance is made available to The Association, UKAD or another Anti-Doping Organisation with Results Management responsibility; or
 - (iii) which results in WADA initiating a proceeding against a Signatory, WADA-accredited laboratory, or Athlete Passport Management Unit (as defined in the ISL) for non- compliance with the Code or an International Standard or Technical Document; or
 - (iv) (with the approval by WADA) which results in a criminal or disciplinary body bringing forward a criminal offence or a breach of professional or sport rules arising out of a sport integrity violation other than doping. After an appellate decision or the expiration of time to appeal, The Association may only suspend a part of the otherwise applicable Consequences (other than Disqualification and mandatory Public Disclosure) with the approval of WADA and FIFA.
- (b) The extent to which the otherwise applicable period of Ineligibility may be suspended shall be based on the seriousness of the Anti-Doping Rule Violation committed by the Participant or other Person and the significance of the Substantial Assistance that they have provided to the effort to eliminate doping in sport, non-compliance with the Code, and/or sport integrity violations. No more than three quarters of the otherwise applicable period of Ineligibility may be suspended. If the otherwise applicable period of Ineligibility is a lifetime, the non-suspended period under this Regulation 85(b) must be no less than eight (8) years. For the purposes of this Regulation 85(b), the otherwise applicable period of Ineligibility shall not include any period of Ineligibility that could be added under Regulation 93(b). If so requested by a Participant or other Person who seeks to provide Substantial Assistance, The Association shall allow the Participant or other Person to provide the information to it subject to a Without Prejudice Agreement.

11 - ANTI-DOPING REGULATIONS

If the Participant or other Person fails to continue to cooperate and to provide the complete and credible Substantial Assistance upon which a suspension of the Consequences was based, The Association shall reinstate the original Consequences. If The Association decides to reinstate suspended Consequences or decides not to reinstate suspended Consequences, that decision may be appealed by any Person entitled to appeal under Regulation 118.

- (c) To further encourage Participant and other Persons to provide Substantial Assistance to Anti-doping Organisations, at the request of The Association or at the request of the Participant or other Person who has, or has been asserted to have, committed an Anti-Doping Rule Violation or other violation of the Code, WADA may agree at any stage of the Results Management process, including after an appellate decision, to what it considers to be an appropriate suspension of the otherwise-applicable period of Ineligibility and other Consequences. In exceptional circumstances, WADA may agree to suspensions of the period of Ineligibility and other Consequences for Substantial Assistance greater than those otherwise provided in this article, or even no period of Ineligibility, no mandatory Public Disclosure and/or no return of prize money or payment of fines or costs. WADA's approval shall be subject to reinstatement of the Consequences, as otherwise provided in this article. Notwithstanding Regulation 118, WADA's decisions in the context of this paragraph may not be appealed.
- (d) If The Association suspends any part of an otherwise applicable Consequence because of Substantial Assistance, it shall send notice providing justification for the decision to each Anti-doping Organisation with a right to appeal the decision under Regulation 118. In unique circumstances where WADA determines that it would be in the best interests of anti-doping, The Association may enter into appropriate confidentiality agreements limiting or delaying the disclosure of the Substantial Assistance agreement or the nature of Substantial Assistance being provided.

86. Admission of an Anti-Doping Rule Violation in the absence of other evidence:

Where a Participant or other Person voluntarily admits the commission of an Anti-Doping Rule Violation before receiving either (a) notification of a Sample collection that could establish the Anti-doping Rule Violation (in the case of a Regulation 3 Anti-Doping Rule Violation), or (b) a Notice (in the case of any other Anti-Doping Rule Violation), and that admission is the only reliable evidence of the violation at the time of the admission, the otherwise applicable period of Ineligibility may be reduced by up to but not by more than one half.

87. Application of multiple grounds for reduction of a sanction:

Where a Participant or other Person establishes entitlement to a reduction in sanction under more than one provision of Regulation 82 (Elimination of the period of Ineligibility where there is No Fault or Negligence), 83 - 84 (Reduction of the period of Ineligibility based on No Significant Fault or Negligence) or 85 - 87 (Elimination, reduction, or suspension of period of Ineligibility or other consequences for reasons other than Fault), before applying any reduction or suspension under Regulations 85 - 87, the otherwise applicable period of Ineligibility shall be determined in accordance with Regulations 75 - 79 (Ineligibility for presence, Use or Attempted Use, or Possession of a Prohibited Substance or Prohibited Method), 80 (Ineligibility for other Anti-Doping Rule Violations), and 83 - 84 (Reduction of the period of Ineligibility based on No Significant Fault or Negligence). If the Participant or other Person establishes entitlement to a reduction or suspension of the period of Ineligibility under Regulations 85 - 87, the period of Ineligibility may be reduced or suspended, but not below one fourth of the otherwise applicable period of Ineligibility.

88. Results Management agreements:

Where The Association sends a Participant or other Person a Charge Letter for an Anti-Doping Rule Violation that carries an asserted period of Ineligibility of four (4) or more years (including any period of Ineligibility asserted under Regulation 81), if the Participant or other Person admits the violation and accepts the asserted period of Ineligibility no later than twenty (20) days after receiving the Charge Letter, they shall receive a one (1) year reduction in the period of Ineligibility asserted by The Association. Where the Participant or other Person receives the one (1) year reduction in the asserted period of Ineligibility under this Regulation 88, no further reduction in the asserted period of Ineligibility shall be allowed under any other Regulation.

11 - ANTI-DOPING REGULATIONS

89. Case resolution agreements:

Where the Participant or other Person admits an Anti-Doping Rule Violation after being confronted with it by The Association and agrees to Consequences acceptable to The Association and WADA, at their sole discretion:

- (a) the Participant or other Person may receive a reduction in the period of Ineligibility based on an assessment by The Association and WADA of the application of Regulations 75 – 87 to the asserted Anti-Doping Rule Violation, the seriousness of the violation, the Participant's or other Person's degree of Fault, and how promptly the Participant or other Person admitted the violation; and
- (b) the period of Ineligibility may start as early as the date of Sample collection or the date on which another Anti-Doping Rule Violation last occurred.

In each case, however, where this Regulation 89 is applied, the Participant or other Person shall serve at least one half of the agreed upon period of Ineligibility going forward from the earlier of (1) the date the Participant or other Person accepted the imposition of a period of Ineligibility; and (2) the date the Participant or other Person accepted a Provisional Suspension which they subsequently respected. The decision by The Association and WADA to enter or not enter into a case resolution agreement, and the amount of the reduction to, and the starting date of, the period of Ineligibility agreed, are not matters that may be determined or reviewed by a hearing panel and are not subject to appeal under Regulation 118. If so requested by a Participant or other Person who seeks to enter into a case resolution agreement under this Regulation, The Association shall allow the Participant or other Person to discuss the potential admission of the Anti-Doping Rule Violation with it subject to a Without Prejudice Agreement.

Multiple violations

90. For a Participant's or other Person's second Anti-Doping Rule Violation, the period of Ineligibility shall be the greater of:

- (a) a six (6) month period of Ineligibility; and
- (b) a period of Ineligibility in the range between:
 - (i) the sum of the period of Ineligibility imposed for the first Anti-Doping Rule Violation plus the period of Ineligibility otherwise applicable to the second Anti-Doping Rule Violation treated as if it were a first violation; and
 - (ii) twice the period of Ineligibility otherwise applicable to the second Anti-Doping Rule Violation treated as if it were a first violation.

The period of Ineligibility within this range shall be determined based on the entirety of the circumstances and the Participant's or other Person's degree of Fault with respect to the second violation.

The period of Ineligibility established in this Regulation 90 may then be further reduced by the application of Regulation 85.

91. A third Anti-Doping Rule Violation will always result in a lifetime period of Ineligibility, except that if the third violation fulfils the condition for reduction of the period of Ineligibility under Regulations 83 - 84, or involves a violation of Regulation 6 (Registered Testing Pool Whereabouts Failures), the period of Ineligibility shall be from eight (8) years to lifetime Ineligibility. The period of Ineligibility established in this Regulation 91 may then be further reduced by the application of Regulation 85.

92. An Anti-Doping Rule Violation for which a Participant or other Person has established No Fault or Negligence shall not be considered a violation for the purposes of Regulations 90 - 91. In addition, an Anti-Doping Rule Violation sanctioned under Regulation 79(a) shall not be considered a violation for the purposes of Regulations 90 - 91.

11 - ANTI-DOPING REGULATIONS

93. Additional rules for certain multiple offences:

- (a) For the purpose of imposing sanctions under Regulations 90 - 91, except as provided in Regulations 93(b) and 93(c), an Anti-Doping Rule Violation will only be considered a second or third violation if The Association can establish that the Participant or other Person committed the additional Anti-Doping Rule Violation after the Participant or other Person received notice, or after The Association made a reasonable attempt to give notice, of the first (or the second, as applicable) Anti-Doping Rule Violation. Otherwise, the first and second Anti-Doping Rule Violations (or the second and third Anti-Doping Rule Violations, as applicable) shall be considered as one single first Anti-Doping Rule Violation, and the sanction imposed shall be based on the Anti-Doping Rule Violation that carries the more severe sanction, including the application of Aggravating Circumstances. Results in all Matches dating back to the earlier Anti-doping Rule Violation will be Disqualified as provided in Regulations 95 – 98.
- (b) If The Association establishes that a Participant or other Person committed an additional Anti-doping Rule Violation prior to notification of the first Anti-Doping Rule Violation, and that the additional violation occurred twelve (12) months or more before or after the first notified violation, the period of Ineligibility for the additional violation shall be calculated as if it were a stand-alone first violation, and this period of Ineligibility will be served consecutively to, rather than concurrently with, the period of Ineligibility imposed for the first-notified violation. Where this Regulation 93(b) applies, the violations taken together shall constitute a single violation for purposes of Regulations 90 - 91.
- (c) If The Association establishes that a Participant or other Person committed a Regulation 7 Anti-doping Rule Violation in connection with the Doping Control process relating to another asserted Anti-Doping Rule Violation, the Regulation 7 Anti-Doping Rule Violation shall be treated as a stand-alone first violation and the period of Ineligibility for such violation shall be served consecutively to, rather than concurrently with, the period of Ineligibility (if any) imposed for the underlying Anti-Doping Rule Violation. Where this Regulation 93(c) is applied, the violations taken together shall constitute a single violation for purposes of Regulations 90 - 91.
- (d) If The Association establishes that a Participant or other Person has committed a second or third Anti-Doping Rule Violation during a period of Ineligibility, the periods of Ineligibility for the multiple violations shall run consecutively, rather than concurrently.

94. For the purposes of Regulations 90 - 91, each Anti-Doping Rule Violation must take place within the same ten (10) year period in order to be considered multiple violations.

Disqualification of individual results

- 95. An Anti-Doping Rule Violation in connection with an In-Competition test automatically leads to Disqualification of any awards received by individual Players in the relevant Match.
- 96. An Anti-Doping Rule Violation occurring during or in connection with a Competition may, upon the decision of the Competition, lead to Disqualification of all of the Player's individual results obtained in that Competition, except as provided in Regulation 97. Factors to be included in considering whether to Disqualify other results in a Competition might include, for example, the seriousness of the Player's Anti-Doping Rule Violation, and whether the Player tested negative in the other Matches in the Competition.
- 97. If the Player establishes that they bear No Fault or Negligence for the violation, the Player's individual results in the other Matches in the Competition shall not be Disqualified, unless the Player's results in Matches other than the Match in which the Anti-Doping Rule Violation occurred were likely to have been affected by the Player's Anti-Doping Rule Violation.
- 98. In addition to the automatic Disqualification of the results in the Match which produced the positive Sample under Regulation 95, all other competitive results of the Player obtained from the date a positive Sample was collected (whether In-Competition or Out-of-Competition), or other Anti-Doping Rule Violation occurred, through the commencement of any Provisional Suspension or Ineligibility period, shall, unless fairness requires otherwise, be Disqualified with all of the resulting Consequences.

11 - ANTI-DOPING REGULATIONS

Forfeited prize money

99. If The Association has recovered prize money forfeited as a result of an Anti-Doping Rule Violation, it shall take reasonable measures to allocate and distribute this prize money to the Player(s) who would have been entitled to it had the forfeiting Player not competed.

Financial Consequences

100. A fine may also be imposed for an Anti-Doping Rule Violation, but only where the maximum period of Ineligibility has been imposed, and only where doing so is in accordance with the principle of proportionality. Where a fine or costs order is imposed in respect of an Anti-Doping Rule Violation, this shall not be considered as grounds for reducing any period of Ineligibility applicable under these Anti-Doping Regulations.

Commencement of period of Ineligibility

101. Where a Participant or other Person is already serving a period of Ineligibility for an Anti-Doping Rule Violation, any new period of Ineligibility for an Anti-Doping Rule Violation shall commence on the first day after the current period of Ineligibility has been served. Otherwise, subject to Regulations 102 - 103, a period of Ineligibility shall commence from the date of the final hearing decision providing for the period of Ineligibility or, if the Participant or other Person waives the right to a hearing or there is no hearing, on the date that the period of Ineligibility is accepted or otherwise imposed.
102. Where there have been substantial delays in the hearing process or other aspects of Doping Control, and the Participant or other Person can establish that such delays are not attributable to them, the period of Ineligibility may be deemed to have started at any time from the date the Anti-Doping Rule Violation occurred (e.g. the date of the Sample collection) to take account of such delays. All competitive results achieved during the period of Ineligibility, including retroactive Ineligibility, shall be Disqualified.
103. Credit for Provisional Suspension or period of Ineligibility served:
- (a) If a Provisional Suspension is respected by the Participant or other Person, the Participant or other Person shall receive a credit for such period of Provisional Suspension against any period of Ineligibility which may ultimately be imposed. If the Participant or other Person does not respect a Provisional Suspension, the Participant or other Person shall receive no credit for any period of the Provisional Suspension served. If a period of Ineligibility is served pursuant to a decision that is subsequently appealed, the Participant or other Person shall receive a credit for such period of Ineligibility served against any period of Ineligibility which may ultimately be imposed on appeal.
 - (b) If a Participant or other Person voluntarily accepts a Provisional Suspension in writing from The Association and thereafter respects the Provisional Suspension, the Participant or other Person shall receive a credit for such period of voluntary Provisional Suspension against any period of Ineligibility which may ultimately be imposed. A copy of the Participant's or other Person's voluntary acceptance of a Provisional Suspension shall be provided promptly to each party entitled to receive notice of an asserted Anti-Doping Rule violation as provided in these Anti-doping Regulations.
 - (c) No credit against a period of Ineligibility shall be given for any time period before the effective date of the Provisional Suspension or voluntary Provisional Suspension regardless of whether the Player elected not to compete or was suspended by the Player's Club.

Status during Ineligibility or Provisional Suspension

104. While subject to a period of Ineligibility or Provisional Suspension, a Participant or other Person may not participate in any capacity in a Match or activity (other than authorised anti-doping Education or rehabilitation programmes) authorised or organised by FIFA, any other Signatory, a club or other member organisation of any Signatory, or in competitions authorised or organised by any professional league or any international or national-level competition organisation or any elite or national-level sporting activity funded by a governmental agency.

11 - ANTI-DOPING REGULATIONS

105. A Participant or other Person subject to a period of Ineligibility longer than four years may, after completing four years of the period of Ineligibility, participate in local sports competitions not approved or otherwise under the authority of FIFA or any other Signatory or its member, but only so long as the local sports competition is not at a level that could otherwise qualify such Participant or other Person directly or indirectly to compete in (or accumulate points towards) a national championship or international competition, and does not involve the Participant or other Person working in any capacity with Protected Persons.
106. A Player subject to a period of Ineligibility shall remain subject to Testing and any possible requirement by The Association or an Anti-Doping Organisation to provide whereabouts information.
107. In addition, save where the Anti-Doping Rule Violation involved a reduced sanction further to Regulations 82 - 84, some or all financial support or benefits (if any) that might have otherwise been provided to the Participant or other Person shall be withheld by The Association, Signatories, Signatories' member organisations, and governments or government agencies.
108. As an exception to Regulation 104, a Player may return to train with a team or to use the facilities of a club or other member organisation of a FIFA member association or any other Signatory during the shorter of: (1) the last two (2) months of the Player's period of Ineligibility, or (2) the last one quarter of the period of Ineligibility imposed.
109. Where a Participant or other Person who has been declared Ineligible violates the prohibition against participation during Ineligibility as described in Regulation 104, the results of such participation shall be Disqualified and a new period of Ineligibility equal in length up to the original period of Ineligibility shall be added to the end of the original period of Ineligibility. The new period of Ineligibility, including a reprimand and no period of Ineligibility, may be adjusted based on the Participant's or other Person's degree of Fault and other circumstances of the case. The determination of whether a Participant or other Person has violated the prohibition against participation, and whether an adjustment is appropriate, shall be made by The Association or the Anti-Doping Organisation whose Results Management led to the imposition of the initial period of Ineligibility. If the Participant or other Person does not accept any new period of Ineligibility (or, if applicable, reprimand) proposed by The Association or Anti-Doping Organisation, the matter shall proceed to a hearing before a Regulatory Commission in accordance with the Disciplinary Regulations and ISRM Article 11.1. The Regulatory Commission's decision may be appealed pursuant to Part Nine.
110. A Participant or other Person who violates the prohibition against participation during a Provisional Suspension shall receive no credit for any period of Provisional Suspension served and the results of such participation shall be Disqualified. Where a Player Support Person or other Person assists a Person in violating the prohibition against participation during Ineligibility or a Provisional Suspension, The Association shall pursue the matter as a potential Regulation 11 (Complicity or Attempted Complicity by a Participant or other Person) Anti-Doping Rule Violation.

Automatic publication of Consequences

111. A mandatory Consequence in every case where an Anti-Doping Rule Violation has been committed shall be automatic publication of details of the relevant decision as provided in Regulation 136.

Reinstatement testing

112. A Player who is the subject of a suspension pursuant to these Anti-Doping Regulations remains subject to these Anti-Doping Regulations (including, without limitation, the requirement to submit to drug testing to determine compliance with these Anti-Doping Regulations) during their period of Ineligibility. Therefore, they must make themselves available for testing during that period of Ineligibility and must at the request of The Association (or other sports governing body if the Player moves outside of The Association's jurisdiction) provide details of their whereabouts to The Association (or other sports governing body, as applicable) to allow such testing to take place.

11 - ANTI-DOPING REGULATIONS

- 113.** Any Player who retires from football while they are the subject of a period of Ineligibility pursuant to these Anti-Doping Regulations must make themselves available for testing if they seek to participate in any other sports competition. Where any such Player seeks a return to football activity, they may only make such return once they have notified The Association of their intention to return and have made themselves available for Out-of-Competition testing for a period equal to the period of Ineligibility they remained subject to when they retired, or six (6) months, whichever is the longer.
- 114.** If a Player who is not suspended retires from football, such that they are no longer subject to testing by The Association or any other relevant authority, they may not return to participate in football activity unless they notify The Association in writing at least six (6) months before they expect to resume football activity and make themselves available for Out-of-Competition testing and (if requested) complies with the whereabouts requirements during that six month period. WADA in association with The Association may grant an exemption from this six (6) month written notice requirement where its application would be manifestly unfair to the Player.
- (a) Where a Player decides to end their career in accordance with Rule C, the Player shall give written notice of retirement to The Association via the email address antidoping@thefa.com.

PART EIGHT – CONSEQUENCES FOR CLUBS

- 115.** Where more than one member of a team has been notified of an Anti-Doping Rule Violation in connection with a Competition, the team may be subjected to Target Testing during the Competition.
- 116.** If more than two Players of a team are found to have committed Anti-Doping Rule Violations during a Competition and in the same playing season, whilst registered to play for that team, a Regulatory Commission shall impose a sanction on the Club, in addition to any Consequences imposed on the Players who committed such Anti-Doping Rule Violations. This sanction shall automatically follow from the Anti-Doping Rule Violations committed by the Players. The Club will not be entitled to challenge the findings of the Regulatory Commission or Appeal Board in relation to the Anti-Doping Rule Violations committed by the Players, but shall be entitled only to address a Regulatory Commission in mitigation as to the sanction to be imposed on the Club.
- 117.** The sanctions available to a Regulatory Commission in such circumstances shall be as follows:
- (a) a points deduction;
 - (b) forfeit of a Match or Matches;
 - (c) exclusion of a team from a Competition; and/or
 - (d) a fine.

11 - ANTI-DOPING REGULATIONS

PART NINE – APPEALS

- 118.** The following decisions – a decision that an Anti-Doping Rule Violation was committed, a decision imposing or not imposing Consequences for an Anti-Doping Rule Violation, or a decision that no Anti-doping Rule Violation was committed; a decision that an Anti-Doping Rule Violation proceeding cannot go forward for procedural reasons (including, for example, prescription); a decision by WADA not to grant an exception to the six (6) months' notice requirement for a retired Player to return to Competition under Regulation 114; a decision by WADA assigning Results Management responsibility; a decision by The Association not to bring forward an Adverse Analytical Finding or an Atypical Finding as an Anti-Doping Rule Violation, or a decision not to go forward with an Anti-Doping Rule Violation after an investigation; a decision to impose, or lift, a Provisional Suspension as a result of a Provisional Hearing; The Association's failure to comply with Regulation 53 (provisional suspensions); a decision that The Association lacks jurisdiction to rule on an alleged Anti-Doping Rule Violation or its Consequences; a decision to suspend, or not suspend, a period of Ineligibility or to reinstate, or not reinstate, a suspended period of Ineligibility under Regulation 85); a failure to comply with Regulation 90; a decision under Regulation 109; and a decision by The Association not to recognise another Anti-doping Organisation's decision – may be appealed by any of the following parties exclusively as provided for by this Part Nine:
- (a) the Participant or other Person who is the subject of the decision being appealed;
 - (b) The Association;
 - (c) any other party to the case in which the decision was rendered;
 - (d) FIFA;
 - (e) UKAD;
 - (f) the NADO(s) of the Participant's or other Person's country of residence, country of nationality, and country where they are licensed to participate in sport (if different from UKAD); and
 - (g) WADA.
- 119.** Decisions subject to possible appeal in accordance with Regulation 118 shall be notified immediately to UKAD, FIFA, WADA, and any other relevant NADO. In cases involving International-Level Players (as defined by FIFA), the decision may be appealed exclusively to CAS. Save as otherwise specified in this Part Nine, in all other cases the appeal shall proceed under The Association's Appeal Regulations.
- 120.** The deadline for FIFA, UKAD, and any other relevant NADO to lodge an appeal shall be twenty-one (21) days from receipt of the decision. Any Regulation that stipulates a time limit applicable to other appellants in The Association's Appeal Regulations shall not apply to UKAD, FIFA, WADA, and any other relevant NADO in anti-doping cases.
- 121.** The filing deadline for an appeal filed by WADA shall be the later of:
- (a) twenty-one (21) days after the last day on which any other party having a right to appeal could have appealed; or
 - (b) twenty-one (21) days after WADA's receipt of the complete file relating to the decision.
- 122.** FIFA and WADA shall also have the right to appeal to CAS against any decision of the Appeal Board in relation to an Anti-Doping Rule Violation that would otherwise be final and binding under The Association's Appeal Regulations. Such decisions of the Appeal Board shall be sent immediately to FIFA and WADA. The deadline for FIFA and WADA to lodge such an appeal shall be twenty-one (21) days from receipt of the decision and any case file from The Association. Cross appeals and other subsequent appeals by any respondent named in cases brought to CAS under the Code are specifically permitted. Any party with a right to appeal under these Anti-Doping Regulations must file a cross appeal or subsequent appeal at the latest with the party's answer.

11 - ANTI-DOPING REGULATIONS

123. Both the Participant or other Person who is the subject of the decision and The Association shall have the right to act as a respondent where an appeal is brought by UKAD, FIFA, WADA, and any other relevant NADO.
124. Any Anti-Doping Organisation that is a party to an appeal shall promptly provide the appeal decision to the Participant or other Person and to the other Anti-Doping Organisations that would have been entitled to appeal.
125. Notwithstanding any other provision of these Anti-Doping Regulations, where WADA has a right of appeal under these Anti-Doping Regulations against a decision, and no other party has appealed against that decision, WADA may appeal that decision directly to CAS without having first to exhaust any other remedy, including (without limitation) without having to appeal to the Appeal Board. Where The Association (Regulatory Commission or Appeal Board) fails to render a decision with respect to whether an Anti-Doping Rule Violation was committed within a reasonable deadline set by WADA, WADA may elect to appeal directly to CAS as if The Association had rendered a decision finding no Anti-Doping Rule Violation. If CAS determines that an Anti-Doping Rule Violation was committed and that WADA acted reasonably in electing to appeal directly to CAS, WADA's costs and legal fees shall be reimbursed by The Association.
126. The scope of review for any appeal pursuant to these Anti-Doping Regulations includes all issues relevant to the matter and is expressly not limited to the issues or scope of review before the initial decision maker. Any party to an appeal may submit evidence, legal arguments and claims that were not raised in the first instance hearing so long as they arise from the same cause of action or same general facts or circumstances raised or addressed in the first instance hearing. In making its decision in any appeal, CAS need not give deference to the discretion exercised by the body whose decision is being appealed.

PART TEN – CONFIDENTIALITY, REPORTING AND PUBLICATION

127. A Player has the right to access information relevant to their test held by The Association in relation to the Anti-Doping Programme. The Association may however refuse such access if, for example but without limitation, the release of such information:
 - (a) would jeopardise any charges brought or to be brought by The Association or jeopardise an ongoing investigation whether or not this involves the Player who was being charged;
 - (b) would jeopardise the rights of third parties (including the source(s) of information received by The Association); or
 - (c) appears to be sought by the Player for an improper or collateral purpose.
128. Periodically, The Association may publish to UKAD or the public, in summary and anonymised form, reports of tests undertaken on Players.
129. If The Association charges a Participant or other Person with commission of an Anti-Doping Rule Violation, The Association shall notify UKAD, FIFA, WADA and any other relevant NADO simultaneously with the issue of the charge to the Participant or other Person. Notification shall include: the Participant's or other Person's name, country and discipline within football, the Participant's or other Person's competitive level, whether the test (if any) was In-Competition or Out-of-Competition, the date of Sample collection, the analytical result reported by the laboratory, and other information as required by the ISTI, or, for Anti-Doping Rule Violations other than under Regulation 3, the rule violated and the basis of the alleged violation.
130. FIFA, WADA, UKAD and any other relevant NADO shall be regularly updated on the status and findings of any review or proceedings conducted by The Association pursuant to these Anti-Doping Regulations, including by way of a prompt written reasoned explanation or decision explaining the resolution of the matter.
131. The Association shall notify FIFA, WADA, UKAD and any other relevant NADO of the decision of any Regulatory Commission and/or Appeal Board considering an Anti-Doping Rule Violation.

11 - ANTI-DOPING REGULATIONS

132. The recipient organisations shall not disclose any of this information beyond those persons with a need to know (which would include the appropriate personnel at the applicable Club) until The Association has made Public Disclosure or has failed to make Public Disclosure of this information.
133. Any information provided by The Association to third parties in respect of pending cases pursuant to these Anti-Doping Regulations shall be provided to them on the confidential basis set out in Code Article 14.1.5.
134. Any information relating to a whereabouts-related failure in respect of a Player shall not be disclosed beyond those persons with a need to know unless and until that Player is found to have committed an Anti-Doping Rule Violation or Misconduct based on such whereabouts-related failure. Such persons who need to know shall also maintain the confidentiality of such information until the same point.
135. The Association shall not comment publicly on the specific facts of a pending case, except in response to public comments attributable to the Participant or other Person concerned or their representatives.
136. In the event of an Anti-Doping Rule Violation being determined by a final decision in disciplinary proceedings (including any appeal proceedings), Results Management agreement, or case resolution agreement, or a Participant being found to have violated the prohibition against participation during a period of Ineligibility or Provisional Suspension (under Regulation 109), The Association shall make Public Disclosure by publishing on its website the details of the decision, including the violation, the name of the Participant or other Person who committed the violation, the Prohibited Substance or Prohibited Method involved (where applicable), and the Consequences imposed. Where the final decision is that no Anti-Doping Rule Violation has been committed, the decision may only be Publicly Disclosed, whether in its entirety or in redacted form, with the consent of the Participant or other Person. The Association shall use reasonable efforts to obtain such consent. Public Disclosure on The Association's website of any decision pursuant to this Regulation 136 shall be for the longer of either one month or the duration of any suspension imposed on the Participant or other Person.
137. The mandatory requirement to make Public Disclosure of decisions contained in Regulation 136 shall not apply (a) where the Participant or other Person who has committed an Anti-Doping Rule Violation is a Protected Person or a Recreational Player, or in the case of decisions finding Misconduct contrary to any of Regulations 14 - 17. Any optional Public Reporting in a case involving a Protected Person, Minor or a Recreational Player shall be proportionate to the facts and circumstances of the case. Any publication by The Association in relation to such cases will be entirely at its discretion.
138. Notwithstanding Regulation 136, the Regulatory Commission or Appeal Board may order that some or all of the text of any decision it reaches in an anti-doping case may not be published, where there are compelling reasons not to publish. In such cases, only the outcome may be published.

PART ELEVEN – EDUCATION REQUIREMENTS

Education requirements

139. A Club participating in either the Premier League, EFL, WSL or WSL2 will receive an education session for its Players each season. A failure of a Club to make reasonable endeavours to ensure the attendance of all of its Players at an education session may result in a charge of Misconduct.
140. Any Club with an Academy participating in either the Premier League or EFL will receive an education session for all of its Scholars each season. A failure of a Club to make reasonable endeavours to ensure the attendance of all of its Scholars at an education session may result in a charge of Misconduct.
141. A Club participating in either the Premier League, EFL, WSL or WSL2 shall at all times ensure that at least two members of its Player Support Personnel have completed a designated anti-doping education course as directed by The Association from time to time. At least one of the Club's Player Support Personnel shall at all times be a member of the Club's medical staff.

A failure by a Club to comply may result in a charge of Misconduct.

11 - ANTI-DOPING REGULATIONS

PART TWELVE – MISCELLANEOUS

Implementation of decisions

- 142.** A decision regarding an anti-doping rule violation made by a Signatory Anti-Doping Organisation, an appellate body or CAS shall, after the parties to the proceeding are notified, automatically be binding beyond the parties to the proceeding and upon FIFA and The Association, as well as every Signatory in every sport with the effects described below:
- (a) A decision by any of the above-mentioned bodies imposing a Provisional Suspension (after a Provisional Hearing has occurred or the Participant or other Person has either accepted the Provisional Suspension or has waived the right to a Provisional Hearing, expedited hearing or expedited appeal offered in accordance with Article 7.4.3 of the Code) automatically prohibits the Participant or other Person from participation in all sports within the authority of any Signatory during the Provisional Suspension.
 - (b) A decision by any of the above-mentioned bodies imposing a period of Ineligibility (after a hearing has occurred or been waived) automatically prohibits the Participant or other Person from participation in all sports within the authority of any Signatory for the period of Ineligibility.
 - (c) A decision by any of the above-mentioned bodies accepting an anti-doping rule violation automatically binds all Signatories.
 - (d) A decision by any of the above-mentioned bodies to Disqualify results in accordance with Article 10.10 of the Code for a specified period automatically Disqualifies all results obtained within the authority of any Signatory during the specified period.
- 143.** The Association shall recognise and implement a decision and its effects as required by Regulation 142, without any further action required, on the date The Association receives actual notice of the decision.
- 144.** A decision by an Anti-Doping Organisation, a national appellate body or CAS to suspend or lift Consequences shall be binding upon The Association without any further action required, on the date The Association receives actual notice of the decision.
- 145.** Notwithstanding any provision in this Part Eleven, a decision of an anti-doping rule violation by a Major Event Organisation made in an expedited process during a Competition shall not be binding on The Association unless the rules of the Major Event Organisation provide the Participant or other Person with an opportunity to an appeal under non-expedited procedures.
- 146.** The Association may decide to implement other anti-doping decisions rendered by Anti-Doping Organisations not described in this Part Eleven, such as a Provisional Suspension prior to a Provisional Hearing or acceptance by the Participant or other Person.

An anti-doping decision by a body that is not a Signatory shall be implemented by The Association if The Association finds that the decision purports to be within the authority of that body and the Anti-doping rules of that body are otherwise consistent with the Code.

Effective date

147. These Anti-Doping Regulations do not apply retrospectively to matters arising prior to the Effective Date. However:

- (a) Anti-Doping Rule Violations that took place prior to the Effective Date count as prior violations for the purposes of determining sanctions under Part Seven for violations taking place after the Effective Date.
- (b) Any Whereabouts Failure (whether a filing failure or a missed test) that took place prior to the Effective Date may be relied upon as one of the requisite elements of a Regulation 6 (Registered Testing Pool Whereabouts Failures) Anti-Doping Rule Violation under these Anti-Doping Regulations until twelve (12) months after it took place.
- (c) For the purposes of assessing the period of Ineligibility for a second violation, the period of Ineligibility imposed for the first violation is taken into account: see Regulation 90(b)(i). Where the period of Ineligibility that was imposed for the first violation was determined based on rules in force prior to the Effective Date, it shall be assumed for purposes of the calculation under 90(b)(i) that the period of Ineligibility imposed for the first violation was whatever period of Ineligibility would have been imposed for that first violation had these Anti-Doping Regulations been applicable to the first violation.
- (d) Any case that is pending as of the Effective Date and any case brought after the Effective Date based on an Anti-Doping Rule Violation that allegedly occurred prior to the Effective Date will be governed by the substantive provisions of the Regulations in effect at the time the alleged Anti-Doping Rule Violation occurred, and not by the substantive anti-doping rules set out in these Anti-Doping Regulations (unless the Regulatory Commission or Appeal Board or any other relevant commission or board (as applicable)) hearing the case determines that a *lex mitior* in these Anti-Doping Regulations in relation to Consequences should apply instead), while the procedural aspects of the case will be governed by these Anti-Doping Regulations.
- (e) For these purposes, the retrospective periods in which prior violations can be considered for purposes of multiple violations under Regulations 90 - 91 and the statute of limitations in Regulation 63 are procedural rules, not substantive rules, and should be applied retroactively, provided, however, that Regulation 62 will only be applied retroactively if the statute of limitation period (whether the original one or as extended by subsequent Anti-Doping Regulations) has not already expired by the Effective Date. Where a final decision finding an Anti-Doping Rule Violation has been rendered prior to the Effective Date, but the Participant or other Person is still serving the period of Ineligibility as of the Effective Date, the Participant or other Person may apply to The Association before the period of Ineligibility has expired to reduce the period of Ineligibility in light of *lex mitior* in these Anti-Doping Regulations. The Association's decision on that application may be appealed pursuant to Regulation 118.

Reference to days

Where the term "days" is used in these Anti-Doping Regulations, it shall mean calendar days, unless otherwise specified.

SCHEDULE ONE

PROCEDURAL GUIDELINES FOR THE CONDUCT OF DRUG TESTING AND INVESTIGATIONS

PART ONE – GENERAL PROVISIONS

1. General

- 1.1 Testing and investigations will be carried out in conformity with the ISTI and these Procedural Guidelines (as amended from time to time). Players may be drug tested at any place and any time, including during any period of Ineligibility. Testing shall only be undertaken for anti-doping purposes, although Samples collected in such testing may also be analysed to determine compliance with The Association's Social Drugs Regulations prohibiting the Out-of-Competition use of social drugs (as defined in those Regulations).
- 1.2 Drug testing refers to the collection of blood, urine and dried blood spot Samples. The minimum requirements for blood testing are set out in paragraph 5.1. Any Player may be subject to blood testing regardless of which league the Player participates in.
- 1.3 Drug testing may be conducted on Minors and should be carried out in accordance with the ISTI. Where a Minor is to be tested, any consent or signature that is required by these Anti-Doping Regulations is to be given by a representative of the Player's Club. It is the responsibility of each Club to ensure that it has obtained, from a person with parental responsibility for any Minor, prior written consent to the conduct of drug testing upon such a Minor. No Minor may participate in any football activity without such consent being obtained.
- 1.4 Players are obliged to undergo drug testing as set out in the Anti-Doping Regulations and these Guidelines. In particular, every Player designated to undergo a drug test by a Doping Control Officer, or Blood Collection Officer, whether as a result of Target Testing or random selection, is obliged to provide a urine Sample, a blood Sample, and/or dried blood Sample, and to cooperate promptly and fully with all Competent Officials.

2. Doping Control Form

It should be noted that the Doping Control Form used in the Anti-Doping Programme is generic and not specific to football. In the event of any conflict between the terms of any form and the Anti-Doping Regulations or these Guidelines, the Anti-Doping Regulations and Guidelines shall prevail.

3. Test Distribution Planning

- 3.1 UKAD will draw up the test distribution plan for football. The test distribution plan must be compliant with the WADA Technical Document for Sport Specific Analysis (TDSSA) and the requirements of the ISTI. Players shall be selected for Sample collection using random selection methods and Target Testing, as required.
- 3.2 Target Testing shall be based on an assessment of the risks of doping and the most effective use of resources to ensure optimum detection and deterrence. If more than one Player in a team has tested positive, Target Testing may be performed on all Players in the team.

11 - ANTI-DOPING REGULATIONS

3.3 For individual Players, Target Testing may be performed as a consequence of:

- (a) behaviour indicating doping;
- (b) abnormal biological parameters (blood parameters, steroid profiles etc.);
- (c) injury;
- (d) repeated, or suspicious failure to make whereabouts filings;
- (e) player test history;
- (f) the conditions of a disciplinary order;
- (g) reinstatement following a period of Ineligibility; or
- (h) any other reason determined by UKAD or, in relation to social drugs Testing only, The Association.

Neither The Association nor UKAD is obliged to provide the Player or Club representative with a reason for the Player's selection for a Target Test.

3.4 Testing that is not Target Testing shall be determined by random selection.

4. Notification of Drug Testing

4.1 The Sample collection will be carried out by Chaperones, Doping Control Officers ("DCOs"), and/or Blood Collection Officers ("BCOs").

4.2 Before drug testing is carried out, the Competent Officials must show their identification cards to Players.

4.3 On arriving at a venue for In-Competition drug testing or for testing using the whereabouts information specified in Regulation 15, the Competent Officials will attempt to make contact with an official from the relevant Club. For an In-Competition test the official would be the Secretary of the home Club or (if the Secretary is not present or otherwise unavailable) another official from the home Club.

4.4 Any Player selected for drug testing will be requested to produce photographic identification to prove their identity. In the event a Player has no available identification then a third party may be asked to positively confirm the identity of the Player.

5. Facilities for the Collection of Samples

5.1 At all venues used for drug testing, Clubs are obliged to provide as a minimum the following secure areas (collectively known as the "Doping Control Station") for the collection of Samples:

- (a) a clean, adequately lit, and private waiting area, with sufficient seating for the Players waiting to be tested;
- (b) a clean, private working area of sufficient size to comfortably accommodate the persons referred to in paragraph 12.3 below, which should contain clean fixed surfaces for sampling equipment and Samples;
- (c) private toilets; and
- (d) where blood testing is being conducted, a chair and/or bed for the Player to use during the provision of the blood Sample, and sufficient space for the Player to lie down.

5.2 The Doping Control Station must be allocated for the sole use of the Competent Officials for the duration of the doping control process. Where practical, all areas required for the Doping Control Station must be linked with or proximate to each other. The Doping Control Station must be clearly identified. The Doping Control Station should be made available in a usable condition and should be clean.

5.3 The Competent Officials will provide the equipment that is required for the drug testing, including (where applicable) collection vessels, containers, Sample bottles, and approved sealing equipment.

11 - ANTI-DOPING REGULATIONS

- 5.4 Prior to the start of testing, the Competent Officials should satisfy themselves that the Doping Control Station facilities are adequate. Clubs must comply with any reasonable requests made by Competent Officials who do not believe that the facilities are adequate. The Association may make a written request for a Club to alter or improve its Doping Control Station or the facilities used for the same, and the Club shall alter or improve its Doping Control Station to meet the request within a reasonable timeframe to be stipulated by The Association.
- 5.5 The DCO(s) will make every effort to collect Samples as discreetly as possible and with maximum privacy, but it must be recognised that circumstances may impose difficulties upon a DCO that cannot easily be overcome.
- 5.6 Once the Competent Officials have confirmed their satisfaction with the facilities provided, only those people listed in paragraph 12.3 of these Guidelines should be allowed into the Doping Control Station until completion of the doping control process.
- 5.7 It is recommended that the Club arranges for a security guard/steward to be positioned outside the Doping Control Station to keep unauthorised persons from entering the Station. A 'No Entry' sign should be displayed.

6. Verification of whereabouts information

On occasion, The Association may send officials to training venues in order to verify in any respect the accuracy of the whereabouts information submitted by a Club or Player. Such verification may be conducted separately to or in conjunction with drug testing. Clubs must provide staff attending for this purpose with all necessary assistance to complete this task satisfactorily. Any inaccuracy of the whereabouts information submitted by a Club or Player that is discovered in this manner may be treated as a breach of Regulation 15 and/or Regulation 16, as appropriate.

7. Random selection of Players

- 7.1 If it is decided to select Players on a random basis, the random selection by a draw of required Players will be conducted by the Lead DCO witnessed by the Competent Officials.
- 7.2 Only the Competent Officials need to be present for the draw. Although official(s) from the relevant Club(s) whose Players are subject to testing may be invited to be present, the absence of such officials will not invalidate the draw.
- 7.3 Additional "reserve" Players will be drawn in case a Player drawn is unable and/or fails to submit to the doping control process. For the avoidance of doubt, if a Player is determined to have failed without compelling justification to submit to the doping control process, they may be charged with an Anti-doping Rule Violation under Regulation 5.
- 7.4 During any test event, Target Testing of further Players may also be conducted at that time as a separate matter.

8. Target Testing

- 8.1 Target Testing may be conducted on Clubs or Players, including Players in the current representative England team squads.
- 8.2 A Player may be required to supply whereabouts information to The Association to allow Target Testing to take place.

9. Player rights and responsibilities

9.1. The Player's rights in relation to the drug testing process include the right to:

- (a) have the team physician or other representative and (if required) an interpreter present;
- (b) be informed and ask for additional information about the Sample collection process;
- (c) request a delay (for valid reasons) in reporting to the Doping Control Station (to be granted at the discretion of the DCO/Chaperone); and
- (d) request modifications to the drug testing process in accordance with Annex A of the ISTI (if the Player suffers from an impairment).

9.2 The Player's obligations in relation to the drug testing process include the requirement to:

- (a) report immediately for a test following notification, unless there are valid reasons for a delay, as determined at the absolute discretion of the DCO or BCO;
- (b) produce identification (in accordance with paragraph 4.4 above);
- (c) remain within direct observation of the BCO, DCO or the Chaperone at all times from the point of notification until completion of the Sample collection; and
- (d) comply with Sample collection procedures (where practicable the Player shall be advised of the possible consequences of failure to comply).

10. Notification of Players

10.1 Only in circumstances where such notification is required by the ISTI, an appropriate Club representative may be notified of the Players selected for testing prior to notification being provided to the Players. The Club representative should then be accompanied by the DCO or Chaperone to notify the Player.

10.2 The Club and all Club officials must ensure that the Competent Officials are given clear and unobstructed access to Players selected for testing without delay. Clubs and Club officials must provide the Competent Officials with all reasonable assistance they may require to locate the Player and carry out the notification process and Sample collection as expeditiously and as efficiently as possible. Clubs and Club officials must do all in their power to ensure that the Competent Officials make contact with Players selected for testing as soon as reasonably practicable. Any failure to comply with the above may be treated as a breach of Regulation 7 (Tampering or Attempted Tampering) or Regulation 17 (interference with the drug testing process), as appropriate.

10.3. Once contact has been made between the selected Player and the Competent Official, the Player will be notified of their selection for drug testing and must (in accordance with paragraph 9.2(a)) immediately report to the Doping Control Station. The Player must allow themselves to be chaperoned at all times following the notification. Save only where written acknowledgement is clearly impracticable at the time of notification, upon notification the Player must acknowledge that they have been selected for drug testing by signing the relevant section of the Doping Control Form. In those exceptional cases where written acknowledgement is impracticable at the time of notification, the Player should confirm the notification when they get to the Doping Control Station, by signing the relevant section of the form at that point.

10.4 If a Player is determined to have avoided notification without compelling justification, they may be charged with an Anti-Doping Rule Violation under Regulation 5 (evading, refusing or failing to submit to Sample collection) or (if Regulation 5 does not apply) with Misconduct.

11. Testing of reserves or other Players

Where a Sample cannot be collected from a Player due to injury, a Sample will be taken from another Player of the same team, either selected at random or pre-selected as a reserve. Clubs and Club officials must ensure that a Player pre-selected as a reserve does not leave the stadium, training ground or other relevant venue until the DCO has confirmed to Club officials that the Player is not needed.

11 - ANTI-DOPING REGULATIONS

12. Collection of Samples

- 12.1. Having been notified, a Player must immediately report to the Doping Control Station. On reporting to the Doping Control Station, the Player must (if they have not done so already) acknowledge that they have been selected for drug testing by signing the relevant section of the Doping Control Form. They must then remain there until the testing process is completed. They may leave the Doping Control Station only under exceptional circumstances with the prior permission of the Lead DCO and then only if chaperoned by a DCO or Chaperone at all times until their return to the Doping Control Station.
- 12.2. If a Player fails or refuses to report to provide a Sample, reports but then refuses to provide a Sample, or otherwise fails to follow the directions of the Competent Officials, they may be subject to penalties for an Anti-Doping Rule Violation under Regulation 5 or Regulation 7 or (if neither Regulation 5 nor Regulation 7 applies) for Misconduct.
- 12.3 Only the following persons should be allowed into the working room of the Doping Control Station:-
 - (a) the DCO(s);
 - (b) the BCO(s);
 - (c) the Chaperone(s);
 - (d) the Player;
 - (e) the team physician or other representative nominated by the Player (and interpreter if required); and
 - (f) any other person specified by UKAD and/or The Association.

The Competent Officials may reasonably refuse access to the Doping Control Station to any person not listed in this paragraph 12.3.
- 12.4. Where a Sample is to be taken from a Player who is a Minor, the Player will be given the opportunity to have a representative present during the doping control process at all times. Even if a Minor declines a representative, the DCO shall consider whether another third party ought to be present during the notification of the Player.

13. Failure to comply with Doping Control

- 13.1. When any Competent Official becomes aware of any matters occurring before, during or after a Sample collection session that may lead to a determination of a failure to comply, they must inform the Lead DCO immediately.
- 13.2 The Lead DCO or a Competent Official shall then:
 - (a) inform the Player or other party concerned of the consequences of a possible failure to comply if practicable;
 - (b) complete the Player's Sample collection session, if possible;
 - (c) provide a detailed written report of any possible failure to comply to The Association and UKAD.
- 13.3. The Association shall then:
 - (a) inform the Player or other party concerned of the possible failure to comply in writing and grant the Player an opportunity to respond;
 - (b) notify WADA, and instigate an investigation of the possible failure to comply based on all relevant information and documentation; and
 - (c) document the evaluation process.

11 - ANTI-DOPING REGULATIONS

- 13.4. If The Association determines that there has been a potential failure to comply, it shall promptly notify the Player or other party in writing of the possible consequences, i.e. that a potential failure to comply will be investigated and that appropriate follow-up action will be taken in accordance with the Anti-doping Regulations.
 - 13.5 Any additional necessary information about the potential failure to comply shall be obtained from all relevant sources, including the Player or other party, as soon as possible and recorded.
 - 13.6 The Association shall investigate the potential failure to comply and take appropriate follow-up action in accordance with the Anti-Doping Regulations and any applicable disciplinary regulations.
 - 13.7 The FA Anti-Doping Unit shall establish a system for ensuring that the outcomes of its investigation into the potential failure to comply are considered for the purposes of results management and, if applicable for further planning and Target Testing.
14. **Urine, Blood and Dried Blood Samples**
- 14.1. Urine, blood and dried blood Samples will be collected in accordance with the ISTI in force at the relevant time as per Regulation 28.

PART TWO – PROCEDURES SPECIFIC TO IN-COMPETITION TESTING

15. **Selection of Matches**
- 15.1 Drug testing may be conducted at any Match involving Participants and, save in exceptional and justifiable circumstances, no prior notice will be given either to the Clubs concerned or to the Players.
 - 15.2 The Matches at which the drug tests are to be conducted will be decided by UKAD. All Matches are open to testing.
16. **Procedures following the selection of Players**
- 16.1. Once Players have been selected the Club must allow the Competent Officials access to observe the Players from the tunnel area and/or from an adjacent or nearby area of the pitch or stand where the Competent Officials can easily accompany the selected Players from the field of play in the event of substitution, injury or other reason for leaving the field of play.

PART THREE – PROCEDURES SPECIFIC TO OUT-OF-COMPETITION TESTING

17. **General**
- Out-of-Competition testing may be conducted unannounced on any Player at any place and any time, whether or not such place and/or time has been provided by the Club or Player as part of the provision of whereabouts information.
18. **Procedures following the selection of Players**
- 18.1 Once Players have been selected, the Competent Officials must give Players a reasonable time to complete training or any other activity in which they are engaged before giving the verbal notification in accordance with paragraph 10.3 above.
 - 18.2 The Club must allow the Competent Officials access to observe the Players complete training or any other activity in which they are engaged.

PART FOUR – STORAGE, DESPATCH AND ANALYSIS OF SAMPLES

19. Storage and Despatch of Samples

- 19.1 All Samples should be stored in a secure place pending despatch to the laboratory.
- 19.2 Where blood Samples are collected, the “A” and “B” Sample bottles may (depending on the transportation system being used) be placed into a plastic sleeve under the observation of the Player. The bottles will be placed into a temperature-controlled container for transportation, whatever the transportation system used.
- 19.3 Samples should be sent to the laboratory as soon as is reasonably practicable.

20. Use of accredited laboratories

For purposes of establishing an Adverse Analytical Finding, Samples shall be analysed only by WADA-accredited laboratories or laboratories otherwise approved by WADA.

21. The purpose of Sample analysis

- 21.1 Samples and related analytical data or Doping Control information shall be analysed to detect Prohibited Substances and Prohibited Methods identified in the Prohibited List and other substances as may be directed by WADA, and/or to assist in profiling relevant parameters, including DNA or genomic profiling, or for any other legitimate anti-doping or other football regulatory purpose. They may also be analysed to determine compliance with The Association's Social Drugs Regulations. Samples may be collected and stored for future analysis.
- 21.2 Investigations may be undertaken in relation to Atypical Findings and Adverse Passport Findings, and in relation to other indications of potential Anti-Doping Rule Violations, to gather intelligence or evidence (including, in particular, non-analytical evidence) in order to determine whether an Anti-doping Rule Violation has occurred.

22. Research on Samples

Samples, related analytical data and Doping Control information may be used for anti-doping research purposes, although no Sample may be used for research without the Player's written consent. Samples and related analytical data or Doping Control information used for research purposes shall first be processed in such a manner as to prevent Samples and related analytical data or Doping Control information being traced back to a particular Player.

23. Analysis of Samples

- 23.1 Laboratories shall analyse Samples and report results in conformity with the ISL. The head of the laboratory shall send the test results to UKAD. The head of the laboratory may also send results to The Association.
- 23.2 There shall be no limitation on the authority of a laboratory to conduct repeat or additional analysis on a Sample prior to the time The Association issues a Charge Letter to a Player, asserting the results of analysis of the Sample as the basis for a Regulation 3 Anti-Doping Rule Violation charge. If after issuing such a Charge Letter The Association wishes to conduct additional analysis on that Sample, it may do so with the consent of the Player or approval from the Regulatory Commission, Appeal Board or any other relevant hearing body.

- 23.3 After a laboratory has reported a Sample as negative, or the Sample has not otherwise resulted in an Anti-Doping Rule Violation charge, it may be stored and subjected for further analyses for the purpose of paragraph 22 at any time exclusively at the direction of either (a) the Anti-Doping Organisation that initiated and directed Sample collection, or (b) WADA. Any other Anti-Doping Organisation with authority to test the Player that wishes to conduct further analysis on a stored Sample may do so with the permission of the Anti-Doping Organisation that initiated and directed Sample collection or WADA, and shall be responsible for any follow-up results management. Any Sample storage or further analysis initiated by WADA or another Anti-Doping Organisation shall be at WADA's or that organisation's expense. Further analysis of Samples shall conform with the requirements of the International Standard for Laboratories.
- 23.4 Where The Association, UKAD, WADA, and/or a WADA-accredited laboratory (with approval from WADA or the Anti-Doping Organisation with Results Management authority) wishes to split an "A" or "B" Sample in order to use the first part of the split Sample for an "A" Sample analysis and the second part of the split Sample for confirmation, the applicable procedures in the ISL shall be followed.
- 23.5 WADA's right to take possession of Samples and related data:
- (a) WADA may, in its sole discretion at any time, with or without prior notice, take physical possession of any Sample and related analytical data or information in the possession of a laboratory or Anti-Doping Organisation. Upon request by WADA, the laboratory or Anti-Doping Organisation in possession of the Sample or data shall immediately grant access to and enable WADA to take physical possession of the Sample or data. If WADA has not provided prior notice to the laboratory or Anti-Doping Organisation before taking possession of a Sample or data, it shall provide such notice to the laboratory and the Anti-Doping Organisation within a reasonable time after taking possession.
 - (b) After analysis and any investigation of a seized Sample or data, WADA may direct another Anti-doping Organisation with authority to test the Player to assume Results Management responsibility for the Sample or data if a potential Anti-Doping Rule Violation is discovered.
- 23.6 All Samples provided by Players further to Doping Control under the responsibility of The Association are the property of the designated Sample collection body. The designated Sample collection body shall immediately following Sample provision by the Player concerned transfer ownership of that Sample to The Association. Following consultation with The Association, UKAD may make reasonable directions in relation to the re-analysis of Samples based on knowledge and information arising after the initial analysis. The Association shall comply with such reasonable directions.
- 23.7 The Association will endeavour to ensure that the analysis of the "A" Sample is carried out as soon as possible after arrival at the designated laboratory.
- 23.8 Access to the laboratory during analysis should be restricted to authorised members of the laboratory and to authorised observers.
- 23.9 If at any stage any question, issue or problem arises in relation to the Sample, the laboratory may conduct any further or other tests necessary to clarify or resolve the matter at issue. The results of such tests may be relied upon by The Association in any disciplinary proceedings.

In assessing the Participant's or other Person's degree of Fault, the circumstances considered must be specific and relevant to explain the Participant's or other Person's departure from the expected standard of behaviour. Thus, for example, the fact that a Player would lose the opportunity to earn large sums of money during a period of Ineligibility, or the fact that the Player only has a short time left in their career, or the timing of the sporting calendar would not be relevant factors to be considered in reducing the period of Ineligibility under the provisions of Part Seven;

This includes an entity that may be designated by multiple countries to serve as the regional anti-doping organisation for such countries. If this designation has not been made by the competent public authority(ies), the entity shall be the country's National Olympic Committee or its designee such as The Association. In respect of the United Kingdom, UKAD is the NADO.

Provided, however, there shall be no Anti-Doping Rule Violation based solely on possession if, prior to receiving notification of any kind that the person has committed an Anti-Doping Rule Violation, the person has taken positive action demonstrating that they never intended to have possession and has renounced possession by expressly declaring it to an anti-doping organisation. Notwithstanding anything to the contrary in this definition, the purchase (including by any electronic or other means) of a prohibited substance or prohibited method constitutes Possession by the person who makes the purchase;

“Prohibited List” means the list of Prohibited Substances and Prohibited Methods that is produced by WADA as updated from time to time and recognised by The Association in accordance with these Anti-doping Regulations;

“Prohibited Method” means any method defined as such in the Prohibited List;

SCHEDULE FOUR

GUIDE TO THERAPEUTIC USE EXEMPTIONS

1. INTRODUCTION

- 1.1 The Anti-Doping Regulations permit Players to apply for permission to use, for therapeutic purposes, substances or methods on the Prohibited List whose use is otherwise prohibited under the Anti-doping Regulations. In order to excuse the presence or Use or Possession or Administration of a Prohibited Substance or Prohibited Method that would otherwise amount to an Anti-Doping Rule Violation, a TUE must be obtained that covers such presence or Use or Possession or Administration. The process for obtaining a TUE will be managed by UKAD on behalf of The Association, in accordance with this Guide.
- 1.2 Any Player who consults a doctor and is prescribed treatment or medication shall enquire whether the prescription contains any Prohibited Substances or involves the Use of any Prohibited Methods. If so, the player should check with their doctor if they could use an alternative medication or treatment. If alternatives do not exist, are unsuitable, or have failed to be effective (if trialled), an application for a TUE should be made in accordance with this Guide.
- 1.3 The International Standard for Therapeutic Use Exemptions (the "International Standard for TUEs") sets out the circumstances in which Players may claim such a therapeutic use exemption (or "TUE"). This Guide adopts and incorporates the International Standard for TUEs, as amended from time to time. All persons shall be deemed to accept the International Standard for TUEs and any such amendments thereto as binding upon them without further formality. In the case of any discrepancy between the International Standard for TUEs and this Guide, the International Standard for TUEs shall prevail.
- 1.4 This Guide may be updated at any time by The Association to take account of changes in the International Standard for TUEs or any other procedural changes. The version of this Guide in force at any given time will be published on The Association's website, at www.TheFA.com.
- 1.5 Subject only to paragraph 1B2 (which identifies limited circumstances in which a retroactive TUE may be granted), Players within the National TUE Pool must obtain a TUE, by following the process for TUE applications detailed in Sections 1A and 1B of this Guide, prior to Using or Possessing the Prohibited Substance or Prohibited Method in question.

Any Player not in the National TUE Pool does not need a TUE in advance but instead may apply for it after a test, in accordance with paragraph 1B2(c), provided that use of a Prohibited Substance or a Prohibited Method prior to that time shall be at the Player's own risk.

11 - ANTI-DOPING REGULATIONS

- 1.6 Players must take note that TUEs issued to them by UKAD in accordance with this Guide may not be automatically recognised by UEFA or FIFA or organisers of other competitions in which they participate. It is the Player's responsibility to ensure that they comply with any additional TUE requirements placed on the Player by FIFA or UEFA or such other competition organiser. Any TUE granted by UKAD will not be valid for purposes of UEFA or FIFA or other competitions unless and until it is recognised by them. The Association and/or UKAD will support the Player in seeking such recognition. If UEFA or FIFA refuses to recognise that TUE, then the review and appeal rights set out in Article 4 of the World Anti-Doping Code will apply, but if those rights are not exercised or if they are exercised unsuccessfully, then UKAD will determine whether the original TUE should nevertheless remain valid for national-level competition and Out-of-Competition Testing.
- 1.7 A Player may not apply to more than one body for a TUE.
- 1.8 The Association will recognise and respect any TUE granted to a Player by FIFA or UEFA or other body provided that the grant is consistent with the Code and the International Standard for TUEs and is within the grantor's authority. If The Association does not think the TUE should be recognised, the review and appeal rights set out in Article 4 of the World Anti-Doping Code will apply, but if those rights are not exercised or if they are exercised unsuccessfully, then that TUE will become valid for all purposes, including for purposes of The Association's Anti-Doping Regulations.
- 1.9 A Player who seeks a TUE from UKAD consents to the disclosure of confidential medical records for the purposes of the TUE application as set out in this Guide, including:
- (a) the disclosure by the Player's physician(s) of any further information required by UKAD or the UK TUE Committee to process the Player's TUE application;
 - (b) the communication by UKAD of the information in the application and/or supplemental information from the Player's physician(s) to members of the UK TUE Committee and (as required) on an anonymised basis to other independent medical or scientific experts consulted by the UK TUE Committee; and
 - (c) the communication of the grant or denial of a TUE, including the details of any conditions or restrictions on such grant, and any supporting documentation or information, to The Association, FIFA, WADA and other Anti-Doping Organisations. The data will be processed by UKAD, The Association and any other relevant party for the purposes of carrying out these Anti-doping Regulations.
- 1.10 Should the Player wish to revoke the consent set out in the preceding paragraph, they must notify UKAD and the Player's physician(s) in writing of the fact, provided that upon such revocation of consent the application for a TUE (or for renewal of an existing TUE) will be deemed denied.

Section 1A: Process for applying for a Therapeutic Use Exemption (TUE)

1A1 An application for a TUE:

- must not be made simultaneously to both UKAD and another body;
- should be made on forms provided by UKAD, UEFA or FIFA, provided that they are in English and comply with the International Standard for TUEs;
- must be completed legibly, fully and accurately, in English, and must be signed by the Player and by any physician(s) supporting the application;
- must specify the dose, frequency, route and duration of proposed administration of the otherwise Prohibited Substance or Prohibited Method;
- must also include a comprehensive medical history of the Player and the results of all clinical examinations, laboratory investigations and imaging studies relevant to the application. For TUE applications involving imaging studies and respiratory function tests, copies of images or physiological data should be submitted, as well as any interpretative reports that may have been produced;
- must also enclose copies of any prior application(s) that the Player has made for the TUE, to whomever made, and the decision made on such application(s), or else must confirm that the Player has not made any prior application for the TUE;
- must provide completely accurate and up-to-date contact details for the Player and for each physician supporting the application, including in each case a current mailing address and phone number; and
- must be sent to UKAD either by e-mail or post (if posted, in an envelope marked "Private and confidential TUE Application"):

TUE
UK Anti-Doping,
Sport Park,
3 Oakwood Drive,
Loughborough, LE11 3QF

or by e-mail: tue@ukad.org.uk

1A2 Players should retain a copy of the application and enclosures sent to UKAD, along with proof of the date of mailing/emailing.

1A3 UKAD will make best efforts to carry out an administrative review of the application within three (3) working days of receipt to confirm that the application:

- falls within UKAD's TUE jurisdiction. If the Player falls under the TUE jurisdiction of UEFA or FIFA, then UKAD will forward the application to UEFA or FIFA (as applicable) for review. Any delay shall be at the risk of the Player, who is responsible for making the application to the correct authority in the first place;
- has been completed fully and accurately in accordance with paragraph 1A1, above; and
- is accompanied by sufficient medical information to process the application.

1A4 If the application is incomplete and/or otherwise does not meet the necessary requirements, it will be returned to the Player with an explanation to that effect, and they shall be invited to re-apply in compliance with the necessary requirements. Any delay shall be at the risk of the Player, who is responsible for submitting a proper and complete application.

11 - ANTI-DOPING REGULATIONS

- 1A5** If the application passes the administrative review, UKAD will forward it to three members of the UK TUE Committee, one of whom will be designated as the Chair. The Chair will coordinate the responses of the UK TUE Committee and provide a final decision to UKAD with respect to the application. The Chair shall also be responsible for requesting, where necessary, further specialist input to support the UK TUE Committee in making a final decision. Timeframes for the review of TUE applications are set out in Section 1D.
- 1A6** The members of the UK TUE Committee shall meet the following criteria:
- each of them shall be a physician with experience in the care and treatment of Players and a sound knowledge of clinical, sports and exercise medicine;
 - in cases where specific expertise is required (for example, for Athletes with impairments where the substance or method pertains to the Athlete's impairment), at least one (1) member or expert of the UK TUE Committee should possess such expertise; and
 - a majority of the UK TUE Committee members must not have any official responsibility within football. At the discretion of the Chair, however, one of the three physicians may be a Football Association medical officer, in order to provide sport-specific expertise, provided that such person must otherwise satisfy these criteria; and (b) they will observe confidentiality with respect to the entire TUE process.
- 1A7** The UK TUE Committee will review the application, including the medical information provided, and make a decision as soon as reasonably practicable. The UK TUE Committee will only grant the TUE if the Player demonstrates to the satisfaction of the Committee, on the balance of probabilities, that all four of the following conditions are met:
- (a) The Prohibited Substance or Prohibited Method in question is needed to treat a medical condition, supported by relevant clinical evidence.
 - (b) The Therapeutic Use of the Prohibited Substance or Prohibited Method will not produce any additional enhancement of performance beyond what might be anticipated by a return to the Player's normal state of health following the treatment of the medical condition.
 - (c) The Prohibited Substance or Prohibited Method is an indicated treatment for the medical condition, and there is no reasonable permitted Therapeutic alternative.
 - (d) The necessity for the Use of the Prohibited Substance or Prohibited Method is not a consequence, wholly or in part, of the Player's prior Use (without a TUE) of a substance or method which was prohibited at the time of such Use.
- 1A8** Where it does not need any further information to process the application, the UK TUE Committee will make best efforts to make a decision within seven (7) days of its receipt of the application. Where it considers it appropriate to seek further medical or scientific opinion or information in relation to the application, whether from the Player or their physician or from a third party, the UK TUE Committee shall do so as quickly as is practicable, provided that the identity of the applicant shall not be disclosed to any third party. The UK TUE Committee shall make its decision as soon as reasonably practicable after receipt of the further information or opinion.
- 1A9** The UK TUE Committee's decision to grant a TUE must be unanimous to be valid.
- 1A10** If the UK TUE Committee grants the TUE, it shall detail in its decision (a) the approved substance or method, the dosage(s), frequency and route of Administration permitted, (b) the duration of the exemption granted; and (c) any conditions or requirements that the Player must satisfy.
- 1A11** If the UK TUE Committee denies the TUE, it shall state its reasons for doing so in the decision itself.
- 1A12** UKAD will send copies of the UK TUE Committee's decision, on a confidential basis, to the Player and/or to the Player's designated representative. UKAD may send The Association a copy where necessary. UKAD will also share a copy of the decision on a confidential basis to WADA and other Anti-Doping Organisations, in accordance with paragraph 1.9(c), above.

11 - ANTI-DOPING REGULATIONS

- 1A13** If the UK TUE Committee denies the TUE application, then at the same time as UKAD sends a copy of the decision to the Player, it shall also advise the Player of the right to appeal the decision to the UK TUE Appeal Panel in accordance with Section 1D of this Guide.
- 1A14** The submission of false or misleadingly incomplete information in support of a TUE application may result in the bringing of disciplinary charges for breach of Regulation 7 of the Anti-Doping Regulations (Tampering or Attempted Tampering) or (as appropriate) for Misconduct.

Section 1B: Timing of Applications for TUEs and Effective Dates for TUE Grants

- 1B1** In accordance with the International Standard for TUEs, subject only to the exceptions set out in paragraph 1B2, a Player is required to obtain a TUE in advance of Using or Possessing the Prohibited Substance or Prohibited Method in question. They must apply for the TUE as soon as the requirement for the TUE arises and no less than twenty-one (21) days before participating in an event or competition.

Retroactive TUE applications

- 1B2** A Player may only be granted a retroactive TUE for their prior Use of a Prohibited Substance or Prohibited Method if all four of the conditions set out at paragraph 1A7 are met and:
- (a) emergency or urgent treatment of a medical condition was necessary; or
 - (b) there was insufficient time, opportunity or other exceptional circumstances that prevented the Player from submitting, or the UK TUE Committee to consider, an application for the TUE prior to Doping Control; or
 - (c) the Player falls into the category of Players allowed to apply for a retroactive TUE under paragraph 1.5;
 - (d) the Player Used Out-of-Competition, for Therapeutic reasons, a Prohibited Substance that is only prohibited In-Competition
- 1B3** In exceptional circumstances and notwithstanding any other provision in this Schedule Four, a Player may apply for and be granted retroactive approval for their therapeutic Use of a Prohibited Substance or Prohibited Method if, considering the purpose of the Code, it would be manifestly unfair not to grant a retroactive TUE. In the case of International-Level and National-Level Players (as defined by the Code), any such grant must be with the prior approval of WADA.
- 1B4** An application for a TUE covering emergency treatment or treatment of an acute medical condition should be made within five (5) working days of the commencement of Use of the Prohibited Substance or Prohibited Method in question. UKAD may extend this deadline if the Player provides compelling reasons why it should do so.
- 1B5** If a Player is tested who falls into the category of Players allowed to apply for a retroactive TUE under paragraph 1.5, the Player must submit an application for a retroactive TUE in accordance with Section 1A of this Guide so that it is received by UKAD no later than five (5) working days after an Adverse Analytical Finding is reported in respect of the Sample collected from the Player. UKAD may extend this deadline if the Player provides compelling reasons why it should do so.

Effective dates for TUE grants

- 1B6** A Player may not assume that the Player's application for a TUE (or for renewal of a TUE) will be granted. Any Use or Possession of a Prohibited Substance or Prohibited Method before an application has been granted shall be entirely at the Player's own risk.
- 1B7** A TUE granted by a UK TUE Committee may be cancelled if the Player does not promptly comply with any requirements or conditions imposed by the UK TUE Committee upon grant of the TUE.
- 1B8** If there is a change to the dose, frequency, route or duration of the administration of the Prohibited Substance or Prohibited Method where a TUE has been granted, the TUE will no longer be valid and the Player must apply for a new TUE immediately.

11 - ANTI-DOPING REGULATIONS

- 1B9** On expiry of the term of a TUE granted by the UK TUE Committee, a Player who wishes to continue to use the Prohibited Substance or Prohibited Method in question must again apply for a TUE in accordance with Section 1A of this Guide. A player should submit an application for a new TUE well in advance of that expiry date, so that there is sufficient time for a decision to be made on the application before the TUE expires.

Section 1C: Expiration or Cancellation of a TUE

- 1C1** A TUE granted pursuant to this Guide:
- (a) shall expire in accordance with paragraph 1A.10 at the end of any term for which the TUE was granted;
 - (b) may be cancelled by UKAD if the Player does not promptly comply with any requirements or conditions imposed by the UK TUE Committee upon grant of the TUE; or
 - (c) may be withdrawn by the UK TUE Committee (as applicable) if it is subsequently determined that the criteria for grant of a TUE are not in fact met.
- 1C2** Expiration of a TUE pursuant to paragraph 1C1(a) shall take effect automatically at the end of the term for which the TUE was granted without the need for any further notice or other formality.
- 1C3** Cancellation of a TUE pursuant to paragraph 1C1(b) or withdrawal of a TUE pursuant to paragraph 1C1(c) shall be notified by UKAD to the Player and/or the Player's designated representative and all other relevant Anti-Doping Organisations. Such notice shall take effect upon receipt. UKAD may also notify The Association where necessary.
- 1C4** In the event of an expiration, cancellation or withdrawal of the TUE pursuant to paragraph 1C1, the Player shall not be subject to any consequences based upon the Player's Use or Possession of the Prohibited Substance or Prohibited Method in question in accordance with the TUE at any time prior to the effective date of expiry, cancellation or withdrawal of the TUE. If the analysis of the Player's "A" Sample indicates the presence of a Prohibited Substance or the Use of a Prohibited Method, The Association shall consider whether such finding is consistent with Use of the Prohibited Substance or Prohibited Method prior to that date, in which case there shall be no case to answer.

Section 1D: Process for Appealing a Denial or Conditional Grant of a Therapeutic Use Exemption

- 1D1** A Player who wishes to appeal a decision of the UK TUE Committee must lodge written notice of the appeal with UKAD within ten (10) working days of the date of receipt of the decision in question. The only available grounds of appeal shall be that the decision is not consistent with the requirements of the International Standard for TUEs.
- 1D2** The notice should be sent to UKAD at the following address, in an envelope marked "Private and confidential TUE Appeal":

TUE
UK Anti-Doping,
Sport Park,
3 Oakwood Drive,
Loughborough,
LE11 3QF

or by e-mail: tue@ukad.org.uk

11 - ANTI-DOPING REGULATIONS

- 1D3** UKAD will pass the notice of appeal, along with the complete file of the original TUE application, to the UK TUE Appeal Panel. The UK TUE Appeal Panel will be made up of three (3) members meeting the criteria set out at clause 1A7, but who were not involved in the decision being appealed.
- 1D4** The UK TUE Appeal Panel will review the application, including the medical information provided, and make a decision as soon as reasonably practicable, in accordance with the requirements set out in the International Standard for TUEs and without being bound in any way by the decision being appealed.
- 1D5** The UK TUE Appeal Panel must make its decisions unanimously for a TUE to be granted. Where it considers it appropriate to seek further medical or scientific opinion or information in relation to the appeal, whether from the Player or their physician or from a third party, the UK TUE Appeal Panel shall do so as quickly as is practicable, provided that the identity of the applicant shall not be disclosed to any third party. The UK TUE Appeal Panel shall make its decision as soon as reasonably practicable after receipt of the further information or opinion. The Chair of the UK TUE Appeal Panel will provide a copy of the written decision to UKAD as soon as practicable, the target being within two (2) working days of the decision being made.
- 1D6** If the UK TUE Appeal Panel grants the TUE, it shall detail in its decision (a) the duration of the exemption; and (b) any conditions or requirements that the Player must satisfy.
- 1D7** If the UK TUE Appeal Panel denies the TUE, it shall state its reasons for doing so in the decision itself.
- 1D8** UKAD will send copies of the UK TUE Appeal Panel's decision, on a confidential basis, to the Player and/or the Player's designated representative. UKAD may also notify The Association where necessary. UKAD will also share a copy on a confidential basis to WADA and other Anti-Doping Organisations, in accordance with paragraph 1.9(c), above.
- 1D9** The foregoing provisions of this Section 1D shall be without prejudice to:
- (a) the right of a Player to appeal to the UK TUE Appeal Panel against any decision of the UK TUE Committee denying a TUE, on the grounds that such decision did not comply with the International Standard for TUEs;
 - (b) the right of a Player to request that WADA exercise its discretion to intervene and overturn any decision of the UK TUE Appeal Panel, on the grounds that such decision did not comply with the International Standard for TUEs;
 - (c) the right of WADA, on its own initiative, to reverse a TUE decision if it determines that such decision did not comply with the International Standard for TUEs; and

12 - SOCIAL DRUGS REGULATIONS

1. EFFECTIVE DATE

- 1.1 These Social Drugs Regulations are issued pursuant to FA Rule J1.3.1. The amendments to the Social Drugs Regulations shall come into full force and effect on 1 July 2026 (the “Effective Date”).
- 1.2 The substantive amendments to the Social Drugs Regulations that are introduced by this version shall not apply to conduct occurring prior to the Effective Date. Instead, that conduct and its consequences shall be governed by the substantive provisions of the Social Drugs Regulations and the Rules and Regulations of The Association that were in force at the time the conduct occurred, save that if these Social Drugs Regulations provide for lesser consequences for that conduct, the lesser consequences will apply. In any event, all procedural aspects of any case will be governed by this version of the Social Drugs Regulations, whenever the conduct at issue occurred. However, all procedural aspects of any case will be governed by this version of the Social Drugs Regulations, whenever the conduct at issue occurred.

2. DEFINITIONS

 - 2.2.1 Any changes to the list of Social Drugs after the Effective Date will be published on The Association’s website (located at TheFA.com) and will take effect from the date of such publication. The PFA will be notified at least 14 days in advance of such changes.
 - 2.2.2 The Association’s designation of a substance as a Social Drug is final and may not be challenged on any basis.
- 2.3 Where used in these Social Drugs Regulations:
 - 2.3.1 The terms “Appeal Board”, “Club”, “Match”, “Misconduct”, “Player”, “Participant” and “Regulatory Commission” have the same meaning as they are given in FA Rule A2.
 - 2.3.2 “Administration” means providing, supplying, supervising, facilitating, or otherwise participating in the Use or Attempted Use by another Participant of a Social Drug.
 - 2.3.3 “Attempt” means purposely engaging in conduct that constitutes a substantial step in a course of conduct planned to culminate in the commission of a breach of these Regulations; provided, however, there shall be no breach based solely on an attempt to commit a breach if the Participant renounces the attempt prior to it being discovered by a third party not involved in the attempt.
 - 2.3.4 “In-Competition” means the period commencing at 23:59 on the day before a Match in which the Player is scheduled to participate through to the end of said Match, including any Sample collection process after the conclusion of the Match.
 - 2.3.5 “Marker” means a compound, group of compounds, or biological variable(s) that indicate the Use of a Social Drug.
 - 2.3.6 “Metabolite” means any substance produced by a biotransformation process.
 - 2.3.7 “No Fault or Negligence” means that the Participant is able to establish that he did not know or suspect, and could not reasonably have known or suspected even with the exercise of utmost caution, that he had Used or been administered the Social Drug or otherwise violated these Regulations. Except in the case of a Player who has not reached the age of 18, for any breach of Regulation 4.1.1, the Player must also establish how the Social Drug entered his system.
 - 2.3.8 “Out-of-Competition” means any time that is not In-Competition.

- 2.3.9 "Player Support Person(nel)" means any person working with, treating or assisting a Player participating in or preparing for Matches or training sessions, including but not limited to a coach, trainer, manager, agent, Intermediary (as defined in The Association's Regulations on Working with Intermediaries), FA Registered Football Agent (as defined in Football Agent Regulations), club staff, official, nutritionist, medical or paramedical personnel, or parent.
- 2.3.10 "Possession" has the same meaning as given to it at Regulation 4.1.3.1.

- 2.3.12 "Sample" means any biological material collected for the purpose of testing pursuant to these Social Drugs Regulations, including (without limitation) hair and urine.
- 2.3.13 "Social Drug" has the meaning given to it at Regulation 2.1.
- 2.3.14 "Social Drug Finding" means a report from a laboratory accredited to ISO/IEC 17025 that identifies in a Sample collected Out-of-Competition the presence of a Social Drug or any of its Metabolites or Markers.
- 2.3.15 "Tampering" has the same meaning as given to it at Regulation 4.1.8.1.
- 2.3.16 "Trafficking" means selling, giving, transporting, sending, delivering, or distributing (or Possessing for any such purpose) a Social Drug (either physically or by any electronic or other means) by a Participant to any third party.
- 2.3.17 "Use" means the utilisation, application, ingestion, injection, consumption, or other use by any means whatsoever of any Social Drug.
- 2.4 Terms denoting the male gender shall be read to include as an alternative the female gender.
- 2.5 Unless otherwise indicated, references to a "Regulation" are to a particular provision in these Social Drugs Regulations, as amended from time to time.

3. PURPOSE

- 3.1 These Social Drugs Regulations are not concerned with the presence, Use, etc. of Social Drugs during the In-Competition period or with the illicit enhancement of sports performance. Such concerns are addressed solely and exclusively by The Association's Anti-Doping Regulations. To that end, nothing in these Social Drugs Regulations is intended to be interpreted or applied or should be interpreted or applied in a manner that undermines the strict application and enforcement of The Association's Anti-Doping Regulations in accordance with their terms. In particular, if any conduct that would constitute a breach of these Social Drugs Regulations also constitutes a breach of the Anti-Doping Regulations, it shall be pursued as a breach of the Anti-Doping Regulations, and not as a breach of these Social Drugs Regulations.
- 3.2 Instead, these Social Drugs Regulations have been adopted because experience shows that, due to their age, spare time, disposable income, etc., Players are at risk of being exposed to Social Drugs while Out-of-Competition, with the following potential consequences:
 - 3.2.1 Damage to the physical and/or mental health and welfare of a Player using Social Drugs (and so to his career, as well as to his general well-being), both in the short-term and (because of the addictive qualities of Social Drugs) in the long-term.
 - 3.2.2 Players under the influence of Social Drugs injuring themselves or others during training, due to the negative effect that Social Drugs can have on both mental and physical functioning (such as motor functioning, reaction time, altered perception, concentration, judgment, and decision-making).

12 - SOCIAL DRUGS REGULATIONS

- 3.2.3 Players testing positive immediately after a match for a Social Drug taken Out-of-Competition (because metabolites of the drug remain in the system for several days or even weeks), and consequently being banned from the sport under the Association's Anti-Doping Regulations.
- 3.2.4 Harm to public health where Players' Use of Social Drugs is copied by young players and fans who see them as role models.
- 3.2.5 Damage to the image and reputation of the sport, with parents potentially being deterred from permitting their children to pursue a career in the sport and/or commercial partners potentially being deterred from associating their brands with the sport.
- 3.3 The purpose of these Social Drugs Regulations is to prevent these damaging consequences by providing for (i) courses of education, counselling and treatment, where appropriate, to rehabilitate Players who have become involved with Social Drugs while Out-of-Competition; and (ii) the imposition of proportionate sanctions when necessary to address such conduct and to deter similar conduct in the future.
- 3.4 These Social Drugs Regulations are to be interpreted and applied (including where an issue arises that is not expressly provided for in these regulations) by reference to the foregoing objectives. This purposive interpretation and application will take precedence over any strict legal or technical interpretations that may otherwise be proposed.

4. PROHIBITED CONDUCT

- 4.1 Subject always to Regulation 4.3, each of the following shall constitute a breach of these Social Drugs Regulations (whether or not it takes place in connection with a training session or other activity organised by a Club):
 - 4.1.1 The presence of a Social Drug or its Metabolite(s) or Marker(s) in a Sample provided by a Player while he is Out-of-Competition.
 - 4.1.1.1 Subject to Regulation 4.1.1.3, such presence is a strict liability offence, i.e., to establish a breach of Regulation 4.1.1 no proof is required that the Player ingested the Social Drug intentionally, recklessly, negligently or even knowingly; and nor is proof of lack of such intent, recklessness, negligence or knowledge a defence to a charge for breach of Regulation 4.1.1.
 - 4.1.1.2 The following evidence shall be sufficient to establish the presence of a Social Drug or its Metabolite(s) or Marker(s) in a Sample collected from the Player while he was Out-of-Competition: (A) a Social Drug Finding in respect of the Player's "A" Sample, where the Player waives analysis of the "B" Sample; (B) a Social Drug Finding in respect of the Player's "A" Sample, where analysis of the Player's "B" Sample confirms that Social Drug Finding; or (C) where the Player's Sample has been split into two parts, and there has been a Social Drug Finding in respect of the first part of the split Sample, and the Player waives analysis of the confirmation part of the split Sample, or else analysis of the confirmation part of the split Sample confirms the Social Drug Finding made in respect of the first part of the split Sample.
 - 4.1.1.3 It shall be a defence to a charge brought under Regulation 4.1.1 for a Player to prove that his ingestion of a Social Drug took place during a period of time during which he was not a Participant and therefore was not bound by these Social Drugs Regulations.
 - 4.1.2 The Use or Attempted Use of a Social Drug by a Player while he is Out-of-Competition.
 - 4.1.2.1 Such Use is a strict liability offence, i.e., to establish the offence of Use of a Social Drug by a Player while he is Out-of-Competition, in breach of Regulation 4.1.2, no proof is required that the Player Used the Social Drug intentionally, recklessly, negligently or even knowingly; and nor is proof of lack of such intent, recklessness, negligence or knowledge a defence to a charge of Use in breach of Regulation 4.1.2.

- 4.1.2.2 In contrast, to establish the offence of Attempted Use of a Social Drug by a Player while Out-of-Competition, The Association must prove intent on the part of the Player.
 - 4.1.3 Possession of a Social Drug by a Player while he is Out-of-Competition.
 - 4.1.3.1 “Possession” means the actual physical possession, or the constructive possession (which shall be found only if the Participant has exclusive control or intends to exercise control over the Social Drug or the premises in which a Social Drug exists); provided, however, that if the Participant does not have exclusive control over the Social Drug or the premises in which a Social Drug exists, constructive possession shall only be found if the Participant knew about the presence of the Social Drug and intended to exercise control over it. There shall be no breach of these Regulations based solely on possession if, prior to receiving notification of any kind that the Participant has committed a breach under these Regulations, the Participant has taken positive action demonstrating that he never intended to have possession and has renounced possession by expressly declaring it to The Association. Notwithstanding anything to the contrary in this definition, the purchase (including by any electronic or other means) of a Social Drug constitutes Possession by the Participant who makes the purchase. The term “Possession” shall also encompass circumstances where a Player Support Personnel or other third party is holding a Social Drug on behalf of the Player while he is Out-of-Competition, at the direction of the Player and/or with the Player’s knowledge and acquiescence.
 - 4.1.4 Possession of a Social Drug by a Player Support Person or other Participant on behalf of a Player for Use by the Player when the Player is Out-of-Competition.
 - 4.1.5 Administration or Attempted Administration of a Social Drug by a Player or other Participant to a (nother) Player (with or without his knowledge) while the (other) Player is Out-of-Competition.
 - 4.1.6 Trafficking or Attempted Trafficking of one or more Social Drugs by a Player or other Participant.
 - 4.1.7 Evading Sample collection; or refusing or failing to submit to Sample collection without compelling justification.
 - 4.1.8 Tampering or Attempted Tampering by a Participant.
 - 4.1.8.1 “Tampering” means intentional conduct which subverts any step or process carried out pursuant to these Social Drugs Regulations, from test planning through to ultimate disposition of any appeal and the enforcement of Consequences (including all steps and processes in between). Tampering shall include, without limitation, offering or accepting a bribe to perform or fail to perform an act, preventing the collection of a Sample, affecting or making impossible the analysis of a Sample, falsifying documents submitted to The Association or any other relevant body, procuring false testimony from witnesses, committing any other fraudulent act upon The Association or any other relevant body, and any other similar intentional interference or Attempted interference with any aspect of any step or process carried out pursuant to these Social Drugs Regulations.
 - 4.1.9 Assisting, encouraging, aiding, abetting, conspiring, covering up, or any other type of intentional complicity (or Attempt at the same) by a Player or other Participant in relation to a breach by another Player or other Participant of these Social Drugs Regulations.
- 4.2 All Players, Player Support Personnel, and other Participants are responsible for ensuring that they know what substances have been designated Social Drugs and what conduct is prohibited under these Social Drugs Regulations. Professed ignorance of these Social Drugs Regulations shall not be a defence to a charge of breach of these Social Drugs Regulations nor provide mitigation in respect of sanction. Nor shall it be a defence that the breach did not have any effect on any Player’s sports performance.

12 - SOCIAL DRUGS REGULATIONS

- 4.3 A Player with a documented medical condition may apply in advance in writing to The Association for permission to Use a Social Drug for a defined period to treat that condition. Such application must be accompanied by accurate and complete medical evidence justifying such Use. The Association may grant or deny such application, conditionally or otherwise, in its absolute discretion. Any permission granted must be in writing in order to be valid for these purposes. Any presence of a Social Drug in a sample, or any Use, Possession, Administration or supply of a Social Drug that is consistent with such permission shall not amount to a breach of these Social Drugs Regulations. An application for permission to use a Social Drug will not be considered for retroactive approval except in cases where the emergency treatment or treatment of an acute medical treatment was necessary or due to exceptional circumstances there was insufficient time or opportunity for a Player to submit an application prior to drug testing.

5. MONITORING/INVESTIGATING COMPLIANCE

- 5.1 In accordance with its general power under Rule F to monitor compliance with its Rules and regulations, The Association may monitor compliance with these Social Drugs Regulations as it sees fit, including (without limitation) by having Samples collected from Players while they are Out-of-Competition and analysed by a duly credited laboratory for the presence of Social Drugs, their Metabolites, and Markers.
- 5.1.1 Samples may be collected for this purpose at any time and place during Out-of-Competition periods, without any advance notice, including (without limitation) in reliance on whereabouts information provided pursuant to the Anti-Doping Regulations.
- 5.1.2 The procedures set out in Schedule One for the collection and analysis of Samples shall apply.
- 5.2 The Association may also exercise its powers of inquiry under Rule F to investigate possible instances of breach of these Social Drugs Regulations.
- 5.3 The private testing/screening of Players for Social Drugs by any Participant is prohibited, and amounts to Misconduct contrary to Rule E. A Club may refer any good faith concerns that it has about a Player's or other Participant's lack of compliance with these Social Drugs Regulations to The Association, which shall address such concerns as it sees fit.
- 5.4 Where The Association has evidence that it considers may justify a charge of Misconduct based on a breach of these Social Drugs Regulations, prior to issuing any charge The Association may inform the Player or other Participant in question of that evidence in writing, and give him the opportunity to provide a written explanation in response within a designated time.
- 5.4.1 In respect of Players, the letter may also (where the Player is registered with a Club) be sent to a senior representative of his Club. If the Player is a member of the PFA and consents to the letter being sent to a representative of the PFA, the letter will also be sent to that representative.
- 5.4.2 Instead of or in addition to any written explanation, The Association may require the Player or other Participant to attend a personal interview to answer its questions. He may be accompanied at the interview by one representative of his Club, a legal adviser, and/or (where relevant) a representative of the PFA. Such interview may be recorded, and the recording may be used by The Association in any disciplinary proceedings brought against such Player or other Participant or others.

6. SUPPORT AND REHABILITATION OF PLAYERS THROUGH EDUCATION, COUNSELLING AND/OR TREATMENT

- 6.1 The Association will identify options for support and rehabilitation through education, counselling and/ or treatment of Players who breach these Social Drugs Regulations, for consideration by the Regulatory Commission in the exercise of its powers under Regulation 8.1.1 and Regulation 8.6.1 in referring a Player for education, counselling and/or treatment. Where the Player is a member of the PFA and so consents, The Association will identify such options in close consultation with the PFA.

- 6.2 If The Association has evidence that it considers may justify a charge against a Player of Misconduct based on a breach of these Social Drugs Regulations, it may at any time require that Player to meet with a specialist in drug misuse and addiction for assessment and evaluation. The specialist's report shall be provided to The Association and the Player.
- 6.3 The Regulatory Commission may at any time order a Player charged with breach of the Social Drugs Regulations to meet with a specialist in drug misuse and addiction for assessment and evaluation, in order to assist the Regulatory Commission in deciding whether to exercise its powers under Regulation 8.6.1.

7. DISCIPLINARY PROCEEDINGS

- 7.1 A breach of these Social Drugs Regulations shall constitute Misconduct contrary to Rule E25. Accordingly, The Association may bring disciplinary proceedings for Misconduct pursuant to Rule E1.2 against the Player or other Participant involved in the breach. The Regulations for Football Association Disciplinary Action shall apply to such proceedings, as amended/supplemented below.
- 7.2 The Association may provisionally suspend a Player or other Participant on or at any point after (a) the date that it notifies him of a Social Drug Finding (where applicable); (b) the date that he admits to a breach of these Social Drugs Regulations (before being charged); or (c) the date that it charges him with a breach of these Social Drugs Regulations. No appeal shall lie against the imposition of a Provisional Suspension, but the Player or other Participant who is the subject of the Provisional Suspension shall be entitled to an expedited hearing and determination of the charge against him.
- 7.3 Where a Social Drug Finding is reported, The Association shall afford the Player involved confirmatory analysis of the "B" Sample. The Player may request or waive such confirmatory analysis as he sees fit. If analysis of the "B" Sample is undertaken and it does not confirm the presence of a Social Drug or its Metabolite(s) or Marker(s) in the "B" Sample, the entire test shall be considered negative, any charge based on the Social Drug Finding shall be withdrawn, and any Provisional Suspension that has been imposed based on the Social Drug Finding shall be lifted automatically, without the need for further formality.
- 7.4 The Association must prove an alleged breach of these Social Drugs Regulations on the balance of probabilities. It may prove facts establishing that breach by any reliable means. Departures from the procedural guidelines set out at Schedule One or any procedure relevant to these Social Drugs Regulations will not invalidate analytical results or other evidence of a breach of these Social Drugs Regulations, unless the Participant establishes that such a departure could reasonably have caused that breach.
- 7.5 Where these Social Drugs Regulations place the burden of proof on a Participant to rebut a presumption or establish specific facts or circumstances, the standard of proof will also be on the balance of probabilities.

8. CONSEQUENCES

- 8.1 Subject to the other provisions of this Regulation 8:
- 8.1.1 For a breach of Regulation 4.1.1 (presence in a Sample), Regulation 4.1.2 (Use or Attempted Use), Regulation 4.1.3 (Possession by a Player), or Regulation 4.1.4 (Possession by a Player Support Person or other Participant), the following consequences shall be imposed:
- (a) if it is the Participant's first breach of these Social Drugs Regulations, then the Regulatory Commission shall (i) issue a warning, (ii) require the Player to undergo a course of assessment/evaluation, education, counselling and/or treatment, and (iii) may impose a fine in such amount as the Regulatory Commission sees fit.
 - (b) if it is the Participant's second or subsequent breach of these Social Drugs Regulations, the Regulatory Commission shall impose a three month period of suspension. However, the period of suspension imposed under this Regulation 8.1.1(b) shall be reduced to one month if the Participant agrees to complete, to The Association's satisfaction, a course of assessment/evaluation, education, counselling, and/or treatment.

12 - SOCIAL DRUGS REGULATIONS

- 8.1.2 For a breach of Regulation 4.1.5 (Administration or Attempted Administration) or Regulation 4.1.6 (Trafficking or Attempted Trafficking), 4.1.7 (evading Sample collection; or refusing or failing to submit to Sample collection without compelling justification), or Regulation 4.1.8 (Tampering or Attempted Tampering) a sanction within the following range shall be imposed:
- (a) for a first breach of these Social Drugs Regulations – a suspension in the range of 4 to 12 months;
 - (b) for a second breach of these Social Drugs Regulations – a suspension in the range of 12 to 48 months;
 - (c) for a third breach or subsequent breach of these Social Drugs Regulations – a suspension of 24 months or more.
- 8.1.3 For a breach of Regulation 4.1.9 (complicity), the sanction shall be the same as if the Player or other Participant had personally committed the breach in which he was complicit. Any course of assessment/evaluation, education, counselling and/or treatment that may be imposed pursuant to this Regulation 8.1.3 shall be appropriate to the nature of the relevant Participant's breach of Regulation 4.1.9.
- 8.1.4 For a breach of Regulation 5.3 (private testing for Social Drugs), the general powers for sanctioning Misconduct set out under the Regulations for Football Association Disciplinary Action shall apply.
- 8.2 If a Participant refuses or fails to complete any imposed course of assessment/evaluation, education, counselling and/or treatment to the satisfaction of The Association, then The Association may refer the matter back to the Regulatory Commission to determine what (if any) further consequences should be imposed. In the event that such refusal or failure relates to a course agreed to by a Participant under Regulation 8.1.1(b), such additional sanction shall include (as a minimum) the imposition of an additional two-month period of suspension.
- 8.3 For purposes of Regulation 8.1, a breach of the predecessor Rules and/or regulations to these Social Drugs Regulations shall be treated as a prior breach of these Social Drugs Regulations even though it took place prior to the Effective Date, provided that it took place within ten years of the breach of the Social Drugs Regulations for which a sanction is now being determined.
- 8.4 Notwithstanding any other provision in these Social Drugs Regulations:
- 8.4.1 If a Participant establishes in any case that he bears No Fault or Negligence for the breach in question, any otherwise applicable sanction will be eliminated. No Fault or Negligence will only be found in exceptional circumstances and shall not apply where offending conduct is intentional.
 - 8.4.2 In imposing sanctions, a Regulatory Commission (or where relevant an Appeal Board) must apply any mitigating and/or aggravating factors, to include but not limited to the disciplinary record of the Participant and other factors that may be communicated by the Association from time to time.
 - 8.4.3 Where a Participant voluntarily admits to having committed a breach of these Social Drugs Regulations before receiving notice that The Association is investigating such breach and before receiving notice of a Sample collection that could establish such breach, and that admission is the only reliable evidence of the breach at the time of admission, then any fine may be waived, and any otherwise applicable period of suspension may be reduced by up to one half, even if that takes it below the minimum period specified in Regulation 8.1.

12 - SOCIAL DRUGS REGULATIONS

- 8.5 Generally, a period of suspension shall start running from the date that such suspension is imposed. However:
- 8.5.1 The Participant shall be given credit for any period of Provisional Suspension that he has served.
- 8.5.2 Where the Participant admits the breach promptly after being notified of it by The Association, the Regulatory Commission may back-date the period of suspension so that it is deemed to have started on or at any time after the date that the breach occurred. This discretion may not be exercised, however, where the period of suspension has been reduced under Regulation 8.4.3.
- 8.6 In any case that is brought before a Regulatory Commission for breach by a Player of these Social Drugs Regulations, in addition to applying the foregoing provisions of this Regulation 8:
- 8.6.1 The Regulatory Commission may refer the Player for evaluation and assessment by one or more specialists in drug misuse and addiction, in order to determine whether it is appropriate to require the Player to attend a course of education, counselling, and/or treatment designed to assist in his rehabilitation.
- 8.6.2 The Regulatory Commission may order that the Player be tested with or without prior notice, including during any period of suspension and/or any course of education, counselling, and/or treatment, in order to monitor his ongoing compliance with these Social Drugs Regulations.
- 8.7 In accordance with Regulation 41 of The Association's Disciplinary Regulations, in any case of breach of these Social Drugs Regulations the Regulatory Commission may where it sees fit impose a fine in addition to any other consequences specified in this Regulation 8, provided that such fine should not take the place of or reduce any period of suspension that would otherwise be imposed. The Regulatory Commission may also order the Player or other Participant charged to pay a contribution towards the costs incurred by The Association.

9. DISCIPLINARY DECISIONS

- 9.1 Any decision by a Regulatory Commission to uphold or not to uphold a charge for breach of these Social Drugs Regulations, and/or imposing consequences or not imposing consequences for such a breach, may be appealed by the Player or other Participant in question and/or by The Association to an Appeal Board, in accordance with Rule H and the Regulations for Football Association Appeals.
- 9.2 Regulation 17 of the The Association's Disciplinary Regulations (General Provisions) shall not apply to decisions under these Social Drugs Regulations in respect of cases involving alleged breaches of Regulations 4.1.1 to 4.1.4 (but shall apply to breaches of Regulations 4.1.5 to 4.1.9). Instead, subject to Regulation 9.3 and Regulation 10, cases involving alleged breaches of Regulations 4.1.1 to 4.1.4 shall be confidential in all respects between The Association and the Participant concerned.
- 9.3 The Association may comment publicly in respect of a case brought under these Regulations in response to public comments made by any Participant or his representatives in relation to the case.

10. MISCELLANEOUS

- 10.1 Each Participant acknowledges that any of his personal information that is provided to The Association by him or on his behalf shall be processed for the purposes of carrying out these Social Drugs Regulations and ensuring the integrity of the sport. More information on the data processed for these purposes, and the Participant's rights, is set out in The Association's Anti-Doping Privacy Policy.
- 10.2 The Association may report any breach of these Social Drugs Regulations that may also constitute a breach of non-sporting laws and/or regulations to the competent authority. If that authority decides to investigate and/or bring charges against a Participant in relation to the matter so reported, The Association may stay any related investigation and/or proceedings that it has previously commenced for breach of these Social Drugs Regulations.

SCHEDULE ONE

PROCEDURAL GUIDELINES FOR THE CONDUCT OF SOCIAL DRUG TESTING

1. General

- 1.1 Players may be tested for Social Drugs at any time Out-of-Competition pursuant to the Social Drugs Regulations. Such testing will be carried out in conformity with these Procedural Guidelines (as amended from time to time).
- 1.2 Testing for Social Drugs may involve the collection of Samples of hair and/or urine and/or any other suitable biological material.
- 1.3 Players are obliged to undergo drug testing as set out in the Social Drugs Regulations and these Procedural Guidelines. In particular, every Player designated to undergo a Social Drugs test, is obliged to provide a Sample when requested to do so, and to cooperate promptly and fully with the Sample collection process.
- 1.4 The Sample collection process will be carried out by Social Drugs Control Officers ("SDCOs"), who are persons appointed by The Association to carry out and assist with the Sample collection process. A Football Association Supervising Officer ("FASO") may also be present (i) to act as a point of liaison between the Club and Player and SDCOs, (ii) to facilitate the conduct of Social Drugs testing, and (iii) to report any matters of interest or concern to The Association. (SDCOs and FASOs are collectively referred to below as "Competent Officials").
- 1.5 On arriving at a venue for Social Drugs testing, the Competent Officials will attempt to make contact with an official from the relevant Club. Once such contact is made, Club officials will ensure that, following the arrival of the Competent Officials at the venue, no Player leaves the venue until completion of the Sample collection process or otherwise with the express authorisation of the Competent Officials. Any failure to do so may be treated as a breach of Regulation 4.1.8 of the Social Drug Regulations (Tampering or Attempted Tampering), Regulation 4.1.9 of the Social Drugs Regulations (Complicity), or Rule E3, or otherwise as appropriate.

2. Facilities for the Collection of Samples

- 2.1 Clubs shall make available for the purposes of Social Drugs testing the same facilities that it makes available for testing pursuant to The Association's Anti-Doping Regulations, i.e., its Doping Control Station (referred to as the "Social Drugs Testing Station" for the purpose of these Procedural Guidelines).
- 2.2 The Competent Officials will provide the equipment that is required for the Social Drugs testing, including (where applicable) collection vessels, containers, Sample bottles, and approved sealing equipment.
- 2.3 Prior to the start of testing, the Competent Officials should satisfy themselves that the Social Drugs Testing Station facilities are adequate. Clubs must comply with any reasonable requests made by Competent Officials who do not believe that the facilities are adequate.
- 2.4 The SDCO(s) will make every effort to collect Samples as discreetly as possible and with maximum privacy, but it must be recognised that circumstances may impose difficulties upon SDCOs that cannot easily be overcome.
- 2.5 Once the Competent Officials have confirmed their satisfaction with the facilities provided, only those people listed in paragraph 7.2 of these Procedural Guidelines should be allowed into the Social Drugs Testing Station until completion of the doping control process.
- 2.6 It is recommended that the Club arranges for a security guard/steward to be positioned outside the Social Drugs Testing Station to keep unauthorised persons from entering the Station. A 'No Entry' sign should be displayed.

3. Selection of Players

- 3.1 Players shall be selected for Social Drugs testing by way of target testing, or by random selection at the venue at which testing takes place.
- 3.2 Target testing shall be based on a risk assessment and the most effective use of resources to ensure optimum detection and deterrence. If more than one Player in a team has tested positive, target testing may be performed on all Players in the team.
- 3.3 For individual Players, target testing may be performed as a consequence of:
 - (a) behaviour indicating the use of Social Drugs;
 - (b) other reasonable cause to suspect the use of Social Drugs; or
 - (c) any other reason determined by The Association.

The Association is not obliged to provide the Player or any Club representative with a reason for the Player's selection for a target test.
- 3.4 If it is decided to select Players on a random basis, the random selection by a draw of required Players will be conducted by the Competent Officials.
- 3.5 Only the Competent Officials need to be present for the draw. Although official(s) from the relevant Club(s) whose Players are subject to testing may be invited to be present, the absence of such officials will not invalidate the draw.
- 3.6 Additional "reserve" Players will be drawn in case a Player drawn is unable and/or fails to submit to Sample collection.
- 3.7 Subject to any instructions provided by The Association, the timing of the draw will be at the complete discretion of the Competent Officials.

4. Notification of Players

- 4.1 An appropriate Club representative may be notified of the Players selected for testing, prior to notification being provided to the Players.
- 4.2 The Club and all Club officials must ensure that the Competent Officials are given clear and unobstructed access to Players selected for testing without delay. Clubs and Club officials must provide the Competent Officials with all reasonable assistance they may require to locate the Player and carry out the notification process and Sample collection as expeditiously and as efficiently as possible. Clubs and Club officials must do all in their power to ensure that the Competent Officials make contact with Players selected for testing as soon as reasonably practicable. Any failure to comply with the above may be treated as a breach of Regulation 4.1.8 of the Social Drug Regulations (Tampering or Attempted Tampering), Regulation 4.1.9 of the Social Drugs Regulations (Complicity), or Rule E3, or otherwise as appropriate.
- 4.3 The Club and Club Officials must allow the Competent Officials access to observe the Players complete training or any other activity in which they are engaged.
- 4.4 The Competent Officials must give Players to be tested a reasonable time to complete training or any other activity in which they are engaged before giving the verbal notification in accordance with paragraph 4.7 below.
- 4.5 Before Social Drugs testing is carried out, each Competent Official must show their identification cards, clearly identifying themselves as persons duly authorised by The Association to undertake Sample collection for the purpose of Social Drugs testing.

12 - SOCIAL DRUGS REGULATIONS

- 4.6 Any Player selected for Social Drugs testing will be requested to produce photographic identification to prove his identity. In the event a Player has no available identification, a third party may be asked to positively confirm the identity of the Player.
- 4.7 Once contact has been made between the selected Player and the Competent Official, the Player will be notified of his selection for Social Drugs testing and requirement to attend the Social Drugs Testing Station. Save only where written acknowledgement is clearly impracticable at the time of notification, upon notification the Player must acknowledge by way of signature that he has been selected for Social Drugs testing. In those exceptional cases where written acknowledgement is impracticable at the time of notification, the Player should confirm the notification when he gets to the Social Drugs Testing Station, by providing his signature at that point.
- 4.8 If a Player is found to have avoided notification without compelling justification, or he fails or refuses to provide a Sample within a reasonable period of being requested to do so, he may be charged with a breach of Regulation 4.1.8 (evading Sample collection, or refusing or failing to submit to Sample collection) or (if Regulation 4.1.8 does not apply) with Misconduct.

5. Player rights and responsibilities following notification

- 5.1 The Player's rights in relation to the Social Drugs testing process are the right to:
 - (a) have the club doctor or physio or other representative and (if required) an interpreter (to be supplied by the Club or the Player) present;
 - (b) be informed and ask for additional information about the Sample collection process;
 - (c) request a delay (for valid reasons) in reporting to the Social Drugs Testing Station (to be granted at the discretion of the Competent Officials); and
 - (d) request reasonable modifications to the Social Drugs testing process (if the Player suffers from a relevant impairment).
- 5.2 The Player's obligations in relation to the Social Drugs testing process include the requirement to:
 - (a) report promptly for a test following notification, unless there are valid reasons for a delay, as determined at the absolute discretion of the Competent Officials;
 - (b) produce identification (in accordance with paragraph [4.6] above);
 - (c) when requested, to remain within direct observation of the Competent Officials at all times from the point of notification until completion of the Sample collection; and
 - (d) comply with Sample collection procedures. (Where practicable, the Player shall be advised of the possible consequences of failure to comply).

6. Testing of reserves or other Players

Where a Sample cannot be collected from a Player for any reason, a Sample will be taken from another Player of the same team, either selected at random or pre-selected as a reserve. Clubs and Club officials must ensure that a Player pre-selected as a reserve does not leave the stadium, training ground or other relevant venue until the Competent Officials have confirmed to Club officials that the Player is not needed.

7. Collection of Samples

- 7.1 Having been notified, a Player must immediately report to the Social Drugs Testing Station (unless the Competent Officials permit a delay in reporting to complete training or other activity). On reporting to the Social Drugs Testing Station, the Player must (if he has not done so already) acknowledge that he has been selected for drug testing by providing his signature. He must then remain there until the testing process is completed. He may leave the Social Drugs Testing Station only under exceptional circumstances with the prior permission of a Competent Official.

7.2 Only the following persons are allowed into the working room of the Social Drugs Testing Station:-

- (a) the Competent Officials;
- (b) the Player;
- (c) the club doctor or physio or other representative nominated by the Player (and interpreter if required); and
- (d) any other person specified by The Association.

The Competent Officials may reasonably refuse access to the Social Drugs Testing Station to any person not listed in this paragraph 7.2.

7.3 Where a Sample is to be taken from a Player who is a Minor, the Player must be accompanied by an adult representative, selected by the Player and of the same gender as the Player, where practicable, present during the Sample collection process at all times. The Competent Officials shall also consider whether another third party ought to be present during the notification of the Player who is a Minor.

7.4 The collection of Samples of hair and/or urine and/or any other suitable biological material will be carried out in accordance with relevant laboratory requirements/procedures, which will be notified to the Player by the Competent Officials (and may be published on The Association's website).

7.5 For the avoidance of doubt, a Player will not be able to choose which type of Sample to provide, e.g., if a Player is requested to provide a urine sample, a urine sample must be provided.

8. Storage and Despatch of Samples

8.1 All Samples should be stored in a secure place pending despatch to the laboratory.

8.2 Samples should be sent to the laboratory as soon as is reasonably practicable.

9. Use of accredited laboratories

For purposes of establishing a Social Drugs Finding, Samples shall be analysed only by laboratories accredited to ISO/IEC 17025. Such laboratories shall be selected exclusively by The Association, or by any other body as may be designated by The Association.

10. The purpose of Sample analysis

Samples and related analytical data shall be analysed to detect the presence of Social Drugs or their Metabolite(s) or Marker(s). Samples may be collected and stored for future analysis.

11. Analysis of Samples

11.1 Laboratories shall analyse Samples and report results.

11.2 There shall be no limitation on the authority of a laboratory to conduct repeat or additional analysis on a Sample prior to the time The Association issues a charge pursuant to the Regulations asserting the results of analysis of the Sample as the basis for the charge. If after issuing such a charge The Association wishes to conduct additional analysis on that Sample, it may do so with the consent of the Player or with the approval of the Regulatory Commission, Appeal Board, or any other relevant hearing body.

11.3 Where The Association wishes to split an "A" or "B" Sample in order to use the first part of the split Sample for an "A" Sample analysis and the second part of the split Sample for confirmation, the laboratory shall undertake procedures to ensure the integrity of the Sample.

11.4 All Samples provided by Players for the purposes of Social Drugs are the property of The Association.

11.5 If at any stage any question, issue, or problem arises in relation to the Sample, the laboratory may conduct any further or other tests necessary to clarify or resolve the matter at issue. The results of such tests may be relied upon by The Association in any disciplinary proceedings.

15 - SAFEGUARDING CHILDREN REGULATIONS

PREAMBLE

This Preamble is provided for guidance. If there is any inconsistency between the Preamble and the operative parts of the Safeguarding Children Regulations below, the operative parts shall prevail.

As set out in The Association's Safeguarding Children Policy, The Association is committed to safeguarding children within football and has Case Management procedures in place to assess the risk of harm that individuals may pose to children in football.

In assessing that risk, children's welfare is the paramount consideration.

Towards this, The Association has the power under the Safeguarding Children Regulations to issue an order where any one or more of the following applies:

- (i) The individual fails to comply with any part of The Association's Criminal Records Check (CRC) process;
- (ii) The individual has been barred by the Disclosure and Barring Service (DBS) from engaging in regulated activity relating to children;
- (iii) The individual has been disqualified from working with children under the Criminal Justice and Court Services Act 2000;
- (iv) The individual is subject to any other restriction on their involvement with children not within (ii) or (iii) made pursuant to statute;
- (v) The individual has been convicted of, or made the subject of a caution for, an "Offence" defined in Regulation 1.1; or
- (vi) Following a risk assessment, The Association is satisfied that the individual poses or may pose a risk of harm to children; or
- (vii) Following a risk assessment, The Association is satisfied that the individual is or was in a position of trust in relation to another person and has engaged in sexual activity and/or an inappropriate relationship with that person.

GENERAL

1 1.1 In these Regulations:

"Case Manager" shall mean the individual from The Association appointed to manage a particular case.

"Offence" shall mean any one or more of the offences contained in the Schedules of the Criminal Justice and Court Services Act 2000 and any other criminal offence which reasonably causes The Association to believe that the person accused of the offence poses or may pose a risk of harm to a child or children.

"position of trust" shall mean any position where an individual is in a relationship of trust with any person with responsibility and/or authority in relation to that person, and shall include without limitation those who care for, advise, supervise, train, coach, teach, instruct, manage, tutor, mentor, assess, develop, guide, treat or provide therapy to children and young people.

1.2 The Safeguarding Review Panel shall determine its own procedures save that in making findings of fact the test that the Safeguarding Review Panel shall apply shall be the civil standard of the balance of probability. Where a case is referred to the Safeguarding Review Panel pursuant to these Regulations it shall have the discretion to depart from the procedures set out in these Regulations where it considers it appropriate to do so.

1.3 The actions that may be taken under these Regulations by a Case Manager may also be taken by the Case Manager's nominee.

15 - SAFEGUARDING CHILDREN REGULATIONS

- 1.4 The Association may notify other parties of the terms of any order imposed under these Regulations where the Case Manager considers that such notification is appropriate in order to give effect to the terms of the order.
- 1.5 Where urgent cases arise under these Regulations the Chair of the Safeguarding Review Panel may exercise the functions and powers of the Case Manager and/or the Safeguarding Review Panel, as provided for by these Regulations, on an interim basis. An interim decision taken by the Chair of the Safeguarding Review Panel shall not be final until such time as it has been maintained by the Safeguarding Review Panel, which shall have the right to maintain, modify or make any other order as it considers appropriate in relation to the decision taken by the Chair of the Safeguarding Review Panel.
- 1.6 A Participant must immediately report to The Association any alleged incident, facts or matters regarding potential abuse or harm against a child, or any sexual offence against anyone (whether an adult or child). Any failure to do so may amount to Misconduct.

THE ASSOCIATION'S SAFEGUARDING PROCESS

2. Any person, regardless of their age, applying for or currently in such a position that The Association in its discretion considers relevant must comply with the requirements of The Association's Safeguarding process.

Such persons will include but not be limited to:

- (i) Those in "Regulated Activity" as defined in Part V of the Protection of Freedoms Act 2012. An individual will fall within the definition where:
 - (a) their duties include teaching, training, instructing, caring for, supervising or providing guidance or advice on wellbeing to Children or driving a vehicle (on behalf of an organisation) only for Children; and
 - (b) such duties happen frequently (e.g. once a week or more often) or intensively (e.g. on 4 or more days in a 30 day period, or overnight); and
 - (c) the individual carrying out any of the duties described in (a) and (b) above is unsupervised.

Any person falling within this Regulation 2(i) shall be referred to as a "Regulated Activity Person"; and

- (ii) Those who would otherwise fall within the definition of a Regulated Activity Person but for the fact that their duties are supervised (a "Supervised Person").

The requirements of The Association's Safeguarding process are:

- 2.1
 - (a) In respect of a Regulated Activity Person, to obtain and provide to The Association a DBS Enhanced Criminal Records Check with Children's Barred List
 - (b) In respect of a Supervised Person, to obtain and provide to The Association a DBS Enhanced Criminal Records Check
- 2.2 To provide any such further detail, explanation or clarification of any part of the matters disclosed pursuant to Regulation 2.1 (a) or (b) above, as may be required by The Association;
- 2.3 To comply with any other request or requirement which may assist The Association in progressing or completing any investigation, risk assessment or other enquiry as part of the Safeguarding process;
- 2.4 Where required, to provide a reference or references that attest to their suitability to be involved in youth football. The spouse or partner of the person subject to this requirement cannot act as a referee for this purpose. Any reference provided by a spouse or partner will not be accepted; and
- 2.5 To comply with each of the requirements set out in Regulations 2.1 – 2.4 within any such time limit as The Association may stipulate.

15 - SAFEGUARDING CHILDREN REGULATIONS

2.6 To comply with any order imposed by the Safeguarding Review Panel.

Any person who fails to comply with any of the requirements set out in Regulation 2 shall be subject to an immediate suspension from football activity, on such terms and/or for such period as The Association may stipulate.

Where an individual is subject to a suspension under Regulation 2.6, that suspension will remain effective (and not subject to any review by The Association) until such time as:

- (i) The individual successfully appeals against their suspension pursuant to Regulation 5; or
- (ii) The individual complies with the requirements set out in Regulation 2 that resulted in their suspension.

Any requirement under this Regulation 2, or any suspension arising from any failure to comply with any of the requirements of this Regulation, shall apply whether or not a person withdraws their application or ceases to hold the relevant position at any time before, during or after the investigation, risk assessment or final order of the Safeguarding Review Panel.

INTERIM ORDERS

3. Upon receipt by The Association of:

- 3.1 Notification that an individual has been charged with an Offence;
- 3.2 Notification that an individual is the subject of an investigation by the Police, Children's Services or any other authority relating to an Offence; or
- 3.3 Any other information which causes The Association reasonably to believe that a person poses or may pose a risk of harm to a child or children,

The Association shall have the power to make any interim order including, but not limited to, issuing an interim suspension order suspending the individual from all or any specific football activity for such a period and on such terms and conditions as it considers appropriate. Interim orders shall be issued by the Case Manager, who shall provide the individual with written notification of the interim order, the reason(s) for its imposition and of the right of appeal pursuant to Regulation 5.

4. 4.1 In determining whether an order under Regulation 3 should be made, the Case Manager shall give consideration, inter alia, to the following factors:

- 4.1.1 Whether a child is or children are or may be at risk of harm;
- 4.1.2 Whether the matters are of a serious nature; and/or
- 4.1.3 Whether an order is necessary or desirable to allow the conduct of any investigation by The Association or any other authority or body to proceed unimpeded having regard to the need for any suspension order to be proportionate.

If the Association believes it requires further information from an individual in order to assess whether an order under Regulation 3 should be made and/or to properly assess the factors in Regulation 4.1, the Case Manager may request further information from that individual. Such information must be provided in accordance with the deadline set by the Case Manager.

4.2 The Case Manager will notify the individual in writing of the terms of any interim suspension order or other interim order.

15 - SAFEGUARDING CHILDREN REGULATIONS

5. An individual who is subject to an interim order under Regulation 3 or under Regulation 2.6 shall have the immediate right to appeal the interim order. The right to appeal may be exercised at any time during the period covered by the interim order. Where an individual exercises their right to appeal, they shall have no further right to appeal the interim order save for where, following a review under Regulation 11, the Safeguarding Review Panel makes a material and more onerous change to the interim order (either by way of modification of the original interim order or by making another order).
6. Appeals under Regulation 5 shall be considered by the Safeguarding Review Panel.
7. To bring an appeal under Regulation 5, the individual as the appellant, must give notice in writing to The FA Judicial Services Department with a copy sent to the Case Manager. The notice must request an appeal and state the grounds for that appeal. The appellant may submit any written material in support of the appeal. Such material must be submitted to The Association, as the respondent, and the Safeguarding Review Panel within 14 business days of giving such notice or it may not be considered by the Safeguarding Review Panel. Following the earliest of (a) receipt by The Association of any such material in support of the appeal, (b) the end of the 14 business days period to provide such material, or (c) receipt of confirmation from appellant that no such material will be provided, The Association, as the respondent, may submit any material which it relies on, to the appellant and the Safeguarding Review Panel within 14 business days thereafter.
8. The Safeguarding Review Panel shall determine all procedural matters for the conduct of the appeal, including requiring more information from either the appellant or the respondent. Unless the Safeguarding Review Panel in its discretion exceptionally allows the appellant and the respondent to address it in person, the Safeguarding Review Panel shall only consider the written material submitted by the appellant in support of the appeal, together with any written material submitted by the respondent. In exercising its discretion as to whether exceptionally to allow the individual and the Case Manager to address it in person (whether through a representative or otherwise), whether that be as a result of the application made by the appellant or otherwise, the Safeguarding Review Panel shall give consideration to the following reasons (which is not an exhaustive list):
 - 8.1 Whether the terms of any order under consideration would affect the individual's paid employment within football, in which case, the appellant shall be entitled to address the Safeguarding Review Panel in person; and/or
 - 8.2 Whether exceptional material is put before the Safeguarding Review Panel.
9. In determining an appeal, the Safeguarding Review Panel shall have the power to make any order in relation to the interim order as it considers appropriate, including maintaining, modifying or removing it.
10. Any appeal under Regulation 5 shall be determined by the Safeguarding Review Panel at the earliest opportunity, following the receipt of notice in writing and any written material in support of the appeal from the appellant and written material submitted by the respondent (and, in cases where the individual and Case Manager were permitted to address it in person, following any oral hearing).
11. An individual who is subject to an interim order is entitled to request a review of the interim order at the first opportunity following the expiry of 6 months from the date of the order being imposed or, if that order has been appealed under Regulation 5, the date upon which that appeal is determined (whether on the written papers or following an oral hearing), and at the same interval thereafter. An individual who wishes to exercise their right to review must notify the Case Manager in writing whereupon the matter will be referred to a Safeguarding Review Panel. The Safeguarding Review Panel will not review an interim order before the expiry of the relevant 6 month period except in exceptional circumstances and/or where there is a material change in the circumstances in which the order was made. Any review under Regulation 11 shall not be considered by the Safeguarding Review Panel which conducted an appeal in the same case under Regulation 5. The Safeguarding Review Panel may maintain, modify, or remove any interim order, or make any other order it considers appropriate. Where an individual is subject to ongoing criminal proceedings relating to the matter(s) which gave rise to the interim order the interim order will last for the length of the criminal proceedings at least, unless the individual is able to demonstrate why that should not be the position on the facts of their individual case. This does not affect the individual's right to review in accordance with Regulation 11.

15 - SAFEGUARDING CHILDREN REGULATIONS

12. The total period of an interim order under Regulation 3 shall not last beyond the final determination of any related case under the Rules of the Association. Where an interim order is imposed on an individual under Regulation 3 above, The Association shall bring and conclude any proceedings under the Rules of The Association against the person relating to the matters as soon as reasonably practicable.

DETERMINATION FOLLOWING ANY ORDER MADE PURSUANT TO STATUTE BARRING OR RESTRICTING INVOLVEMENT WITH CHILDREN

13. 13.1 Where any individual is:
- 13.1.1 Barred from regulated activity relating to children in accordance with section 3 of the Safeguarding Vulnerable Groups Act 2006 (as may be amended);
 - 13.1.2 Disqualified from working with children in accordance with section 35 of the Criminal Justice and Court Services Act 2000; and/or
 - 13.1.3 Subject to any other order, not within Regulations 13.1.1 or 13.1.2, issued pursuant to statute restricting their involvement with children,
- The Association shall have the power to make any order, including but not limited to an order that any individual be suspended from all or any specific football activity for such period and on such terms and conditions as it considers appropriate. Any such order shall be issued by the Case Manager.
- 13.2 All such orders shall be reviewed at the next meeting of the Safeguarding Review Panel. The Safeguarding Review Panel may maintain, modify or remove any such order, or make any other order as it considers appropriate.

ORDER FOLLOWING CONVICTION OR CAUTION

14. 14.1 Where the Case Manager becomes aware that an individual has a caution or conviction which leads to a concern about that individual's continued participation in football activity involving a child or children, the Case Manager may refer a case to the Safeguarding Review Panel in order to seek an order under Regulation 14.
- 14.2 The Association's Safeguarding Review Panel shall have the power to make any order in respect of any individual convicted of, or made the subject of a caution in respect of, an Offence, including but not limited to a suspension from all or any specific football activity for such period and on such terms and conditions as it considers appropriate.

OTHER ORDERS

15. In addition to The Association's powers under Regulations 2.6, 3, and 13, where the Case Manager has reasonable cause to suspect that there are grounds for concern about an individual's continued participation in football activity involving a child or children, the Case Manager may refer a case to the Safeguarding Review Panel in order to seek an order under Regulation 15.

Following such a referral, the Safeguarding Review Panel shall have the power to make any order that it considers appropriate, including but not limited to an order that any individual be suspended from all or any specific football activity for such period and on such terms and conditions as it considers appropriate, if it is satisfied that the individual poses or may pose a risk of harm to a child or children and/or that the individual is or was in a position of trust in relation to any person and has engaged in sexual activity and/or an inappropriate relationship with that person.

15 - SAFEGUARDING CHILDREN REGULATIONS

RISK ASSESSMENTS

16. The Case Manager may conduct a risk assessment of an individual's participation in football following any order or referral made under Regulation 13, 14 or 15. This risk assessment may be in such form and prepared by any person, as the Case Manager, at their discretion, considers appropriate.

PROCEDURE

17. Before an order or referral is made under Regulation 13, 14 or 15, the Case Manager must use reasonable endeavours to notify the individual in writing. Such written notification must explain the order sought and the reason for it, and include a copy of the risk assessment and all other written material that the Case Manager intends to rely upon in seeking the order, save for any exceptional material dealt with under Regulation 24.
18. The individual shall have 14 days to reply to this notification and to provide any written material that they wish the Safeguarding Review Panel to take into account in considering whether or not to impose, maintain, modify or remove any order under Regulation 13, 14 or 15.
19. Following the receipt of the reply and/or other written material from the individual, or the expiry of the 14 day period if no reply is received, the Case Manager may:
 - 19.1 Decide that no further action is currently required as there are no longer grounds for an order or referral under Regulation 13, 14 or 15;
 - 19.2 Make any such further inquiries as they consider appropriate in light of any matters raised by the individual in response to the written notification; or
 - 19.3 Refer the case to the Safeguarding Review Panel.
20. Where further inquiries are made by the Case Manager, any written material arising from those inquiries may only be relied on by the Case Manager if that written material has been sent to the individual and they have had 14 days to reply to it, save for any exceptional material dealt with under Regulation 24. If the written material is relied upon, any response by the individual must also be considered by the Safeguarding Review Panel.
21. A Safeguarding Review Panel may issue such further order, requirement, or instruction as it considers appropriate for the purpose of giving effect to its decision.
22. The Safeguarding Review Panel shall determine all procedural matters for the conduct of a case it is considering under Regulation 13, 14 or 15. Unless the Safeguarding Review Panel in its discretion exceptionally allows the individual and the Case Manager (and/or a representative of either) to address it in person, the case shall be considered on the basis of the following written material only:
 - 22.1 The written notification and all written material provided with it by the Case Manager to the individual;
 - 22.2 The reply, if any, and all other written material submitted by the individual in response to the written notification;
 - 22.3 Any further written material provided by the Case Manager to the individual subsequently to the written notification; and
 - 22.4 Any response from the individual to such further written material and all other written material submitted with that response.
23. In exercising its discretion as to whether exceptionally to allow the individual and the Case Manager to address it in person, whether that be as a result of an application made by either party or otherwise, the Safeguarding Review Panel shall give consideration, inter alia, to the following factors:
 - 23.1 Whether the terms of any order under consideration would affect the individual's paid employment within football in which case the individual shall be entitled to address the Safeguarding Review Panel in person;

15 - SAFEGUARDING CHILDREN REGULATIONS

- 23.2 Whether exceptional material is to be put before the Safeguarding Review Panel; and/or
- 23.3 Whether an oral hearing has previously been conducted pursuant to Regulation 10 in relation to the same matter.

COSTS ORDERS

- 24. Save where otherwise provided, any costs incurred in referring a matter to a Safeguarding Review Panel, or responding to that referral, will be borne by the party incurring the costs.

EXCEPTIONAL MATERIAL

- 25. 25.1 In considering an interim order under Regulation 5, a review of any interim order under Regulation 11, or whether or not to make any order under Regulation 15, as a general rule the Safeguarding Review Panel may not consider any material provided by either the Case Manager or the individual which the other party has not seen and had a reasonable opportunity to reply to.
- 25.2 Exceptionally, in respect of any of the matters set out at Regulation 25.1, the Case Manager may make an application to an Exceptional Material Panel for permission to submit material to the Safeguarding Review Panel that has not been sent to the individual ("exceptional material"), where the Case Manager considers that the exceptional material concerned should not be sent to the individual for any one or more of the following reasons:–
 - 25.2.1 Revealing it to the individual may create a risk of harm to any person or persons, and/or
 - 25.2.2 Revealing it to the individual may amount to a criminal offence or otherwise be unlawful.
- 25.3 Where the Case Manager makes an application to an Exceptional Material Panel for permission to submit exceptional material to the Safeguarding Review Panel under Regulation 25.2 above, the Case Manager shall give notice of the application to the individual in writing at least fourteen days before the Exceptional Material Panel considers the application, unless the Case Manager considers that such written notice should not be given, as to give such notice may in itself:
 - 25.3.1 Create a risk of harm to any person or persons; and/or
 - 25.3.2 Amount to a criminal offence or otherwise be unlawful.
- 25.4 Any reply by an individual to a notice referred to in Regulation 25.3 must be passed to the Exceptional Material Panel for consideration.
- 25.5 The Exceptional Material Panel may, at its discretion, allow or reject the application in whole or in part.
- 25.6 In the event that the Exceptional Material Panel grants an order allowing the exceptional material to be submitted to the Safeguarding Review Panel, the Exceptional Material Panel shall give consideration as to whether either or both of the following may be provided to the individual:
 - 25.6.1 A redacted version of the exceptional material; and/or
 - 25.6.2 A summary of the exceptional material.
- 25.7 An Exceptional Material Panel shall be made up of one or more of the members of the Safeguarding Review Panel. A person that sits on an Exceptional Material Panel determining an application under Regulation 25.2 in relation to a particular individual may not be a member of the Safeguarding Review Panel that will have conduct of the case referred under Regulation 15 in relation to that individual.

15 - SAFEGUARDING CHILDREN REGULATIONS

SUPERVISION ORDERS

26. Unless otherwise discharged, a Supervision Order will last for the length of time ordered by the Panel. Before its expiry, The Association may apply for an extension, or further extensions, for a period not exceeding 3 years from the date of the first order.

DISCRETION TO REFER TO THE SAFEGUARDING REVIEW PANEL

27. Any of the powers and/or case management functions exercised by a Case Manager under these Regulations may instead be exercised by the Safeguarding Review Panel if the Case Manager, in their sole discretion, determines that the matter should be referred to the Safeguarding Review Panel ("a general referral"). The Case Manager shall make a general referral to the Safeguarding Review Panel where the facts and circumstances of a case are exceptional and/or of significant public interest, though the Case Manager's discretion to make a general referral will not be limited to such cases.
28. Where the Case Manager makes a general referral to the Safeguarding Review Panel, the same rights of review and appeal arise as if the decision of the Safeguarding Review Panel had been made by the Case Manager. Any review or appeal of the decisions of the latter will be heard by a Safeguarding Review Panel, none of the members of which shall have been a member of the Safeguarding Review Panel which was involved in any earlier decision on that case.

RIGHT OF APPEAL

29. 29.1 The individual or The Association may appeal to an Appeal Board any decision of the Safeguarding Review Panel made under Regulations 13.1.3, 14 or 15. Subject to Regulation 29.3 and 29.4, such appeals shall be conducted in accordance with Part C: Appeals Non-Fast-Track of the Disciplinary Regulations ("Appeal Regulations"). Subject to this right of appeal, decisions of the Safeguarding Review Panel shall be final and binding.
- 29.2 Notwithstanding any provision to the contrary in the Appeal Regulations, an Appeal Board convened to hear an appeal pursuant to Regulation 29.1 shall take place as a full rehearing of the case.
- 29.3 Paragraph 10 of the Appeal Regulations shall be replaced with the following: "The Appeal Board shall hear new evidence only where it has given leave that it may be presented. An application for leave to present new evidence must be made in the Notice of Appeal or the Response. Such application must set out the nature and the relevance of the new evidence, and why it was not presented at the original hearing. The Appeal Board shall not grant leave to present new evidence unless satisfied with the reason given as to why it was not, or could not have been, presented at the original hearing and that such evidence is relevant. The Appeal Board's decision shall be final. Where leave to present new evidence has been granted, in all cases the other party will be given an opportunity to respond".
- 29.4 Any decision of the Appeal Board shall be final and binding with no further right of appeal.

WRITTEN MATERIAL

30. For the purposes of these Regulations, "written material" may include photographic, video, electronic and/or audio evidence.

16 - SAFEGUARDING ADULTS AT RISK REGULATIONS

PREAMBLE

This Preamble is provided for guidance. If there is any inconsistency between the Preamble and the operative parts of the Safeguarding Adults at Risk Regulations below, the operative parts shall prevail.

As set out in The Association's Safeguarding Adults at Risk Policy, The Association is committed to safeguarding Adults at Risk within football and has Case Management procedures in place to assess the risk of harm that individuals may pose to Adults at Risk in football.

In assessing that risk, the welfare of Adults at Risk is the paramount consideration. Towards this, The Association has the power under the Safeguarding Adults at Risk Regulations to issue an order where any one or more of the following applies:

- (i) The individual fails to comply with any part of The Association's Criminal Records Check (CRC) process;
- (ii) The individual has been barred by the Disclosure and Barring Service (DBS) from engaging in regulated activity relating to Adults at Risk;
- (iii) The individual is included on the Disclosure and Barring Service (DBS) Adults Barred List;
- (iv) The individual has been convicted of, or made the subject of a caution for, an "Offence" defined in Regulation 1.1;
- (v) Following a risk assessment, The Association is satisfied that the individual poses or may pose a risk of harm to Adults at Risk; or
- (vi) Following a risk assessment, The Association is satisfied that the individual is or was in a position of trust in relation to another person and has engaged in sexual activity and/or an inappropriate relationship with that person.

GENERAL

1. 1.1 In these Regulations:

"Case Manager" shall mean the individual from The Association appointed to manage a particular case.

"Offence" shall mean any one or more of the offences contained in the Schedules of the Criminal Justice and Court Services Act 2000 and any other criminal offence which reasonably causes The Association to believe that the person accused of the offence poses or may pose a risk of harm to an Adult at Risk; and

"position of trust" shall mean any position where an individual is in a relationship of trust with any person with responsibility and/or authority in relation to that person and shall include without limitation those who care for, advise, supervise, train, coach, instruct, teach, manage, tutor, mentor, assess, develop, guide, treat or provide therapy to Adults at Risk.

1.2 The Safeguarding Review Panel shall determine its own procedures save that in making findings of fact the test that the Safeguarding Review Panel shall apply shall be the civil standard of the balance of probability. Where a case is referred to the Safeguarding Review Panel pursuant to these Regulations it shall have the discretion to depart from the procedures set out in these Regulations where it considers it appropriate to do so.

1.3 The actions that may be taken under these Regulations by a Case Manager may also be taken by the Case Manager's nominee.

16 - SAFEGUARDING ADULTS AT RISK REGULATIONS

- 1.4 The Association may notify other parties of the terms of any order imposed under these Regulations where the Case Manager considers that such notification is appropriate in order to give effect to the terms of the order.
 - 1.5 Where urgent cases arise under these Regulations the Chair of the Safeguarding Review Panel may exercise the functions and powers of the Case Manager and/or the Safeguarding Review Panel as provided for by these Regulations, on an interim basis. An interim decision taken by the Chair of the Safeguarding Review Panel shall not be final until such time as it has been maintained by the Safeguarding Review Panel, which shall have the right to maintain, modify or make any other order as it considers appropriate in relation to the decision taken by the Chair of the Safeguarding Review Panel.
 - 1.6 A Participant must immediately report to the Association, any alleged incident, facts or matters regarding potential abuse or harm against an Adult at Risk, or any sexual offence against anyone (whether an Adult at Risk or not). A failure to do so may amount to Misconduct.
2. For these purposes, the term Adult at Risk or Adults at Risk means any person who falls within any one or more of the following:
 - 2.1 Section 42 of The Care Act 2014;
 - 2.2 Section 59 of the Safeguarding Vulnerable Groups Act 2006 as amended by the Protection of Freedoms Act 2012; and
 - 2.3 any adult who is or may be in need of community care services by reason of mental health issues, learning or physical disability, sensory impairment, age or illness and who is or may be unable to take care of themselves or unable to protect themselves against significant harm or serious exploitation.

SAFEGUARDING ADULTS AT RISK PROCESS

3. Any person, regardless of their age, applying for or currently in such positions that The Association in its discretion considers relevant whose duties include regularly caring for, training, supervising, administering treatment and/or therapy or medical treatment to an Adult at Risk may be required by The Association to comply with the requirements of The Association's Safeguarding Adults at Risk process. These requirements are:
 - 3.1 To obtain and provide to The Association a DBS Enhanced Criminal Records Check (to include the Adults Barred List check where the duties fall within the definition of "Regulated Activity" under the Protection of Freedoms Act 2012) or to obtain and provide to The Association a DBS Enhanced Criminal Records Check without a check of the adults barred list where the duties do not fall within the definition of "Regulated Activity" under the Protection of Freedoms Act 2012 or other DBS check according to role.
 - 3.2 To provide any such further detail, explanation or clarification of any part of the matters disclosed pursuant to Regulation 3.1 above as may be required by The Association;
 - 3.3 Where required, to provide a reference or references that attest to their suitability to be involved in football involving Adults at Risk. The spouse or partner of the person subject to this requirement cannot act as a referee for this purpose. Any reference provided by a spouse or partner will not be accepted; and
 - 3.4 To comply with each of the requirements set out in Regulations 3.1-3.4 within any such time limit as The Association may stipulate.

16 - SAFEGUARDING ADULTS AT RISK REGULATIONS

3.5 To comply with any order imposed by the Safeguarding Review Panel.

Any person who fails to comply with any of the requirements set out in Regulation 3 shall be subject to an immediate suspension from football activity, on such terms and/or for such period as The Association may stipulate.

Where an individual is subject to a suspension under Regulation 3.5, that suspension will remain effective (and not subject to any review by The Association) until such time as:

- (i) The individual successfully appeals against their suspension pursuant to Regulation 6; or
- (ii) The individual complies with the requirements set out in Regulation 3 that resulted in their suspension.

Any requirement under this Regulation 3, or any suspension arising from any failure to comply with any requirement of this Regulation, shall apply whether or not a person withdraws their application or ceases to hold the relevant position at any time before, during or after the investigation, risk assessment or final order of the Safeguarding Review Panel.

INTERIM ORDERS

4. Upon receipt by The Association of:

- 4.1 Notification that an individual has been charged with an Offence;
- 4.2 Notification that an individual is the subject of an investigation by the Police or any other authority relating to an Offence; or
- 4.3 Any other information which causes The Association reasonably to believe that a person poses or may pose a risk of harm to an Adult at Risk, The Association shall have the power to make any interim order including, but not limited to, issuing an interim suspension order suspending the individual from all or any specific football activity for such a period and on such terms and conditions as it considers appropriate. Interim orders shall be issued by the Case Manager, who shall provide the individual with written notification of the interim order, the reason(s) for its imposition and of the right of appeal pursuant to Regulation 7.

5. 5.1 In determining whether an order under Regulation 4 should be made, the Case Manager shall give consideration, inter alia, to the following factors:

- 5.1.1 Whether Adults at Risk may be at risk of harm from the individual
- 5.1.2 Whether the matters are of a serious nature; and/or
- 5.1.3 Whether an order is necessary or desirable to allow the conduct of any investigation by The Association or any other authority or body to proceed unimpeded having regard to the need for any suspension order to be proportionate.

If the Association believes it requires further information from an individual in order to assess whether an order under Regulation 4 should be made and/or to properly assess the factors in Regulation 5.1, the Case Manager may request further information from that individual. Such information must be provided in accordance with the deadline set by the Case Manager.

5.2 The Case Manager will notify the individual in writing of the terms of any interim suspension order or other interim order.

6. An individual who is subject to an interim order under Regulation 4 or under Regulation 3.6 shall have the immediate right to appeal the interim order. The right to appeal may be exercised at any time during the period covered by the interim order. Where an individual exercises their right to appeal, they shall have no further right to appeal the interim order save for where, following a review under Regulation 12, the Safeguarding Review Panel makes a material and more onerous change to the interim order (either by way of modification of the original interim order or by making another order).

16 - SAFEGUARDING ADULTS AT RISK REGULATIONS

7. Appeals under Regulation 6 shall be considered by the Safeguarding Review Panel.
8. To bring an appeal under Regulation 6, the individual as the appellant, must give notice in writing to The FA Judicial Services Department with a copy sent to the Case Manager. The notice must request an appeal and state the grounds for that appeal. The appellant may submit any written material in support of the appeal. Such material must be submitted to The Association, as the respondent, and the Safeguarding Review Panel within 14 business days of giving such notice or it may not be considered by the Safeguarding Review Panel. Following the earliest of (a) receipt by The Association of any such material in support of the appeal, (b) the end of the 14 business day period to provide such material, or (c) receipt of confirmation from the appellant that no such material will be provided, The Association, as the respondent, may submit any material which it relies on, to the appellant and the Safeguarding Review Panel within 14 business days thereafter.
9. The Safeguarding Review Panel shall determine all procedural matters for the conduct of the appeal, including requiring more information from either the appellant or the respondent. Unless the Safeguarding Review Panel in its discretion exceptionally allows the appellant and the respondent to address it in person, the Safeguarding Review Panel shall only consider the written material submitted by the appellant in support of the appeal, together with any written material submitted by the respondent. In exercising its discretion as to whether exceptionally to allow the individual and the Case Manager to address it in person (whether through a representative or otherwise), whether that be as a result of the application made by the appellant or otherwise, the Safeguarding Review Panel shall give consideration to the following reasons (which is not an exhaustive list):
 - 9.1 Whether the terms of any order under consideration would affect the individual's paid employment within football, in which case, the appellant shall be entitled to address the Safeguarding Review Panel in person; and/or
 - 9.2 Whether exceptional material is put before the Safeguarding Review Panel.
10. In determining an appeal, the Safeguarding Review Panel shall have the power to make any order in relation to the interim order as it considers appropriate, including maintaining, modifying or removing it.
11. Any appeal under Regulation 6 shall be determined by the Safeguarding Review Panel at the earliest opportunity, following the receipt of notice in writing and any written material in support of the appeal from the appellant and written material submitted by the respondent (and, in cases where the individual and Case Manager were permitted to address it in person, following any oral hearing).
12. An individual who is subject to an interim order is entitled to request a review of the interim order at the first opportunity following the expiry of 6 months from the date of the order being imposed or, if that order has been appealed under Regulation 6, the date upon which that appeal is determined (whether on the written papers or following an oral hearing), and at the same interval thereafter. An individual who wishes to exercise their right to review must notify the Case Manager in writing whereupon the matter will be referred to a Safeguarding Review Panel. The Safeguarding Review Panel will not review an interim order before the expiry of the relevant 6 month period except in exceptional circumstances and/or where there is a material change in the circumstances in which the order was made. Any review under Regulation 12 shall not be considered by the Safeguarding Review Panel which conducted an appeal in the same case under Regulation 6. The Safeguarding Review Panel may maintain, modify, or remove any interim order, or make any other order it considers appropriate. Where an individual is subject to ongoing criminal proceedings relating to the matter(s) which gave rise to the interim order the interim order will last for the length of the criminal proceedings at least, unless the individual is able to demonstrate why that should not be the position on the facts of their individual case. This does not affect the individual's right to review in accordance with Regulation 12.
13. The total period of an interim order under Regulation 4 shall not last beyond the final determination of any related case under the Rules of the Association. Where an interim order is imposed on an individual under Regulation 4 above, The Association shall bring and conclude any proceedings under the Rules of The Association against the person relating to the matters as soon as reasonably practicable.

16 - SAFEGUARDING ADULTS AT RISK REGULATIONS

DETERMINATION FOLLOWING ANY ORDER MADE PURSUANT TO STATUTE BARRING OR RESTRICTING INVOLVEMENT WITH ADULTS AT RISK

14. 14.1 Where any individual is:
- 14.1.1 Barred from regulated activity relating to Adults at Risk;
 - 14.1.2 Included in the list of individuals considered unsuitable to work with Adults at Risk, as kept by the Disclosure and Barring Service (DBS); and/or
 - 14.1.3 Subject to any other order, not within Regulation 14.1.1 or 14.1.2, issued pursuant to statute restricting their involvement with Adults at Risk,
- The Association shall have the power to make any order, including but not limited to an order that any individual be suspended from all or any specific football activity for such period and on such terms and conditions as it considers appropriate. Any such order shall be issued by the Case Manager.
- 14.2 All such orders shall be reviewed at the next meeting of the Safeguarding Review Panel. The Safeguarding Review Panel may maintain, modify or remove any such order, or make any other order as it considers appropriate.

ORDER FOLLOWING CONVICTION OR CAUTION

15. 15.1 Where the Case Manager becomes aware that an individual has a caution or conviction which leads to a concern about that individual's continued participation in football activity involving a child or children, the Case Manager may refer a case to the Safeguarding Review Panel in order to seek an order under Regulation 15.
- 15.2 The Association's Safeguarding Review Panel shall have the power to make any order in respect of any individual convicted of, or made the subject of a caution in respect of, an Offence, including but not limited to a suspension from all or any specific football activity for such period and on such terms and conditions as it considers appropriate.

OTHER ORDERS

16. In addition to The Association's powers under Regulations 3.6, 4, and 14, where the Case Manager has reasonable cause to suspect that there are grounds for concern about an individual's continued participation in football activity involving Adults at risk, the Case Manager may refer a case to the Safeguarding Review Panel in order to seek an order under Regulation 16.
- Following such a referral, the Safeguarding Review Panel shall have the power to make any order that it considers appropriate, including but not limited to an order that any individual be suspended from all or any specific football activity for such period and on such terms and conditions as it considers appropriate, if it is satisfied that the individual poses or may pose a risk of harm to Adults at Risk and/or that the individual is or was in a position of trust in relation to any person and has engaged in sexual activity and/or an inappropriate relationship with that person.

RISK ASSESSMENTS

17. The Case Manager may conduct a risk assessment of an individual's participation in football following an order or referral made under Regulation 14, 15 or 16. This risk assessment may be in such form and prepared by any person, as the Case Manager at their discretion, considers appropriate.

PROCEDURE

18. Before an order or referral is made under Regulation 14, 15 or 16, the Case Manager must use reasonable endeavours to notify the individual in writing. Such written notification must explain the order sought and the reason for it, and include a copy of the risk assessment and all other written material that the Case Manager intends to rely upon in seeking the order, save for any exceptional material dealt with under Regulation 24.
19. The individual shall have 14 days to reply to this notification and to provide any written material that they wish the Safeguarding Review Panel to take into account in considering whether or not to impose, maintain, modify or remove any order under Regulation 14, 15 or 16.
20. Following the receipt of the reply and/or written material from the individual, or the expiry of the 14 day period if no reply is received, the Case Manager may:
 - 20.1 Decide that no further action is currently required as there are no longer grounds for an order or referral under Regulation 14, 15, or 16;
 - 20.2 Make any such further inquiries as they consider appropriate in light of any matters raised by the individual in response to the written notification; or
 - 20.3 Refer the case to the Safeguarding Review Panel.
21. Where further inquiries are made by the Case Manager, any written material arising from those inquiries may only be relied on by the Case Manager if that written material has been sent to the individual and they have had 14 days to reply to it, save for any exceptional material dealt with under Regulation 24. If the written material is relied upon, any response by the individual must also be considered by the Safeguarding Review Panel.
22. A Safeguarding Review Panel may issue such further order, requirement, or instruction as it considers appropriate for the purpose of giving effect to its decision.
23. The Safeguarding Review Panel shall determine all procedural matters for the conduct of a case it is considering under Regulation 14, 15 or 16. Unless the Safeguarding Review Panel in its discretion exceptionally allows the individual and the Case Manager (and/or a representative of either) to address it in person, the case shall be considered on the basis of the following written material only:
 - 23.1 The written notification and all written material provided with it by the Case Manager to the individual;
 - 23.2 The reply, if any, and all other written material submitted by the individual in response to the written notification;
 - 23.3 Any further written material provided by the Case Manager to the individual subsequently to the written notification; and
 - 23.4 Any response from the individual to such further written material and all other written material submitted with that response.
24. In exercising its discretion as to whether exceptionally to allow the individual and the Case Manager to address it in person, whether that be as a result of an application made by either party or otherwise, the Safeguarding Review Panel shall give consideration, inter alia, to the following factors:
 - 24.1 Whether the terms of any order under consideration would affect the individual's paid employment within football in which case the individual shall be entitled to address the Safeguarding Review Panel in person;
 - 24.2 Whether exceptional material is to be put before the Safeguarding Review Panel; and/or
 - 24.3 Whether an oral hearing has previously been conducted pursuant to Regulation 10 in relation to the same matter.

16 - SAFEGUARDING ADULTS AT RISK REGULATIONS

COSTS ORDERS

25. Save where otherwise provided, any costs incurred in referring a matter to a Safeguarding Review Panel, or responding to that referral, will be borne by the party incurring the costs.

EXCEPTIONAL MATERIAL

26. 26.1 In considering an interim order under Regulation 6, a review of any interim order under Regulation 12, or whether or not to make any order under Regulation 16, as a general rule the Safeguarding Review Panel may not consider any material provided by either the Case Manager or the individual which the other party has not seen and had a reasonable opportunity to reply to.
- 26.2 Exceptionally, in respect of any of the matters set out at Regulation 26.1, the Case Manager may make an application to an Exceptional Material Panel for permission to submit material to the Safeguarding Review Panel that has not been sent to the individual ("exceptional material"), where the Case Manager considers that the exceptional material concerned should not be sent to the individual for any one or more of the following reasons:
- 26.2.1 Revealing it to the individual may create a risk of harm to any person or persons, and/or
- 26.2.2 Revealing it to the individual may amount to a criminal offence or otherwise be unlawful.
- 26.3 Where the Case Manager makes an application to an Exceptional Material Panel for permission to submit exceptional material to the Safeguarding Review Panel under Regulation 26.2, the Case Manager shall give notice of the application to the individual in writing at least fourteen days before the Exceptional Material Panel considers the application, unless the Case Manager considers that such written notice should not be given, as to give such notice may in itself:
- 26.3.1 Create a risk of harm to any person or persons; and/or
- 26.3.2 Amount to a criminal offence or otherwise be unlawful.
- 26.4 Any reply by an individual to a notice referred to in Regulation 26.3 must be passed to the Exceptional Material Panel for consideration.
- 26.5 The Exceptional Material Panel may, at its discretion, allow or reject the application in whole or in part.
- 26.6 In the event that the Exceptional Material Panel grants an order allowing the exceptional material to be submitted to the Safeguarding Review Panel, the Exceptional Material Panel shall give consideration as to whether either or both of the following may be provided to the individual:
- 26.6.1 A redacted version of the exceptional material; and/or,
- 26.6.2 A summary of the exceptional material.
- 26.7 An Exceptional Material Panel shall be made up of one or more of the members of the Safeguarding Review Panel. A person that sits on an Exceptional Material Panel determining an application under Regulation 24.2 in relation to a particular individual may not be a member of the Safeguarding Review Panel that will have conduct of the case referred under Regulation 16 in relation to that individual.

OTHER ORDERS AVAILABLE FOLLOWING RISK ASSESSMENT

27. Following a referral under Regulation 16, in addition to its ability to make an order under Regulation 16, the Safeguarding Review Panel may make any other order consistent with the aims of the Adults at Risk Policy that it considers appropriate in the circumstances.

16 - SAFEGUARDING ADULTS AT RISK REGULATIONS

SUPERVISION ORDERS

28. Unless otherwise discharged, a Supervision Order will last for the length of time ordered by the Panel. Before its expiry, The Association may apply for an extension, or further extensions, for a period not exceeding 3 years from the date of the first order.

DISCRETION TO REFER TO THE SAFEGUARDING REVIEW PANEL

29. Any of the powers and/or case management functions exercised by a Case Manager under these Regulations may instead be exercised by the Safeguarding Review Panel if the Case Manager, in their sole discretion, determines that the matter should be referred to the Safeguarding Review Panel ("a general referral"). The Case Manager shall make a general referral to the Safeguarding Review Panel where the facts and circumstances of a case are exceptional and/or of significant public interest, though the Case Manager's discretion to make a general referral will not be limited to such cases.
30. Where the Case Manager makes a general referral to the Safeguarding Review Panel, the same rights of review and appeal arise as if the decision of the Safeguarding Review Panel had been made by the Case Manager. Any review or appeal of the decisions of the latter will be heard by a Safeguarding Review Panel, none of the members of which shall have been a member of the Safeguarding Review Panel which was involved in any earlier decision on that case.

RIGHT OF APPEAL

31. 31.1 The individual or The Association may appeal to an Appeal Board any decision of the Safeguarding Review Panel made under Regulations 14.1.3, 15 or 16. Subject to Regulation 31.3 and 31.4, such appeals shall be conducted in accordance with Part C: Appeals Non-Fast-Track of the Disciplinary Regulations (the "Appeal Regulations"). Subject to this right of appeal, decisions of the Safeguarding Review Panel shall be final and binding.
- 31.2 Notwithstanding any provision to the contrary in the Appeal Regulations, an Appeal Board convened to hear an appeal pursuant to Regulation 31.1 shall take place as a full rehearing of the case.
- 31.3 Paragraph 10 of the Appeal Regulations shall be replaced with the following: The Appeal Board shall hear new evidence only where it has given leave that it may be presented. An application for leave to present new evidence must be made in the Notice of Appeal or the Response. Such application must set out the nature and the relevance of the new evidence, and why it was not presented at the original hearing. The Appeal Board shall not grant leave to present new evidence unless satisfied with the reason given as to why it was not, or could not have been, presented at the original hearing and that such evidence is relevant. The Appeal Board's decision shall be final. Where leave to present new evidence has been granted, in all cases the other party will be given an opportunity to respond.
- 31.4 Any decision of the Appeal Board shall be final and binding with no further right of appeal.

WRITTEN MATERIAL

32. For the purposes of these Regulations, "written material" may include photographic, video, electronic and/or audio evidence.

17 - FOOTBALL AGENT REGULATIONS

Introduction and Interpretation

These Regulations are made in accordance with Rule J and are binding on all Participants.

A number of provisions of these Regulations are temporarily suspended. The suspended provisions primarily arise out of the recommendation made by FIFA for National Associations to suspend the application and enforcement of certain provisions of the FFAR (see FIFA Circular 1873, dated 30 December 2023). The suspended provisions are shaded in grey. Where a provision is partially shaded in grey, only the shaded wording is subject to the temporary suspension. For the avoidance of doubt, any provision that is not shaded in grey is effective.

Unless otherwise stated, definitions are as set out in Rule A of The Association's Rules and Appendix I of these Regulations.

These Regulations came into force on 1 June 2026.

TITLE II. REGISTRATION WITH THE FA

2. REGISTRATION

- 2.1 Before carrying out any conduct or activity that falls within the scope of these Regulations as set out in Regulation 1.1, a Football Agent must first register with The Association to become an FA Registered Football Agent in accordance with the FA Registration Requirements.

Guidance

There does not need to be any impending Transaction for a Football Agent to register with The Association.

- 2.2 To register with The Association, a Football Agent must (i) hold a FIFA Licence; and (ii) complete in full and submit to The Association the relevant registration documentation, in the form prescribed by The Association from time to time.

- 2.3 Upon satisfactory completion and receipt of the registration documentation, The Association shall issue written confirmation of registration to the FA Registered Football Agent and shall publish such FA Registered Football Agent's name in such manner as The Association considers appropriate.
- 2.4 An FA Registered Football Agent's registration with The Association shall constitute an enforceable undertaking by the FA Registered Football Agent to act in accordance with the Rules and regulations of The Association (including these Regulations).
- 2.5 Subject to the suspension or withdrawal of a registration (including where so ordered by a Regulatory Commission or Appeal Board and/or pursuant to Regulation 2.9 or 2.10), an FA Registered Football Agent's registration with The Association shall last indefinitely.
- 2.6 An FA Registered Football Agent must procure that their Agency complies with any requirement of The Association pursuant to its Rules and regulations (including these Regulations).

- 2.10 Upon an FA Registered Football Agent's FIFA Licence being suspended or withdrawn that person's registration with The Association shall be automatically and immediately suspended or withdrawn, until such time as The Association directs otherwise.

TITLE III. ACTING AS AN FA REGISTERED FOOTBALL AGENT

An FA Registered Football Agent who fails to ensure that the requirements under Regulations 3.3(a) to 3.3(c) are met will be in breach of this Regulation 3.3.

Guidance

Where an FA Registered Football Agent conducts their business affairs through an Agency, the relevant Representation Agreement must be entered into by the FA Registered Football Agent and may, in addition, be entered into by their Agency. Where an Agency is party to a Representation Agreement, and provided that all parties to the Representation Agreement have provided written consent, any other FA Registered Football Agent employed by the Agency may perform Football Agent Services in respect of that Representation Agreement.

If the FA Registered Football Agent leaves that Agency, the consequences shall be a matter for the Agency, the FA Registered Football Agent and their clients to determine in accordance with the relevant Representation Agreement, the FA Registered Football Agent's terms of engagement with their Agency and any other applicable terms and conditions in place between the parties.

- 3.4 An FA Registered Football Agent is fully responsible for any conduct by their Agency, its employees, contractors, agents or other representatives or persons working for it (including in accordance with Regulation 3.3) irrespective of whether such conduct is authorised by the FA Registered Football Agent.

Guidance

An FA Registered Football Agent must ensure that the employees, contractors, agents or other representatives of their Agency, together with persons working for such Agency, are made aware of the requirements of these Regulations.

- 3.5 The following natural or legal persons may not have an Interest in any affairs of a Football Agent, FA Registered Football Agent or their Agency:
- a) Players, Coaches and Clubs.
 - b) Any person who is ineligible to become a Football Agent under Article 5 of the FFAR.
 - c) Any person or entity that owns or holds, whether directly or indirectly, any rights relating to the registration of a player, in violation of article 18bis or article 18ter of the RSTP.

4. REPRESENTATION

- 4.1 An FA Registered Football Agent may only perform Football Agent Services for a Player, Coach or Club:
- a) after having entered into a Representation Agreement with that Player, Coach or Club; or
 - b) if employed by an Agency, after an FA Registered Agent who conducts their business affairs through the same Agency has entered into a Representation Agreement with that Player, Coach or Club, provided that:
 - (i) the Agency is also party to the Representation Agreement; and
 - (ii) all parties to the Representation Agreement have provided written consent.

Guidance

Pursuant to Regulation 3.3, it is the responsibility of the FA Registered Football Agent that has entered into the Representation Agreement to ensure that the performance of Football Agent Services in relation to that Representation Agreement is carried out only by FA Registered Football Agents.

Any FA Registered Football Agent performing Football Agent Services in respect of a Transaction must comply with these Regulations, including but not limited to Regulation 6.2.

- 4.2 Only an FA Registered Football Agent may make an Approach to a Player, Coach or Club or enter into a Representation Agreement with a Player, Coach or Club for the provision of Football Agent Services.
- 4.3 A Representation Agreement concluded between a Player or Coach and an FA Registered Football Agent may not exceed two years. This term may be extended by a new Representation Agreement only. Any automatic renewal provision, or any other provision that purports to extend any term of the Representation Agreement beyond the maximum period is not permitted and shall be null and void.

Guidance

A Representation Agreement concluded between an Engaging Club or Releasing Club and an FA Registered Football Agent is not subject to a maximum duration.

- 4.4 An FA Registered Football Agent may only enter into one Representation Agreement with the same Player or Coach at any one time.

Guidance

In cases of permitted dual representation, this provision does not prevent an FA Registered Football Agent who has entered into a Representation Agreement with a Player or Coach from entering into a tripartite Representation Agreement with that Player or Coach and a Club at the time of a National Transaction.

- 4.5 Before entering into a Representation Agreement with a Player or Coach, or before amending an existing Representation Agreement with a Player or Coach, the FA Registered Football Agent shall:
- inform the Player or Coach in writing that they should consider taking (i) independent legal advice in relation to the Representation Agreement; and (ii) in addition or as an alternative, advice from the PFA or LMA (as applicable) provided that the representative / employee of the PFA / LMA is not performing Football Agent Services for that Player or Coach; and
 - obtain the Player or Coach's written confirmation that they have either obtained or decided not to take such independent legal advice and/or advice from the PFA or LMA.

Guidance

A Player or Coach's written confirmation pursuant to Regulation 4.5(b) above must be evidenced in an Annex to the Representation Agreement in the form prescribed by The Association in the Standard Representation Agreement.

- 4.6 An FA Registered Football Agent may execute multiple Representation Agreements with the same Engaging Club or Releasing Club at any one time, subject to those agreements relating to different Transactions.
- 4.7 A Representation Agreement must contain the entire agreement between the parties in relation to the Football Agent Services to be provided, and shall, at a minimum, contain all Obligatory Terms of the relevant Standard Representation Agreement and the following minimum requirements:
- The names of the parties;
 - The duration (if applicable);
 - The amount of the service fee due to the FA Registered Football Agent;
 - The nature of the Football Agent Services to be provided; and
 - The parties' signatures.

17 - FOOTBALL AGENT REGULATIONS

The parties may add other terms so long as they are consistent with the Obligatory Terms of the Standard Representation Agreement and the requirements of these Regulations and the FFAR.

Guidance

The Association has published the following template Standard Representation Agreements: (i) Player/Coach – FA Registered Football Agent; (ii) Club – FA Registered Football Agent; and (iii) Player/Coach – Club – FA Registered Football Agent (i.e. tripartite).

These standard templates are compliant with the requirements of these Regulations and the FFAR. Players, Clubs and FA Registered Football Agents should ensure that they are either using these standard templates or inserting the Obligatory Terms set out in these templates into their Representation Agreements.

A Representation Agreement entered into with a player or coach whilst registered with a club not affiliated to The Association or not participating in a Competition authorised by The Association shall not be required to use the Obligatory Terms of the Standard Representation Agreement, but must comply with FIFA's minimum requirements as set out in Article 12.7 of the FFAR.

4.8 Any clause in a Representation Agreement that:

- a) limits a Player or Coach's ability to autonomously negotiate and conclude an employment contract without the involvement of an FA Registered Football Agent; and/or
- b) penalises a Player or Coach if they autonomously negotiate and/or conclude an employment contract without the involvement of an FA Registered Football Agent,

is not permitted and will be null and void.

4.9 A Representation Agreement may be terminated at any time by a party if that party has just cause to do so. A party revoking or terminating a Representation Agreement without just cause must compensate another party for any resulting damage. There is just cause to terminate a Representation Agreement when a party can no longer reasonably be expected to continue the contractual relationship for the agreed term due to:

- a) the withdrawal or suspension of a FIFA Licence;
- b) the withdrawal or suspension of an FA Registered Football Agent's registration with The Association;
- c) the withdrawal, suspension or expiry of an FA Registered Football Agent's additional authorisation to deal with Minors;
- d) a ban on taking part in any football-related activity; and/or
- e) a ban on registering new players, either nationally or internationally, for at least one entire registration period.

Guidance

For the avoidance of doubt, this Regulation shall not affect any other legal rights that the parties may have to terminate the Representation Agreement.

4.10 Any novation of a Representation Agreement must be recorded in the form prescribed by The Association from time to time and submitted to The Association within 14 days of execution.

- 4.11 An FA Registered Football Agent may assign or sub-contract Football Agent Services duties or responsibilities in relation to a Player, Coach or Club to another FA Registered Football Agent. In such circumstances, the assignor or sub-contractor FA Registered Football Agent and the assignee or sub-contractee FA Registered Football Agent must between them:
- a) lodge a copy of the Representation Agreement between the assignor or sub-contractor FA Registered Football Agent and the Player, Coach or Club;
 - b) record the terms upon which those obligations are assigned or sub-contracted and incorporate the written consent of the Player, Coach or Club in a single document in the form of a Standard Sub-contract Agreement; and
 - c) complete and lodge such document in the same way as for a Representation Agreement under Regulation 8.3(g)(i).
- 4.12 Any term of a Representation Agreement that breaches the requirements of these Regulations is not permitted and will be null and void. In such cases, The Association shall have the power to notify the parties of any such breach whereupon the parties shall remedy the breach by making the necessary amendments as notified. Failure to remedy any breach shall constitute a breach of these Regulations, separate from and in addition to the initial breach.

5. REPRESENTATION OF MINORS

- 5.1 An FA Registered Football Agent may not, before 1 September in the Academic Year in which the Minor reaches the age of 16:
- a) make an Approach to a Minor or their legal guardian (whether directly or indirectly) in relation to any Football Agent Services or Other Services;
 - b) make an Approach to a Minor or their legal guardian (whether directly or indirectly) in relation to entering into a Representation Agreement; or
 - c) enter into any agreement with a Minor or their legal guardian (whether a Representation Agreement or an agreement other than a Representation Agreement, including but not limited to agreements relating to Other Services).

Subject to the foregoing, such an Approach to or agreement with a Minor may only be made once prior written consent has been obtained from the Minor's legal guardian.

Guidance

For the purposes of the years 2025 to 2027, Regulation 5.1 shall mean as follows:

PERIOD IN WHICH MINOR REACHES THE AGE OF 16	DATE FROM WHICH AN APPROACH MAY BE MADE TO THE MINOR / AN FA REGISTERED FOOTBALL AGENT MAY ENTER INTO AN AGREEMENT WITH THE MINOR
1 September 2024 to 31 August 2025	1 September 2024
1 September 2025 to 31 August 2026	1 September 2025
1 September 2026 to 31 August 2027	1 September 2026

17 - FOOTBALL AGENT REGULATIONS

- 5.2 Subject to Regulation 5.1, before an FA Registered Football Agent may:
- a) make an Approach to, or represent, a Minor in relation to any Football Agent Services;
 - b) represent a Club in a Transaction involving a Minor; or
 - c) enter into any agreement with a Minor (whether a Representation Agreement or an agreement other than a Representation Agreement),

they must obtain additional authorisation to deal with Minors from The Association in accordance with this Regulation 5.

- 5.3 In order to obtain additional authorisation to deal with Minors from The Association, an FA Registered Football Agent must satisfy The Association of their suitability on terms prescribed by The Association from time to time, which shall include, but not be limited to, checks by The Association in relation to an FA Registered Football Agent's criminal record, in the United Kingdom and/or overseas (including presentation by the FA Registered Football Agent, and approval by The Association, of a valid and current FA Registered Football Agent DBS check (or equivalent)).

Guidance

Additional authorisation to deal with Minors can be applied for by a Football Agent at the same time as registering with The Association for the first time or at any point after they become so registered.

Before granting/renewing an additional authorisation to deal with Minors, The Association shall be entitled to require an FA Registered Football Agent to complete a course on dealing with Minors as part of fulfilling the FA CPD Requirements and charge a fee in relation to the costs associated with carrying out any criminal record checks.

For the avoidance of doubt, a DBS check obtained for any other football-related roles (e.g. coaching, refereeing, club welfare etc.) will not be accepted.

- 5.4 Additional authorisation to deal with Minors shall be valid for three years, subject to the FA Registered Football Agent continuing to satisfy the requirements set out in Regulation 5.3 after additional authorisation has been obtained. If an FA Registered Football Agent with such additional authorisation fails to satisfy these requirements at any time, the additional authorisation shall be automatically and immediately suspended or withdrawn, until such time as The Association directs otherwise.
- 5.5 If an FA Registered Football Agent with additional authorisation to deal with Minors becomes aware or ought reasonably to know that they do not satisfy The FA's requirements for dealing with Minors (including those set out in Regulation 5.3), the FA Registered Football Agent must immediately notify The Association in writing.
- 5.6 A Representation Agreement between an FA Registered Football Agent and a Minor shall only be enforceable where:
- a) the Representation Agreement meets the minimum requirements provided in Regulation 4.7;
 - b) the FA Registered Football Agent has complied with Regulations 5.1 and 5.2; and
 - c) the Representation Agreement is signed by the Minor and their legal guardian in such form as may be prescribed by The Association from time to time.
- 5.7 Any violation of Regulation 5.1 shall be sanctioned, at a minimum, with a fine and a suspension of an FA Registered Football Agent's registration with The Association of up to two years.

6. TRANSACTIONS

- 6.1 A Player, Coach, Club, FA Registered Football Agent or other Participant must not arrange matters so as to conceal or misrepresent the reality or substance of any matters in relation to a Transaction.

Guidance

For the avoidance of doubt this includes but is not limited to the following:

- *a failure to disclose the role of an individual in a Transaction;*
- *the representative of a Player solely representing a Club in a Transaction (to include in circumstances where a lawyer is said to be acting for the Player); and*
- *the creation of sham agreements for which services are not provided (in part or in full).*

- 6.2 Upon completion of a Transaction, the FA Registered Football Agent(s), player, coach and Club(s) (as applicable) involved in the Transaction (whether directly or indirectly) must complete an Agents Form and submit it to The Association as directed by The Association from time to time.

Guidance

A failure to submit a copy of the completed Agents Form may result in the delay or failure to register a player with The Association as is required under FA Rule C.

The Agents Form requires any FA Registered Football Agent, player, coach or Club involved in a Transaction to declare that the arrangement complies with these Regulations, save that there is no requirement for a Player or Coach to complete an Agents Form where the Transaction is the international transfer of that Player, or the move of that Coach, from a Club to a club that is not affiliated to The Association or is not participating in a Competition authorised by The Association. The Club and any relevant FA Registered Football Agent representing the Club must still complete the Agents Form in these circumstances.

Subject to the foregoing, an Agents Form must also be completed in circumstances where a player, coach or Club negotiate and conclude a Transaction without engaging an FA Registered Football Agent pursuant to Regulation 6.6 below.

- 6.3 **An FA Registered Football Agent may only perform Football Agent Services and Other Services for one party in a National Transaction, save that:**

- a) An FA Registered Football Agent may perform Football Agent Services and Other Services for more than one party in the same National Transaction (permitted dual or multiple representation), provided that:
 - (i) The FA Registered Football Agent obtains all parties' prior written consent to them providing services to any other party to the National Transaction ("**the other party(ies)**") in the form prescribed by The Association from time to time;
 - (ii) Once the FA Registered Football Agent and the other party(ies) have agreed terms, but prior to them entering into a Representation Agreement, the FA Registered Football Agent must inform all parties in the form prescribed by The Association from time to time of the full particulars of the proposed arrangements including, without limitation, the proposed fee (if any) to be paid by all parties to the FA Registered Football Agent;

17 - FOOTBALL AGENT REGULATIONS

- (iii) All parties are given the reasonable opportunity to take independent legal advice, meaning that, in the case of a Player or Coach, the FA Registered Football Agent must inform the Player or Coach in writing that they should consider taking: (i) independent legal advice; and (ii) in addition or as an alternative, advice from the PFA or LMA (as applicable) provided that the representative / employee of the PFA / LMA is not performing Football Agent Services for that Player or Coach, prior to providing written consent in the form prescribed by The Association from time to time; and
 - (iv) Having been given such opportunity, all parties provide their express written consent for the FA Registered Football Agent to enter into a Representation Agreement with the other party(ies) on the proposed terms in the form prescribed by The Association from time to time.
 - b) Where any party does not provide its express consent in accordance with the above requirements, the FA Registered Football Agent is not permitted to proceed with the provision of services to the other party(ies), or to receive any remuneration from the other party(ies) in respect of the relevant National Transaction, and the other party(ies) are not permitted to receive any services from the FA Registered Football Agent or make any payment to the FA Registered Football Agent in respect of the relevant National Transaction. The FA Registered Football Agent may continue to represent the first party (only) in respect of the relevant National Transaction and be paid for such services in accordance with these Regulations and the terms of the relevant Representation Agreement.
- 6.4 **When acting for a Releasing Club, an FA Registered Football Agent may not perform Football Agent Services or Other Services for any other party (e.g. the Player/Coach and/or the Engaging Club) in the same National Transaction.**
- 6.5 An FA Registered Football Agent and a Connected Football Agent may not perform Football Agent Services or Other Services for different players, coaches or Clubs in the same National Transaction, except in accordance with Regulation 6.3.
- 6.6 A Player, Coach or Club may negotiate and conclude a Transaction without engaging an FA Registered Football Agent. If this is the case, this shall be explicitly stated in the relevant transfer or employment agreement.
- 6.7 Any party to a Transaction, or a proposed Transaction, is prohibited from:
 - a) proposing in any way, either directly or indirectly, to any other party to the Transaction that the Transaction is dependent upon a Player, Coach or Club's agreement to contract with a specific FA Registered Football Agent; or
 - b) making the Transaction conditional on a Player, Coach or Club's agreement to contract with a specific FA Registered Football Agent.

7. SERVICE FEE – GENERAL PRINCIPLES

- 7.1 An FA Registered Football Agent may charge a service fee to a Player, Coach or Club as agreed in a Representation Agreement.

Guidance

Where an FA Registered Football Agent undertakes Football Agent Services for a Player, the Player may discharge his obligations to pay the FA Registered Football Agent as specified in the Representation Agreement as follows: (i) by paying the FA Registered Football Agent directly; and/or (ii) upon written request by the Player to the Club, by the Club making a deduction from the Player's net salary in favour of the FA Registered Football Agent or discharging the Player's liability towards the FA Registered Football Agent on the Player's behalf as a taxable benefit (in which case the provisions set out in Regulation 7.3 apply).

- 7.2 Payment of the service fee due under a Representation Agreement shall be made exclusively by the Player, Coach or Club client of the FA Registered Football Agent. A Player, Coach or Club may not contract with or authorise any third party to make such payment.
- 7.3 The only exception to the principle in Regulation 7.2 is when an FA Registered Football Agent is representing a Player or Coach and their negotiated annual Remuneration is less than USD 200,000 (or equivalent), not counting any conditional payments. When an FA Registered Football Agent is representing a player or coach, an Engaging Club may agree with a player or coach to pay the service fee for that National Transaction to their FA Registered Football Agent in accordance with the Representation Agreement. All of the following conditions must apply:
- a) The service fee payment made by the Engaging Club on behalf of the player or coach shall not affect the fiduciary duty of the FA Registered Football Agent to the player or coach. It must also not create any dependency or subordination of the FA Registered Football Agent towards the Engaging Club.
 - b) The service fee payment made by the Engaging Club on behalf of the Player or Coach must be no higher than the agreed service fee in the Representation Agreement between the player/coach and the FA Registered Football Agent.

Guidance

Where a higher service fee has been agreed between the player/coach and the FA Registered Football Agent, the relevant Representation Agreement should be amended accordingly and lodged with The Association in accordance with Regulation 8.3(g)(i).

- c) The Engaging Club may not deduct any service fee payment made pursuant to Regulation 7.3 from the Player or Coach's Remuneration.
- 7.4 Where the FA Registered Football Agent and the Player/Coach agree in the Representation Agreement that a service fee (either by way of lump sum or by instalments) is to be paid in respect of a National Transaction, it shall be calculated on the basis of the Player/Coach's Remuneration as set out in the employment contract concluded by the Player/Coach in respect of which he was represented by the FA Registered Football Agent.
- 7.5 The service fee due to an FA Registered Football Agent shall be paid on an invoice basis.
- 7.6 An FA Registered Football Agent is entitled to receive a service fee only if the fee corresponds to the services stipulated in advance in a Representation Agreement, and the Representation Agreement is in force at the time at which the relevant Football Agent Services are performed.
- 7.7 Where a Player or Coach's employment contract has a duration longer than the associated Representation Agreement between the Player/Coach and the FA Registered Football Agent, provided that it is expressly agreed with the Player/Coach in the Representation Agreement, the FA Registered Football Agent may receive agreed service fee instalments after the expiry of the Representation Agreement, until:
- a) the earlier of:
 - (i) the expiry of the Player or Coach's employment contract; or
 - (ii) the date upon which the Player or Coach signs a new employment contract without the involvement of that FA Registered Football Agent; or
 - b) such date as has been expressly agreed by the parties.

17 - FOOTBALL AGENT REGULATIONS

- 7.8 An FA Registered Football Agent must not have a direct or indirect interest of any nature in relation to a registration right or economic right in a Player or Coach.

Guidance

Any arrangement which grants an FA Registered Football Agent the ability to receive either a percentage of or remuneration linked to a future registration event involving a player is prohibited.

A service fee calculated based on the amount received by a club for the upcoming transfer to which the FA Registered Football Agent has provided Football Agent Services shall not be considered a “future registration event”.

- 7.9 Where a negotiated employment contract is less than six months in duration, payment shall be made in a single instalment at the expiry of the negotiated employment contract.
- 7.10 An FA Registered Football Agent may not receive a service fee when engaged to perform Football Agent Services relating to a Minor unless the relevant player is entering into their first or subsequent professional contract with a Club and that contract comes into force.

Guidance

For the avoidance of doubt, for the purposes of this Regulation 7.10 professional contract does not mean a Scholarship Agreement or PGA Contract. As per FA Rule C, Players must be aged 18 or over in order to enter into a Playing Contract, save that a Player aged 17 may enter into a Playing Contract where they are not in Full-time Education.

- 7.11 Where an FA Registered Football Agent acts on behalf of an Engaging Club and a Player or Coach in the same National Transaction under Regulation 6.3 (permitted dual representation), the Engaging Club may pay up to 50% of the total service fee due.
- 7.12 An FA Registered Football Agent is not entitled to receive any service fee not yet due deriving from a negotiated employment contract where the negotiated employment contract is prematurely terminated by the Player or Coach without just cause and the FA Registered Football Agent still represents the Player or Coach at the time of that termination.
- 7.13 All service fee payments to FA Registered Football Agents shall be made through the FIFA Clearing House in accordance with the FIFA Clearing House Regulations.
- 7.14 In respect of service fee payments to FA Registered Football Agents:
- a) payment shall be made directly to the FA Registered Football Agent;
 - b) where a Club makes a service fee payment to an FA Registered Football Agent (including where the Engaging Club and the Player or Coach expressly agree to deduct the service fee payment due to the FA Registered Football Agent from the Player or Coach's Remuneration) the Club must submit proof of payment to The Association within 14 days of the receipt of the service fee; and

Guidance

Proof of payment must be submitted to The Association in relation to the payment of all service fees made by a Club. For the avoidance of doubt, this includes the payment of fees agreed under a Representation Agreement which was entered into under The Association's Working with Intermediaries Regulations, before these Regulations came into force.

- c) where a Player or Coach makes a service fee payment to an FA Registered Football Agent, the FA Registered Football Agent must declare receipt of the payment and submit proof of such receipt to The Association within 14 days of the receipt of the service fee.

Guidance

For the avoidance of doubt, this does not include where an Engaging Club makes the service fee payment to an FA Registered Football Agent having expressly agreed with the Player or Coach to deduct the service fee payment from the Player or Coach's Remuneration pursuant to Regulation 7.14(b).

- 7.15 Any and all remuneration or payments of whatever nature, and howsoever arising, and whether direct or indirect, made to any person in relation to any Football Agent Services for or on behalf of a Club, must be made by the Club only, and must be fully recorded in the accounting records of the Club.
- 7.16 Save where Regulation 7.17 applies, an FA Registered Football Agent must not pass any remuneration directly relating to Football Agent Services to any other person.
- 7.17 Regulation 7.16 shall not affect:
 - a) the ability of an FA Registered Football Agent to pass remuneration directly relating to Football Agent Services to a person when:
 - (i) acting further to Regulation 4.11;
 - (ii) passing such remuneration to their Agency as named under the applicable Representation Agreement;
 - b) the ability of an Agency to pay:
 - (i) its employees or contractors in relation to bona fide services provided to the Agency; or
 - (ii) any other parties for purposes unrelated to any Football Agent Services.

8. RIGHTS AND OBLIGATIONS

- 8.1 An FA Registered Football Agent may:
 - a) provide Football Agent Services to any Player, Coach or Club that executes a written Representation Agreement that contains the minimum terms described in Regulation 4;
 - b) not make an Approach to a Player, Coach or Club that is bound by an exclusive Representation Agreement with another Football Agent, except in the final two months of that exclusive Representation Agreement;
 - c) not enter into a Representation Agreement with a Player, Coach or Club that is bound by an exclusive Representation Agreement with another Football Agent, except in the final two months of that exclusive Representation Agreement.
- 8.2 A Representation Agreement that is entered into between an FA Registered Football Agent and a Player, Coach or Club in the final two months of that Player, Coach or Club's pre-existing exclusive Representation Agreement with another Football Agent must not commence until the expiry of the pre-existing exclusive Representation Agreement.

17 - FOOTBALL AGENT REGULATIONS

8.3 An FA Registered Football Agent shall:

- a) always act in the best interests of their client Players, Coaches and/or Clubs and in accordance with their fiduciary duties;
- b) **respect and adhere to the statutes, regulations, directives and decisions of the competent bodies of FIFA, the confederations and National Associations;**
- c) notify The Association and any client Players, Coaches or Clubs of any suspension or withdrawal of their FIFA Licence without delay and in any event within 14 days;
- d) avoid conflicts of interest while providing their Football Agent Services;
- e) comply with the ongoing disclosure and reporting requirements, as provided for under **the FFAR and** these Regulations;
- f) immediately report any breaches of these Regulations, or FIFA, confederation or National Association rules, regulations or codes of conduct to the relevant authority or body (which shall, for the avoidance of doubt, always include The Association);
- g) lodge with The Association:
 - (i) within 14 days of execution, amendment or termination, or by the time of The Association's registration of the Transaction to which it relates, whichever the earlier: any Representation Agreement entered into with: (i) a Player or a Coach; or (ii) a player or a coach which relates to the international transfer of the player, or the move of the coach, from a club to a Club;
 - (ii) immediately upon request: any Representation Agreement entered into with a Club;
 - (iii) **within 14 days of execution: any agreement with a Player, Coach or Club other than a Representation Agreement, including but not limited to agreements relating to Other Services;**
 - (iv) **within 14 days of payment of a fee related to any agreement entered into with a Player, Coach or Club other than a Representation Agreement: confirmation of receipt and proof of receipt of such payment;**
 - (v) within 14 days of occurrence: any contractual or other arrangement between the FA Registered Football Agent and another Football Agent to cooperate in the provision of any services or to share the revenue or profits of any part of their Football Agent Services in relation to a Player, Coach or Club;
 - (vi) within 14 days of occurrence: any information that may impact the obligation to meet the eligibility requirements or the FA Registration Requirements set out in these Regulations; and
 - (vii) within 14 days of occurrence: any settlement agreement entered into with a Player, Coach or Club or another Football Agent or Agency.

Guidance

A settlement agreement for the purposes of this Regulation shall include but not be limited to any agreement with another Football Agent or Agency which purports to resolve any past, existing, or future dispute between the parties regarding a Player, Coach and/or Club in relation to Football Agent Services.

- h) upload to the FA Platform, the documents required under Article 16.2(k) of the FFAR within 30 days of a request by The Association;

- i) disclose to The Association any other agreement of any nature that they or their Agency has entered into with a Player, Coach or their Image Rights company regarding the provision of services; and
 - j) acknowledge and comply with the following provisions of the FFAR (to the extent in force from time to time): Article 16.2(f), Article 16.2(g), Article 16.2(j), Article 16.2(k), Article 17, Article 19, Article 20.1 and Article 20.2.
- 8.4** An FA Registered Football Agent may not, either directly or indirectly, engage, or attempt to engage, in the following conduct:
- a) Make an Approach, enter into negotiations, take any steps, solicit or in any way facilitate discussions between parties with a view to a Transaction (including the making of statements to the media), regarding any Player or Coach with the aim of inducing them to prematurely terminate their employment contract without just cause or violate any obligations in their employment contract.
 - b) Offer or pay any undue personal, pecuniary or other advantage to:
 - (i) any official or employee of a National Association or, club in connection with Football Agent Services; or
 - (ii) a Player or Coach (or any family member or legal guardian or friend of that Player or Coach) in relation to a Representation Agreement with that FA Registered Football Agent.
 - c) Conceal material facts from a client Player, Coach or Club, including without limitation:
 - (i) failing to declare a conflict of interest (even if such conflict would otherwise be permitted in accordance with these Regulations); or
 - (ii) failing to report a written offer (by any means of communication) made to a Player, Coach or Club as soon as reasonably practicable and in any event within 24 hours of receipt of the offer.
 - d) Accept payment of any transfer compensation or training reward that is payable in connection with a player's transfer between clubs. This includes, without limitation, any rights as described in article 18ter of the RSTP.
 - e) Be involved in a bridge transfer as defined in the RSTP or own or hold any rights relating to the registration of a player, in violation of article 18bis or article 18ter of the RSTP.
 - f) Loan or gift money to a Club or Club Official (or any Associate, Connected Person, Associated Undertaking, Group Undertaking, Parent Undertaking, Subsidiary Undertaking or Fellow Subsidiary Undertaking thereof).

Guidance

This includes, but is not limited to, loans or gifts of money made by any party connected to the FA Registered Football Agent (or where conducting their business affairs through an Agency, any party connected to that Agency), or to any party connected to the Club or Club Official, with the intention of circumventing this Regulation.

17 - FOOTBALL AGENT REGULATIONS

- g) Engage with a person who is not an FA Registered Football Agent in relation to Football Agent Services that fall within the scope of these Regulations as set out in Regulation 1.1.

Guidance

FA Registered Football Agents should check The Association's website to identify whether an individual is an FA Registered Football Agent before engaging with any such person in relation to Football Agent Services.

For the avoidance of doubt, an FA Registered Football Agent will not be in breach of this Regulation 8.4(g) when engaging with a non-registered parent/guardian of a Minor in relation to that Minor's registration with a Club, provided that parent/guardian is not providing Football Agent Services.

- h) Violate these Regulations in any other way.

8.5 With regard to disclosure and reporting, an FA Registered Football Agent shall:

- a) immediately inform a client Player, Coach or Club of any written offer (by any means of communication) they have received in relation to the Player, Coach or Club, with written confirmation of the offer to be provided to the Player, Coach or Club as soon as reasonably practicable and in any event within 24 hours of receipt of the offer;

Guidance

For the avoidance of doubt, a written offer shall include an offer of a new employment contract at the Player or Coach's existing Club.

- b) provide to a client Player, Coach or Club, on request, a copy of the relevant Representation Agreement or any other written agreements in relation to Other Services, a copy of the employment contract or any other written documents obtained in relation to the Football Agent Services, a schedule detailing payments of any kind whatsoever (including all remuneration, fees and expenses) made to the FA Registered Football Agent in relation to a Transaction in which they were involved;
- c) within 30 days of the end of each Reporting Period provide any Player or Coach with whom they have or have had a Representation Agreement with an Annual Return. The Association shall be entitled to request a copy of any Annual Return from any Reporting Period and the FA Registered Football Agent must comply with any such request within 14 days of the date of the request; and
- d) upon request, cooperate with the relevant body of each National Association, confederation and/or FIFA with respect to any request for any type of information in any form.

8.6 FA Registered Football Agents, Players, Coaches, Clubs and Club Officials shall disclose in writing any actual or potential conflict of interest they might have in relation to a National Transaction and shall obtain the express written consent of the other parties involved in the National Transaction (in the form prescribed by The Association from time to time) in order for their activity in the National Transaction to continue. 20 - SANCTION AND CONTROL OF COMPETITIONS REGULATIONS

REGULATIONS FOR THE SANCTION AND CONTROL OF COMPETITIONS AT STEP 1 OF THE NATIONAL LEAGUE SYSTEM AND BELOW

Preamble

Competitions receive sanction from The Association or County FAs to demonstrate that each Competition comprises clubs that are affiliated to a County FA; that each set of rules complies with FA requirements and that the Competitions may benefit from the use of registered match officials, may play against other affiliated clubs and benefit from other services offered by The Association and County FAs. All Affiliated Associations sanctioning Competitions and all Competitions shall observe the Rules and Regulations of The Association. Any rule, regulation or practice of any such Association or Competition that is inconsistent with the Rules and Regulations of The Association shall be void and unenforceable. For further avoidance of doubt, the fact that a Competition has been sanctioned whether directly or indirectly by The Association shall not render enforceable any such rule, regulation or practice that would otherwise be void and unenforceable under the Rules of The Association.

In order to receive sanction from The Association or an Affiliated Association, a Competition must have its Rules approved by the sanctioning Association and provide a list of its member clubs and teams, all of which must be affiliated to an Affiliated Association for the appropriate season.

Applications to form new Competitions should be directed to the Affiliated Association which has the majority of clubs expected to participate. The application must state whether the Competition comprises new clubs/teams or whether it proposes to invite clubs/teams from existing Competitions. Applications to form a new Competition involving clubs/teams from existing Competitions must allow time for the sanctioning Association to consult with the existing Competitions and relevant Associations in order to assess the impact of the new Competition before deciding whether to approve or reject the application.

1. A Competition consisting of clubs, all of which are Members of one Affiliated Association only, shall make application for sanction to, and the Competition shall be sanctioned by, and be under the jurisdiction of that Association.
2. Competitions at Steps 1 to 6 of the National League System and competitions in the top five tiers of the Women's Pyramid shall make application for sanction to The Association. Other competitions consisting of clubs within the area of, or affiliated to, two or more Affiliated Associations shall make application for sanction to, and may be affiliated with, the association which has the majority of the Competition's clubs in membership. In the case of any dispute as to the correct sanctioning Association, this will be determined by The Association. In its absolute discretion, The Association may vary the provisions of this Regulation as it sees fit.
3. A Competition may be used for advertising and/or sponsorship purposes and the name of the donor of a Trophy or any other presentation may form part of the title of a Competition only with the prior consent of The Association or appropriate Affiliated Association. The title sponsor of a Competition may be changed from season to season.
4. If a Competition is discontinued for any reason a Trophy or any other presentation shall be returned to the donor if the conditions attached to it so provide or, if not, dealt with in accordance with the Competition rule governing the dissolution of the Competition as set out in The Association's Standard Codes of Rules and approved by the sanctioning Association.
5. The sanctioning Association(s) may not allot a club/team to a Competition. The sanctioning Association may permit the Competition to make provision in its Rules to restrict the number of Competitions, except FA and County Cup Competitions, in which its teams take part. An exception to the Regulation shall be in Competitions that form part of the National League System, Regional NLS Feeder Leagues and the Women's Football Pyramid and Girls' Football, as determined from time to time by The Association. In accordance with FIFA Statutes, Clubs applying to play in a Competition under the jurisdiction of another National Association must have the permission of their County FA, The Association, other National Association, UEFA and FIFA.

20 - SANCTION AND CONTROL OF COMPETITIONS REGULATIONS

6. In accordance with the Player Status Rules, Players without a written contract are not restricted as to the clubs for which they may register and play provided they comply with the Rules and Regulations of any Competition in which their club(s) may be engaged.
7. Application for sanction of a Competition must be made in a timely fashion. Following approval of the Rules by the sanctioning Association, Competitions shall complete and submit FA Form "D" giving a full list of clubs participating in the Competition for the relevant season. All participating clubs must be correctly affiliated to an Affiliated Association before the Competition starts the season.

All Competitions

- i. Applications for sanction must receive approval from the Competition's sanctioning Association for:
- ii. The rules of the Competition and related Competitions (e.g. League plus League Cups); and
- iii. All Member clubs being correctly affiliated to an Affiliated Association; and
- iv. The terms and conditions of any offer of sponsorship, which must include details of the offer made and the proposed distribution/use of sponsorship monies.
- v. The proposed Rules of the Competition must be submitted to the sanctioning Association at least 28 days prior to the date set for the Competition's AGM or SGM. The request for approval must clearly set out the proposed departures from the Standard Code of Rules, highlighting any alterations.
- vi. Late submissions may result in the Rules not being approved in time to be considered at the General Meeting.
- vii. For Competitions sanctioned for the previous season only changes to the Rules of the previous season need be submitted. Such changes to the Rules of the previous season must be set out clearly alongside the existing rule with an explanation for the proposed change and state whether the change has been proposed by clubs, the Board or Management Committee or is a mandatory change required by The Association or sanctioning Association.
- viii. Proposed rules that do not comply with the mandatory elements of the Standard Code of Rules published by The Association from time to time will need to be amended to satisfy the requirements of the sanctioning Association before being put before the Competition's General Meeting. Any proposed rule that runs contrary to FA policies shall also be amended or withdrawn before being considered by the Competition's AGM or SGM.
- ix. A Competition is not allowed to alter its Constitution, Rules or clubs without the consent of The Association or the Affiliated Association(s) sanctioning the Competition.
- x. Rule changes may not be made after they have been approved by the sanctioning Association(s) giving consent to the Competition, unless such intended alteration has first been submitted to, and approved by, that Association, and subsequently by a General Meeting of the Competition.
- xi. Competitions shall submit a complete list of all member clubs prior to each season on FA Form "D" or in the manner prescribed by The Association from time to time.
- xii. Prior to the start of a Competition's season, the Competition shall ensure that all participating teams are correctly affiliated and shall make available to the sanctioning Association a list of all participating teams.
- xiii. Applications for sponsorship may be made at any time although sanctioning Associations will require up to 14 days to consider and approve applications
- xiv. Sponsorship terms and conditions can only apply and refer to the Competition and its member clubs. The terms of sponsorship must not impose any requirement on clubs which refers to their participation in other unrelated Competitions.

20 - SANCTION AND CONTROL OF COMPETITIONS REGULATIONS

- xv. When required to do so by the sanctioning Association, Competitions shall provide a copy of the minutes of their AGM and a copy of the Annual Report, Balance Sheet and Statement of Accounts.
- xvi. Competitions shall not allow matches to be played until their member clubs are affiliated and Rules or Rule changes are approved by the sanctioning Association(s).
- xvii. Youth (up to and including U18) Competitions must have appointed a Youth League Welfare Officer (YLWO) before sanction may be granted.
- xviii. Separate rules must be submitted for Youth sections/Competitions.

Charity Competitions/Matches

Charity Competitions should refer to FA Rule B for specific guidance on staging charity matches. Sanctioning Associations will need to know whether the match / Competition involves affiliated teams or scratch teams.

- 8. When an application for sanction is made by a Competition the Affiliated Association(s) concerned may require that the Competition Rules provide that representation of the association(s) be by the inclusion of non-voting member(s) of the Management Committee. This arrangement is for the guidance of the Competition to ensure compliance with Association Rules and instructions.
- 9. The sanctioning Association(s) may approve modifications of the Laws of the Game defined by the International FA Board in Competitions for players under the age of 16, women's football, veterans' football (over 35 years of age) and disability football.
- 10. If a difference of opinion arises between Affiliated Associations over the right of sanction and jurisdiction, any of the association(s) may appeal to The Association in accordance with FA Rule H and the Appeal Regulations.
- 11. In the event of a Competition being refused sanction or affiliation by an Affiliated Association the applicants have the right of appeal to The Association in accordance with FA Rule H and the Appeal Regulations.
- 12. A Competition shall consist of a maximum number of member clubs as approved by the sanctioning Association. The voting rights of member clubs shall be determined by the Rules of the Competition subject to the approval of the sanctioning Association(s).
- 13. With the exception of any club competing in the Women's Super League, if a club is required to do so by its parent Affiliated Association, a club must enter a suitable Cup Competition of that Association. However, in the absence of any existing suitable County Cup Competition, women's clubs may enter a Competition jointly organised by a neighbouring Affiliated Association. Only the matches of such Competition(s) will take precedence over other Competitions in which the club competes, except the Premier League, the EFL and the EFL Cup Competition.

With the consent of its parent Affiliated Association, a club may enter suitable Cup Competition(s) of other Affiliated Association(s). Ties in The FA Youth Challenge Cup Competition will take precedence with the exception of ties in other FA Competitions and first team League fixtures.

Affiliated Association(s) Cup Competition games which involve the Reserve or Youth teams of a club do not take precedence over arranged first team League fixtures of The National League, Northern Premier, Isthmian and Southern Leagues.

- 14. (a) A club may not withdraw or resign without penalty unless it has complied with the obligations set out in the Rules of the Competition, in so far as such Rules are consistent with the following provisions of this Regulation and the other Rules and Regulations of The Association. Competitions may, through the sanctioning Association, use the regulations of the Football Debt Recovery process to collect football debts of clubs/teams that withdraw without satisfying their obligations to the Competition.
- (b) A Competition may require a club to give written notice of an intention or provisional intention to resign or withdraw at the end of a season. Where such notice has been submitted a club must either confirm or rescind the notice, in writing, by 31st March in that season.

20 - SANCTION AND CONTROL OF COMPETITIONS REGULATIONS

- (c) A Competition may not, in its Rules and Regulations, adopt or give effect to any Rule, Regulation or practice whereby:-

The approaching Participant (A) may not approach the same Club a second time in the same playing season; (B) may approach only one Club within the same Competition at any time; and (C) may not approach another Club in the same Competition within 28 days of an earlier notice of approach or acknowledgment.

18. Referees must not be called upon to perform duties extraneous to the Laws of the Game which would bring them into direct contact unnecessarily with participating players, e.g. when match report cards were being signed by players.
19. Competitions must not impose bonds on their member clubs as a guarantee of the good behaviour of their players on or around the field of play.
20. The Rules of the Competition must comply with the Standard Code of Rules issued by The Association and as altered from time to time for the level at which the Competition competes.

- 5.2 Subject to 5.5, at the conclusion of each Playing Season, the following procedures will apply to promotion / relegation subject to the application of the Rules:

Step 1 and Step 2

These regulations do not deal with promotion from Step 1

The Clubs finishing in the bottom four places at Step 1 at the end of the Playing Season will be relegated and placed in a feeder pool and placed in the most geographically appropriate division at Step 2 for the following Playing Season.

They will be replaced by the Clubs finishing in 1st position in each of the divisions at Step 2 together with a further two Clubs determined by a series of Play Off Matches. Where a Club finishes in 1st position but does not meet the criteria for promotion to the next Step, the Club finishing in 2nd position shall be promoted. The Clubs finishing in 2nd, 3rd, 4th, 5th, 6th and 7th positions shall be eligible to take part in the Play Off Matches. The Play Off Matches shall be played so that in each Step 2 division there is a qualifying round, semi-finals and a promotion final with all ties being played over a single leg at the ground of the higher placed Club. The winner of the promotion final in each Step 2 division will be promoted. If a Club is not eligible to enter Step 1 then it shall not take part in any Play Off Matches. In that event, such Club shall not be replaced and the Play Off Matches structure and draw shall be adjusted as necessary by the Competition on the basis of the remaining Clubs' final league positions.

Step 2 and Step 3

The Clubs in the bottom four places in each of the two divisions at Step 2 at the end of the Regular Season will be relegated and placed in a feeder pool and placed in the most geographically appropriate division at Step 3 for the following Playing Season.

They will be replaced by the Clubs finishing in 1st position in each of the four divisions at Step 3 together with a further four Clubs determined by a series of Play Off Matches.

Where a Club finishes in 1st position in a division at Step 3 but does not meet the criteria for promotion to Step 2, the Club finishing in 2nd position in that division at Step 3 shall be automatically promoted to Step 2.

21 - NATIONAL LEAGUE SYSTEM REGULATIONS

Where the Clubs finishing in 1st and 2nd position in a division at Step 3 do not meet the criteria for promotion to Step 2:

- No Club shall be automatically promoted to Step 2 from that division at Step 3.
- The structure and draw of the Play Off Matches in that division at Step 3 shall be adjusted as necessary by the Competition (such adjustment to be approved by the Committee).
- The Clubs finishing in the highest relegation positions in each of the two divisions at Step 2 shall be ranked by points-per-game (League matches only) and the Club with the highest points-per-game shall be granted a reprieve from relegation (subject to any Tiebreaker required).

Subject to meeting the criteria for promotion to Step 2, the Clubs finishing in 2nd, 3rd, 4th, 5th, 6th and 7th positions in each division of Step 3 shall be eligible to take part in the Play Off Matches.

The Play Off Matches in each division of Step 3 shall be as follows:

- Qualifying Round – (a) the Club finishing in 4th position shall play the Club finishing in 7th position (“**QR1**”), and (b) the Club finishing in 5th position shall play the Club finishing in 6th position (“**QR2**”).
- Semi-Finals – (a) the winner of QR1 shall play the Club finishing in 3rd position (“**SF1**”), and (b) the winner of QR2 shall play the Club finishing in 2nd position (“**SF2**”).
- Final – the winner of SF1 shall play the winner of SF2 in the final Play Off Match, and the winner shall be promoted to Step 2.

All Play Off Matches shall be played over one leg at the ground of the participating Club that finished in the highest position at the end of the Regular Season.

Clubs finishing below 7th position will not be eligible to take part in the Play Off Matches.

Where a Club does not meet the criteria for promotion to Step 2, it shall not be permitted to take part in the Play Off Matches and shall not be replaced. The structure and draw of the Play Off Matches shall be adjusted as necessary by the Competition (such adjustment to be approved by the Committee).

The promoted Clubs will be placed in a feeder pool and placed in the most geographically appropriate division at Step 2 for the following Playing Season.

Step 3 and Step 4

The Clubs finishing in the bottom four places in each of the four divisions at Step 3 at the end of the Regular Season will be relegated and placed in a feeder pool and placed in the most geographically appropriate division at Step 4 for the following Playing Season.

They will be replaced by the Clubs finishing in 1st position in each of the eight divisions at Step 4 together with a further eight Clubs determined by a series of Play Off Matches.

Where a Club finishes in 1st position but does not meet the criteria for promotion to Step 3, the Club finishing in 2nd position in that division at Step 4 shall be automatically promoted to Step 3.

Power of the Committee

Where this Regulation 5.2 does not provide a resolution to a particular combination of promotion and relegation scenarios, the Committee shall determine at its absolute discretion how to resolve the matter.

Step 6 and relegation

At the end of the Regular Season the Clubs in the bottom three positions of each of the seventeen Step 6 divisions will be liable to relegation. Where a Step 6 division is operating with fewer than 18 Clubs at the end of the Regular Season (or where the number of Clubs could fall below 18 following promotion, relegation and/or lateral movements), the Committee shall decide at its absolute discretion whether the Clubs in the bottom three, bottom two or bottom positions of that division will be liable to relegation. The final number of Clubs to be relegated will be confirmed once promotion candidates from Feeder Leagues and any vacancies are known. If reprieves are required the Clubs third from bottom in each applicable division will be ranked on a points per match basis (then goal difference, then goals scored if required) - the Club(s) with the best points per match will be reprieved. If all third from bottom Clubs are reprieved, and a further reprieve(s) is required, the same process will apply for Clubs in second from bottom in each applicable division (and so on).

- 5.3 At Steps 2-5 the Club finishing in last place in the table at the end of the Regular Season will be relegated and not reprieved.
- 5.4 At Steps 1 to 6, if a Club becomes eligible to take part in a Play Off Match and refuses to take part in that match or if a Club qualifies for promotion and refuses to be promoted then that Club shall be relegated from the division it last played in and shall play the following Playing Season in the division at the next Step level below. If the refusal/ineligibility applies to a Club currently operating at Step 6, the Club will be removed from the NLS and placed in the appropriate Regional NLS Feeder League, provided there is an eligible Club at Feeder League level to replace them.

21 - NATIONAL LEAGUE SYSTEM REGULATIONS

- 5.5 A vacancy occurs within the NLS when a Club:
- (a) notifies the League in which it holds membership that it shall resign from the League (either with immediate effect or at the end of the Playing Season);
 - (b) is withdrawn or removed from the League for any reason; or
 - (c) is relegated in accordance with Regulation 5.8 (in circumstances where that Club has not otherwise been relegated).
- 5.6 Where a Club notifies the League in which it holds membership that it shall resign from the League at the end of the Playing season, that resignation may only be withdrawn before the end of the Playing Season with the consent of that League.
- 5.7 Where a vacancy occurs within the NLS the following procedures will apply:

TIMING / CIRCUMSTANCES OF VACANCY	PROCEDURE
After the AGM of the League in which the Club holds membership, but before the League has commenced its first fixture (in any division)	• Only internal changes to the constitution of a League are allowed following the AGM of that League • The League is not otherwise permitted to fill the vacancy for that Playing Season. • Where a League decides to make an internal change to fill the vacancy, it shall be filled by the Club finishing in the highest relegation position in that division of the League at the end of the previous Playing Season. • Where a League does not fill the vacancy via an internal change, the Club shall be treated as a relegated Club for the purposes of the standings of that division of the League and will be placed in (and remain in) bottom place until the end of the forthcoming Playing Season. • The vacancy shall therefore pass to the Step below and shall be filled as follows: – The Clubs finishing in the highest relegation positions in the divisions of that Step at the end of the forthcoming Regular Season shall be ranked by points-per-game (League matches only) and the Club with the highest points-per game shall be granted a reprieve from relegation (subject to the Club being eligible for a reprieve and subject to any Tiebreaker required). • Where the Club finishing in the highest relegation position in a division has already been granted a reprieve (or is not eligible for a reprieve), it shall not form part of any ranking process and shall not be replaced in that process. • Where all the Clubs finishing in the highest relegation position in the divisions of that Step have already been granted a reprieve (or are not eligible for a reprieve), the Clubs finishing in the next highest relegation positions in the divisions will be ranked according to the process set out above (and so on). • Where the number of vacancies is greater than the number of Clubs eligible to be reprieved, the Committee shall determine how to fill those vacancies at its absolute discretion.

21 - NATIONAL LEAGUE SYSTEM REGULATIONS

After the first fixture has commenced in the League in which the Club holds membership, but before the completion of fixtures in the division of the League in which the vacancy has occurred	• The playing record of the Club shall be expunged (and the playing records of the other Clubs in the division shall be adjusted accordingly). • The Club's points total will be reduced to 0. • The Club shall be treated as a relegated club for the purposes of the standings of that division and shall be placed in (and remain in) bottom place until the end of the Playing Season. • The vacancy shall therefore pass to the Step below and shall be filled as follows: – The Clubs finishing in the highest relegation positions in the divisions of that Step at the end of the Regular Season shall be ranked by points-per-game (League matches only) and the Club with the highest points-per-game shall be granted a reprieve from relegation (subject to the Club being eligible for a reprieve and subject to any Tiebreaker required). • Where the Club finishing in the highest relegation position in a division has already been granted a reprieve (or is not eligible for a reprieve), it shall not form part of any ranking process and shall not be replaced in that process. • Where all the Clubs finishing in the highest relegation position in the divisions of that Step have already been granted a reprieve (or are not eligible for a reprieve), the Clubs finishing in the next highest relegation positions in the divisions will be ranked according to the process set out above (and so on). • Where the number of vacancies is greater than the number of Clubs eligible to be reprieved, the Committee shall determine how to fill those vacancies at its absolute discretion.
After the completion of fixtures in the division of the League in which the vacancy has occurred, but before Club allocations for the following Playing Season have been determined by The Association	• The standings of that division for the most recent Playing Season shall not be affected. • The Club shall be treated as a relegated Club (regardless of final standing). • Where the Club did not finish the Playing Season in a relegation position, the Club that finished the Playing Season in the highest relegation position in that division shall be granted a reprieve from relegation. • In any event, the vacancy shall pass to the Step below and shall be filled as follows: – The Clubs finishing in the highest relegation positions in the divisions of that Step at the end of the Regular Season shall be ranked by points-per-game (League matches only) and the Club with the highest points-per-game shall be granted a reprieve from relegation (subject to the Club being eligible for a reprieve and subject to any Tiebreaker required). • Where the Club finishing in the highest relegation position in a division has already been granted a reprieve (or is not eligible for a reprieve), it shall not form part of any ranking process and shall not be replaced in that process.

21 - NATIONAL LEAGUE SYSTEM REGULATIONS

	- Where all the Clubs finishing in the highest relegation position in the divisions of that Step have already been granted a reprieve (or are not eligible for a reprieve), the Clubs finishing in the next highest relegation positions in the divisions will be ranked according to the process set out above (and so on). - Where the number of vacancies is greater than the number of Clubs eligible to be reprieved, the Committee shall determine how to fill those vacancies at its absolute discretion.
After the completion of fixtures in the same division of the League in which the vacancy has occurred, and after Club allocations for the following Playing Season have been determined by The Association	The Committee shall determine how to fill the vacancy at its absolute discretion. Guidance <i>To the extent possible, the Committee shall aim to fill the vacancy in a way which causes the least disruption to the NLS.</i>
Relegation in accordance with Regulation 5.8 (in circumstances where that Club has not otherwise been relegated)	- The standings of that division for the most recent Playing Season shall not be affected. - The Club shall be treated as a relegated Club (regardless of final standing). - The Club that: (a) finished the most recent Playing Season in the highest relegation position in that division and (b) is eligible to be granted a reprieve from relegation, shall be granted a reprieve from relegation.

Power of the Committee

Where this Regulation 5.7 does not provide a resolution for a particular vacancy, the Committee shall determine at its absolute discretion how to resolve the matter.

- 5.8 Clubs are not allowed to enter into a ground share agreement in order to gain promotion or to retain membership at a particular Step where the Club has failed to attain or maintain the relevant Grade.

Clubs are not allowed to enter into a ground share agreement at a ground already shared by two Clubs, save for in exceptional circumstances as determined by the Committee in its absolute discretion.

- 5.9 Stadium Accreditation Programme requirements will be in accordance with the Rules.

Each Playing Season, a Club participating at Step 1 to Step 6 must attain the following Stadium Accreditation by 31 March:

STEP	GRADE
Step 1	Grade 1
Step 2	Grade 2
Step 3	Grade 3
Step 4	Grade 4
Step 5	Grade 5
Step 6	Grade 6

Where a Club fails to attain the relevant grade by 31 March in a Playing Season, it will not be eligible for promotion or to participate in any Play Off Match in that Playing Season and will be relegated to the Step immediately below at the end of the Playing Season (save for where that Club also fails to meet the Stadium Accreditation criteria applicable for the Step immediately below, in which case the Committee shall decide (at its sole discretion) where to place the Club for the following Playing Season).

Clubs promoted from Feeder Leagues must install floodlights in working order by 30th September following promotion. Failure to do this will result in a sanction being imposed at the discretion of the League of which the Club is a member. If by 31st March in the year following promotion the floodlights are still not installed then the Club will be a relegated Club and be dealt with accordingly.

- 5.10 If a Club is relegated for not achieving the required Grade for the Step at which it is playing (regardless of whether the Club finishes in a relegation position or not), it will not be eligible for promotion again until the ground has attained the required Grade for the Step to which that Club wishes to be promoted. The Club must attain that Grade at by 31st March in the year in which it seeks promotion.
- 5.11 Where a club resigns from a League, that club will not be eligible for promotion for at least one Playing Season following the Season in which it resigned. Regulation 5.10 shall also apply if, in the Playing Season during which the Club resigns, that Club failed to attain the required Grade for the Step at which it was playing.
- 5.12 In the event of any question arising regarding the interpretation of these Regulations it will be decided by The Association in its sole discretion.

6. THE MOVEMENT OF CLUBS WITHIN THE NLS OTHER THAN BY PROMOTION OR RELEGATION

- 6.1 Movement of a Club from participation in one League to another is not permitted other than by promotion and relegation or otherwise as set out in these Regulations or League Rules save with the approval of the Committee.

It may be necessary from time to time to move Clubs laterally at the same Step. Each year the Committee (or sub-committee thereof) will consider whether any lateral movements may be necessary at each Step and the final decision shall rest with the Committee / sub-committee. Only a Club subject to lateral movement from one League to another may appeal that decision pursuant to Regulation 8.2(b).

- 6.2 If a Club wishes to move to either: (a) another division at the Step of the NLS at which its current division operates, or (b) another division at a Step of the NLS below that at which its current division operates, that Club must make an application in writing to the Committee on or before 31st March in each year to be effective for the following Playing Season. In the event of such application being successful the League from which the Club is moving (if applicable) shall not levy a financial penalty on that Club.
- 6.3 (i) If a Club (whether a Members' Club or a Company) is wound up, liquidated, or is removed from its League or withdraws from football competition ('the Former Club'), and a new Club ('the New Club') is established which wishes to be placed within the NLS, it will be allowed to make an application only to join a League/ division at Step 5 of the NLS unless the Former Club was in either Step 4 or Step 5 when the event which caused it to cease its membership occurred in which case it must re-join the NLS at a minimum of two Steps below the level at which it was at the time the event occurred, or withdrew from football competition, whichever is lower. Where the Former Club was a member of Premier League or EFL then the Committee shall at its absolute discretion determine in which League the New Club shall be placed for the following Playing Season and will set out at its complete discretion the requirements to be met by the New Club.

In order for consideration to be given to the placement in the NLS of the New Club in the following Playing Season, an initial application must be received by the Committee by 1st March or within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March.

21 - NATIONAL LEAGUE SYSTEM REGULATIONS

The full application accompanied by all necessary documents including evidence of security of tenure having been granted to the New Club and affiliation to a County Football Association must be received by 31st March or within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, if such date is later than 1st March. The application shall be copied to the League of which membership is being requested. The application will be determined by the Committee.

In considering any application, the Committee will set out at its sole discretion the requirements to be met by the New Club.

In the event of more than one application being received within twenty-one days of the Former Club being wound up, liquidated, resigning or being removed from its League or withdrawing from football competition, the Committee will consider at its discretion which application will be considered in accordance with this Regulation.

- (ii) If a Club is removed from its League and wishes to remain in the NLS it shall apply to the Committee within five working days of it receiving written notification of its removal from its League. The Committee will consider such application and will place the Club in what it considers at its sole discretion to be the most appropriate League/division for the following Playing Season.

- 6.4** If a Club (whether a Members' Club or a Company) ceases to be a member of its league and that Club (that is not a New Club as defined at 6.3 above) wishes to be placed within the NLS for the immediately following Playing Season, then unless otherwise determined by the Committee, it may be allowed to make an application to join a League/division below the most recent League/division of which the Club was a member.

In order for consideration to be given to the placement in the NLS by the Club in the immediately following Playing Season, an initial application must be received by the Committee in accordance with the procedures set out at 6.3 above. The application shall be copied to the League of which membership is being requested. The application will be determined by the Committee at its absolute discretion.

In considering any application, the Committee will set out at its sole discretion the requirements to be met by the Club in determining whether to approve the application.

- 6.5** *For the purposes of this Regulation 6.5, references to a "club" shall mean a club participating in a league below the NLS and Feeder Leagues in which the default day for league fixtures to be played is a Saturday.*

If two or more Clubs (or a Club and a club) ("the Merging Clubs") are proposing a transaction or series of transactions that result in the merging or consolidation ("the Proposed Merger") of those Clubs (or Club and club) into one Club ("the Merged Club") then a formal application to do so must be received by the Committee and the league(s) of which the Merging Clubs are members by 31st December to be valid for the following Playing Season.

A Deed of Agreement, which shall be legally binding on all parties must be submitted to The Association by 31st March in the year immediately following receipt of the application. The Committee shall determine at its absolute discretion where the Merged Club is to be included in the NLS for the following Playing Season subject to the provisions of item 6.5.5 below.

A Deed of Agreement, which shall be legally binding on all parties must be submitted to The Association by 31st March in the year immediately following receipt of the application. The Committee shall determine at its absolute discretion where (or whether, if the application involves a club) the Merged Club is to be included in the NLS for the following Playing Season subject to the provisions of item 6.5.5 below.

In arriving at its decision the Committee may apply the following minimum criteria:

- 6.5.1 The requirements of Standardised Rule 2.9 for the current Playing Season must be met by each of the Merging Clubs. If one or more of the Merging Clubs is subject to an insolvency event then Standardised Rule 2.9.2 shall be applied to such club(s), otherwise Standardised Rule 2.9.1 shall be applied;
- 6.5.2 The proposed playing name of the Merged Club must be acceptable to the Committee; and
- 6.5.3 The Merged Club must have security of tenure to a ground that meets the relevant Stadium Accreditation requirements;
- 6.5.4 Any other criteria that the Committee may from time to time deem to be appropriate;
- 6.5.5 The Merged Club will ordinarily be placed at the lower of the Steps at which the Merging Clubs ended the Playing Season in which the application is made (or outside the NLS if the transaction involves a club). For the purposes of this Regulation, if one of the Merging Clubs has finished that Playing Season in a relegation place, then they will be deemed to have ended the Playing Season at the Step to which they would have been relegated without the Proposed Merger proceeding.

Any decision regarding whether a proposed transaction or series of transactions falls to be considered under this Regulation shall be determined by the Committee at its absolute discretion.

7. PLACEMENT OF A CLUB INTO A LEAGUE

- 7.1 Usually a club can only enter the NLS at Step 6 via a Feeder League. However a League may seek approval from the Committee to receive a club or team not currently in membership of a League within the NLS provided that there is: (a) exceptional circumstances, (b) a vacancy within its constitution, (c) the club meets the entry criteria and (d) promotion and relegation issues have been satisfied. Such request must be received from the league by no later than 1st February. Any decision shall only be capable of Appeal to The Association by the affected League.
- 7.2 Reserve teams, including a team from a club or Club which is not considered by the Committee to be sufficiently separate from another club or Club, will not be permitted to compete above Step 6 in the NLS. There must be a minimum of two Steps between a first and reserve team. This does not apply at Steps 6 and Feeder League level. No two teams from the same Club can play at the same Step.
- 7.3 Teams from Higher Education or Further Education establishments are not permitted to compete above Step 5. This does not prevent any such establishment forming a Club which complies with all entry criteria and which is separate from the establishment itself.
- 7.4 Where a Club moves from one League to another, for whatever reason, the League from which it is being moved must provide the League to which the Club is being moved with a certificate confirming that the Club being moved does not owe any money or other property of any nature to the League from which it is being moved. The Club being moved cannot compete in its new League until such certification has been provided and the onus will be on the Club being moved to ensure that it has cleared all indebtedness to its previous League.

8. PROCEDURES FOR THE DETERMINATION OF ANY MATTER, DISPUTE OR DIFFERENCE BY THE COMMITTEE

- 8.1 The Committee may adopt such procedures for the determination of any matter, dispute or difference as it considers appropriate and expedient, having regard to the aims and objectives set out at Regulation 2. The Committee may require the attendance at a meeting or the written observations of any League or Club, as it considers appropriate to assist its determination.
- 8.2 (a) Any dispute or difference between a League and a Club relating to promotion and relegation issues, lateral movement and/or other eligibility criteria must be referred for determination to the Committee; such determination shall be final and binding subject only to Arbitration in accordance with Rule K.

21 - NATIONAL LEAGUE SYSTEM REGULATIONS

- (b) Subject to Regulation 6.1 above, any decision of the Committee shall be subject to a right of appeal to an Appeal Board. The decision of that Appeal Board shall be final and binding on all parties.

All referrals of appeals shall be conducted in accordance with the Appeal Regulations save for (i) appeals in relation to Stadium Accreditation decisions where the procedures are outlined in Regulation 8.2(c) below and (ii) appeals in relation to decisions made pursuant to Regulations 6.1 and 6.2 above where the procedures are outlined in Regulation 8.2(d) below.

- (c) Procedures for Stadium Accreditation Appeals
 - (i) The ratification of the Stadium Accreditation decision must be sent in writing within 14 days of the final decision date, currently 31st March.
 - (ii) Appeals in relation to Stadium Accreditation Appeals must be submitted to The Association's Judicial Services Department within seven days from the date of the written decision outlining the Grounds of Appeal, with a copy to The Association's National League System Department.
 - (iii) Unless both parties agree that a hearing should be conducted on the papers, the Committee will appear before an Appeal Board with the Appellant to respond to the application and there is no requirement to make a formal response in writing.
 - (iv) In all cases the Committee will submit any documentation including the Stadium Accreditation report that was considered by the Committee in relation to the Stadium Accreditation decision, (which the appellant would already have received).
 - (v) Dates would be set annually in advance by the Judicial Services Department for the hearing of Stadium Accreditation appeals and details of the dates would be notified to all Clubs in the correspondence from the Committee notifying the decision of the Stadium Accreditation assessment.
- (d) Procedures for appeals against decisions made pursuant to Regulation 6.1 and 6.2
 - (i) Such appeals must be submitted to The Association's Judicial Services Department within seven days from the date of the written decision outlining the Grounds of Appeal, with a copy to The Association's National League System Department.
 - (ii) The Committee's response to the appeal shall be submitted to The Association's Judicial Services Department within seven days of the date the Club's appeal was submitted, with a copy to The Association's National League System Department.
 - (iii) In all cases the Committee will submit any documentation considered by the Committee in relation to the relevant decision (which the appellant would already have received) with its response.
 - (iv) The Committee will appear before an Appeal Board with the Appellant for determination of the appeal.
 - (v) Dates would be set annually in advance by the Judicial Services Department for the hearing of such appeals and details of the dates would be notified to the Club in the correspondence from the Committee notifying them of the relevant decision.

- 8.3** The Committee may, at its discretion, delegate the resolution of any matter, dispute or difference arising under these Regulations to anybody it considers to be appropriate (including a sub-committee or commission which may include members of council not on the Committee or a body constituted by a County Football Association).

9. CRITERIA FOR THE PARTICIPATION IN PLAY-OFF MATCHES

In order to qualify for Play Off Matches a Club must comply with:

- Security of Tenure – see Standardised Rule 2.3.2
- Solvency – see Standardised Rule 13.B.2
- Ground Share requirements, i.e. not ground share in order to gain promotion – see 5.7 of these Regulations
- Stadium Accreditation – see 5.8 of these regulations and the relevant criteria document

10. ARBITRATION

Regional NLS Feeder League Regulations

1. League Structure
 - 1.1 The Leagues currently operating as Feeder Leagues are set out at the end of the Appendix.
 - 1.2 At Feeder League level the maximum number of Clubs in each division shall be determined by the Sanctioning Authority taking into account all relevant factors. In any case, this shall not be more than 18 Clubs. The minimum amount of Clubs should be 14.
 - 1.3 Any league wishing to become a Feeder League must apply to the FA Leagues Committee by 31st December in the relevant year in such form and /or providing such information as shall be required by the Committee from time to time. The decision as to whether or not a league should be admitted as a Feeder League shall be made by the Committee.
2. Rules and Regulations for Promotion and Relegation
 - 2.1 All Feeder League Clubs seeking promotion to Step 6 must make an application using the prescribed form direct to The Association, copied to their existing League, by 31st December in the relevant year. In order to be considered for promotion Clubs must finish in 1st position in their Feeder League. If the Club finishing in 1st position does not wish to be promoted or fails to meet the entry criteria then the Club finishing in 2nd position will be eligible for promotion. If the Club in 2nd position does not seek promotion or fails to meet the entry criteria then Clubs down to 5th position may be considered for promotion provided that they meet the appropriate entry criteria. Clubs finishing below 5th position may not be considered for promotion and only one Club may be considered for promotion from each League. Each application must be accompanied by the agreed application fee, as determined by the Committee, which is non-refundable.

- 2.2 Clubs competing in a Feeder League must comply fully with the minimum requirements of Grade 8. To be considered for promotion to Step 6, Clubs must meet the requirements of Grade 7 and attain Grade 6 by 31st March in the year following promotion. Clubs can be promoted from Feeder Leagues to Step 6 without floodlights, provided that all other requirements of Grade 7 are met by 31st March in the Playing Season in which the Club wishes to gain promotion and that the Club has the following in place:-

- Planning permission granted for floodlights.
- That by 30th September following promotion that floodlights are installed and in working order.
- A development / business plan
- Quotations / estimates for the work to be carried out.

Failure to install floodlights in working order by 30th September following promotion will result in a sanction being imposed at the discretion of the League of which the Club is a member. If by 31st March in the year following promotion the floodlights are still not installed then the Club will be a relegated Club and be dealt with accordingly.

3. Placement of a Club in a League

- 3.1 The matter of draft placements for Clubs in Feeder Leagues is for the League in conjunction with its Sanctioning Authority. Each year the Committee (or sub-committee thereof) will consider whether any lateral movements may be necessary at each Step and the final decision shall rest with the Committee/sub-committee. Only a Club subject to lateral movement from one League to another may appeal that decision pursuant to Regulation 5.2(b).
- 4.2 Any Club wishing to move from one League to another must make an application in writing to the Committee on or before 31st March in each year to be effective for the following Playing Season. In the event of such application being successful, the League from which the Club is moving shall not levy a financial penalty on that Club.

5. Procedures for the determination of any matter, dispute or difference by the Committee

- 5.1 The Committee may adopt such procedures for the determination of any matter, dispute or difference as it considers appropriate and expedient, having regard to the aims and objectives set out in Regulation 2. The Committee may require the attendance at a meeting or the written observations of any League or Club, as it considers appropriate to assist its determination.
- 5.2 (a) Any dispute or difference between a League and a Club relating to promotion and relegation issues, lateral movement and/or other eligibility criteria must be referred for determination to the Committee; such determination shall be final and binding subject only to Arbitration in accordance with Rule K.

Tier 6 and Tier 7

In a Tier 6 division following Regional Format A, each Club finishing in eleventh and twelfth place shall be relegated to the appropriate County League at Tier 7. Where there are three Tier 7 County Leagues sitting beneath that Tier 6 division, the Club finishing tenth shall also be relegated.

The movement of Clubs from Tier 7 (County Leagues) to Tier 6 will be via a promotion pool.

Clubs in a League at Tier 7 playing open age 11 v 11 format can apply to the Board to be considered for promotion into Tier 6. Any such application must be made by 31 March in each year and priority will be based on the finishing positions of those Clubs. In the event that the champion Club at Tier 7 has not applied for promotion by 31 March in the relevant year, that Club will nevertheless still be considered for promotion to Tier 6.

The Board, in consultation with the relevant Joint Liaison Committee, shall decide which Clubs shall be promoted into Tier 6 (and into which division at Tier 6), taking into account:

- (a) the travel requirements for the relevant Club as well as for the member Clubs of the division it will be joining;
- (b) the number of vacancies after any relegation has occurred;
- (c) any applicable stadium accreditation criteria; and
- (d) other published criteria for promotion pool applications.

Changes to Divisional Size

Play-Off Matches

Save for where the Board may determine otherwise in accordance with this Regulation 5.8:

- Where play-off matches are required in order to determine promotion and relegation in any Playing Season, these play-off matches shall be organised at the end of the Playing Season, provided that the Clubs were given notice prior to the start of that Playing Season or, if such notice was not given, by majority agreement of all the Clubs which could be involved in the play-off matches.
- Where the Clubs participating in the play-off match(es) are members of the same League (or divisions within the same League), the rules for the play-off match(es) shall be determined by that League.
- Where the Clubs participating in the play-off match(es) are members of a different League, the rules for the play-off match(es) shall be determined by the Board.

Tiers within the same League

In exceptional circumstances and only in the case of Leagues which have divisions at more than one Tier, the promotion and relegation between Tiers which form part of the same League may be decided by a majority of those persons eligible to attend and vote at a Special General Meeting or Annual General Meeting where this is considered, subject to the approval of the Board.

Additional Teams

Second or subsequent teams from the same Club already competing in the Women's Football Pyramid are not permitted to play above Tier 6.

Power of Board

Where this Regulation 5.6 does not provide a resolution to a particular combination of promotion and relegation scenarios, the Board shall determine at its absolute discretion how to resolve the matter.

6. THE MOVEMENT OF CLUBS WITHIN THE WOMEN'S FOOTBALL PYRAMID OTHER THAN BY PROMOTION OR RELEGATION

- 6.1 Movement of a Club from participation in one League to another is not permitted other than by promotion and relegation save with the approval of the Board or in accordance with Regulation 5.5, such approval being final and binding.

22 - WOMEN'S FOOTBALL PYRAMID REGULATIONS

- 6.2 A new Club intending to participate in a League at Tier 7 or a Club already participating in a League at Tier 7 shall be permitted to apply to the Board to compete in a League sanctioned by any County Association, regardless of whether the Club is in membership of it, where the Club can establish that: (a) the travelling required to compete in a League sanctioned by a County Association is significantly less onerous than the travelling that would be required to compete in the appropriate League sanctioned by the County Association with which it has membership (or its Parent Association, where applicable); (b) the format is not suitable for the Club; or (c) other extenuating circumstances exist. The Board shall decide, at its absolute discretion, whether this exception applies, after taking into consideration the impact on the affected Leagues and their member Clubs, the development of women's football in the area and after promotion and relegation in each affected League has been decided. The Board's decision shall be final and binding. Where the Board decides that the exception applies, the position may be subject to annual review.
- 6.3 If a Club (whether a members' club or a company) is wound up, liquidated or withdrawn or removed from a League/division in the Women's Football Pyramid and then wishes to reform and/or re-enter the Women's Football Pyramid the following Playing Season, unless otherwise determined by the Board, it will be allowed to make an application only to join a League/division a minimum of two Tiers below the League/division in which it was a member when wound up, liquidated, withdrawn or removed (e.g. from Tier 1 to Tier 3 or below, from Tier 2 to Tier 4 or below, from Tier 3 to Tier 5 or below etc.). This relates only to Clubs that wish to reform and/or return for the following Playing Season and subject to the approval of the Board as set out above.
- 6.4 If two or more Clubs ("the Merging Clubs") are proposing a transaction or series of transactions that result in the merging or consolidation ("the Proposed Merger") of those Clubs into one Club ("the Merged Club") then a formal application to do so must be received by the Board and the League(s) of which the Merging Clubs are members by 31st December to be valid for the following Playing Season.

A deed of agreement, which shall be legally binding on all parties must be submitted to The Association by 31st March in the year immediately following receipt of the application. The Board shall determine at its absolute discretion where the Merged Club is to be included in the Women's Football Pyramid for the following Playing Season subject to the provisions of item 6.5.5 below.

In arriving at its decision the Board may apply the following minimum criteria:

- 6.4.1 with regard to each of the Merging Clubs:
- 6.4.1.1 The shareholders or members of the Club have voted to agree to the transfer of the Club's membership to the new entity and/or a licensed insolvency practitioner(s) appointed to the Club has agreed to sell or transfer some or all of the Club's assets to the new entity.
 - 6.4.1.2 All Football Creditors in the Club must be paid in full or transferred in full (with each creditor's consent) to the new entity, and evidenced as such.
 - 6.4.1.3 All other creditors in the Club must be paid in full or transferred in full (with each creditor's consent) to the new entity and evidenced as such.
 - 6.4.1.4 The proposed new entity has provided financial forecasts to the Board and the League showing its ability to fund the Club for the next twelve (12) months or to the end of the Playing Season following transfer (whichever is the longer) and that evidence of funding sources has been provided.
 - 6.4.1.5 The Board must have given approval for the transfer to take place.

In the event that requirement 6.4.1.1 and/or 6.4.1.3 are not fully complied with, and only where the Board, at its absolute discretion, deems there to have been exceptional circumstances surrounding the application for the merger, it may approve the merger (subject to compliance with all other provisions above);

22 - WOMEN'S FOOTBALL PYRAMID REGULATIONS

- 6.4.2 the proposed playing name of the Merged Club must be acceptable to the Board;
- 6.4.3 the Merged Club must have security of tenure to a ground that meets the relevant ground grading requirements;
- 6.4.4 any other criteria that the Board may from time to time deem to be appropriate; and
- 6.4.5 the Merged Club will ordinarily be placed at the lower of the Tiers at which the Merging Clubs ended the Playing Season in which the application is made. For the purposes of this Regulation, if one of the Merging Clubs has finished that Playing Season in a relegation place, then they will be deemed to have ended the Playing Season at the Tier to which they would have been relegated without the Proposed Merger proceeding or if one of the Merging Clubs has finishing the Playing Season in a promotion place, then they will be deemed to have ended the Playing Season at the Tier to which they would have been promoted without the Proposed Merger proceeding.

Any decision regarding whether a proposed transaction or series of transactions falls to be considered under this Regulation shall be determined by the Board at its absolute discretion.

- 6.5 In the event that a League in the Women's Football Pyramid ceases to exist, the Board will use its reasonable endeavours to place the Clubs previously playing in that League at the next highest level of the Women's Football Pyramid for the following Playing Season (but is under no obligation to do so), unless otherwise requested by a Club.

7. ELECTION OF A CLUB INTO A LEAGUE

- 7.1 Subject to Regulation 7.3, a Club can only enter the Women's Football Pyramid at Tier 7 and only to the County League of their Parent County Association.
- 7.2 Any Club shall, with the permission of the Board, be permitted to compete in a League sanctioned by any County Association, regardless of whether the Club is in membership of it, where the Club can establish that: (a) the travelling required to compete in a League sanctioned by a County Association is significantly less onerous than the travelling that would be required to compete in the appropriate League sanctioned by the County Association with which it has membership (or its Parent Association, where applicable); (b) the format is not suitable for the Club; or (c) other extenuating circumstances exist. The Board shall decide, whether such permission shall be granted, after taking into consideration the impact on the affected Leagues and their member Clubs, the development of women's football in the area and after promotion and relegation in each affected League has been decided. The Board's decision shall be final and binding. If permission is granted, this may be subject to annual review.
- 7.3 In exceptional circumstances a League may seek approval from the Board to elect a Club not currently in membership of that League provided that there is: (a) exceptional circumstances (b) a vacancy within its constitution (c) the Club meets the entry criteria and (d) promotion and relegation issues have been satisfied.

8. CHANGE IN PLAYING NAME

A Club participating in a League at Tier 6 or above shall not be permitted to change its playing name (i.e. the name under which the Club competes in a League), as recorded when affiliating to their Parent Association, save with the prior written permission of the Board. Any application for a change of playing name must be received by the Board on or before 1 May in a Playing Season in order for it to be considered by Board for adoption in the following Playing Season. The Board will use its absolute discretion in deciding whether to approve a change in a Club's playing name.

A Club participating in a League at Tier 7 seeking to change its playing name must follow the relevant provisions contained within the rules of its County Association. Any approved name changes shall be adopted in the following playing season regardless of any provisions to the contrary in the County Association's Rules.

Any Club applying to the promotion pool with a pending change to playing name for the following season must inform the Board of this potential change.

1. REGISTRATION

- (a) No person shall be appointed as a Match Official in any Match or Competition under the jurisdiction of The Association either directly or indirectly unless registered in accordance with these Regulations.

A Competition may include in its regulations a provision by which a person who is not a registered Match Official may carry out the duties of a Match Official in a specific Match but only in circumstances where a registered Match Official cannot be appointed to or officiate in that Match. In these circumstances the appointed unregistered and/or unqualified Match Official will carry the same powers and duties of an appointed registered Match Official for the purpose of that match.

- (b) A Referee must be registered with The Association through the Affiliated Association within the area in which the Referee resides, which will be deemed that referee's Parent Association (or County). The Parent Association for serving members of The Armed Forces is the Affiliated Association of the service in which they serve; such referees may also register as an Associate Referee with the Affiliated Association in whose area they reside. A Referee will be required to pay the standard national registration fee to be determined annually by The Association. Registration will run from the date of registration until the following 30 June. The Memorandum attached to these regulations details the responsibilities of Affiliated Associations in respect of Referees administered by them.

- (c) In cases where the boundaries of Affiliated Associations overlap, the Affiliated Associations concerned must mutually agree responsibility of the training and examination of Trainee Referees. Once the FA Basic Referee Course has been completed, the registration of the Referee must then be transferred to the Affiliated Association of the area in which the Referee resides. - (d) Referees shall not be registered with The Association until they are able to satisfy the Affiliated Association of their date of birth. A Trainee Referee must be 14 years of age or older at the time of registration.
- (e) A Referee who has failed to register as a Referee with The Association for between two and three seasons shall not be re-registered until they have successfully undertaken and completed a Laws of the Game examination, as determined by the Affiliated Association. A Referee who has not been registered for between three and five seasons must successfully complete two online development modules and successfully undertaken and completed a Laws of the Game examination, as determined by the Affiliated Association. The Affiliated Association may then register the Referee at their former Level (up to Senior County Referee) once they are satisfied with his/her their competence. A Referee who has not been registered for more than three seasons must attend and successfully complete the practical assessment and examination of The FA Referee Course, at which point they will be registered at a level (up to Senior County Referee) determined by the Affiliated Association. The Affiliated Association must not charge more than the sum determined from time to time by The Association for attendance at the assessment and examination.

- (f) A Referee's registration may be:
 - (i) suspended by the Affiliated Association pursuant to Regulation 7(a); or

- (b) Referees may include on the normal Competition match report forms the names and club details of those personnel reported for misconduct but must not include any details of the incident and for all on-field offences they can only report the name of the player/players cautioned/sent off, the club, the time of offence and the relevant FA offence code.
- (c) Should any match official be approached to supply any details, they should immediately report the matter to the Association or Affiliated Association.

GUIDE TO MARKING

The mark awarded by a club must be based on the Referee's overall performance. It is most important that the mark is awarded fairly and not based upon isolated incidents or previous games. The Referee's performance should be determined by the table below which should act as a guide for the overall mark which should fall within the mark range for each standard of performance.

MARK RANGE	COMMENT
100-86	The Referee demonstrated very accurate decision-making and controlled the game very well using management and communication skills effectively to add value to the game.
85-76	The Referee demonstrated accurate decision-making and controlled the game well using management and communication skills to contribute positively to the game.
75-61	The Referee demonstrated reasonably accurate decision-making and despite some shortcomings generally controlled the game well.
60 and below	The Referee demonstrated shortcomings in the accuracy of decision-making and control which affected the game.

Notes

- Club officials should use the full range of marks within each category to help distinguish between different performance levels, e.g. within the 85-76 category a mark of 84 indicates a better performance than a mark of 77.
- While some Referees may have below average performances, there will usually have been some positive aspects of their performance, so extremely low marks should be very rare.
- When club officials are marking a Referee, they should always look at the game as a whole and not isolated decisions. The result of the match should not influence the mark and disciplinary action should be judged objectively.
- When a mark of 60 or lower is awarded, an explanation must be provided to the Competition using the box provided on the marking form. The purpose of this is to assist Referees to improve their performance levels, so the comments should be as helpful as possible.

HOW TO DECIDE ON THE REFEREE'S MARK

The following questions focus on the key areas of a Referee's performance. They are intended as an "aide memoire", are not necessarily comprehensive and need not be answered individually. It is, however, worth considering them before committing yourself to a mark for the Referee.

CONTROL AND DECISION-MAKING

- How well did the Referee control the game?
- Were the players' actions recognised correctly?
- Were the Laws applied correctly?
- Were all incidents dealt with efficiently/effectively?
- Were all the appropriate sanctions applied correctly?

- Judge the performance over the whole game. Don't be too influenced by one particular incident.
- Don't mark the Referee down unfairly because your team was unlucky and lost the game or some disciplinary action was taken against your players.

MEMORANDUM: CHILDREN OF SCHOOL AGE AND SCHOOL GAMES

One of the important aspects of games in school is the opportunity they afford of developing a pupil's sense of loyalty and honour. It is therefore of concern when interest in games outside the school conflict with a pupil's loyalty to the school and/or school organisations' activities.

1. It is usually the pupil of outstanding Football ability whose services are sought by any Club, and the Player is most likely to be a member of the school or association team. While schools' matches are often arranged on Saturday mornings and Club matches take place in the afternoon, it is considered that a player should not play in two matches on the same day, for the one match is likely to affect play in the other.
2. An outside Club or organisation should consult the head-teacher before selecting any child of school age to play for a team, and should accept the head-teacher's decision on these matters. Head-teachers of schools should not restrain pupils, who are not selected for school games of any kind, from playing for an outside organisation during their free time.

If the charge is disputed or if the party admitting the charge wishes to present a plea in mitigation, it shall have the right to a personal hearing. The party charged also has the right to waive the 7 day requirement and allow the charge to be considered in less than 7 days after the party has been charged.

If the party charged disputes the charge or wishes to have a personal hearing to present a plea in mitigation then it shall submit its case in writing to be received by the Competition Secretary at least 7 days prior to the date of the meeting set to consider the charge and in default the Board will be at liberty to proceed to hear the charge without the benefit of written submissions from the party charged.

- 4.10 The Board shall have the power to arrange representative matches at their discretion.

- 4.11 A match (or matches) may be played each season [year] between two Clubs nominated by the Board and it shall be a requirement for such match (or matches) to be played on the date(s) nominated by the Board. All matters concerning the match (or matches) will be decided by the Board.

The definition of "interested" shall be the same as provided for by the Rules of the FA Challenge Cup Competition in force from time to time.

6. REGISTRATION OF PLAYERS

6.1 A qualifying Player registration

The FA's rules will apply in respect of all matters concerning players.

6.1.1 A Player is one who has been registered via the relevant Online Player Registration System and such registration has been: (a) approved by the Competition and (b) in the case of a:

- (i) Contract Player – approved by the league the player is transferring from and The FA.
- (ii) Loan player (if loaned from a club participating in the Premier League or the EFL) – approved by the league the player is transferring from and The FA.
- (iii) Loan player (if loaned from a club participating in the NLS) – approved by The FA.

6.1.2 At Steps 1 to 4, a Player's registration with a Club as a Contract Player shall continue until the earlier of the date upon which: (a) the contract between the Contract Player and the Club expires, (b) the Contract Player's registration is transferred to another club, or (c) the contract is cancelled in accordance with Rule 6.5.

It is the responsibility of all Clubs to ensure any player signing a registration form has, where necessary, the required International Transfer Certificate and in the case of Contract Players, including those on loan, must have approval from The FA.

Any relevant registration/transfer/loan forms must be uploaded onto the Online Player Registration System within five (5) days of the Player signing the forms.

The Registration of Players are subject to fees in accordance with the fees tariff.

The status of a player must be clearly stated on the registration information submitted. Hard copies of the registration form are not required to be submitted to the Competition. The registration of a Player will be valid from the date of registration to the end of that Playing Season only save for: (a) a Contract or Loan Player whose contract or loan expires before the end of the Playing Season, or (b) a Contract Player registered with a club participating at Steps 1 to 4), where in each case the registration shall be valid for the term of the applicable contract or loan.

6.1.3 A Player may only play under his correct status. Any change of a Player's status during the currency of a registration must be notified to the Competition within five (5) days of the change of registration being affected.

In the event of a Player changing his status with the same Club either from Contract to Non-Contract or from Non-Contract to Contract then that Player must sign a new registration form (which is to be retained by the Club), complete a new registration process via the Online Player Registration System, and be re-registered. In default the Player re-registering will be ineligible to play in a match under the jurisdiction of the Competition and Rule 6.9 will be applied in such circumstances where a Club is found guilty of playing a Player who has changed status without re-registering.

A Player whose registration under Contract is cancelled by mutual consent and immediately re-registered by the same Club or a different Club on a non-contract basis shall not subsequently be registered as a Contract player with the Club for which his Contract was cancelled, within three months of the date of the cancellation except with the consent of the Board and The FA.

Undesirable conduct shall mean an incident of repeated conduct, which may deter a Participant from being involved in this Competition. Application should be made to the parent County of the Club the Player is registered with.

(Note:- action under this clause shall not be taken against a Player for misconduct until the matter has been dealt with by the appropriate Association, and then only in cases of the Player bringing the Competition into disrepute and will in any case be subject to an Appeal to the Football Association. For the purposes of this Rule, bringing the Competition into disrepute can only be considered where the Player has received in excess of 112 days suspension, or 10 matches in match based discipline, in a period of two years or less from the date of the first offence.)

- 6.1.5 The Board shall also have the power to place an Embargo on the registration, transfer or loan transfer of Players by any Club deemed to be in breach of these Rules. Where a Club has been subject to an Embargo that is ongoing (if applied by the Competition or another) then the Embargo shall continue to apply until the Club can demonstrate to the satisfaction of the Board that the circumstances that resulted in the Embargo no longer apply.

The Club submitting the latter form shall be notified of the prior registration of the Player, and the circumstances under which the registration forms were signed shall be investigated by the Board. Any Player found to have signed registration forms for more than one Club, or any Club found to have knowingly induced a registered Player of another Club to sign a registration form, shall be dealt with by the Board in such a manner as it shall think fit.

- 6.4.5 Except where mutually agreed between the Clubs in writing, and specific approval has been given by the Board a Club cannot register more than one Contract or Non-Contract Player, registered to another Club or club at any one time unless a period of 28 days has elapsed between the first and the second notice of approach or acknowledgement.

The forms must be submitted via the relevant Online Player Registration System.

Such Contract Player does not become a registered Player of the Club seeking his transfer until the forms have been approved by The FA and the Competition(s).

CANCELLATIONS

Where a Club cancels the registration of a Contract Player, for any reason whatsoever, the Club must submit a notification via the relevant Online Player Registration System or on the relevant Competition/FA form and such cancellation must be approved by the relevant parties. To be valid, such notification must be signed by an authorised signatory of that Club and the Player.

Where a Club cancels the registration of a Non-Contract Player for any reason whatsoever, the Club must submit via the relevant Online Player Registration System and/or the relevant Competition form. To be valid, such notification must be signed by an authorised signatory of the Club.

TERMINATIONS

Where the registration of a Contract Player has been terminated by either the Club or the Player, this must be in accordance with the provisions of the Player Status Rules.

- 6.5.2 The transfer of a Non-Contract Player's registration from one Club to another must be: (a) in writing, on the relevant Competition transfer form, signed by the Non-Contract Player and the two Clubs (as required by the Competition), and (b) submitted via the relevant Online Player Registration System for approval and registration. Such Non-Contract Player does not become a registered Player of the Club seeking his transfer until the transfer has been approved by the Competition. A Non-Contract Player whose registration for a Club is cancelled or transferred for any reason whatsoever cannot, without the consent of the Board, return to his original Club until a minimum of fourteen (14) days has elapsed from the date of the cancellation or transfer.

- 6.5.3 A Club shall submit to the Board any contract it proposes to enter into which gives the Club or any other party to the proposed contract any rights relating to the transfer of the registration of a Player at a date in the future from or to the Club or any rights relating to the employment for the Player by the Club. Any such proposed contract shall be subject to the approval of the Board.

6.6 Temporary Transfers (Loans)

- 6.6.1 Where the Rules of the relevant League permit, Short Term Loans, Youth Loans and Long Term Loans of Contract players shall be allowed to or from Clubs in membership of:

- The Premier League
- The EFL
- Any League operating at Step 1 to 6 of the National League System

on such terms and conditions as shall be mutually agreed by the two clubs and the player. For Loan Transfers between Clubs in the same Competition the transfer must be completed via the Online Player Registration System, with a Competition Temporary Transfer Form completed and retained by the Club. For Loan Transfers between Clubs in different Competitions the transfer must be completed via the Online Player Registration System, to include any applicable loan form (as communicated by The FA from time to time).

The player being taken on loan, [including Youth Loan,] must sign a Competition contract registration form which will be valid for the full period of the loan, including any extension to the loan period.

If the original Loan agreement contains a pre-agreed recall clause, a Player may be recalled by the loaning Club submitting written confirmation to the borrowing Club, the Competition and The FA. Where no pre-agreed recall clause exists, the cancellation must be agreed between the loaning Club, the borrowing Club and the Player. The loaning Club must submit written confirmation to the borrowing Club, the Competition and The FA. The Competition's standard cancellation form must be used to prematurely end the Temporary Transfer period. The temporary registration for the borrowing Club will automatically be deemed to be cancelled upon maturity of the temporary transfer period.

Where a Short Term Loan, [or Youth Loan] expires, and is not renewed so as to run continuously, any subsequent Short Term Loan, [or Youth Loan] of that Player to the same Club will be subject to a minimum duration of 28 days and will be considered a new loan (including for the purposes of Rule 6.4.7).

Guidance

A continuous renewal of a Short Term Loan (or Youth Loan) means that the start date of the renewal must commence from the date immediately following the date of the expiry of the last loan period. For example, if a loan expires on a Saturday, in order for it to be considered continuous, the extension must commence on the next day (i.e. the Sunday).

Any such loan continuation will not be accepted if the registering Club does not submit the relevant documents within 5 days of signature, or if the registering Club has played a fixture in the period between the date of expiry of the last loan and the time the relevant documents are submitted.

Where a Short Term Loan, [Youth Loan] or Long Term Loan (or period of Work Experience) expires on or after the last match of the season and the Club finishes in a Play-Off Position, and both Clubs agree, the Loans shall be extend to include the Club's remaining Play-Off Matches. Any such extension is not subject to any time limits that would otherwise apply, and must be agreed in writing by the player's parent Club and be registered with the Competition in accordance with these Rules and registered with The FA in accordance with the Player Status Rules.

- 6.6.2 Short Term Loan Transfers – A Club can have up to a maximum of twelve (12) Short Term Loans during a Playing Season. The minimum period of a Short Term Loan transfer must be twenty-eight (28) days with a maximum of ninety-three (93) days in any one Playing Season. Clubs playing in Competitions at Steps 1 to 4 of the National League System may register players on a Short Term Loan from clubs in the EFL.

The Competition shall not approve more than two (2) Short Term Loan transfers to or from any one club, including EFL Clubs, at any one time (subject to the overall limit of four (4) Players joining a Club from another club in any Playing Season as set out at Rule 6.6.1).

On completing the Competition Temporary Transfer Form (for internal Temporary Transfers) or FA form H3 (for Temporary Transfers involving two competitions), a Club must retain copies in case of dispute or if called in case requested by the Competition or The FA. Clubs must also take the appropriate action on the Online Player Registration System.

To extend the period of any Short Term Loan transfer a further Competition Temporary Transfer Form (for internal Temporary Transfers) or FA form H3 (for Temporary Transfers involving two competitions) must be completed and copies retained as directed above. If the Short Term Loan transfer is extended only the Club for whom the Player was originally registered will be allowed to cancel the agreement at any time within the extension period, i.e. after 28 days. In the case of a goalkeeper Clubs may mutually agree, if they so wish, to include a recall clause in the agreement to enable the Club for who the Player was originally registered to recall the Player at any time during the loan period. Players other than goalkeepers may not be recalled within the first month, i.e. 28 days, of any loan except where the Player is to be permanently transferred to another club by their parent club (subject to the agreement of the loaning club, the borrowing Club and the Player, which may set out in the original loan agreement).

Any Short Term Loan transfer which may terminate after the last day for registrations may be extended for a further period provided the maximum period of 93 days is not exceeded.

Short Terms Loan Transfers which become permanent before their expiry date shall not count against a Club's quota of days or Players.

- 6.6.3 Long Term Loan Transfers – Clubs may have up to a maximum of six (6) Long Term Loan Transfers of any age during a Playing Season.

Clubs playing in Competitions at Steps 1 to 6 of the National League System may register players on a Long-Term Loan from other clubs playing in Competitions at Steps 1 to 6 of the National League System.

Only Clubs playing in Competitions at Steps 1 to 4 of the National League System may register players on a Long-Term Loan from clubs in the Premier League or EFL.

A Player on Long Term Loan may be recalled on any date from the beginning of the Loan until the agreed summer transfer window deadline, provided that the initial 28 days have elapsed, except in the case of a goalkeeper, and within the agreed winter transfer window, except for a goalkeeper or where the Player is to be transferred permanently by the Club (or club) holding his registered contract in each case, subject to the agreement of the loaning Club, the borrowing Club and the Player, which may be pre-agreed in a recall clause in the original Loan agreement.

To extend the period of any long term loan transfer a further Competition Temporary Transfer Form (for internal Temporary Transfers) or FA form H3 (for Temporary Transfers involving two competitions) must be completed and copies retained as directed above.

The Competition shall not approve more than two (2) Long Term Loan transfers to or from any one club, including Premier League and EFL clubs, at any one time (subject to the overall limit of four (4) Players joining a Club from another club in any Playing Season as set out at Rule 6.6.1).

A Player registered on a Long Term Loan from a club participating in the Premier League or the EFL may, provided it is agreed between the two clubs and the Player, continue to train with and/or play for his loaning club in any match other than matches played as part of the Premier League Competition, EFL Competition, EFL Cup, FA Cup or, where the parent club is in the EFL, the EFL Trophy (i.e. First Team matches.) Participation by the Player in First Team matches for the borrowing Club shall take precedence.

6.6.4 Youth Loan Transfers

Subject to any further restrictions set out below, Youth Loan Transfers apply to:-

- Contract Players aged 20 or under on 1 July immediately preceding the Playing Season in question.

At Steps 1 to 6 of the National League System, Youth Loans are permitted at any time during the Registration Period, subject to the below provisions.

Unlimited Youth Loan Transfers shall be allowed to or from Clubs in membership of the Competitions at Steps 1-4 of the National League System, save that the Competition shall not approve more than two (2) Youth Loan transfers to or from anyone club at any one time (subject to the overall limit of four (4) Players joining a Club from another club in any Playing Season as set out at Rule 6.6.1).

Clubs playing in Competitions at Steps 1 to 6 of the National League System may register players on a Youth Loan from other clubs playing in Competitions at Steps 1 to 6 of the National League System.

Only Clubs playing in Competitions at Steps 1 to 4 of the National League System may register players on a Youth Loan from clubs in the Premier League and the EFL.

Such Club shall not be accepted into membership of The National League (Step 1) until such time as it installs a Grass Pitch so that it complies in full with the playing surface regulation of The Football League. The Association has delegated to each Competition the operation, determination and monitoring of the Licence as set out in this Licensing System ("the delegated powers"). The Association retains a right to apply the operation, determination and monitoring of the Licence as set out in Section 2 below. The Competition may in accordance with the Rules delegate its responsibilities under this Licensing System to a Sub Committee or similar body.
- 1.2 A Club must hold a Licence to be a member of a Competition.
- 1.3 A Licence is granted for a Membership Year. In each Membership Year the Competition must monitor the compliance of each Club in relation to the Licence Criteria unless the Licence has been withdrawn by the Competition or has been or is to be surrendered by a Club.
- 1.4 If at any time during a Membership Year the Competition becomes aware that a Club no longer fulfils any of the Licensing Criteria then the Competition shall review that Club's Licence in relation to the non-fulfilment such that a Licence may be withdrawn, suspended or have conditions imposed or varied or have sporting/financial penalties imposed upon it.
- 1.5 A Club must give written notification to the Competition of which it is a member of any breach of any Licence Criterion within 5 working days of the breach occurring.
- 1.6 If a Club's Licence is suspended then that Club cannot participate in the Competition from that date until the expiry of seven days from the day the default is remedied, unless otherwise agreed by the Competition. If the Competition refuse or withdraw a Licence then that Club cannot participate in the Competition.

- 1.7 A Club that does not hold a Licence to be a member of a Competition may apply to The Association to be placed elsewhere within the National League System in accordance with National League System Regulations but shall not be automatically entitled to such a place.

2. ROLE OF THE ASSOCIATION

This right includes determining any sanctions for non-compliance by a Club with the Licence Criteria. In the event that The Association exercises the delegated powers then they shall be applied by The Association's Chief Regulatory Officer or any officer acting on a delegated authority.
- 2.3 The procedure to be adopted in the event that The Association wish to apply delegated powers as provided for in paragraph 2.2 is that The Association's Chief Regulatory Officer or any officer acting on a delegated authority shall give written notice to the Competition setting out the matter in respect of which it wishes to apply delegated powers, the decision it wishes to apply and the full reasons for this. The Competition shall reply in writing within five working days of receipt of The Association's written notice, or 3 May following the submission of the application if earlier, setting out its responses to the proposal including the Competition's agreement or otherwise to The Association's notice. If agreed then the decision required by The Association shall be applied by the Competition and shall be treated as a decision of the Competition. If not agreed then The Association may, after considering the responses of the Competition, confirm its decision to exercise delegated powers to the Club and the Competition in writing. In the event that The Association has applied the delegated powers then the decision of the Competition shall be set aside and the decision of The Association shall apply subject to an appeal by the Club and or the Competition as set out in Section 7.

30 - STANDARD CODE OF RULES FOR MINI SOCCER AND YOUTH FOOTBALL COMPETITIONS

This document contains the Standard Code of Rules developed by The Football Association for Mini Soccer and Youth Football Competitions (the “Standard Code”).

The Standard Code is mandatory for all Mini Soccer and Youth Football Competitions.

Competitions seeking sanction must draft their Rules in conformity with the Standard Code, using the same numbering and standard headings.

The mandatory rules are printed in normal text and the optional rules in italics.

It should be noted that in many cases rules are so printed because they are alternatives and the procedure to apply should be retained and the others omitted.

In all cases where a [] is shown the necessary name, address, number or wording to complete that rule must be inserted.

Competitions may add to the core of the Standard Code, which is mandatory, providing the additions are approved by the Sanctioning Authority and do not conflict with the mandatory rules or any relevant principles and policies established by The FA. Guidance from the Sanctioning Authority should be sought in advance if there is any doubt as to the acceptability of additional rules.

Please note that from the 2021/22 season all players must be registered through the Player Registration System and it will not be possible to register players using the alternative methods in Rule 18(A).

34 - SMALL-SIDED FOOTBALL

LAWS OF THE GAME

Revised March 2018

INTRODUCTION

The following laws of the game are The Association's recommended laws for use in Small-Sided Football. This includes 5, 6 and 7-a-side games but not Mini-Soccer or Futsal, which have their own specific laws. (These are also available from The Association). These Laws were revised in 2012 based on the following principles;

- A revision of The Association's Laws so that they better reflect the game that it is being played in many venues
- Applying the general principle of the 'normal laws of Association Football with exceptions' and as consequence simplifying the game for both players and Referees.
- Improving the technical quality of play in the small-sided game
- To encourage participation and enjoyment in a safe and controlled environment.

Small-Sided Football is now the largest form of the recreational game. The laws that people play the game tend to differ from venue to venue and reflect both traditions of play and the constraints of the facility in which the game is taking place. The set of Laws contained in this document are those that The Association will use in its own Small-Sided Football competitions and we would recommend their adoption by all organisers of Small-Sided Football. However, given the diversity of small sided facilities and formats in this country, use of these Laws in all circumstances is not mandatory and these revised Laws also allow The Association and the County Football Associations to sanction other formats of Small-Sided Football. The principles of any approval by The Association shall be based upon;

- The normal laws of Association Football apply with exceptions
- The game should take into full account the health and safety of the players and officials.

This document contains both a full set of laws, suitable for use by competition organisers and Match Officials and an abridged version that can be used to advise participants of the laws that will be of greatest interest to them.

Further advice on laws of the game and the affiliation of competitions can be obtained from your local County Football Association.

SECTION ONE

SMALL-SIDED FOOTBALL - LAWS OF THE GAME

General Principle

Where not stated the normal Laws of Association Football apply with exceptions notably that there is no offside in Small-Sided Football

LAW 1: THE PLAYING AREA

The Pitch

Small Side Football may be played with or without barriers.

The playing area must be rectangular. The length of the touchline must be greater than the length of the goal line.

For 5 and 6 – a side football the following dimensions are

Recommended Length: minimum 25 m
maximum 50 m

Width: minimum 16 m
maximum 35 m

For 7 a side football the following dimensions are

Recommended Length: minimum 50m
 maximum 60m

Width: minimum 30m
maximum 40m

34 - SMALL-SIDED FOOTBALL

Area Markings

The playing area is marked with lines. The two longer boundary lines are called touchlines. The two shorter lines are called goal lines.

All lines are 8cm wide.

The playing area is divided into two halves by the halfway line.

The centre mark is indicated at the midpoint of the halfway line. A circle with a radius of 3 m is marked around it.

A penalty area is defined at each end of the pitch as follows:

A semi circle of 6 m radius shall be drawn from the centre of each goal line. The extremities of these semi-circles should reach the goal line, barrier or wall regardless of whether or not the goal posts encroach onto the playing area.

Penalty Mark

A penalty mark is drawn 6 m from the midpoint between the goal posts and equidistant from them.

The Corner Arc

Where barriers do not surround the playing area a quarter circle with a radius of 25cm from each corner is drawn inside the playing area.

Goals

Goals must be placed on the centre of each goal line.

They consist of two upright posts equidistant from each corner and joined at the top by a horizontal crossbar.

The distance (inside measurement) between the posts is maximum 5m, minimum 3m and the distance from the lower edge of the crossbar to the ground is maximum 2m minimum 1.20m.

Both goal posts and the crossbar have the same width and depth of 8cm. Nets, made of hemp, jute or nylon, are attached to the posts and crossbars behind the goals. The lower part is supported by curved bars or some other adequate support.

Safety

The goals may be portable but they must be anchored securely to the ground during play as per Health and Safety requirements.

Playing Surface

Where natural turf is not used the surface must be smooth and flat and non-abrasive.

The use of wood or artificial material is recommended.

LAW 2: THE BALL

Qualities and Measurements

The ball is:

- Spherical
- Made of leather or other suitable material
- Size appropriate to the age group playing

Replacement of a Defective Ball

If the ball bursts or becomes defective during the course of a game:

- The game is stopped
- The game is restarted by dropping the replacement ball at the place where the first ball became defective

34 - SMALL-SIDED FOOTBALL

If the ball bursts or becomes defective while not in play:

- The game is restarted according to the Laws

The ball may not be changed during the match without the permission of the Referee.

LAW 3: THE NUMBER OF PLAYERS

A match is played by two teams, each consisting of not more than the following number of players and substitutes for each format:

5-a-side = 5 players per team and 3 substitutes (total of 8 players)

6-a-side = 6 players per team and 3 substitutes (total of 9 players)

7-a-side = 7 players per team and 3 substitutes (total of 10 players)

Substitution Procedure

The maximum number of substitutes permitted is three.

The number of substitutions made during a game is unlimited. A player who has been replaced may return to the pitch as a substitute for another player.

Substitutions should take place when there is a break in play or during play if the second official is involved in refereeing the game. This will be determined by the Competition Rules.

A substitution is one that is made when the ball is in or out of play for which the following conditions must be observed:

- The player entering the playing area may not do so until the player leaving the playing area has passed completely over the boundary line
- Where barricades are used the players must use the opening onto the playing area
- A substitution is complete when the substitute enters the playing area from which moment they become a player and the player they are replacing ceases to be a player

A substitute is subject to the authority and jurisdiction of the Referee whether called upon to play or not.

Changing Places with the Goalkeeper

Any of the players or substitutes, may change places with the goalkeeper. The following conditions must be observed:

- The Referee must be informed before the change is made
- The change may only be made during a stoppage in play
- The replacement goalkeeper must wear a jersey which distinguishes them from all other players

Infringements/Sanctions

If, while a substitution is being made, a substitute enters the playing area before the player being replaced has completely left:

- Play is stopped
- The player being replaced is instructed to leave the playing area
- The substitute is 'sin binned' for the agreed period.
- Play is restarted by an indirect free kick to be taken by the opposing team from the place where the ball was situated when the game was stopped. However, if the ball was inside the penalty area, the indirect free kick is taken on the penalty area line, at the place nearest to the position of the ball when play was stopped

Where barricades are used if, while a substitution is being made, a substitute enters the playing area or a player being replaced leaves it from a place other than the recognised opening in the barricades:

- Play is stopped
- The substitute is 'sin binned' for the agreed period.

Play is restarted by an indirect free kick to be taken by the opposing team from the place where the ball was situated when the game was stopped. However, if the ball was inside the penalty area, the indirect free kick is taken on the penalty area line, at the place nearest to the position of the ball when play was stopped

Validity of a Match – Playing Numbers

A match should not be considered valid if the playing strength of either team is permanently reduced by:

- More than two players for 5-a-side,
- More than two players for 6-a-side
- More than three players for 7-a-side.

However this should only apply when players are permanently excluded or lost through injury rather than within the 'Sin Bin' for a two minute suspension.

LAW 4: THE PLAYERS' EQUIPMENT

Safety

A player must not use equipment or wear anything that is dangerous to themselves or another player, including any kind of jewellery. Jewellery should be removed.

Basic Equipment

- A jersey or shirt
- Shorts or track suit trousers
- Socks
- Shinguards
- Footwear – which is subject and appropriate to local conditions and surface type must be worn.

Shinguards

- Are covered entirely by the socks
- Are made of a suitable material (rubber, plastic or similar substances)
- Provide a reasonable degree of protection

Goalkeepers

- The goalkeeper is permitted to wear long trousers
- Each goalkeeper wears colours which easily distinguish them from the other players and the Referees

34 - SMALL-SIDED FOOTBALL

Infringements/Sanctions

For any Infringements of this Law:

- The player at fault is instructed by the Referee to leave the playing area to correct their equipment or to obtain any missing item of equipment. The player may not return to the playing area without first reporting to the Referee, who then checks that the player's equipment is now correct. The player is only allowed to re-enter the game when the ball is out of play
- Players can return to play whilst the ball is in play if a second official has checked the equipment. If no second official is present the player must wait for a break in play in order for the Referee to check the faulty equipment

LAW 5: THE REFEREE

The Authority of the Referee

Each game is controlled by a Referee who has full authority to enforce the Laws of the Game in connection with the game to which they have been appointed, from the moment they enter the locality where the playing area is situated until they leave.

Powers and Duties The Referee:

Enforces the Laws of the Game

- Allows play to continue when the team against which an offence has been committed will benefit from such an advantage and penalises the original offence if the anticipated advantage does not ensue at that time
- Keeps a record of the match and provides the appropriate authorities with a game report which includes information on any disciplinary action taken against players, and/or team officials and any other incidents which occur before, during or after the game

- Ensures any player bleeding from a wound leaves the playing area
- Allows play to continue until there is a stoppage in play if a player is, in their opinion, only slightly injured
- Ensures that any ball used meets the requirements of Law 2
- Make use of timed suspensions to exclude temporarily players guilty of infringements of the laws
- In the absence of a second official, the Referee should make excluded players aware of the end of their period of suspension

Decisions of the Referee

The decisions of the Referee regarding facts connected with play are final.

LAW 6: THE MATCH OFFICIAL

Duties

The duties of the Match Official are to assist the Referee in the control of the game in the following areas: -

- Control of the substitution procedure, ensuring that the player to be replaced has left the playing area before the substitute is allowed to enter the playing area
- Check the equipment of all the substitutes entering the playing area
- Ensure that a player sent from the playing area by the Referee, to replace any missing or defective equipment is checked before being allowed back on to the playing area
- If a player has been removed from the playing area by the Referee to have a 'blood injury' treated the Match Official must ensure that the bleeding has stopped before the player is allowed to re enter the playing area
- Keep a full record of the game details
- Act as the timekeeper for any player who has been given a temporary suspension from the game
- Report to the Referee any misconduct by any of the team players or officials in the technical / bench / substitute area
- Carry out any other duties as requested by the Referee

LAW 7: THE DURATION OF THE GAME

The duration of the game shall be divided into two equal periods of over five and up to 25 minutes each period subject to the following:

- a. Allowance shall be made in either period for time lost through stoppages as decided by the Referee.
- b. The duration of either half shall be extended to enable a penalty kick to be taken.
- c. At half time the interval shall not exceed five minutes except by consent of the Referee.
- d. Competition rules may allow for a game to be played in its entirety without a half time interval or requirement to change ends.

For games ending in a draw, competition rules may state provisions involving extra time or other procedures approved by the International FA Board to determine the winner of the game.

LAW 8: START OF PLAY

Preliminaries

The choice of ends is decided by the toss of a coin. The team winning the toss decides which goal it wishes to attack in the first half of the game.

The other team takes the kick-off to start the game.

Kick-off

A kick-off is a way of starting or restarting play:

- At the start of the game
- After a goal has been scored
- At the start of the second half of the game
- At the start of each period of extra time, where applicable

A goal may be scored directly from the kick-off.

34 - SMALL-SIDED FOOTBALL

Procedure

- All players are in their own half of the playing area
- The opponents of the team taking the kick-off are at least 3m from the ball until it is in play
- The ball is stationary on the centre mark
- The Referee gives a signal
- The ball is in play when it is kicked and moves forward
- The kicker may not touch the ball a second time until it has touched another player

After a team scores a goal, the other team takes the kick-off.

Infringements/Sanctions

If the kicker touches the ball for a second time before it has been touched by another player:

- An indirect free kick is awarded to the opposing team which has to be taken from the place where the infringement occurred. For any other infringement of the kick-off procedure the kick-off is retaken.

Drop Ball

A drop ball is a way of restarting the game after a temporary stoppage

Procedure

The Referee drops the ball at the place where it was located when play was stopped, unless it was in the goalkeeper's possession, when the goalkeeper shall, at the referee's signal; return the ball into play by throwing the ball from any point within the Penalty Area.

Play restarts when the ball touches the ground.

Where barricades are in use and a drop ball is required the Referee shall drop the ball 2m from the barricade at the appropriate point.

Infringements/Sanctions

The ball is dropped again:

If it is touched by a player before it makes contact with the ground

If the ball leaves the playing area after it makes contact with the ground, without a player touching it

LAW 9: THE BALL IN AND OUT OF PLAY

Ball Out of Play

The ball is out of play when:

- It has wholly crossed the goal line or touch line, whether on the ground or in the air
- Play has been stopped by the Referee
- When playing indoors, it hits the ceiling

Ball In Play

The ball is in play at all other times including when:

- It rebounds from a goal post, the crossbar, or the barricades onto the playing area
- It rebounds from the Referee when on the playing area

Decisions

When a game is being played on an indoor playing area and the ball hits the ceiling, the game is restarted by an indirect free kick awarded to the opposing team to the one which last touched the ball.

The indirect free kick should be taken from the point at which the ball began to rise. Should this occur in the penalty area, the free kick should be taken from the penalty area line nearest to where the offence was committed. The exception to this rule is when the ball hits the ceiling following a deliberate 'save' (as opposed to a clearance) by the goalkeeper. In this case teams should play on.

Height of ball restrictions – If a height restriction is to be introduced the competition rules should identify the height above which an indirect free kick shall be awarded to the opposing team. If a height infringement occurs within the penalty area and is committed by the defending team an indirect free kick should be awarded on the penalty area line nearest to where the offence took place. The exception to this rule shall be when the ball rises above the designated height restriction resulting from a save or block performed by a goalkeeper. Play should continue in this circumstance. Should another player then play the ball whilst it is at a height above the designated height restriction this will result in an indirect free kick to the opposing team.

LAW 10: THE METHOD OF SCORING

Goal Scored

Except otherwise provided by these Laws, a goal is scored when the whole of the ball passes over the goal line, between the goalposts and under the crossbar, unless it has been thrown, carried or intentionally propelled by the hand or arm by a player of the attacking side, the goalkeeper included.

Winning Team

The team scoring the greater number of goals during a game is the winner. If both teams score an equal number of goals or if no goals are scored, the game is drawn.

Competition Rules

For games ending in a draw, competition rules may state provisions involving extra time or other procedures to determine the winner of a game.

LAW 11: FREE KICKS

Types of Free Kicks

Free kicks are either direct or indirect.

For both direct and indirect free kicks, the ball must be stationary when the kick is taken and the kicker may not touch the ball a second time until it has touched another player.

The Direct Free Kick

- If a direct free kick is kicked directly into the opponent's goal, a goal is awarded

The Indirect Free Kick

- A goal can be scored only if the ball subsequently touches another player before it enters the goal

Position of Free Kick

- All opponents must be at least 3m from the ball until it is in play
- The ball is in play after it has been touched or played

Infringements/Sanctions

If, when a free kick is taken, an opponent is closer to the ball than the required distance:

- The kick is retaken

If, after the ball is in play, the kicker touches the ball a second time before it has touched another player:

- An indirect free kick is awarded to the opposing team, taken from the place where the infringement occurred.

34 - SMALL-SIDED FOOTBALL

Signals

Direct Free Kick: the Referee keeps one arm horizontal pointing in the direction the kick has to be taken

Indirect Free Kick: the Referee indicates an indirect free kick by raising their arm above their head. They maintain their arm in that position until the kick has been taken and the ball has touched another player or goes out of play

LAW 12: FOULS AND MISCONDUCT

Fouls and misconduct are penalised as follows:

Direct Free Kick

- A direct free kick is awarded to the opposing team if a player commits any of the following seven offences in a manner considered by the Referee to be careless, reckless or using excessive force:
- Kicks or attempts to kick an opponent
- Trips or attempts to trip an opponent
- Jumps at an opponent
- Charges an opponent, even with the shoulder
- Strikes or attempts to strike an opponent
- Pushes an opponent
- Tackles an opponent

A direct free kick is also awarded to the opposing team if a player commits any of the following offences:

- Holds an opponent
- Spits at an opponent
- Slides in an attempt to play the ball when it is being played or attempted to be played by an opponent (sliding tackle).
- Handles the ball deliberately, with the exception of the goalkeeper, who is able to handle the ball in their own penalty area

A direct free kick is taken from the place where the infringement occurred.

Penalty Kick

A penalty kick is awarded if a player commits any of the aforementioned offences inside their own penalty area, irrespective of the position of the ball but provided that it is in play.

If the Competition Rules dictate that only goalkeepers are permitted inside their own penalty area then this part of the Law does not apply.

Indirect Free Kick

An indirect free kick is awarded to the opposing team if a goalkeeper commits one of the following offences:

- Touches or controls the ball with their hands after it has been deliberately kicked to them by a team-mate
- Touches or controls the ball with their hands after they have received it directly from a kick-in taken by a team-mate
- Touches or controls the ball with their hands or feet, in the penalty area, for more than four seconds
- Height of ball restrictions (optional modification) – If a height restriction is introduced the competition rules should identify the height above which an indirect free kick shall be awarded to the opposing team
- If a height infringement occurs within the penalty area and is committed by the defending team an indirect free kick should be awarded on the penalty area line nearest to where the offence took place.

- The exception to this rule shall be when the ball rises above the designated height restriction resulting from a save or block performed by a goalkeeper. Play should continue in this circumstance unless the ball hits the roof, when play should be restarted with a drop ball. However should another player play the ball whilst it is at a height above the designated height restriction this will result in an indirect free kick to the opposing team.

An indirect free kick is also awarded to the opposing team, to be taken from the place where the infringement occurred, if, in the opinion of the Referee, a player:

- Plays in a dangerous manner
- Deliberately impedes the progress of an opponent when the ball is not being played
- Prevents the goalkeeper from releasing the ball from their hands
- Commits any other offence, not previously mentioned in Law 12, for which play is stopped to caution or dismiss a player

The indirect free kick is taken from the place where the infringement occurred, unless this was in the penalty area, in which case the indirect free kick is taken from the penalty area line at the point nearest to where the infringement occurred.

Disciplinary Sanctions

The use of temporary time suspensions ('sin bins') and the exclusion of a player arising from the issuing of a red card are the recommended disciplinary sanctions for use in small-sided football. Match Officials should employ the use of temporary timed suspensions (blue cards) in all cases traditionally regarded as cautionable offences.

Referees shall also have the discretion to use a second 'blue card' and a further period of suspension for a second minor offence rather than a second blue card automatically resulting in a red card and permanent expulsion.

The options for a match official imposing disciplinary sanctions are therefore;

- Player shown a blue card and temporarily suspended from play
- Player issued with a discretionary second blue card and temporarily excluded from play
- Player issued with a red card and permanently excluded from play

A blue card offence should always be accompanied by a temporary suspension from play.

The period of timed suspension in Small-Sided Football shall be two minutes. The release of players from a temporary suspension should be at the direction of the Referee or a Match Official if one is available.

Temporary Timed Suspensions – Procedures

A player temporarily suspended from play will be shown a blue card by the Match Official and informed that they shall be suspended from play for two minutes.

The player is obliged to leave the playing area and remain in a designated 'Sin Bin' area for the required suspension time. Separate 'sin bin' areas should be identified for each team. If no designated 'sin bin' areas are provided then suspended players should remain in the area where they can be seen by the Referee and adjacent to team officials and substitutes.

A player will be informed as to the end of a period of suspension by the Referee or Match Official and invited to rejoin the game. Where barricades are used the players must use the opening onto the playing area.

34 - SMALL-SIDED FOOTBALL

Temporary Timed Suspensions

A player is shown the blue card and temporarily excluded from play if they commit any of the following offences:

- C1** Is guilty of unsporting behaviour
 - C2** shows dissent by word or action
 - C3** Persistently infringes the Laws of the Game
 - C4** delays the restart of play
 - C5** Fails to respect the required distance when play is restarted with a corner kick, kick-in, free kick or goal clearance.
 - C6** Enters or re-enters the playing area without the Referee's permission or infringes the substitution procedure
 - C7** Deliberately leaves the playing area without the Referee's permission
- For any of these offences, an indirect free kick is awarded to the opposing team, to be taken from the place where the infringement occurred. If the offence was committed within the penalty area the indirect free kick is taken from the penalty area line at the place nearest to where the infringement occurred.

Exception to the use of 'Blue Cards' and Temporary Timed Suspensions

The only exception to the use of 'Blue Cards' and Temporary Timed Suspensions is in facilities where if a player is excluded for two minutes they are unable to take up a position which is still in the eye line of the Referee but outside the boundaries of the pitch. This might be the case in an enclosed sports hall or in a complex of caged pitches. In such circumstances safety considerations requires the Referee to employ the use of yellow cards, with all players remaining on the pitch unless excluded permanently. In this situation normal disciplinary sanctions will apply after the game as per the competition rules. If 2 yellow cards are given to an individual the player will be shown a red card and dismissed.

Sending-Off Offences

A player is sent off and shown the red card if they commit any of the following offences:

- S1** Is guilty of serious foul play
- S2** Is guilty of violent conduct
- S3** Spits at an opponent or any other person
- S4** Denies the opposing team a goal or an obvious goal-scoring opportunity by deliberately handling the ball (this does not apply to a goalkeeper within their own penalty area)
- S5** Denies an obvious goal-scoring opportunity to an opponent moving towards the player's goal by an offence punishable by a free kick or a penalty kick
- S6** Uses offensive, insulting or abusive language
- S7** Receives a second blue/yellow card in the same match

If play is stopped for a player to be sent from the playing area without having committed any additional infringement of the Laws, the game is restarted by an indirect free kick, awarded to the opposing team, to be taken at the place where the infringement occurred. However, if the offence is committed in the penalty area, the indirect free kick is taken from the penalty area line at the place nearest to where the infringement occurred.

Decisions

A player who has been sent off may not take any further part in the game nor may they sit on the substitutes' bench, where provided.

LAW 13: THE PENALTY KICK

The Penalty Kick

A penalty kick is awarded against a team which commits any of the offences for which a direct free kick is awarded inside its own penalty area and while the ball is in play subject to Competition Rules dictating if other players other than the defending goalkeeper may enter the penalty area.

A goal may be scored directly from a penalty kick.

Additional time is allowed for a penalty kick to be taken at the end of each half or at the end of each period of extra time.

Position of the Ball and the Players

The ball:

- Is placed on the penalty mark

The player taking the penalty kick:

- Is properly identified

The defending goalkeeper:

- Remains on their goal line, facing the kicker, between the goalposts, until the ball has been kicked

The players other than the kicker are located:

- Inside the pitch
- Outside the penalty area
- Behind or to the side of the penalty mark
- At least 3m from the ball

Procedure

- The player taking the penalty kicks the ball forward
- They may not play the ball a second time until it has touched another player
- The ball is in play when it is kicked and moves forward

When a penalty kick is taken during the normal course of play, or time has been extended at half- time or full time to allow a penalty kick to be taken or retaken, a goal is awarded if, before passing the goalposts and under the crossbar:

- The ball touches either or both of the goalposts, and/or the crossbar and/or the goalkeeper

Infringements/Sanctions

If any of the following situations occur:

A player of the defending team infringes this Law:

- The kick is retaken, only if a goal is not scored
- The kick is not retaken if a goal is scored

A team-mate of the player taking the kick infringes this Law of the Game:

- The kick is retaken if a goal is scored
- The kick is not retaken if a goal is not scored

The player taking the kick infringes this Law of the Game after the ball is in play:

- An indirect free kick is awarded to the opposing team, the kick to be taken from the place where the infringement occurred, unless this was in the penalty area, in which case the indirect free kick is taken from the penalty area line at the place nearest to where the infringement occurred.

LAW 14: THE KICK-IN

A kick-in is a method of restarting play.

A goal cannot be scored directly from a kick-in. A kick-in is awarded:

- When the whole of the ball passes over a touch line, either on the ground or in the air, or hits the ceiling
- From the place where it crossed the touch line or 2m into the playing area adjacent to where the ball left the playing area when barricades are in use
- To the opponents of the player who last touched the ball

Position of the Ball and the Players

The ball:

- Has to be stationary on the touch line; or 2m into the playing area from the barrier where barricades are in use
- Is kicked into play in any direction

The player taking the kick-in:

- Has part of each foot either on the touch line or on the ground outside the touch line at the moment of kicking the ball; or
- Must stand between the ball and the barricade where in use

The players of the defending team:

- Are at least 3m from the place where the kick-in is taken

Procedure

- The player taking the kick-in may not play the ball a second time until it has touched another player
- The ball is in play immediately after it is kicked or touched

Infringements/Sanctions

The kick-in is retaken by a player of the opposing team if:

- The kick-in is taken incorrectly
- The kick-in is taken from a position other than the place where the ball passed over the touch line or where indicated by the Referee where barricades are in use
- An indirect free kick is awarded to the opposition if the player taking the kick-in plays the ball a second time before it has been played by another player

LAW 15: THE GOAL CLEARANCE

The Goal Clearance

A goal clearance is a method of restarting play.

A goal may not be scored directly from a goal clearance. The goal clearance is awarded when:

- The whole of the ball, having last touched a player of the attacking team, passes over the goal line, either on the ground or in the air, and a goal is not scored in accordance with Law 10

Procedure

- Opponents remain outside the penalty area
- The goalkeeper does not play the ball a second time until it has touched another player
- The ball is in play when the ball is thrown or kicked from any point within the penalty area by the goalkeeper of the defending team

Infringements/Sanctions

If the ball is not thrown or kicked directly beyond the penalty area:

- The goal clearance is retaken

If, after the ball is in play, the goalkeeper touches the ball, before it has touched another player:

- An indirect free kick is awarded to the opposing team from the penalty area line from the place nearest to where the infringement occurred

If, after the ball is in play, the goalkeeper picks the ball up after it has been deliberately kicked to them by a team mate:

- An indirect free kick is awarded to the opposing team, to be from the penalty area line from the place nearest to where the infringement occurred
- Competition rules may allow variations to this ruling allowing goalkeepers to receive the ball straight from a team mate.

LAW 16: THE CORNER KICK

The Corner Kick

A corner kick is a method of restarting play.

A goal may be scored directly from a corner kick, but only against the opposing team. A corner kick is awarded when:

- The whole of the ball, having last touched a player of the defending team, passes over the goal line, either on the ground or in the air, and a goal is not scored in accordance with Law 10

Procedure

- The ball is placed inside the corner arc at the nearest corner
- Opponents remain at least 3m from the ball until it is in play
- The ball is kicked by a player of the attacking team
- The ball is in play when it is kicked or touched
- The kicker does not play the ball a second time until it has been played by or touched another player

34 - SMALL-SIDED FOOTBALL

Infringements/Sanctions

An indirect free kick is taken by the opposing team if:

- The player taking the corner kick plays the ball a second time before it has been played by or touched another player. The indirect free kick is taken from the place where the infringement occurred

For any other infringement:

- The corner kick is retaken

Where the playing area is surrounded by barricades the corner kick is replaced by a kick-in at a point 2m inside the playing area at the corner nearest the point where the ball left the playing area.

Competition Rules may allow the ball to be returned to the defending goalkeeper once the ball has crossed the goal line.

Kicks From The Penalty Mark Procedure

Taking Kicks from the Penalty Mark is a method of determining the winning team where competition rules require there to be a winning team after a match has been drawn

Procedure

- The Referee chooses the goal at which the kicks will be taken
- The Referee tosses a coin and the team whose captain wins the toss decides whether to take the first or second kick.
- The Referee keeps a record of the kicks being taken
- In principle each team takes five kicks, depending on the circumstances described hereafter
- The kicks are taken alternately
- The names of the players taking the kicks are announced to the Referee by the captains of each team before the kicks from the penalty mark are taken and must be among those included on the list of players submitted before the match. Only those players on the pitch at the completion of the game are eligible to take part in Kicks from the Penalty Mark
- Where a player(s) has been sent off by the Referee the opposing team must reduce the number of players to equalise the participants in each team prior to the Kicks from the Penalty Mark commencing
- If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken
- If, after both teams have taken five kicks, both have scored the same number of goals, kicks continue to be taken in the same order, until one team has scored one goal more than the other from the same number of kicks
- Any player who has been sent off may not take part in the kicks from the penalty mark
- Any eligible player may change places with their goalkeeper
- Only the eligible players and Match Officials are permitted to remain on the pitch when kicks from the penalty mark are taken
- All players, except the player taking the kick and the two goalkeepers, must remain in the opposite half to that where the kicks are being taken
- If a goalkeeper is injured during the kicks from the penalty mark procedure they may be replaced by a substitute

Procedures to Determine the Winner of a Match

To determine the winner of a match, tied after fulltime the following procedures or a combination of these procedures may be used,

- Extra time
- Kicks from the penalty mark

Use of these procedures should be detailed in the competition rules

APPENDIX A: NOTES ON THE LAWS FOR SMALL-SIDED FOOTBALL - MODIFICATIONS

Provided the principles of these laws are maintained, the Laws may be modified in their application for matches, including for players with disabilities as outlined below.

Any or all of the following modifications are permissible:

- Size of the playing area
- Size, weight and material of the ball
- Width between the goalposts and height of the crossbar from the ground
- The duration of the periods of play
- Substitutions
- Height of ball restrictions – If a height restriction is to be introduced the competition rules should identify the height above which an indirect free kick shall be awarded to the opposing team. If a height infringement occurs within the penalty area and is committed by the defending team an indirect free kick should be awarded on the penalty area line nearest to where the offence took place. The exception to this rule shall be when the ball rises above the designated height restriction resulting from a save or block performed by a goalkeeper. Play should continue in this circumstance. Should another player then play the ball whilst it is at a height above the designated height restriction this will result in an indirect free kick to the opposing team
- Access to penalty areas being restricted only to goalkeepers. Entry into the penalty area by a defender results in a direct free kick from the penalty mark; entry into the penalty area by an attacker results in the goalkeeper being given possession of the ball to re-start the game.
- After the goalkeeper has distributed the ball, they may only receive a pass if the ball has either touched an opponent or if the ball has been touched by at least two of the goalkeeper's team-mates.
- Goalkeepers can only distribute the ball through underarm throws. Goalkeepers are not allowed to kick the ball deliberately unless in the process of making a save.
- Competition Rules may allow the ball to be returned to the defending goalkeeper once the ball has crossed the goal line
- Players are not permitted to hold onto barriers when in place to shield the ball and should be penalised by the Referee for holding and a direct free kick awarded to the opposition.

Other formats of Small-Sided Football

The Football has the ability to sanction other formats of Small-Sided Football. The principles of any approval by The Association shall be based upon,

- The normal Laws of Association Football apply with exceptions
- The game should take into full account the health and safety of the players and officials

APPENDIX B: ADVICE TO REFEREES AFFILIATED COMPETITIONS

To ensure they are covered by their County FA Public Liability Insurance Referees should ensure that all games they officiate in are sanctioned by the appropriate authority (The Association or County FA). If in doubt contact your County FA for clarification

Disciplinary Process

Referees should ensure that all offences for which they have dismissed players with a single red card are reported to their County FA within 48 hours of the game being played. Likewise any disciplinary issues with team officials should be reported within the same timescales

SECTION TWO

Small-Sided Football Laws of the Game Players' Guide

1. The players equipment
2. The Referee
3. Duration of play
4. Playing the match
5. Making Substitutions and Changes
6. Fouls and free- kicks
7. Discipline Process
8. Returning the ball back into play
9. Modifications to the Laws

The Normal Laws of Association Football apply with exceptions:

- 1 **The Players' Equipment** - A player must not use equipment or wear anything that is dangerous to themselves or another player. All Jewellery must be removed. Shinguards, must be covered entirely by the socks, made of a suitable material (rubber, plastic or similar substances) and provide a reasonable degree of protection.

Goalkeepers are permitted to wear long trousers and must wear colours, which easily distinguish them from the other players and the Referees
- 2 **The Authority of the Referee** - Each match is controlled by a Referee who has full authority to enforce the Laws of the Game in connection with the match to which they have been appointed, from the moment they enter the locality where the playing area is situated until they leave.
- 3 **The Duration of the Game** - the game shall be divided into two equal periods of over 5 and up to 25 minutes each period subject to the following:
 - Allowance shall be made in either period for time lost through stoppages as decided by the Referee
 - The duration of either period shall be extended to enable a penalty kick to be taken
 - The Half Time interval shall not exceed 5 minutes except by consent of the Referee
 - Competition rules may allow for a game to be played in its entirety without a half time interval or requirement to change ends

- 4 **Kick-off** – is a way of starting or restarting play: at the start of the game, after a goal has been scored, at the start of the second half of the game, and at the start of each period of extra time, where applicable. A goal may be scored directly from the kick-off. All players must be in their own half of the playing area; the opponents of the team taking the kick-off are at least 3m from the ball until it is in play. The ball must be stationary on the centre mark until the Referee gives a signal. The ball is in play when it is kicked and moves forward. The kicker may not touch the ball a second time until it has touched another player.

Drop Ball – is a way of restarting the match after a temporary stoppage. Play restarts when the ball touches the ground.

Ball Out of Play – The ball is out of play when: it has wholly crossed the goal line or touchline, whether on the ground or in the air, when the Referee has stopped play, or when playing indoors, the ball hits the ceiling.

Ball In Play – the ball is in play at all other times including when: it rebounds from a goal post, the crossbar, or the barricades onto the pitch, or if it rebounds from the Referee when on the playing area. When a match is being played on an indoor playing area and the ball accidentally hits the ceiling, the game is restarted by an indirect free kick awarded to the opposing team to the team, which last touched the ball.

Height of ball restrictions – If a height restriction is to be introduced the competition rules should identify the height above which an indirect free kick shall be awarded to the opposing team. If a height infringement occurs within the penalty area and is committed by the defending team an indirect free kick should be awarded on the penalty area line nearest to where the offence took place. The exception to this rule shall be when the ball rises above the designated height restriction resulting from a save or block performed by a goalkeeper. Play should continue in this circumstance. Should another player then play the ball whilst it is at a height above the designated height restriction this will result in an indirect free kick to the opposing team.

Offside – There is no offside.

Areas of Play – All players – both attackers and defenders – are permitted to play within the penalty area. Goals can be scored within the penalty area. Modified rules may determine that access to the penalty area is restricted except for the goalkeeper.

- 5 **Substitution Procedure** – The maximum number of substitutes permitted is three.

The number of substitutions made during a match is unlimited. A player who has been replaced may return to the pitch as a substitute for another player. Substitutions should take place when there is a break in play or during play if the second official is involved in refereeing the game.

Changing Places with the Goalkeeper – Any of the other players, or substitutes, may change places with the goalkeeper. The following conditions must be observed: the Referee must be informed before the change is made; a change may only be made during a stoppage in play, the replacement goalkeeper must wear a jersey, which distinguishes them from all other players, and the Referee.

Viability of a match (Playing Numbers) – For 5 or 6-a-side if a team loses at any time more than 2 members of their team the match should be abandoned. For 7-a-side this number should be more than 3 members of a team. However for all formats this should only apply when players are permanently excluded or lost through injury rather than within the 'Sin Bin' for a two minute suspension.

6 Fouls and Misconduct – Fouls and misconduct are penalised as follows:

A Direct Free Kick – A direct free kick is taken from the place where the infringement occurred and can be kicked directly into the opponent's goal to score a goal. The referee keeps one arm horizontal pointing in the direction the kick has to be taken. A direct free kick is awarded to the opposing team if a player commits any of the following offences in a manner considered by the Referee to be careless, reckless or using excessive force:

- Kicks or attempts to kick an opponent
- Trips or attempts to trip an opponent
- Jumps at, pushes or charges an opponent (even with the shoulder)
- Strikes or attempts to strike an opponent
- Tackles an opponent (the key words are doing it carelessly, recklessly or with excessive force)

In addition direct free kicks will also be awarded if a player:

- Spits at an opponent,
- Slides in an attempt to play the ball when it is being played or attempted to be played by an opponent (sliding tackle).
- Handles the ball deliberately, with the exception of the goalkeeper, who is able to handle the ball in their own penalty area Holds an opponent

A Penalty Kick – is awarded against a team, which commits any of the offences for which a direct free kick is awarded inside its own penalty area and while the ball is in play. Additional time is allowed for a penalty kick to be taken at the end of each half or at the end of each period of extra time.

Position of the Ball and the Players for a Penalty kick – The ball is placed on the penalty mark; the player taking the penalty kick is properly identified. The defending goalkeeper must remain on their goal line, facing the kicker, between the goalposts, until the ball has been kicked. The players other than the kicker are located: inside the pitch, outside the penalty area, behind or to the side of the penalty mark, at least 3m from the ball. The player taking the penalty must kick the ball forward; they may not play the ball a second time until it has touched another player. The ball is in play when it is kicked and moves forward.

Indirect Free Kicks – An indirect free kick is taken from the place where the infringement occurred, unless this was in the penalty area, in which case the indirect free kick is taken from the penalty area line at the point nearest to where the infringement occurred. An indirect free kick is awarded for the following offences;

- A Goalkeeper touches or controls the ball with their hands after it has been deliberately kicked or thrown to them by a team-mate.
- A Goalkeeper touches or controls the ball with their hands or feet, in the penalty area, for more than four seconds.
- The ball exceeds the height of ball restrictions (optional modification).
- If in the opinion of the Referee, a player: plays in a dangerous manner, deliberately impedes the progress of an opponent when the ball is not being played, prevents the goalkeeper from releasing the ball from their hands, commits any other offence, not previously mentioned for which play is stopped to administer a temporary timed suspension or dismiss a player.

From an Indirect Free Kick a goal can be scored only if the ball subsequently touches another player before it enters the goal. For an Indirect Free Kick: the Referee indicates an indirect free kick by raising their arm above their head. They maintain their arm in that position until the kick has been taken and the ball has touched another player or goes out of play.

Position of Free Kick – All opponents must be at least 3m from the ball until it is in play. The ball is in play after it has been touched or played.

- 7 Disciplinary Sanctions** – The use of temporary time suspensions ('Sin Bins') and the exclusion of a player arising from the issuing of a red card are the recommended disciplinary sanctions for use in small-sided football. Match Officials should employ the use of temporary timed suspensions (blue cards) in all cases traditionally regarded as cautionable offences. Yellow cards are no longer to be used in small-sided football unless the use of temporary timed suspensions is impractical due to the nature of the venue i.e. Referees cannot supervise players who have been dismissed. In these cases yellow cards may continue to be used.

- The options for a Match Official imposing disciplinary sanctions are therefore;
- Player shown a blue card is temporarily suspended from play
- Player issued with a discretionary second blue card and temporarily suspended from play
- Player issued with a red card and permanently excluded from play

A blue card offence should always be accompanied by a temporary suspension from play of two minutes in duration. The release of players from a temporary suspension should be at the direction of the Referee or a Match Official if one is available.

Temporary Timed Suspensions – A player is shown the blue card and temporarily excluded from play if they commit any of the following offences: is guilty of unsporting behaviour, shows dissent by word or action, persistently infringes the Laws of the Game, delays the restart of play, fails to respect the required distance when play is restarted with a corner kick, kick-in, free kick or goal clearance. Enters or re-enters the pitch without the Referee's permission or infringes the substitution procedure, deliberately leaves the pitch without the Referee's permission.

For any of these offences, an indirect free kick is awarded to the opposing team, to be taken from the place where the infringement occurred. If the offence was committed within the penalty area the indirect free kick is taken from the penalty area line at the place nearest to where the infringement occurred.

Sending-Off Offences – A player is sent off and shown the red card if they commit any of the following offences: is guilty of serious foul play, is guilty of violent conduct, spits at an opponent or any other person, denies the opposing team a goal or an obvious goal-scoring opportunity by deliberately handling the ball (this does not apply to a goalkeeper within their own penalty area). Denies an obvious goal-scoring opportunity to an opponent moving towards the player's goal by an offence punishable by a free kick or a penalty kick. Uses offensive, insulting or abusive language. Or if a player receives a second/third blue card in the same match.

Decisions – A player who has been sent off may not take any further part in the match nor may they sit on the substitutes' bench, where provided.

- 8 The Kick-In** – is a method of restarting play. A goal cannot be scored directly from a kick-in. A kick-in is awarded if; the whole of the ball passes over a touch line, either on the ground or in the air, or hits the ceiling. A Kick-in is taken from the place where it crossed the touchline or 2m into the playing area adjacent to where the ball left the playing area when barricades are in use. The kick is awarded to the opponents of the player who last touched the ball.

The player taking the kick-in may not play the ball a second time until it has touched another player. The ball is in play immediately after it is kicked or touched. The players of the defending team must be at least 3m from the place where the kick-in is taken. The feet of the player taking the kick-in must not cross the line.

The Corner Kick – a goal may be scored directly from a corner kick.

9 Modifications to the Laws –

Any or all of the following modifications are permissible:

- Size of the field of play
- Size, weight and material of the ball
- Width between the goalposts and height of the crossbar from the ground
- The duration of the periods of play
- Substitutions
- Height of ball restrictions
- Access to penalty areas being restricted only to goalkeepers
- Goalkeeper unable to receive 'pass backs' unless the ball has been touched by an opponent or been touched by at least two of his team-mates
- Goalkeepers can only distribute the ball through underarm throws
- Goalkeeper restarts if the ball crosses goal line
- Players are not permitted to hold onto barriers when in place to shield the ball

Modifications to the laws should be detailed in the competition regulations

35 - FLEXIBLE FOOTBALL

THE FORMAT OF FLEXIBLE FOOTBALL

The Association has introduced "Flexible Football" as a new format to provide players with an additional way to participate in 11 a side football. The objective is to provide a more flexible framework within which 11 a side competition can be organised that is entirely separate to the normal football pyramid.

GENERAL PRINCIPLE

The IFAB Laws of the Game and the Rules and Regulations of The Association shall apply at all times, save for where indicated below.

COMPETITION ORGANISER AND TEAM INFORMATION

1. Competition organisers must affiliate the league and its teams with the relevant County Football Association.
2. Each competition should last no longer than 20 weeks of fixtures in total.
3. Flexible Football is for male only or female only competitions. For a temporary period to be determined by the Sanctions and Registrations Committee of The Association, mixed gender open age football competitions may also be permitted as a pilot project, subject to the prior approval of the Sanctions and Registrations Committee.
4. Competitions can run concurrently throughout the year.
5. There is no link between Flexible Football and the National League System and Women's Pyramid in relation to promotion and relegation.
6. The competition organiser is responsible for devising the competition format, dealing with any issues regarding scheduling and communicating the features of the competition to the teams prior to commencement.

PLAYER INFORMATION

7. All players must be at least 16 years of age and must be registered in order to play.
8. Players register by completing a registration form which shall be provided by the competition organiser. A player may cancel their registration with a team at any time by giving written notice to the competition organiser. Players may register with a new team provided all financial liabilities to the previous team have been discharged.
9. There is no limit on how many players can be registered for each team, but a player may not be registered for more than one team at the same time, in any competition.
10. A squad of no more than 15 players per team is permitted for each game.
11. A team shall require a minimum of seven players to participate in a match.
12. If a team has less than seven players at any time the match will be abandoned.
13. A team sheet setting out the name of each member of the squad must be provided to the competition organiser before each game.
14. Shin pads are mandatory for all players, including goalkeepers.
15. Players must wear appropriate footwear. This is at the discretion of the Referee and as permitted by the venue.
16. A team found to have played an ineligible or suspended Player in a match shall have any points gained from that match deducted. If the opposing team did not win the match, it will be awarded the points for a victory.
17. No refunds of match fees or other charges will be provided to players or teams, as a result of contravention of the competition rules.

MATCH INFORMATION

18. The duration of a match is at the discretion of the competition organiser. Each match in an individual competition must be played for two halves of the same duration. The half time interval shall be a minimum of five and no longer than 10 minutes.
19. Unlimited repeat substitutions are permitted.

DISCIPLINARY

20. Competition organisers and the Referee administer the disciplinary system for the competition, save for where indicated below.
21. In the event a player receives a yellow card during a match that player will be subject to a "Temporary Time Suspension". A Temporary Time Suspension will result in the player being excluded from play for a period six minutes, or until the conclusion of the match (whichever is earlier).
22. The release of players from a Temporary Time Suspension shall be at the direction of the Referee.
23. The options for Referees when imposing disciplinary sanctions are therefore;
 - Player shown a yellow card and temporarily suspended from play for six minutes.
 - Player issued with a second yellow card, followed by a red card and excluded from play.
 - Player issued with a red card and excluded from play.

For the avoidance of doubt, a first yellow card offence should always be accompanied by a Temporary Time Suspension.

24. Temporary Time Suspensions – Procedure
 - A player will be shown a yellow card by the Referee and informed that he/she shall be suspended from play for six minutes.
 - The player is obliged to leave the playing area and remain in the area where they can be seen by the Referee and adjacent to his or her own team officials and substitutes.
 - A player will be informed as to the end of a period of suspension by the Referee and invited to re-join the game.
 - A player shall re-join the game from the half-way line.

25. Temporary Time Suspensions - Offences

A player is shown a yellow card and made subject to a Temporary Time Suspension if he commits any of the following offences:

- C1 Is guilty of unsporting behaviour.
- C2 Shows dissent by word or action.
- C3 Persistently infringes the Laws of the Game.
- C4 Delays the restart of play.
- C5 Fails to respect the required distance when play is restarted with a corner kick, free kick or goal clearance.
- C6 Enters or re-enters the playing area without the Referee's permission or infringes the substitution procedure.
- C7 Deliberately leaves the playing area without the Referee's permission outside of a substitution.

For any of these offences, an indirect free kick is awarded to the opposing team, to be taken from the place where the infringement occurred.

26. Where a red card has been issued a copy of the Disciplinary Report should also be sent to the County Football Association within 48 hours of the end of the match. Suspensions arising from “Standard Red Card Offences” imposed by the County Football Association are only applicable within the competition and not to other formats of Association Football. The suspension is to commence 14 days from the date the player was dismissed.
27. Suspensions arising from ‘Serious Misconduct Red Card Offences’ imposed by the County Football Association are applicable to all formats of Association Football.

Management of Cautions, Standard Dismissals and Serious Misconduct Offences in Flexible Football

The table below summarises the management of the disciplinary process in Flexible Football.

SANCTION	OFFENCES	RESPONSIBILITY FORADMINISTERING	TARIFFS
Caution (Yellow card)	As per the normal Laws of Association	Referee	Temporary Time Suspension
Dismissal - Standard Red Card Offences	A second yellow card offence. Denying an obvious goal scoring opportunity. Use of offensive, insulting or abusive language/gesture (including at the referee). Serious Foul Play	County Football Association	As determined by the relevant FA Disciplinary Process
Dismissals - Serious Misconduct Offences to be managed by the County Football Association *	Violent conduct or behaviour causing injury, including any form of assault. Spitting. Any offences where the offender has also acted in a discriminatory manner for reasons of ethnic origin, colour, race, religion, sex, sexual orientation, disability. Any other offence not covered above including offences committed after the match or after being dismissed.	County Football Association	As determined by the relevant FA Disciplinary Process

*In addition to imposing the relevant standard penalty, the County Football Association retains the discretion to take additional disciplinary action, depending upon the seriousness of the offence.

36 - MEDICAL REGULATIONS

PREAMBLE

The safety of Players (and, where applicable, others) is of paramount importance. These Medical Regulations, made in accordance with Rule J, set out in the medical requirements imposed on Clubs that participate in the following leagues:

- (i) the Premier League;
- (ii) the EFL;
- (iii) leagues at Steps 1-6 of the National League System;
- (iv) Women's Super League;
- (v) Women's Championship; and
- (vi) The FA Women's National League.

These Medical Regulations are binding on all such Clubs.

Nothing in these Medical Regulations:

- replaces, reduces or affects in any way the obligations imposed on Clubs or any other Persons by law in the fields of medicine, occupational health and/or health (or any other area); or
- prevents any Club from arranging for medical provision that exceeds any minimum medical requirements prescribed by these Medical Regulations.

Capitalised terms in these Medical Regulations are defined in Rule A, save that "FA Competition" means (as the context requires) (i) The FA Cup, (ii) The FA Community Shield, (iii) The FA Trophy, (iv) The FA Vase, (v) Women's FA Cup, (vi) The FA Women's League Cup, (vii) The FA Youth Cup, and (viii) such other Competitions organised by The Association as The Association may specify from time to time.

While not forming part of these Medical Regulations, from time to time The Association issues guidance in respect of medical matters, which is published on The Association's website and distributed to Participants as appropriate. This guidance includes The FA Concussion Guidelines, which are available at <https://www.englandfootball.com/concussion>, and heading guidance available at <https://www.englandfootball.com/participate/learn/Brain-Health/Heading-in-Football>.

A. COMPETITION RULES AND REGULATIONS APPLICABLE TO CLUBS

Clubs and Participants should ensure that they check the relevant Competition rules and/or regulations to ensure compliance. These rules and regulations should be referred to directly in order to establish their full force and effect.

COMPETITION / ORGANISER	APPLICABLE MEDICAL RULES / REGULATIONS
UEFA	See relevant competition rules or regulations.
Premier League	See relevant competition rules or regulations.
EFL	See relevant competition rules or regulations.
Leagues in the National League System (Steps 1-6)	See relevant competition rules or regulations.
Women's Super League	See relevant competition rules or regulations.
Women's Championship	See relevant competition rules or regulations.
The FA Women's National League	See relevant competition rules or regulations.

B. MEDICAL REGULATIONS

1. Clubs must adhere to the medical rules and regulations set out in section A and all other relevant medical rules and regulations where applicable to them.
2. Save where the rules of the FA Competition state expressly to the contrary, when participating in Matches in an FA Competition, Clubs must comply with the minimum medical standards that apply to the Club's league Matches (subject to making any necessary allowances in order to reflect the different context). For the avoidance of doubt, this means that the home Club must comply with any minimum medical standards that apply to its home league Matches, and the away Club must comply with any minimum medical standards that apply to its away league Matches, i.e., where specific provisions apply to the away Club.

Explanatory note: For example, where a Club participating at Step 1 of the National League System ("NLS Club") meets a Premier League Club in the third round (proper) of The FA Cup:

- *If the NLS Club is the home Club, then it must treat the Match as if it were a home league match (adhering to any medical rules or regulations as may be prescribed by its league), and the Premier League Club must treat the Match as if it were an away (Premier League) league match (as prescribed by the Premier League Rules).*
 - *If the Premier League Club is the home Club, then it must treat the Match as if it were a home (Premier League) league match (as prescribed by the Premier League Rules), and the NLS Club must treat the Match as if it were an away league match (adhering to any medical rules or regulations as may be prescribed by its league).*
3. The home and away Clubs participating in Matches in FA Competitions must liaise with each other in advance of their Match to ensure that each is clear and satisfied as to the medical provision that will be available at the Match.
 4. When participating in any competition that is not (i) specified at section A above, or (ii) an FA Competition, or (iii) sanctioned by The Association and/or an Affiliated Association (e.g., pre-season friendly tournaments held abroad), Clubs must comply with any minimum medical standards (or similar) applicable to that competition as determined by the relevant competition organiser. In absence of any such minimum medical standards (or similar), the Clubs must comply with the minimum medical standards that apply to their relevant league Matches.
 5. Any breach of these Medical Regulations will be Misconduct in accordance with Rule E1.2. Any charge for Misconduct will be dealt with in accordance with the Rules and will be determined by a Regulatory Commission of The Association.

37 - RESPECT

Respect is The FA's response to a clear message from throughout the game, that the health of football depends upon high standards of behaviour on and off the pitch.
